 To: Undergrad Students <undergradstudents@gracechristian.edu>

I want to take a moment to say thank you to our entire student body and staff for the way in which we have responded to the student covid-19 positive test result last week. We must stay diligent in our pursuit of keeping our campus healthy. It's on all of us to do our part, and from my viewpoint it makes me proud to see us continually come together.

Through our tracing, students getting tested, quarantining, mask wearing and cleanliness efforts, we have not had any more symptoms or positive tests. We must continue to stay vigilant as we look to keep ourselves, our community and families safe.

In light of this news, we are:

- restarting open dorms, effective Oct 14, 2020 (with masks, distancing, etc)
- opening up the gym/weight room hours from 8am-5pm (with temp checks and covid questions before use)
- We are easing restrictions of student numbers in booths in the commons, but continue to be vigilant with mask wearing and spacing in that area.

Again, we are thankful to be on campus taking classes and enjoying community. It's on all of us to have success. This is not a time to relax, but to build on the momentum we have with regards to health and safety.

Have a great week

--
