

## Residency Exemption Form

Grace Christian University desires to help and encourage students to maintain positive living arrangements which give students the greatest potential for success. Students who have not yet completed four semesters of college (post-high school) must reside in campus housing (includes meal plan). Students will be permitted to live at home with parent(s) or legal guardian(s) provided the residence is within a 45 minute drive of campus. To receive an exemption, this form must be completed, signed and filed with the Community Life department.

### Student:

- I understand that until I complete four semesters of College (post high-school) I am required to live on campus. I am requesting exemption from the residency requirement because I live with my parent(s) or legal guardian(s).
- I understand that I must adhere to the behavioral expectations stated in the Student Handbook and will be held accountable for my behavior both on and off campus.
- I understand that if I desire to live off campus (not at home) after four semesters of College, I must submit an off campus housing form for approval.

### Parent:

- I understand that my student is seeking residency exemption to live at home with me at my primary place of residence. *“Living at home with a parent or guardian” assumes that the student is commuting daily to Grace from the parent’s/guardian’s home, eating most meals at the parent’s/guardian’s home, sleeping at the parent’s/guardian’s home and is listed as a dependent.*
- I understand that if my student is not living at home with me, my student will be required to reside on campus and pay all associated fees.
