Dear Grace Students,

We pray that you and your families are doing well during these challenging times!

Please read the attached letter to learn what Grace Christian University is doing related to the Coronavirus Aid, Relief, Economic Security (CARES) Act. You will receive further communication from the Business Office as we work through the steps to provide you with relief funds made available by the government.

If you have any questions, please feel free to email us at [business\\_office@gracechristian.edu](mailto:business_office@gracechristian.edu) and we will respond as promptly as possible.

God bless you!

Doug
