PRIVILEGE OF ATTENDANCE

Grace Christian University is a private institution. Attendance at Grace Christian University is a privilege. Grace Christian University reserves the right to revoke the attendance privilege of any student if at any time the student is believed to not be fulfilling the purpose and objectives of the institution as set forth by the Board of Directors and/or the Administration of Grace Christian University. The following guidelines of the student handbook clarify expectations and general sequence of response but do not supersede the overall right of the institution to revoke attendance privilege.

INFORMATION FOR YOU

MAIL

Boxes are provided for each student in the foyer to the Student Commons. Mail box numbers and combinations are found on the Student Portal. Each student is encouraged to enter his/her combination into his cell phone for convenience. Students are responsible to check regularly for notices placed in boxes. Mail is usually in boxes by noon Mon—Fri; students should check boxes daily. Outgoing mail can be deposited in the outgoing mail bin in the business office.

All mail should be addressed as follows:

General Mail:	FedEx, UPS, Deliveries:
(Student Name)	(Student Name)
Grace Christian University	Grace Christian University
P.O. Box 910	1011 Aldon St. SW
Grand Rapids, MI 49509	Grand Rapids, MI 49509

E-MAIL

Each student is assigned a Grace Christian University e-mail address which Grace Christian University will use to communicate with students. This e-mail account is accessible through any internet connection. Internet access is available throughout campus via secure wi-fi. Computer stations are available for student use in the Bultema Library and Jack T. Dean Academic Center. E-mail and internet use policy is found later in this handbook.

STUDENT ID

Student ID cards are provided for incoming students. All student ID cards are electronic proximity cards which grant access to various campus locations. The card is valid as long as you are a student at Grace Christian University. Replacement cards are available through the Registrar's Office Front Desk, but must be paid for in the business office first for a fee of \$20. Key fobs are available in the Student Affairs Office for \$20.

CAMPUS NEWS AND ANNOUNCEMENTS

Campus news and announcements are posted on the announcement page of the Student Portal and announced in chapel, as well as Digi-Signs around campus and The Scoop, located in various restrooms. Any student desiring to make an announcement on the Digi-sign should submit a request online at <https://gracechristian.edu/digisign-submission/>. Students can email chapel announcement submissions to chapel@gracechristian.edu. Announcements are subject to approval, and will be posted in a timely manner (usually within 24 hours.)

BUSINESS OFFICE HOURS

Office hours are from 8:00 a.m. to 5:00 p.m. (subject to change), Monday through Friday, excluding holidays.

POSTAGE STAMPS

Stamps are sold through the Business Office or at the Kahawa Cafe register on a cash only basis.

INSURANCE

The University is not responsible for theft, fire, or loss of personal belongings. Students should be certain they have “off-the-premises” coverage on household insurance at their permanent residence if they wish protection from such loss.

PRINTING/COPYING

Printers and copiers are available for student use in Bultema Library, Student Commons and JTDAC. Cost for printing or copying is 5 cents per page.

TRANSPORTATION AND USE OF GRACE CHRISTIAN UNIVERSITY VEHICLES

Personal use of Grace Christian University vehicles is not allowed.

Grace Christian University will attempt to assist students with transportation:

1. To transport them at the beginning and end of each semester (only) to and from the airport, bus station, or train station within a 25-mile radius of Grace Christian University.
2. When Grace Christian University Music Department has arranged for students to provide special music for a church.
3. When Grace Christian University’s Student Affairs Department has arranged for a student group to conduct a Christian Service Ministry or other student activity, or when off-site learning opportunities are arranged by course instructors.
4. When Student Government has a university-sponsored activity or event as arranged by the Student Affairs Department.

All drivers of Grace Christian University vehicles must be at least 21 years of age and must be on the *Approved Drivers List* (application and acceptance required) maintained by the Business Office.

Public transportation is easily accessible (www.ridetherapid.org) as well as various local taxi services and student carpooling. Nearby stops for the Rapid can be found at Aldon and Clyde Park as well as Locksley and DeHoop. Uber and Lyft are available in Grand Rapids as well.

**GRACE VEHICLES ARE NOT AVAILABLE FOR ANY USE
OTHER THAN AS STATED ABOVE.**

MAINTENANCE REQUESTS

Need something fixed in your room? Maintenance requests are submitted on School Dude at login.myschoolbuilding.com. Students can register for an account and

submit a request using the information below. You can also complete this process with the help of an RA.

The Grace organization code is 603027091, and the password is “bible”.

CAMPUS WIDE ALERTS

Grace uses a campus wide emergency notification system. This system will be activated for class cancellations, severe weather, or campus emergencies. To receive emergency notifications sent to your phone, text 'GraceCUAlert' to 91096. You can also sign up at www.mobile-text-alerts.com/GraceCUAlert to include your phone and email address. Reply 'STOP' at any time to unsubscribe.

INCLEMENT WEATHER POLICY

Information regarding campus-wide class cancellations will be posted on local television and distributed through the on-campus alert system. For a variety of reasons, Grace Christian University rarely cancels classes due to inclement weather. Commuter students who believe conditions are unsafe to drive to campus due to inclement weather are expected to communicate this to professors by the end of the scheduled class session in order to be granted an exception to the attendance policy. Any assignments are still due unless otherwise approved by the professor. On-campus resident students are expected to attend class unless the campus closes.

WHAT IS GOING ON?

Student Affairs shares information about news and upcoming events on various social media outlets. On Facebook, this information can be found by joining the Community Life @ Grace group. Students can also follow Community Life at Grace ([gracecommunitylife](https://www.instagram.com/gracecommunitylife)) on Instagram and Snapchat. Students can also check The Scoop in various restrooms around campus, and information will be shared via a weekly email

ACADEMIC POLICIES

The Academic Catalog is published annually and is the governing document for all academic-related policy and procedure. In addition to the Student Handbook, students agree to adhere to the policies and procedures presented in the academic catalog. The academic catalog is published on the Grace website and is available as a pdf document, and all students are encouraged to review it carefully. The catalog can be found online at <https://gracechristian.edu/oncampus-academic-catalog/>

SECTION ONE: STUDENT AFFAIRS PHILOSOPHY

God's Word teaches believers to have a consistent Christian life-style in order to exemplify Christ.

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity. (1 Tim 4:12) NIV.

Grace Christian University is a community of individuals who, through Christ, have a hope and calling to become more godly than we are presently.

Though diverse in gifts and vocational interests our aim is to come together as a community of learners united by our faith in God and a common vision.

Our vision is to see all learning and personal development brought under the Lordship of Christ. Grace is intent upon the task of equipping each student to face an increasingly complex, confused, and chaotic world. Yet, we wish not merely to equip the student to face the world, but to challenge the world with the power of the gospel, offering hope, peace, and healing.

Attending Grace is a privilege with responsibilities. In order for us to grow and develop, it is necessary for each of us to clearly understand the purposes and objectives of Grace Christian University as stated in our catalog. Donors, parents, members of the constituency, and student expectations have influenced the philosophy reflected in this handbook.

One of the dangers in the Christian life is to allow your relationship with God to degenerate to the externals - going through the motions (i.e. church attendance, devotions, and even ministry). Without the love of God as motivation, bitterness, guilt, and emptiness become the eventual result of trying to live a Christian life.

The focus of Christian growth and maturity is a deeper and more mature love for God. Once students take this viewpoint, right behavior follows. As a result, student policy at Grace Christian University encourages and seeks to enhance the development of our relationship to God. Even though observance of guidelines does not guarantee spirituality, our *ATTITUDE* and *REACTION* to these guidelines reveal the integrity of our character.

While we expect these guidelines to be observed, they are not your primary focus. Your relationship with Christ is your primary focus. Observance of university guidelines should be an expression of your love and "reasonable service" to Jesus Christ. Look for the spirit and not the letter of the law (2 Cor 3:6).

SECTION TWO: SPIRITUAL LIFE AT GRACE

When Jesus was asked what the greatest command was, He responded, “Love the Lord your God with all your heart, soul, mind, and strength.” In thinking about our response to God, we echo these words and encourage the members of this community, above all else, to love God. This is an appropriate response, realizing He created us, first loved us, and paid the highest cost to redeem us. Loving God supremely is characterized by presenting our lives in dedication and worship to him.

CHURCH ATTENDANCE

Since regular group worship is essential to Christian growth (Heb. 10:25), weekly church attendance is expected. Attendance at Sunday evening and midweek services is encouraged. Students are free to attend the church of their choice, though local Grace churches are recommended because of their affiliation with the University. Loyalty to a local church in prayer, support, and attendance is helpful to the student and is appreciated by the congregation and the pastor. In some cases, the student’s involvement in Christian Ministry will determine which church he/she attends.

If transportation to/from church is a problem, your RA will help.

CHAPEL – 9:45@GRACE

*“Come to me, all you who are weary and burdened, and I will give you rest”
(Matt 11:28) NIV.*

**Please note: During the 2020/2021 academic year, Chapel attendance policies may be adjusted in response to the Covid-19 pandemic.

Chapel at Grace Christian University serves as a central event for the campus community. Students, faculty and staff come together to worship the Creator of heaven and earth. We worship through instruction from God’s word, celebrating our service in the world, sharing our lives together and responding with prayer, singing and testimonies.

Chapel is corporate worship, not a replacement for personal time with God. A worshipful attitude should characterize the atmosphere of all chapel services. Be respectful of those seated around you who may want the time for quietness, prayer and meditation. Students are to refrain from doing homework, using their phones, and other activities which take away from corporate worship.

The normal weekly format is as follows: Tuesday and Wednesday Teaching Chapels (instruction from God’s word and other experiences to build connections within our campus community); Thursday A.C.T. groups (Applying Christ Together in student-led small groups) and Friday Response Chapel (Responding to God through worship).

Attendance and Chapel Exemptions

Chapel is held Tuesday through Friday, 9:45-10:30 am, with additional events or special occasions occurring throughout the semester. These additional events are sponsored by campus organizations or Grace Christian University staff members and can be counted toward chapel attendance. Students may seek exemption from chapel attendance by submitting an online chapel conflict form at the beginning of the semester, pending the approval of Student Affairs staff. Exemptions may be granted to students for class conflict (attending class at another college), work conflict (student’s employment schedule conflicts with chapel and the schedule cannot be changed), or commuter conflict (student does not live in Grace owned housing and does not have a class either directly preceding or following chapel). Students with work conflicts must present a printed schedule or written communication from their employer to Student Affairs staff at the beginning of the semester. Regardless of approved conflicts, all students physically present on campus during morning chapel are expected to attend. Students are required to attend a total of 44 chapels each semester. This number includes morning chapels and additional events or special occasions. Each semester, Grace offers 65+ chapel scan opportunities. The chapel attendance requirement is reduced for those students who have had submitted a chapel conflict form and have had their exemptions approved (see the table below). Additional exemptions are not granted for inclement weather situations. Students arriving more than 10 minutes late to chapel will not be counted as present. Students who fail to meet the chapel attendance requirement will be assessed a fine of \$10 per chapel short of the requirement, and could forfeit their returning student scholarships for the following year. A chapel attendance report is available to students through the Student Portal. All chapel attendance errors can be corrected with Becky Karsten (bkarsten@gracechristian.edu) and must be done within one week of chapel date.

CHRISTIAN MINISTRY

“We are God’s workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.” (Eph. 2:10) NIV.

Grace Christian University, like all other colleges accredited by The Association for

Biblical Higher Education, requires practical field credit as integral to all degree programs. We believe this practical exposure to serving humankind is as essential as classroom academics. Christian Ministry becomes an extension of your classroom experience translated into active participation in our churches and local community.

Our goal is to establish an environment in which each member of the student body realizes that God has given us unique and special gifts that only we can use. The Christian Ministry program allows you the opportunity to make a unique contribution to the Body of Christ and to the world in which we live and helps students to be prepared to serve Christ in church and society.

Students should read carefully the purpose and requirements of the Christian Ministry program in this handbook (Section 7 - "Christian Ministry at Grace"). All Christian Ministry experiences done for credit will be approved, tracked and documented by the Campus Ministries Coordinator.

OTHER OPPORTUNITIES

Students are encouraged to take advantage of other opportunities for spiritual growth. Small groups meet weekly in the dorms. Periodic concerts of prayer and other spiritual growth events will be announced. Informal times of worship, prayer, Bible study and fellowship are strongly encouraged. Various committees of Student Government will plan service events and evangelism opportunities.

SECTION THREE: STUDENT AFFAIRS AT GRACE

Loving God Leads Us To Love Others

In responding to God, we remember that Scripture teaches that if you love God you will love your fellow human beings. John tells us that if we see a brother in need and are able to help him but do not, the love of God is not in us (1 Jn. 4:20). Therefore, we encourage all members of this community to remember that:

What we do, even to the most seemingly insignificant person, we do to Christ. Truly loving another person involves unselfishness. Scripture tells us to consider one another as greater than ourselves.

Our love for others also leads us to have consideration for their convictions and weaknesses. Paul warned the Corinthians that they sinned against Christ if they exercised their freedom in such a way that they wounded the conscience of another, leading him to violate his convictions. Indeed, causing a sister or brother to stumble is considered a great evil throughout Scripture. Specifically, members of the community should never encourage one another to violate his familial or cultural values, unless those values are inconsistent with biblical principles.

To encourage mutual consideration, preserve the corporate testimony of the university, and to facilitate institutional goals, Grace has accepted the following standards of conduct. Students, by virtue of their signature on the application form, agree to accept the responsibilities of membership in the Grace community, which includes adherence to the university's standards of conduct. While some may not have personal convictions wholly in accord with these responsibilities and standards, the purpose underlying this statement necessitates the student's honorable adherence to them while enrolled at Grace Christian University or withdrawal if he/she can no longer, with integrity, conform to them.

BIBLICAL STANDARDS

Practices, which are known to be morally wrong by biblical teaching, are not acceptable for members of the Grace Christian University community. Violation of any of these standards could be cause for dismissal from Grace. Included are specific acts such as drunkenness, stealing, and the use of slanderous or profane language, gossip, occult practices, and all forms of dishonesty including cheating. Sexual sins such as premarital sex, adultery, homosexual behavior, or any form of sexual harassment or assault are a violation of God's moral code and are cause for dismissal from Grace Christian University. Furthermore, conviction of any crime is cause for dismissal from Grace Christian University.

In most cases, these behaviors will warrant review by the Dean of Students, and subsequent discipline. The Executive Vice President of the University reserves the

right to make the final decisions regarding all matters dealing with student dismissal.

DRUGS, ALCOHOL, AND OTHER BEHAVIORS

In addition to clear biblical standards, certain social practices in our culture can be harmful and lead to immoral behavior. Therefore, students of the Grace community will refrain from the possession or use of alcoholic beverages, tobacco (including e-cigarettes), drugs (including synthetic drugs), pornography, gambling, and social dancing in clubs or bars. These guidelines are to be met while students are enrolled in traditional undergraduate classes at Grace Christian University, regardless of age. Failure to adhere to these standards will result in a meeting with the Dean of Students and further disciplinary action.

If you have come to Grace currently struggling with any of these behaviors, you will have a three-week grace period at the beginning of each semester to explain this problem to the Dean of Students. No overt discipline will be administered if you have first explained your struggle to the Dean of Students. Instead, there will be a mutually agreed upon process of dealing with your struggle. However, if you have not talked to the Dean of Students, and are found practicing these behaviors, the behavior violation policy will be enforced.

DRESS CODE

“Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith, and in purity” (1 Tim 4:12) NIV.

The way we live (or dress) is the way the world sees Jesus Christ.

“Do you not know that your body is a temple of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honor God with your body” (1 Cor. 6:19-20)NIV.

“Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God’s will is—his good, pleasing and perfect will” (Rom. 12:2)NIV.

We realize that within our community, thinking differs regarding clothing and style because of varieties in cultural background. Therefore, we wish to clarify and consolidate the various lines of thinking on clothing with respect to the aims and objectives of Grace. We reserve the right to take a conservative approach to our description of dress and appearance. While we may not all have the same convictions as to fashion and personal appearance, our attitude should give us the discipline to follow these guidelines.

The type of clothing we wear can affect our behavior and attitude. Scripture teaches us principles of modesty, simplicity, and neatness. A growing Christian will begin to look beyond the external image of fashion and examine his/her own heart. Why do you dress the way you do? Do you seek to honor God in the way you dress? (see Col.

3:23-24; 1 Cor. 10:31). Additionally, the University desires to establish policies which will enhance, rather than limit future employment and ministry opportunities.

This policy is to be observed at all times on the Grace Christian University campus and off campus while representing the University, i.e. University functions, athletic road trips, musical performances, etc. Awareness of appropriate dress is an important part of any individual's social maturity. This policy emphasizes dress and appearance that is neat, clean and modest.

Members of the Grace Christian University community are expected to avoid extremes in fashion, especially with regard to clothing (indiscreet length/tightness). Students with questions about dress code specifics are encouraged to speak with an RA or member of the Student Affairs staff.

- Female students are allowed to wear earrings as well as to wear one nose piercing in either their right or left nostril, but not both.
- Male students are permitted to wear single piercings in each ear. Other forms of piercing are not permitted for male students on the Grace Christian University campus or while representing the University off campus.

Shoes must be worn at all times in all buildings except the dormitories.

Clothing with messages counter to the goals and values established in God's Word should be avoided. Student Affairs and Community Life Staff members reserve the right to ask that such clothing not be worn on campus.

Workout Attire: Students should maintain modesty when working out in campus facilities, including the gym, weight room, and outdoor workouts. Students should wear a shirt and shorts when exercising on campus.

Classrooms/Library/Chapel: students should begin building their work place wardrobe while in college. As students matriculate they should increasingly practice professional dress when attending classes. At a minimum, students are to be neat and clean, without torn or ripped clothing. Students should expect to dress professionally when presenting before a class or other similar occasions. Faculty reserve the right to maintain additional expectations in their classroom.

Special Events: banquets, convocation, graduation and other special events are occasions at which students should dress in semi-formal or business-casual attire.

Enforcement

Clothing policy will be enforced by Student Affairs Staff. Students are expected to adhere to the clothing policy and to respect the authority of their peers and staff enforcing the policy. Students in violation of the clothing policy will be assessed a \$5 fine. Habitual failure to adhere to the Grace Christian University clothing policy will result in escalating consequences.

ENTERTAINMENT

God is the author of all good gifts. The arts are recognized as a blessing to be appreciated by humankind and utilized for their capacity to effectively communicate content, as well as produce a wide range of emotional, spiritual, intellectual, physical, and social responses.

1. God has given us all things to enjoy (1 Tim. 6:17).
2. Christians are required to exercise moderation in all areas of our lives.
3. Our ultimate value should be to glorify God (1 Cor. 10:31), and to seek personal holiness (1 Peter 1:15-16).
4. Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things. (Phil. 4:8).

Students are to take special discernment in their choice of entertainment whether it is TV programs, internet, video games, movies, music, posters, or printed material. Entertainment in any form, in whole or in part, which is degrading, deviates from biblical standards, maligns the person of God, His Word or work, or desensitizes us to a godly life is self-defeating and should not be indulged by any Christian. Anyone who chooses to engage in such activities does so against the standards and spiritual goals of Grace. Grace maintains that any entertainment whose content is morally degrading is inconsistent with Christian standards.

Of great concern is the accessibility of inappropriate entertainment via the internet. Pornography is an addictive escalating sin which inhibits a person's ability to serve Christ effectively. Use or possession of pornographic material is prohibited. Grace seeks to help those who may be trapped in this destructive behavior through education, counseling, discipline and monitoring internet use.

Many forms of entertainment easily become distractions for college students. It is the responsibility of each student to ensure his/her entertainment does not impede time needed to meet the academic demands of college.

Grace does not maintain a blacklist of unacceptable entertainment. Rather, using music as an example, we wish to give an example of how a student might discern what is appropriate for a member of the Grace community and how the Student Affairs department might interact with a student's choices for music entertainment.

Discerning Entertainment: Music as an example

In our community, tastes in music vary from person to person, God tells us our brothers' needs should take precedence over our own (Rom. 12:10) and should be subject to the "law of love" (Gal 5:13). Therefore, standards are necessary:

Music in and of itself is neither sacred nor secular. These standards are applicable to

all music.

1. Lyrics should not violate clear biblical doctrines and standards (i.e., character of God, deity of Christ, standards of morality, rebelliousness, respect for others, purity of life, etc.) (Gal 5:19-21).
2. Media should not contradict our personal and institutional commitment to “glorify God.”

This standard suggests the following practical guidelines:

a. Always Acceptable — music that is clearly acceptable to most students, and is an unquestionable example of both the letter and intent of our philosophy and standards (e.g., praise and worship, choral arrangements, contemporary Christian music, wholesome humor).

b. Personal Discernment — music that includes lyrics that meet biblical standards, yet has rhythms and forms which may not be acceptable to everyone (e.g., Big Band, Country, Folk, Jazz, heavy contemporary Christian music, Classical). Music in this category may be listened to as long as it meets the standards listed above and are not disturbing to roommates or other residents.

c. Always Unacceptable — music that clearly violates the philosophy and standards of our policy (e.g., immoral, rebellious, violent, sexually suggestive, occult or satanic oriented music).

3. Occasionally albums may have a combination of songs from more than one category listed above. In this case, the student should make a judgment about the overall response to the recording in light of the biblical and institutional standards. In the interest of this community, students are strongly encouraged to leave borderline recordings at home.
4. Attendance at concerts should be determined by applying standards discretion, paying particular notice to 2c above.

Since the institution is not aware of every recording artist or group, the institution reserves the right to question a student’s music. Upon verbal or written request from a member of the Student Affairs Staff, the student may need to explain how the choice of music meets the overall music philosophy and standards of the institution. If an adequate explanation cannot be given, the institution reserves the right to temporarily remove such music media until the student can make arrangements for their permanent removal. If assistance in evaluating music is needed, please see a Student Affairs Staff member. The purpose here is not restriction, but restructure and learning how to evaluate what is the best that God would have for you.

Conclusion

The above procedure for evaluating the acceptability of music could be adapted for

other forms of entertainment. We are reminded again that community standards may be different than personal standards. Tolerance and sensitivity to the tastes of others is important for the unity of the community.

PERSONAL CONFRONTATION

As a Christian community, Grace encourages its student body to practice biblical model of confrontation. While confrontation may be difficult at times, it occurs with the aim of restoring relationships between people. Confrontation also encourages people to be reconciled to God. In Matthew 18:15-20 the Lord teaches a process of confrontation.

- If you have suffered an offence, you should first speak to the offending person individually.
- If you are unable to be reconciled, you should speak to the offending person in the presence of one or two others.
- If still reconciliation does not take place, bring the matter before the authorities.

Whenever confrontation takes place, it should be done with a spirit of humility and the goal of honoring God.

DATING, ENGAGEMENT, AND MARRIAGE

“It is God’s will that you should be holy; that you should avoid sexual immorality; that each of you should learn to control his own body in a way that is holy and honorable, not in passionate lust like the heathen, who do not know God” (I Thess. 4:3-5).

This is perhaps the most difficult area of student life to clarify because of widely different personalities and attitudes. Yet, for the sake of our Christian testimony both on and off campus, it is essential that students know what is expected. Public displays of affection, beyond hand holding, among couples create an environment that can make students and visitors feel uncomfortable. The enforcement of this public guideline is designed to do the following:

- Encourage student responsibility as to the spirit of this guideline, not just the letter of the law.
- Create an awareness of a greater sense of discipline and personal integrity for each couple in their dating and potential engaged life.
- Develop a dependence on godly principles to strengthen and work through struggles dating couples must face.

Couples also have a responsibility to maintain Biblically sound standards for their private behavior.

Students are expected to use discretion in all situations. Whether baby-sitting in

the community or visiting homes of other students or members of the community, students must remember that they represent the Lord Jesus Christ. Students are also representatives of Grace. Therefore students should not place themselves in compromising situations.

Grace’s campus can create an unrealistically intense environment for student relationships. It has long been, and remains the policy of Grace that students must have spent three semesters in college or have reached age 20 before marrying. The purpose of this policy is not to impose the will of Grace upon a couple, rather it is to help those who are contemplating marriage make wise decisions. Those wishing to discuss this policy and how it relates to their situation are asked to seek an interview with the Dean of Students.

ON-CAMPUS APARTMENTS/HOUSES

All housing owned by Grace Christian University falls under the same guidelines as Residence Halls PEAK housing.

OFF-CAMPUS STUDENTS

All unmarried students who are less than four semesters removed from high school graduation and who are enrolled in seven or more hours are required to room and board at the university. Students who desire to live at home with their parent(s) or guardian(s) may submit an off campus housing form. The University reserves the right to deny requests for off-campus housing. Special exceptions may be granted after appeal to the Community Life Department.

Students living off-campus are expected to abide by all university guidelines except those directly pertaining to resident life. If you are a single Grace student living off campus, members of the opposite sex are expected to be out of your apartment/house by 1:00 am. Apartment/house visitation by the opposite sex is to be conducted with discretion. We also recommend there be three persons present in the apartment/house when one of the persons is of the opposite sex. Single students are not permitted to share housing with single members of the opposite sex.

CAMPUS FACILITIES

Student Commons

The Commons is a place for relaxation and visiting. Special care should be taken in consideration of any guest of the University that we create an atmosphere welcoming to students, staff and guest. It is open throughout the day and in the evenings. Outside doors will be locked during some of the open hours. Student access will be via proximity card.

HOURS:

Saturday – Thursday:	6:00 AM to 1:00 AM
Friday:	6:00 AM to 2:00 AM

Any organization desiring to use the Commons for a meeting must make

arrangements through the Housekeeping and Rental Coordinator (avang@gracechristian.edu).

Student Lounges

Student lounges attached to both Preston and Aletheia Halls have been provided for the convenience of the students. A more casual atmosphere is permissible here than in the Student Commons. However, the following will apply to the Student Lounges:

HOURS: 7:00 AM to curfew

Lights must be left on in the evenings when using the Lounges.

There is to be no activity that would damage walls or furniture. Students will be billed for any damage that requires repair beyond those covered by normal cleaning fees.

Before 7:00 am and after curfew, women will use the Women's Lounge only and men will use the Men's Lounge only.

Television viewing in the Rec Room and lounges must be done within the bounds of the letter and intent of Grace's entertainment policy.

- No entertainment (TV or film) will be used on campus which contain themes that glorify immoral living, immodesty, profanity, vulgarity, suggestive language, drunkenness, or which seeks to undermine and attack biblical Christian principles and values.
- Students are not to have public performances of videos or DVDs licensed for home use only.

Quadrangle

The Quad is a common area of the Grace campus. Students should be considerate of classes meeting. Only Christian music and/or instrumental music will be allowed to be played in the quad.

Presence in Buildings

When a building is locked, or after the time posted for it to be closed, no student, except an employee on duty, may be there. No student is to be in the kitchen area at any time except on-duty kitchen workers. Students are not to enter the dorm designated for the opposite sex at any time except during supervised open dorms. An automatic \$50.00 fine will be assessed to each individual in violation. Violators may be subject to additional discipline and consequences including legal prosecution for breaking and entering and dismissal from Grace Christian University. Unauthorized use of any school keys or access cards to enter buildings is a violation of the **Presence in Buildings** guideline.

Dining Hall

Mealtimes provide excellent opportunities for Christian fellowship. In order that all may realize the fullest enjoyment from these occasions, attention should be given to the students' personal appearance, observances of basic etiquette, and maintaining pleasant and appropriate conversation. Conduct in the Dining Hall should take into consideration those around you.

Food is served in the Dining Hall during posted meal times. Coaches will arrange athletic practices to allow students adequate time for meals. Sack lunches are provided upon request for students with conflicting class or work schedules. Please sign up for sack lunches with a kitchen staff employee. If you have special MEDICAL dietary needs, please see the Director of Food Service for proper meal planning and instructions. Certain criteria must be met to allow for special diets. There is a vegetarian option at every meal. Students who are ill may have a meal brought to them. This service should be arranged through an RA.

Dining Hall glasses, dishes, utensils, plates, or anything else belonging to the Food Service Department are not to be removed from the Dining Hall. Violation will warrant the cost of these items being charged to the student.

All students must either have their ID card scanned or pay for their meal before eating food at any meal. Failure to do so is stealing. Sharing food with students who have not paid for their meal is strictly forbidden. First offence will result in an automatic \$25 fine. Further disregard will result in further discipline.

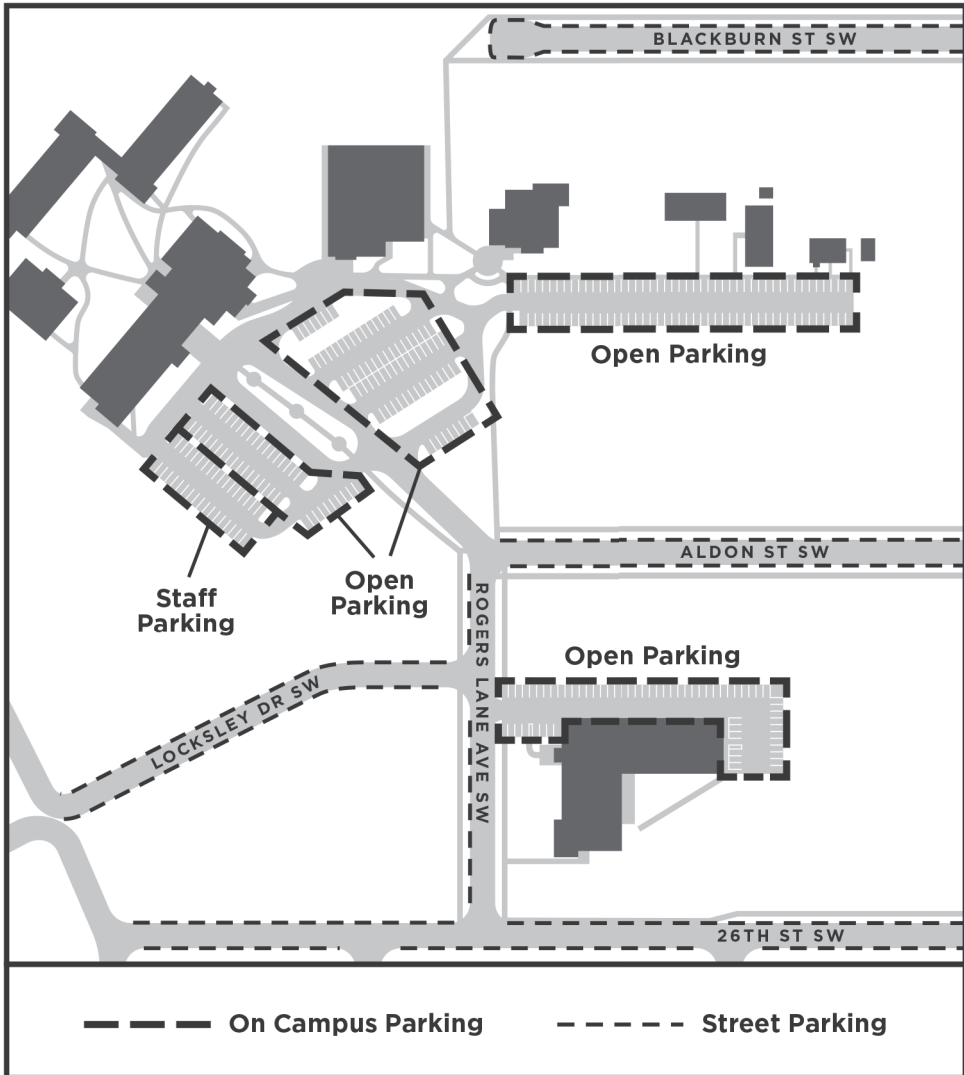

Because of State Health Codes and consideration of others, proper cleansing must be taken after any athletic activity before eating in the Dining Hall. Shoes, shirts and pants that cover your underwear must be worn in the Dining Hall at all times. Proper etiquette suggests that hats not be worn inside the dining room.

Suggestions regarding food service should be made to the Director of Food Service during regularly scheduled Food Action Group meetings. Immediate concerns should be directed to the Director of Food Service or a Student Affairs Staff member.

Parking

Students who own or operate a vehicle on campus must have a Grace parking permit placed in the lower corner of the rear window on the driver's side. The permit is available from the Business Office for a fee of \$20. Students are to park in designated student parking areas or open parking areas only (see the Parking Map). Students with a blue resident parking sticker are not permitted to park at the Jack T. Dean Academic Center. \$25 tickets will be issued to students' vehicles parked in the faculty/staff lot, visitor spaces, handicapped spaces and the kitchen service entrance. All parking lots are also monitored by the Wyoming Police Department who will ticket handicap parking violators. Vehicles parked in fire lanes may be ticketed and towed. Please do not change your oil or make repairs to your car in any

Grace parking lot. Any vehicle not running, damaged or unlicensed has 30 days to be

repaired or removed from the lot. After 30 days, Grace will have the vehicle towed assessing the owner a fine of \$50.00 plus towing costs.

Parking Map

This map details areas designated for staff parking or open parking. Street parking is permitted on Locksley Drive, Aldon Street, 26th Street, and the west side of Rogers Lane. Please note that some areas may have signs prohibiting street parking.

Employment Assistance

Grace Christian University desires to assist students in finding jobs. Employers

frequently call the University informing us of available jobs. On campus job applications are also available. Further information is available through the Career Services office and by contacting the Human Resources Department.

Employment Policy

Students attending Grace should remember their primary obligation and purpose is education. If you are a residence student and work requires you to stay out past curfew, you must secure permission from the Dean of Students. Employment should not be of such a nature that it would conflict with classes or study time. Any student who does not maintain a 2.0 average may be required to diminish their hours of employment or lessen their academic load.

A Grace student should maintain an attitude toward his/her job which would be honoring to Christ and which would preserve the testimony of the university. Future students benefit from the good reputation left by students who were satisfactory and courteous workers. Always remember that you may want a recommendation someday, whether employed by someone outside or inside the University community.

Because of the general principles in Romans 14, the 'collective conscience,' and the focused concern of our university community, students seeking employment are to abide by these guidelines:

- No student is to accept any employment in bars, clubs, party stores, or any other establishment whose primary business is alcohol consumption or purchase.
- No student is to work in theaters, clubs or bars which promote or profit from social dance or sell any form of pornography (including rental of X-rated videos).

HEALTH SERVICE

A licensed nurse is available on campus during posted hours for consultation, treatment of minor ailments, and dispensing some medications.

In case of medical emergencies, the assistance of the nurse should be sought when she is on campus. If the nurse is not available, the assistance of an RA or Community Life Intern should be sought. The campus nurse can be contacted any time by sending an email to nurse@gracechristian.edu.

COUNSELING

The Student Counseling Center is available to support students in their mental health goals and to promote wellness for the campus community. Counseling services are free to enrolled students, confidential, and tailored to meet the individual needs of the student. Students should contact the Student Counseling Center to meet with a licensed counselor and determine what level of treatment is best for his/her concerns.

CAREER SERVICES

Career Services. Students can utilize resources provided by Career Services as they determine their career path and search for professional opportunities during college and after graduation. Career Services helps students determine academic and career paths that match their interests and provides assistance with skills such as resume writing, interviewing skills, and job searching.

DRUG FREE SCHOOLS AND COMMUNITIES ACT OF 1989

Since we participate in federally funded financial aid programs, we are required by new regulations to provide you with this information every year.

GRACE CHRISTIAN UNIVERSITY PROHIBITS THE POSSESSION, USE, OR DISTRIBUTION OF ILLICIT DRUGS AND ALCOHOL BY STUDENTS AND EMPLOYEES ON ITS PROPERTY OR AS PART OF ANY OF ITS ACTIVITIES.

DRUGS CAN:

- make you feel able to do things you really cannot do
- make you careless and likely to forget important safety habits
- throw off your sense of time, space, and distance
- cause absenteeism and tardiness

WHAT ILLEGAL DRUGS CAN DO:**Marijuana**

- slows your physical reflexes
- cuts your mental powers
- makes you forgetful
- throws off your space and distance judgment
- causes damage to your lung, reproductive, and brain functions

Cocaine

- causes a temporary feeling of almost superhuman power, impairing your judgment and decision-making ability
- causes emotional problems, mood swings, lack of dependability
- damages your respiratory and immune systems
- causes malnutrition, seizures, loss of brain function

Heroin

- causes total disinterest in safety, or anything else except drugs
- costs lead to crime
- damages interpersonal relationships
- overdose-caused coma and death

Hallucinogens (PCP, LSD, Ecstasy, etc.)

- causes hallucinations
- vastly distorts what is seen and heard
- causes sudden, bizarre changes in behavior
- loss of concentration and memory

WHAT LEGAL DRUGS CAN DO:

Alcohol

- loss of concentration
- loss of judgment
- absenteeism and tardiness

Amphetamines (Speed, Uppers)

- can make you rush around wildly and carelessly
- can cause you to push yourself beyond your physical limits

Sedatives

- slow your mental processes and reflexes
- disrupt interpersonal relationships
- can cause liver and kidney damage

To assist persons in avoiding substance abuse problems and related health risks, students and employees may seek help from the office of the Dean of Students. You also are encouraged to attend University substance awareness workshops and seminars when offered.

IF YOU ARE CONVICTED IN A COURT OF LAW OF CRIMINALLY VIOLATING OUR DRUG-FREE CAMPUS RULES, WITHIN 30 DAYS OF OUR HEARING OF IT, WE MUST EITHER:

>> EXPEL YOU FROM THE University

or

>> OFFER YOU ANY HELP AVAILABLE TO COMBAT YOUR INVOLVEMENT WITH DRUGS

Employees: Since the use of drugs is inconsistent with the standards and purposes of Grace Christian University, the unlawful possession or use of a controlled substance is prohibited. Any employee who violates such prohibition will be terminated with one day's notice.

YOU MUST:

>> **AGREE** to abide by our Drug-Free Campus Policy

>> **INFORM** us within five days of the time you are convicted of a criminal drug violation on campus or at one of our activities

>> **COMPLETE** satisfactorily the program of help you accept instead of being expelled from the University.

University and Community Assistance

Grace Christian University has limited substance abuse counseling and will provide referrals for those who need it. Amy Bolcom, our Campus Counselor, can refer students for substance abuse counseling.

Good Faith

The University, in adopting and implementing this policy pursuant to the Drug Free Schools and Communities Act, further certifies it will make a good faith effort to continue to maintain a safe, drug-free environment and to respect the privacy of its students and employees.

SEXUAL ASSAULT POLICY

If you have been sexually assaulted, You are not alone in this. What has happened is not your fault. We will help in any way we can.

The philosophy of Grace Christian University concerning sexual assault and rape is foremost to assist victims in whatever needs are present. The University recognizes that a student may be sexually assaulted while violating student handbook guidelines and prioritizes a student's health above their adherence to the handbook. In addition, the University will cooperate fully with any formal investigation by local police and will pursue all complaints to the best of our ability.

Sexual Assault is "any type of sexual contact that is nonconsensual, forced or coerced, or when the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity or because of his/her youth" (mcedsv 2).

Rape is "nonconsensual, forced, or coerced sexual penetration against the will of the victim or when the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity, or because of his/her youth" (mcedsv 2).

Grace Christian University recommends the following if a sex offense or rape has occurred.

You are not alone in this. What has happened is not your fault. We will help in any way we can.

1. Get to a safe place
2. Notify a Student Affairs staff member or resident assistant as soon as possible

Kyle Bohl (616)-403-4123 (Dean of Students/Campus Safety Advisor)

Amy Bolkcom (616)215-6120

Jim Gamble

Becky Karsten

Rick Pilienci (616)-250-2853

3. It is the student's choice how much he/she discloses to a Student Affairs team member. After an assault, it may take a significant time to process trauma neurobiologically. Certain areas of the brain go "off-line" during trauma and can

cause a survivor to have an inability to coherently express the chain of events in a linear fashion or remember certain details of the assault. Processing trauma in the brain can vary from person to person. Coming forward sooner is beneficial to the student based on collecting evidence and receiving support.

Grace Christian University has several advocates specifically trained to assist victims of sexual assault. This includes all RA's as well as student affairs staff members. You can choose who you are most comfortable with to aid you and/or accompany you to the hospital or the YWCA. In addition, the YWCA has advocates who are also trained to work with you. Finally, both Grace Christian and the YWCA have counseling options that you can utilize in the healing process.

4. If a rape has occurred, please remember that physical evidence is critical to criminal prosecution.

Immediately contacting the police, hospital, or YWCA will give you the best chance to collect evidence and have a stronger case. Receiving a forensic exam through the YWCA's Nurse Examiner Program is free to the survivor. Evidence at the scene of the assault will be collected by the police, while evidence collection on the person of the victim can be performed at the hospital or YWCA. In order to collect as much evidence as possible, it is strongly recommended that the victim does not shower, bathe, brush their teeth, or change clothes before going to the hospital. However, an examination can be completed up to 120 hours after the assault. If you decide to file a police report, you are not required to prosecute (press charges). This is your decision, and you can take time to decide. If the assault is reported to the police and you would like to prosecute, the police will gather evidence and take it to the state attorney. If there is enough evidence, the state attorney will prosecute. If you do not want to have police involvement, it is best to seek an examination through the YWCA because local hospitals must report all cases to the police.

Calling 9-1-1 will bring the police to assist you.

Phone number for the YWCA: (616)-454-9922

If sought by the student, a full investigation by police will be initiated with total cooperation given by the Student Affairs Staff and Grace Christian University. If criminal arrest should occur, Grace Christian University would advise the survivor as to a proper course of action relevant to their academic program. Conviction of any crime is cause for immediate dismissal. Grace recognizes that investigations can take time, during which the University reserves its right to make decisions to keep the campus safe and maintain educational opportunities for both the accuser and the accused.

Student Affairs Responses:

1. Education programs to promote the awareness of rape, acquaintance rape and

other sex offenses are held annually. These are sponsored by Student Affairs and the Residence Halls.

2. Possible sanctions for rape, acquaintance rape, or other sex offenses (forcible or non-forcible) follow an on-campus disciplinary procedure.

COMPUTER/E-MAIL/INTERNET POLICY

(Note: More information regarding the use of information technology at Grace Christian University can be found at <https://helpdesk.gracechristian.edu/portal/page/14-it-policies-guidelines>).

Grace Christian University provides computing resources to support its mission of Christian higher education-particularly in the areas of instruction, research and independent study, and to encourage a responsible community of shared inquiry. Student use of these resources must be consistent with these intentions. As a responsible member of the Grace community, you are expected to act in accordance with the following guidelines which are based on common sense, common decency, civility, and Christian values as applied to the networked computing environment.

Users of Grace Christian University computer and network resources

Grace Christian University's computers and network are for the use of faculty, staff and registered students in good standing. Visitors may make use of Internet and other resources with permission from the Director of Information Technologies or a University administrator.

Expected Behavior

Any students, faculty, staff and guests of Grace Christian University using university network and computer resources must comply with the guidelines set forth in this policy and with federal, state and local laws. Improper use of university technology resources may result in disciplinary action. Use of Grace Christian University computers or network for private financial gain is prohibited.

E-mail on the Grace Christian University network

The following are unacceptable uses of e-mail:

- Mass mailings or forwards to more than 15 recipients for anything other than approved university administrative purposes (spam).
- Sending an e-mail with falsified addresses (spoofing).
- Using someone else's e-mail account without their consent.
- Sending harassing or abusive e-mail.
- Unsolicited advertising is not acceptable.

Upon Departure from Grace Christian University

Your Grace network login and email account are yours to use for as long as you are a student at Grace Christian University. Once a student completes a degree or leaves for any other reason, the following process is initiated:

- After 60 days - student’s email, google docs and login accounts will be disabled. Emergency access to email must be requested through the Information Technology Department.
- After 90 days - all accounts are deleted. No further access to accounts is possible.

Security Restrictions

You are responsible for your network User ID and password. Distributing your password to others or otherwise attempting to evade, disable, or “crack” password or other security provisions threatens the work of many others and is therefore grounds for immediate suspension of your network access privileges.

Information residing on institutionally-maintained systems, including, but not limited to, student, financial, and personnel records, is made available to users on an individual basis only, and only to such extent as explicitly authorized by the department which has custodial responsibility for that data.

Grace Christian University technology personnel may routinely monitor individual computer and network use. The University reserves the right to inspect personal computers and data files to investigate evidence of misuse.

Installation of personal wireless access points is not allowed.

Users of Grace Christian University network must accept the network assigned IP address. Users may not set their own IP address.

Personal Responsibility

Technology is not perfect and there is always the possibility of file loss or delays due to equipment failure.

- It is the student’s responsibility to keep archives and backup copies of important work.
- Portable “Flash” or “Thumb” drives are a handy and reliable way to backup and transport files. Students also have use of Google Docs through Grace’s Google apps subscription.
- Students need to schedule work so that if a technology glitch (printer problems for instance) delays your work you can still hand it in at the expected time.

Computers and printers are provided in some locations for student academic use. Students are expected to use these responsibly. Misuse of these resources, includes the following:

- Use of University computers for non-academic purposes while others need to use them for legitimate university-related work. Academics must always take priority.
- Installing unapproved programs or endangering data security by exposing university PCs to potentially destructive viruses, worms and other such files.

Viewing inappropriate material

The Internet is a reflection of human society. It can be both a worthwhile tool and a stumbling block in our Christian walk. Students, faculty and staff of Grace Christian University are expected to avoid all materials and sites related to pornography, nudity and gambling. Accountability in this area is maintained through the use of Internet usage logs and filters. Violations of this policy, including attempts to bypass filters, will result in disciplinary action.

If you encounter a blocked site that you feel you have a legitimate reason to access, please see the Director of Information Technologies.

Respect copyright and other intellectual-property rights.

Copying the words, files or passwords belonging to others or the University may constitute plagiarism or theft. Software licensed by the University or merely used on University equipment must be used in accordance with that license agreement. Violations of the terms of software license agreements are not within the scope of University employment; the University may seek repayment of fines or damages from students or employees who violate licensing terms and may take disciplinary action up to and including dismissal.

Copying or sharing copyrighted material, including through peer to peer file sharing, is illegal and immoral. We expect members of this Christian community will seek to uphold both the letter and spirit of the law regarding copyrighted material. Students found to have illegally downloaded files will have network privileges revoked.

Use resources efficiently and fairly.

Grace students, faculty and staff are expected to accept limitations or restrictions on use of computing resources, such as bandwidth, time limits, or amount of resources consumed, when asked to do so by institutional policy or technical managers. Students, faculty and staff are heavily discouraged from using the Grace Christian University campus network to download any unnecessary files or programs from the Internet. Such restrictions are designed to ensure fair access and use for all users.

Academic and administrative uses of network and computer resources are held as highest priorities. Any uses of university resources that interfere with these priorities must be avoided.

Viruses and Worms

All users, including those bringing their personal computers on campus, are responsible for having anti-virus software protection on their PCs. This will help

to protect not only their personal PCs but all other PCs connected to the same network.

Student Businesses

Grace wants to encourage your entrepreneurial spirit. If you have a business idea to be the next Google or Facebook, that’s fantastic. Two parameters we ask: 1) do not use a campus address as your business address, and 2) ask permission (see the VP for Student Affairs or Executive Vice President of Grace Christian University). There may be insurance requirements depending on the type of business you want to start.

Minimum and Recommended Specifications for Personal Computers

Component	Minimum Specs	Recommended Specs

**SECTION FOUR:
RESIDENCE LIFE AT GRACE**

“Be devoted to one another in brotherly love. Honor one another above yourselves. . . If it is possible, as far as it depends on you, live at peace with everyone” (Rom. 12:10, 18) NIV.

With this principle in mind, we ask each member of the community to show sensitivity and responsiveness to the needs of others, whether spiritual, emotional, or otherwise. In addition, we request that each person show appreciation and regard for the worth of other individuals, thereby preserving and protecting their dignity. We also ask that all members of Grace care for and respect the possessions of others and of the institution.

RESIDENCE HALLS AND APPROVED HOUSING

Housing Policy

Housing for single, dependent students is provided in Campus Housing. Students

25 years of age or older will not be admitted into on-campus housing until they have submitted an on campus housing request (at least 30 days before the semester begins) and have been provided with written permission from the Dean of Students. International students housing needs will be addressed using this same format. Campus Housing includes dorms (Preston and Aletheia), Apartments (Enslow, Klein and The 26), and houses (Berean Hall, Walker Hall, DeWitt Hall, O'Connor Hall, Vinton Hall, Marshall Hall, Spaulding Hall, and Pickett Hall.) All single students enrolled in six or more credit hours are required to room and board at the university, at home with a parent or guardian, or with a Grace staff member. Students who have completed four semesters of college (post-high school) are eligible for off-campus housing. Students are not permitted to live in off-campus housing that is co-ed by unit, though housing is permitted with a sibling of opposite gender. The University reserves the right to deny requests for off-campus housing. Special exceptions may be granted after appeal to the Community Life Department.

Students must maintain a course load to keep their on-campus housing privilege. Students who withdraw from all courses or stop attending class may be required to vacate on-campus housing. Students who desire to live at home with their parent(s) or guardian(s) may submit an off campus housing form.

Rights Reserved by the Institution

1. The University reserves the right to visit the student's room to check on room cleanliness.
2. The University reserves the right to search any student's room for any reason, with or without the student's presence. Such search may be necessary to maintain order, and to protect the welfare and safety of every student. Such room search would only be done on the authority of the Vice President for Student Affairs.
3. The University reserves the right to suspend or expel a student from his/her residence for violation of campus policy, behavior excessively disrupting dormitory living, or conduct unbecoming a Grace Christian University student.
4. The University reserves the right to suspend housing for those who are no longer active in classes or working toward earning credits.

Residence Hall Expectations

Men's residence buildings are for men only; women's residence units are for women only.

Violation will result in an automatic long form and two-day suspension or possible dismissal.

Rooms are to be kept in order. Stacked furniture must be done safely, using provided pins. There will be periodic room inspections. Room furnishings or attachments are not to be dismantled or taken from the room. Window screens are not to be

removed. If so, there will be a \$25.00 fine. We request no nails, screws, tacks or tape, of any kind be put into the walls, doors, or furnishings. A tack strip is provided on the wall for hanging pictures. Pets are not allowed on the campus of Grace Christian University. A \$50 fine will be assessed to students who violate this policy. Grace Christian University is committed to providing reasonable accommodations to persons with emotional needs in compliance with applicable State and Federal laws. The University has a policy that governs the use of emotional support animals on campus by persons with documented need(s). Please contact the Student Affairs Office to inquire about our policy.

We expect you to leave the room in the same condition you found it. Inspection of rooms will be made at the end of the year before leaving Grace. Damage to the room, other than normal wear and tear, will be charged against your room deposit. Athletics and roughhousing which would damage walls or ceiling is forbidden in rooms and hallways. Cost of damages will be charged to students' accounts.

Keys

Students are urged to lock their rooms at night and when they are out. If you are locked out, contact your RA or Campus Security. Entrance doors are locked at all times so we also ask that you carry your access card. Sharing keys or card access cards is a violation of key policy and will result in a \$50 fine. Lost or unreturned keys will also result in a \$50 fine.

PLEASE NOTE: The university cannot be responsible for theft, fire, or loss of personal belongings. Students should be certain they have 'off-the-premises coverage' or household insurance at their permanent residence if they wish protection from such loss.

Safety and Fire Hazards

Halls are to be kept clean and clear due to fire regulations.

Students with a CPL who wish to keep firearms or ammunition on campus must speak with the VP of Student Affairs. Fireworks are permitted by Michigan State law but are prohibited on the campus of Grace Christian University. Federal regulation states that candles, incense, matches, or any volatile or explosive items are not to be used in the residence halls. Violators will be assessed a \$10 fine. Student Affairs reserves the right to correct or remove any student items which may be a fire hazard. Fire drills will be held periodically. The current fire department fee of \$500 may be charged to any person responsible for a false alarm.

Electrical appliances which may be used in the room are: study lamps, irons, radios, TVs, shavers, hair dryers, electric blankets, clocks, air popcorn poppers, small refrigerators, microwaves and other items approved by the Dean of Students.

The following are not allowed in Preston and Aletheia Halls: halogen lamps, toasters, hot plates or electrical heaters of any kind.

A \$25.00 fine will be assessed upon discovery of any tampering with the heating or electrical systems in the dorm.

Movies

It is the goal of Student Affairs to help students use discernment in their entertainment choices. Although Christian discernment for film viewing should not be dependent upon the Motion Picture Association of America, the MPAA ratings are a beginning point for movie viewing in the dormitory. Students are allowed to view in their dorm rooms movies rated 'G,' 'PG,' or 'PG-13.' Students may not possess or view movies rated 'R' or 'NC-17' in the Residence Halls. Videos released as 'Director's Cut' are also not allowed. Violation of the movie policy will result in an automatic \$25 fine for first offense. Further offenses will result in further discipline which may include the removal of equipment from the dorm room.

Video Games

Students are encouraged to use discretion regarding the content of video games they play and the amount of time they devote to them.

Guests

Overnight guests are to be registered with a Community Life Staff member by the sponsoring student when or before the guest(s) arrive on campus. Guests must be on the online guest form. The sponsoring student is responsible to inform the guest of the rules he/she must adhere to while on campus. Any guests wishing to stay longer than three days must make arrangements with the Community Life Office.

All visitors, or off-campus students, who are not staying overnight are asked to leave the dorms at 10:00 PM. All visitors or off-campus students are to be off-campus by lounge closing times unless given special permission.

Open Dorm Hours

****Please note that open dorm policies are subject to change in response to developments with the COVID-19 pandemic.****

Open dorm hours are Wednesday through Sunday from 1:00 PM to 10:00 PM. These hours apply to all campus housing, including dorms, apartments, and houses.

Study Hours

Study hours will be observed from 7:00 PM to 9:00 AM during exam week. This is a time when the atmosphere should be conducive to study, personal devotions, and meditation. Music may be played, but volume must be consistent with the noise level that is required during quiet hours. Students are reminded to utilize the Library for study.

Quiet Hours

Reasonable quietness is expected at all times in the dorms in consideration for students desiring to study or sleep. However, special quietness will be enforced from 11:00 PM to 9:00 AM. During these hours, headphones are expected if one

wishes to listen to music. If music or TV can be heard in the hallway or in other rooms, it is too loud. Talking should be done quietly. Please be respectful of requests for quiet. Learning to live together will require patience and tolerance. A quiet hours violation will result in a \$5 fine.

Residence Hall Closing Times (Curfew)

All resident students of freshmen and sophomore standing are to be in the dorm by 1:00 AM (Friday night 2:00 AM). Students of junior or senior standing or 21 years of age and older (not on academic or social probation) will be given the freedom of no curfew. Curfew times and procedures will be posted in each dorm.

The privilege of not having curfew will be revoked if abused. Use good judgment and academic awareness in exercising this freedom.

PRANKS

Pranks, practical jokes, and other creative types of humor are a normal and acceptable area of combined social activity. However, any act which tends to be degrading, physically harmful, or destructive to school or personal property is not permitted under any condition or pretext. Students will be fined for any property damage caused by pranks, and will be disciplined according to the severity of the prank. Damage to school property may result in a charge to the student responsible.

SECTION FIVE: DISCIPLINE

Though there are many joys in college life, your growth at Grace, as in the rest of life, will often come with difficulty. Maturing always implies nurture and discipline, and life as a disciple always involves growth, regardless of age. We are always confronted with discipline, whether it is self-discipline, discipline through others, or discipline from God. It is easy to think of discipline negatively, however, our desire is that discipline, while difficult, will be a positive experience for you.

Our involvement in your growth may include discipline. In disciplining individuals within the community our goal is growth, healing, and restoration. Members of the university community have the right to appeal a disciplinary decision, and the right to due process. Along with this, we also desire to have dialogue and input from members of the community concerning standards or policies, especially when they are either disagreeable or misunderstood. , Protesting a rule by breaking it, however, does not change the outcome.

We, as a community of believers, need to pursue our goal of bringing everything under the Lordship of Jesus Christ. May we continually submit ourselves to Him as living sacrifices willing to be totally acceptable unto God. Paul says in Romans 12:1 *"this is our reasonable service."*

It is our intent at Grace to help you make good decisions—not to make your decisions for you. It is your choice! Our goal is to develop a policy of progressive, corrective discipline. We assume it is your choice to be in the Grace community, and when you violate a Grace guideline, it is also our assumption that the violation is a poor choice.

1. First-time behavior infractions will warrant a behavior violation except in cases clearly violating biblical standards. A Community Life or Student Affairs staff member will state “this is a behavior violation.” The student will receive a written warning.
2. Second offense will warrant a “short form” notice to the student and an interview with his/her RA and a Community Life Intern.
3. Third offense will result in another “short form.” The Dean of Students may make an appointment with the student to determine discipline and restorative action.
4. Fourth offense will warrant a “long form” with a detailed description of efforts attempting to help the student. The student is expected to meet with the Dean of Students, other Student Affairs Staff members, and one faculty member of his/her choice. Students may be asked to give a written notice to his/her parents or legal guardian concerning the behavior and institutional response.
5. Any further offenses could warrant dismissal and/or review by a Student Conduct Committee. See following page for the student appeal procedure.

DISCIPLINARY ACTION MAY TAKE THESE FORMS

Fines

More detailed information on fines can be found on page 42. Fines are given for the following reasons:

- Possible deterrent to violations.
- To teach that inappropriate behavior has consequences.
- Provide a way for the community to be compensated for violations of community standards.

Social Probation

Exclusion from various aspects of student life, including phases of leadership and social activities.

Campused

Action taken to restrict student movement on campus. May be confined to room, dorm, or campus itself.

Non-Academic Suspension

On the day of suspension, the student may not be on campus or take part in any university-sponsored activity, except for classroom attendance and chapel.

Full Suspension

Total interruption of student activities, on or off campus, with any university-sponsored activity including classes.

Evaluation

Notification by Dean of Students that the student's continued university attendance is in jeopardy and under evaluation for future semesters.

Dismissal

When a student is expelled from the University, all current educational activities are terminated immediately and may not be resumed. The Dean of Students must give prior permission for return to campus. A minimum of one semester absence must occur before readmittance (unless by special arrangement with the Dean of Students and Vice President for Student Affairs).

Other

Other forms of discipline may be imposed on students such as community service. Other forms of discipline allow the Dean of Students to impose consequences which are beneficial to the growth of the student and fitting to the behavior being addressed.

STUDENT CONDUCT COMMITTEE

After successive behavior violations of a more serious nature, a review committee will convene for the following purposes:

- Review Student Affairs procedures and actions to present
- Assure due process that student's rights are upheld.
- Initiate action deemed necessary to improve student behavior.

Members

Dean of Students, Community Life Interns, two faculty members (one chosen by student).

Exceptions

The Dean of Students reserves the right to discern between any disciplinary action that he would initiate himself or refer to the Student Conduct Committee. The President of the University has granted the Executive Vice President final authority on all matters of serious consequence to the University community.

STUDENT APPEAL ON DISMISSAL

Should a student wish to appeal the decision of dismissal, he or she may give a written request of appeal to the Executive Vice President of Grace Christian University within 48 hours.

The Executive Vice President reserves the right to refuse a hearing. If a hearing is granted, the Executive Vice President will meet with the Dean of Students and the appealing student. The Dean of Students will state the issues prompting dismissal, after which the appealing student will be given adequate opportunity to state his/

her appeal. The student may request to have two individuals speak as character references on his/her behalf.

When all parties are satisfied that the issues have been clearly communicated and understood, the Executive Vice President will review the situation and come to a final decision. If the decision of dismissal is reversed, then timely appropriate disciplinary action is required by the Student Conduct Committee. If the decision for dismissal is upheld, no further provision for appeal is available.

STUDENT ACADEMIC GRIEVANCE PROCEDURE

Most matters of conflict or disagreement can be resolved by meeting individually with the offending party. Grace Christian University asks that any member of the community with a complaint against another member or entity first attempt to seek resolution by meeting with the individual with whom they are in conflict. Whether or not an individual meeting has taken place, students have the right to submit a formal complaint. This process is initiated by completing a Formal Grievance Form. The Academic Provost maintains record of these complaints as well as the processing and resolution of complaints according to University policies.

Students may also file complaints regarding Grace Christian University to either of the college accreditation bodies:

SECTION SIX: CAMPUS SECURITY

INFORMATION REQUIRED BY THE CRIME AND AWARENESS AND CAMPUS SECURITY ACT OF 1990

Firearms and Weapons

Firearms, ammunition and other weapons may not be on Grace Christian University property. This includes guns (firearms, pellet guns, air-soft guns, paintball guns and other), hunting knives, swords, blow-guns and other instruments which may be construed as a weapon. This restriction includes items secured in vehicles. See the Dean of Students if you have questions.

Emergencies

In case of a major crime emergency, dial 911. In addition, contact the Dean of Students, the VP for Student Affairs, or the Director Maintenance. All crimes of any nature should be reported to one of the above contact people.

The above contact people are responsible for informing the Dean of Students of all crimes so statistics can be kept and appropriate measures can be taken. Anything stolen over \$100 in value also needs to be reported to the Wyoming Police Department either by the student or by the Dean of Students. Any assault crime of a minor nature should be referred to the Dean of Students for further action, which could include WPD involvement. All other crimes also need to be reported to the WPD.

A communication flowchart for other emergencies, including mental health, medical, facilities, environmental, and other campus emergencies, can be found on page 7.

Campus Security

To assist in campus security, we ask the students to observe the following guidelines:

Use common sense when walking off-campus. In the evenings, have at least one other person with you at all times.

Security personnel are available to escort students to their cars or campus buildings. Please call security (616-881-2803).

Security cameras are a crime deterrent and can assist police in investigating crime. Students are not to tamper with security cameras in any way.

All dormitory room doors and all apartment units should be locked at all times. Outside dormitory doors are also locked for your protection; propping doors open after hours is dangerous and creates a security risk for all residents. Violation of this is an automatic \$50.00 fine and possible suspension of dormitory privileges.

Any visitor on campus must be with a student host at all times or have proper clearance from the Business Office or Student Affairs. Any crimes or anyone of suspicious nature should be reported to Security personnel or anyone of the Student Affairs Staff.

Campus security is under the direction of the Dean of Students. Student security personnel are on duty during specific hours of the week. They are responsible for security of the buildings and the parking lot, and follow the guidelines prescribed for Grace security personnel. All major incidences of crime are immediately reported to the police and a record is kept of all crimes and given to the Dean of Students. Also, see above concerning the reporting of crimes.

Security guidelines are emphasized during orientation in both August and January and at dorm meetings throughout the year. In addition, every student and employee is given a copy of this report at least annually. Orientation, dorm meetings, and distribution of key policies are designed to inform students and employees about the prevention of crimes.

Statistics

search for Grace Christian University, Cornerstone University, Davenport University (click Grand Rapids), and Grand Rapids Community College.

A separate report with crime statistics, fire statistics and emergency procedure information for Grace Christian University is provided to all students, faculty and staff by October 1 of each year.

Tornado Procedures

Tornado WATCH or ALERT

Conditions exist for a tornado but none have been spotted.

Do not travel. Be aware of changing weather conditions.

Tornado WARNING

A tornado has been spotted! Sirens will sound in the neighborhood.

Campus wide announcement will be made.

When **TORNADO SIRENS SOUND** seek shelter immediately:

- Go to the nearest building.
- Go to the lowest level or basement of the building, seek an interior room, away from windows.
- Do not open any windows.
- If you are in your car, stop, get out and lie flat in a low area while covering your head.
- Listen to your local radio emergency alert stations and TV stations for updated storm information.
- Keep a flashlight nearby in case of power outage.

For Your Information:

- A tornado warning is sounded as a long sustained blast from the tornado siren. A siren is located at Clyde Park and 26th Street. You should hear this system being tested the first Friday of each month at 12:00 noon.
- In the past, tornados have occurred in every month of the year. Tornado season

is March through June with April being the most active month. Be alert to severe weather.

- More information is available at www.tornadoproject.com.

SECTION SEVEN: CHRISTIAN MINISTRY AT GRACE

** Please note that Christian Ministry guidelines and requirements may be adjusted in response to the COVID-19 pandemic during the 2020-2021 school year.**

The Christian Ministry program of Grace Christian University is an integral part of your total educational experience. While academic courses are central to a college education, we realize that much development happens outside the classroom. Christian Ministry is an extension of your classroom experience through active participation in local churches, the community and our campus.

All colleges accredited by the Association for Biblical Higher Education (ABHE) require practical credit as well as academic credit. Grace Christian University, being accredited by ABHE, includes Christian Ministry as part of its overall educational structure.

CHRISTIAN MINISTRY GOALS

The Grace Christian University Christian Ministry program has four goals. Each of these goals seeks to support the Mission Statement of the University: Graduating godly individuals prepared to serve Christ in church and society.

Goal #1 - Practical Experience: Grace Christian University Christian Ministry program provides practical experience for students in various fields of Christian life.

Goal #2 - Follow the Example of Christ: Our biblical mandate for service follows the example of Jesus Christ “who being in the very nature of God, did not consider equality with God something to be grasped, but made himself nothing taking the very nature of a servant, being made in human likeness” (Phil. 2:6-7). Jesus also taught his followers to serve others. It is clear from the life and words of Jesus that servanthood is essential to the Christian life. The attitude of a Grace Christian University student participating in the Christian Ministry program should be one of humbly following the pattern and instruction of Christ.

Goal #3 - Habits of Service: Preparing students to serve Christ includes developing a joyful habit of service. The University would be naive to think students will be “prepared to serve Christ in Church and Society” upon graduation if they have not been serving prior to graduation. It is the goal of the Christian Ministry program to help students form a life-pattern of service.

Goal #4 - Investigate and Exercise Personal Talents: God has given each student unique and special gifts, which can only be utilized by the recipient of that gift. If a student does not use his or her gift, the entire body of Christ is denied the blessing from service. The Christian Ministry program is designed to allow each student the opportunity to make a unique contribution to the Body of Christ and to the world in which we live. A student’s experience in Christian Ministry can confirm or deny the growing awareness of his/her life goals. All of this is done in a nonthreatening environment that encourages exploration of a wide variety of options to determine

possible future life direction. During the Junior and Senior years, Christian Ministry projects should relate to the student’s major field of study.

THE ROAD TO CHRISTIAN MINISTRY

The Grace Christian University Christian Ministry program would not be able to function without the cooperation of many local churches, non-profit organizations, and community agencies. These groups provide service opportunities for Grace students. In return, Grace students make tangible contributions to the work of participating organizations. The Grace Christian University web site lists organizations which are willing to provide service opportunities for Grace students. Many other groups and organizations may be willing to provide service opportunities. Look around the community, be creative and take initiative.

The Christian Ministries Coordinator works with individual students helping them select a Christian Ministry. All Christian Ministry projects must be approved by the Christian Ministries Coordinator. All Christian Ministry projects need the following:

1. a ministry activity (you have to do something),
2. a mentor (someone to coach you and evaluate your service),
3. a completed initial commitment form (when you start),
4. a mentor evaluation (completed by your mentor when you finish) and
5. a self-evaluation (completed by you when you finish).

All Christian Ministry projects are to be done without financial compensation. No student may at any time solicit funds (except that which is for specific reimbursement of student expenses). If an honorarium is received, then the student should give those funds to the Koinonia Fund of Student Government. Students who are on paid staff at a local church may be eligible to receive Christian Ministry credit for their ministry. See the Christian Ministries Coordinator for details.

CHRISTIAN MINISTRY REQUIREMENTS

Throughout a student’s course of study, Christian Ministry is integrated into specific academic courses. Initial commitment forms and evaluation forms will be required to receive a grade for the Christian Ministry assignment. The following courses include Christian Ministry requirements:

YEAR - SEMESTER	COURSE
FR - Fall	GE 101
FR - Spring	TH 162
SO - Fall/Spring	TH 213
SO - Fall/Spring	BI 205/BI 215
JR - Fall	TH 301

JR - Spring	TH 302
SR - Fall/Spring	Senior Practicum

In each of these courses, Christian Ministry participation will constitute a significant portion of the student's overall grade. Specific requirements for type of ministry may be identified in a given course. Students should refer to their course syllabus and clarify with professor. Students are expected to serve 2 hours per week (including preparation and travel time) for a minimum of 10 weeks per semester.

Christian Ministry Categories

Christian Ministry projects are spread across three categories. The purpose of these categories is to vary activity thereby encouraging the student to investigate areas of ministry which the student may not otherwise pursue. A student may then discover an area of strength and enjoyment of which he/she was previously unaware. Exceptions will be granted by the Christian Ministries Coordinator based on the educational value of proposed ministries. Exceptions will not be granted simply for student convenience. The three categories for The Christian Ministry program are:

Local Church: Opportunities directly related to the efforts of a local church, including Awana, Sunday School, music ministry, youth work or other church ministries.

Community / Cross-cultural: Opportunities which are not at a local church and are not on campus, including service opportunities like tutoring, helping at a nursing home, or working at an aid organization or other local non-profit.

On Campus: Opportunities directly connected to Grace Christian University including A.C.T. group leader, small groups, participating in other ongoing campus ministries, and other leadership roles on campus.

Evaluation

Students are encouraged to meet with a mentor who will guide them and encourage them regularly throughout the semester. Grace Christian University students are not permitted to serve as ministry mentors for other students, unless authorized by the Christian Ministries Coordinator. Full or partial credit will be assigned based upon the mentor's evaluation and the length of time of the project as reported to the Christian Ministries Coordinator at the conclusion of each semester. No credit will be assigned until an evaluation is received. Upon request, students may see evaluation forms in his/her file if mentors have granted permission. Students may also be asked to conduct a self-evaluation of their efforts in service projects either mid-semester or at semester's end.

HOW TO GET STARTED FULFILLING YOUR REQUIREMENTS

1. Select a ministry commitment through a Grace Christian University contact, your church, or another ministry. Various local ministries and organizations may visit the campus in the Fall at a Ministry Fair or other events.

2. After selecting an area of service, contact the listed mentor of that ministry to discuss the specific area and requirements.
3. Once you have secured the position, complete an online Ministry Commitment Form. Your ministry mentor will receive an email with information about your Christian Ministry service, and be prompted to commit to overseeing your service.
4. The Christian Ministries Coordinator will contact your mentor to verify accurate contact information.
5. Be consistent and dependable in fulfilling the commitment you have made.
6. The Christian Ministries Coordinator will verify completion of your ministry with your mentor and report to your instructor.

CHRISTIAN MINISTRY FAQ

Q: I don't know what to do for a Christian Ministry project, how do I find one?

A: The Christian Ministries Coordinator is available to discuss options with you and help you find a ministry each semester. Some opportunities will be posted on the Christian Ministry board next to the weight room, across from the Community Life Suite. Students are also encouraged to network with other students to find opportunities to fulfill their Christian Ministry.

Q: Can I do more than one Christian Ministry at a time?

A: You can do as many ministries as you like, however, each ministry is a graded assignment in a course and will need to be completed within the time frame of the course. Also, most ministries depend on our students for consistency. Be a faithful servant.

Q: Last summer I went on a mission trip for four weeks. Can I get Christian Ministry credit for that trip?

A: A Christian Ministry must be completed during the semester it is assigned.

Q: I've been doing Christian Ministry, I just haven't filled out the paper work. Can I get credit for that?

A: The Christian Ministry Commitment form is required to verify your ministry service. You will not receive credit for your ministry if the Christian Ministries Coordinator cannot verify your service.

Q: I'm going home for Thanksgiving Break and will miss a week of my Christian Ministry Project. What should I do?

A: If you are ever going to miss a time you have committed to because of Athletics, illness, Thanksgiving, Christmas or Spring Break, inform your mentor at least two weeks in advance (if possible). Churches and

organizations need volunteers who are dependable. Do not commit to a project if you will have frequent conflicts. Most of all, communicate with your mentor.

SUMMARIZING CHRISTIAN MINISTRY REQUIREMENTS

Christian Ministry Service must:

- Be completed by all students enrolled in Christian Ministry courses listed on page 45
- Not be paid
- Fulfill the requirement of an average of two hours of service per week across the semester
- Be overseen by a ministry representative who is not a fellow Grace Christian University student or significant other

Christian Ministries that do not fit this criteria must be approved beforehand by the Christian Ministries Coordinator. Students are encouraged to consider how their Christian Ministry service fulfills the goals listed on page 44 prior to making their commitment.

CONCLUSION

It is the sincere desire of the Christian Ministry Department to challenge, counsel and direct students at Grace Christian University into service that will provide a meaningful experience. The exercise of the mind in the practicum of life application remains the highest goal in the Christian life.

SECTION EIGHT: STUDENT EMPLOYMENT HANDBOOK

This handbook exist as an addition to the Grace Christian University Student Handbook and should be viewed as such. All guidelines set forth in the Student Handbook serve as a foundation for all students in the GRACE community.

PURPOSE OF STUDENT EMPLOYMENT

Student employees are an essential part of the GRACE campus. Those students wishing to work on campus have a desire to serve members of the GRACE community in a way that shows the love for Christ and others upon which the school is built. Student employment exists in part to allow students a practical opportunity to earn income while studying and preparing for careers after graduation. As a student employee you are offered the opportunity to learn and develop good employment habits that will later translate to off campus careers.

ADVANTAGES OF STUDENT EMPLOYMENT

As a student employee you are able to build a work schedule that compliments your academic demands. Aside from the convenience of working where you live, there is the added benefit of hiring managers that are sensitive to the demands of academic life. In addition to the tangible benefits, working on campus allows more opportunities to meet and interact with your peers and instructors. Student employees have the opportunity to experience working in a diverse workforce and gain experience for the future after graduation. By serving your community on campus, you are showing the spirit of hospitality to those studying along-side you.

RESOURCES FOR STUDENT EMPLOYEES

Please connect with Career Services if you find yourself struggling professionally, want assistance on your resume or interviewing skills, or would like information about various career paths.

COURTESY, PROFESSIONALISM, AND WORKSPACE

As a student employee, you are learning how to professionally communicate in the workplace. While this is also your home and place of study, please try to be mindful of how you present yourself when working. Attention to detail, punctuality, and appropriate dress are important parts of student employment. Student employees often times share space and/or equipment with other workers. Please be aware at the end of each shift that you are leaving things the way you found them.

NEW HIRE PAPERWORK

New Hire Paperwork exists to protect the institution and the student employee. As required by law, all New Hire documentation must be completed within three days of the hire date. Failure to do so may result in the student not beginning work and/or a delay in their paycheck. When completing your New Hire documents, you will need to have your Direct Deposit information with you as well as the necessary

identification.

ORIENTATION

Upon hire, your hiring manager (or another designated employee within the department) will provide you with an orientation to your new role. This is a brief overview of expectations and tasks to help acclimate you as you begin employment. If you do not receive a new hire orientation, please inform human resources.

DRESS CODE

Each hiring manager will communicate expectations regarding dress code for the position in which you work. Please be mindful of this and take in to consideration things that may impact dress code such as weather or rain. It is your responsibility to arrive prepared to work in proper attire.

WORK SCHEDULE

As your schedule fluctuates with class changes and/or rehearsals, you will need to communicate this with your hiring manager. One of the primary benefits of on campus employment is the ability to schedule work around your course load. Because of this, hiring managers depend upon you to inform them of your scheduling needs and limitations in a timely fashion, preferably upon hire. Requests for time off must be made directly through your hiring manager. Please be mindful of semester breaks, exam schedules, or other times when you will be unavailable or have a varied schedule. Do not assume that you will not be scheduled for work because it is a time when the campus may be closed or classes are not in session. It is your responsibility to inform and request the time off that is needed.

CALL-IN PROCEDURE

The call-in procedure will vary from department to department. Please be familiar with the procedure for your department and utilize it when necessary. Calling in should be used only as a last resort, when emergency situations or illness arise. Communicate with your hiring manager as soon as possible if there is a shift you will be unable to work.

ATTENDANCE

Attendance is just as important for on-campus employment as it is for classes. GRACE is grateful for student employees and depends upon them to keep the campus running well. Dependability in student employees can lead to other on-campus employment opportunities and favorable letters of recommendation.

COMPENSATION

With the exception of a few unique roles, student employees are paid an hourly rate. Pay checks are direct deposited on predetermined dates according to the payroll schedule outlined by the business office.

TIME REPORTING

Student employees are issued a PIN number to utilize when clocking in or out. This PIN number is specific to you and is not to be shared with other students. The PIN is tied to the department in which you were hired and to the hiring manager that will approve your hours. Students who work in multiple departments will keep the same PIN but will be tied to multiple department codes for payroll purposes. It is your responsibility to keep track of your time at the beginning and end of each shift.

ENDING EMPLOYMENT

Should you need to discontinue employment with your on campus position you are required to notify your hiring manager. While not required it is asked that you provide ample notice, ideally two-weeks, when resigning from a position. All student employees of GRACE are employed at-will. Employment may be discontinued at any time by either party with or without cause.

ON CAMPUS EMPLOYMENT OPPORTUNITIES

There are a number of on-campus employment opportunities available for students enrolled at Grace Christian University. Those students interested in applying for one of the positions listed below should contact Sherea Lacy, the campus Human Resources representative. SECTION NINE: ATHLETIC HANDBOOK

A Note From Athletic Director Gary Bailey

Dear Grace Student Athletes,

Welcome to the 2020-21 academic year. We are thrilled to have you represent our institution and are looking forward to the coming year. At times this commitment may be very challenging, but it is our hope that this commitment will be an essential part of what makes your entire experience at Grace Christian University worthwhile. Through your hard work and dedication you have earned the right to wear the Grace Christian University uniform. You join a tradition of excellence here at Grace and we hope you add to that tradition in a meaningful way.

This student-athletic handbook contains information, policies, and procedures set forth with Grace Christian University and your best interest in mind. The information included in the handbook is used in conjunction with standards, rules and regulations set forth by Grace Christian University and the National Christian College Athletic Association (NCCAA).

Grace Christian University is dedicated to molding and shaping the character of student-athletes and we stress that wearing the Tiger uniform is a privilege, not a right.

With all the opportunities that come to you as a student-athlete, you will have increased responsibility. Wherever you go, you are now a representative of Grace Christian University and the athletic department. Whether you are on or off the field, your actions reflect upon the college, your teammates, and the coaches.

I wish you the best of luck in the 2020-21 season.

Grace Christian University Mission Statement

Graduating Godly individuals prepared to serve Christ in church and society.

NCAA Mission Statement

The NCAA is an association of Christ-centered collegiate institutions whose mission is to use athletic competition as an integral component of education, evangelism and encouragement.

We serve our members by setting association standards, developing communication resources, providing regional/national competition and partnering in outreach to our communities and the world.

We are committed to equipping student-athletes and coaches to make a positive impact for Christ.

Academics

Due to competitive schedules and related travel demands, there are times when you will miss classes and exams. It is the responsibility of the student-athlete to communicate with the professors in advance of the missed class time and to determine what the expectations are for make-up/complete missed course work. Although Out-of-Class Alerts are sent to your professors in advance by the athletic coaches, it is still important that the student-athlete take the initiative to speak with their professors prior to missing class.

Each professor may have their own absence policy and it is important that the student-athlete not miss class except for the reported times on the Out-of-Class Alert.

General Guidelines for Class Attendance and Missed Class

Student-athletes should inform professors ahead of time of any impending absence due to and athletic event.

Student-athletes should make all of the necessary arrangements in order to make up all work or tests missed with the professor prior to athletic travel.

The professor may ask a member of the coaching staff to administer a test during the trip to prevent any advantage to the student athlete from occurring.

All student-athletes should establish a good rapport and open line of communication with their professors.

Student-athletes should be polite, attentive, and involved in class.

Eligibility

A student-athlete must be enrolled as a full-time student, which is defined as enrollment of 12 credit hours, or more, in order to be eligible to compete. During your season of participation, if at any time your enrollment drops below 12 hours, you become ineligible immediately. Never withdraw from a course without first

talking to your instructor, advisor, coach, and athletic director.

The NCCAA requires that all student-athletes must have a 2.0 gpa by the time they reach 54 credits to remain eligible.

For a full review of all NCCAA rules, you can visit the website: http://www.thenccaa.org/sports/2012/6/7/GEN_0607125132.aspx?id=187

Hazing

Grace Christian University believes that any team has the responsibility to create an environment within which all activities are pursued in a sound and productive manner. Any team or member(s) of a team, which includes hazing as part of it's activities, creates a risk for hazardous conditions.

Grace Christian University defines hazing as "any activity or action which subtly, flagrantly, recklessly, or deliberately demeans, embarrasses, threatens, invites ridicule or draws inappropriate or negative attention to a student-athlete or a group of student-athletes."

Hazing also includes an attitude that implies one student-athlete is superior to another or that membership on the team must be earned through personal service or meaningless activities.

Uniforms and Equipment

All equipment, game, practice, and/or travel uniforms are property of Grace Christian University and at no time should student-athletes abuse or mistreat it. This includes, but is not limited to, sport specific items, weight room equipment, locker rooms, and/or athletic training equipment. Student-athletes are expected to return all issued equipment upon completion of the athletic season and/or academic year. Policies regarding the use is outlined by the head coach and/or athletic director at the time of distribution.

Travel

All travel plans will be made by the coaching staff in consultation with the athletic director. Players will be notified of travel plans and given specific instructions prior to departure day. It is Grace Christian University's intention to keep players informed so student-athletes may, in turn, notify their families to help in their travel plans. It is not the responsibility of Grace Christian University or the athletic coaching staffs, to make travel arrangements for parents or families of student-athletes.

All college policies are in effect while traveling with a team. Student-athletes should act appropriately while representing Grace Christian University at functions off campus. Coaches will determine appropriate dress and behavior and communicate this to the team. Student-athletes should be on time for all departures and pack all gear ahead of time.

Injuries and Insurance

We are extremely pleased to have you as a student-athlete at Grace Christian University and hope you achieve academic, social, and athletic success.

Accidents and injuries do occur and we attempt to provide our athletes with the very best possible care. Medical bills may be incurred when the student-athlete is treated for bodily injury due to an accident, whether it be locally, during a road trip, or by a medical vendor in his/her own home area.

The NCAA, NAIA, NJCAA, and NCCAA discourages any college or university from providing coverage or paying the bills incurred for expenses related to illness or conditions which are not sustained as the direct result of an accident in our intercollegiate sports program. (This includes pre-existing conditions and non-athletic injuries.)

Insurance Coverage

Each student is required to either be on their parent or guardians insurance or to have their own policy. Grace Christian University provides coverage for the student-athlete as a supplemental insurance. This insurance is in place to help with accidents while participating in the play or official team practice of intercollegiate sports, including sponsored and authorized team travel.

Claim Procedure

All medical bills for the student-athlete incurred as the result of an accident in the intercollegiate sports program will be sent directly to the student-athlete unless the athletic department has been instructed otherwise by the medical vendors.

The student athlete and coach should fill out the appropriate forms with the Athletic Director immediately after the injury occurs.

Submit the bills incurred to your family, employer group coverage or plan first. They will do one of two things:

1. Honor the claim and pay all or a portion of the bills incurred.
2. If there remains a balance after the family, group insurance or plan has contributed towards the claim, send the EOB (evidence of benefits) from the insurance company and a copy of the itemized bills incurred to the college athletic department. If a letter of denial is received from the family, or employer group insurance company a copy of the denial letter and a copy of the bills incurred should be sent to the college athletic department.

Please note, if the primary family coverage is through HMO or PPO you must follow the proper procedures required by your plan in order for the college's insurance to satisfactorily complete its portion of the claim. This is especially important if the plan requires pre authorization to have the student-athlete treated if out of the

plan's service.

The average amount of time spent per claim is greatly reduced when utilizing the appropriate forms. See your coach or athletic director for guidance and forms.

Questions regarding insurance claims can be directed to the Associate Vice President of Talent Management.

Student-Athlete Responsibilities and Code of Conduct

All student-athletes should conduct themselves in an appropriate manner at all times showing respect for this institution, teammates, coaches, opponents and officials.

It is the philosophy of the Grace Christian University Athletic Department that athletes representing Grace are here to achieve a complete collegiate experience. One of the most important aspects of that experience is the awarding of a degree.

We recognize that student-athletes are sometimes in the public eye and should therefore always:

- Use positive words and actions
- Act as a role model, not only socially, but in the residence halls and daily living areas.
- Always consider the team and school in decision making.

Students violating team or school rules will follow the procedure outlined below.

1. Meet with the appropriate coaching staff.
2. Meet with the Athletic Director. (If needed)
3. Meeting with the Vice President of Student Affairs. (If needed)

All student athletes will be given the opportunity to discuss any infraction and consequence for any violation. All student athletes will be given the right to appeal any consequence. The form and process to appeal are located in the Athletic Offices.

Please note that some policies in this handbook may be subject to change based on local, state, federal, and NCCAA regulations.

The **National Christian College Athletic Association**, a 501(c)3 not-for-profit association, was incorporated to provide a Christian-based organization that functions uniquely as a national and international agency for the promotion of outreach and ministry, and for the maintenance, enhancement, and promotion of intercollegiate athletic competition with a Christian perspective.

The very existence of the NCCAA speaks to the need of a different game plan for college athletics in the midst of an era when the very foundations of our society are being eroded morally. The NCCAA wants to step into the gap and become a vehicle for implementing a positive and purposeful athletic experience in cooperation with member institutions and their student-athletes.

The NCCAA game plan is to assist colleges in producing winners in the "game of life". Its intent is to assist the colleges and coaches in producing a game plan that will influence the student-athlete immediately as well as for his/her entire life: a plan that will challenge the student-athlete through regional and national competition; a plan that expects academic credibility; a plan of maximum development through assisting college coaches with leadership, programs, and materials; a plan that encourages a mature functioning body of Christians able to serve family, school, church, and society.

The NCCAA is unique in its purpose, its constituency, and hopefully its outcome. It is not who wins the game on the athletic field that really counts, but rather who wins that all-important game being fought in the lives of our nation's young people. The NCCAA makes a difference in developing well balanced, visionary leaders of tomorrow.

The NCCAA game plan includes: dedicated and caring leadership, national competition, international outreach and ministry through athletic teams, discipleship programs and materials for student-athletes and coaches, and conferences on current key issues.

We believe:

Athletics are a means to an end, not the end in themselves.

The process is as important as the performance.

The person (student-athlete) is more important than the program.

POLICY REGARDING HUMAN SEXUALITY

Grace Christian University is a private religious institution of higher learning which was established by an affiliation of churches known as the Grace Gospel Fellowship. As a foundation and purpose for existence Grace Christian University holds to a biblical worldview. Our understanding of human sexuality is based on this worldview. Creation, fall and redemption are three realities which deeply affect the human experience. Out of His love, God has given humanity His Word, the Bible, as authoritative instruction for human flourishing. This thriving is only realized when we submit to the authority of the Creator. Beginning with God's Word, both the beauty and struggles of human sexuality is more clearly understood.

Creation: Human sexuality is a beautiful gift from God. Humans are created by God, in His image and by His authority as male and female (Genesis 1:26-28). The example of Scripture and its consistent teaching is that God's design for sexual intimacy is limited to monogamous heterosexual marriage. Through sexual intimacy, male and female become one flesh. Within the intended marriage relationship, this is a reflection of the unity of the triune God (Genesis 2:18-25; Ephesians 5:25-33).

Fall: We live in a world which has rebelled against God and his authority. The beauty of God's created world and order, including human sexuality, has been tainted by sin. The Bible gives special attention to sexual immorality as counter to human flourishing. For some sexual temptations are heterosexual while for others sexual temptations are same sex oriented (1 Corinthians 6:18; 7:2-5; Hebrews 13:4). While many struggle with sexual temptations, it is our call as Christians to resist temptation and follow God's instruction for right living (Matthew 15:18-20; 1 Corinthians 6:9-10).

Redemption: Through the death of Jesus on the cross, forgiveness of sins and freedom from the power of sin is available (1 Corinthians 5:21; 1 Peter 3:18; John 8:11). Restoration and healing is offered to people on this earth and will be fully realized in eternity (1 Corinthians 15:48-57).

Implications: We will treat all individuals with love and respect as bearers of the image of God. Out of love for the individual and our desire to see individuals flourish, we expect members of the Grace community to maintain behavior that follows the teachings of Scripture. In light of this, we do not support or affirm:

- marriage of any kind other than marriage between one man and one woman;
- sexual relations of any kind outside the confines of marriage between one man and one woman;
- resolution or attempted resolution of tension between one's biological birth sex and one's expression of gender by the adoption of a psychological identity discordant with one's biological birth sex;
- changes or attempts to change one's given biological birth sex via medical intervention in favor of the identity of the opposite sex or of an indeterminate

identity.

As a Christian institution of higher learning, we will respect those whose moral views diverge from ours, and seek to embody the gentle and patient love of Christ for all. We will, however, make institutional decisions in light of this policy regarding housing, student admission and retention, employment hiring and retention, employment benefits and other matters. Without doing so, we are unable to maintain the integrity of our institutional mission and reason for existence as a serious biblical institution committed to Scriptural authority in all matters of life (Romans 1:18-32; Leviticus 18:22; 20:13; 1 Timothy 1:8-10; Ephesians 4:15).

STUDY GUIDE

GOAL SETTING

Set a goal . . . take some steps!

What's most important to you?

Goals help you focus your efforts and break down your big picture dreams into specific, achievable steps.

Goals help you to be intentional about your journey. At the end of this year, do you want to be in the same place you are now academically? Socially? Spiritually? _____ ally?

You probably know about SMART goals: Specific, Measurable, Action-Oriented, Realistic, Timely. If SMART works for you, get busy making some SMART goals. If you don't like SMART, try this:

FROM 'X' TO 'Y' BY WHEN

For example, "I will increase my semester GPA from 2.60 to 3.00 by the end of the semester."

Ask these two questions:

- 1) How will I know whether or not I've reached my goal?
This keeps it measurable.
- 2) When will I know whether or not I've reached my goal?
This puts a date or deadline on the goal.

Write a few goals for this semester/year:

TAKE SOME STEPS . . . GET MOVING FORWARD!

Goals are great. We need to know where we are going. Goals, however, do not accomplish themselves. To reach a goal, you need to take some steps.

“Direction, not intention, determines our destination” - Andy Stanley

Are you moving in the direction of a successful student? What steps do you need to take?

Here are some examples:

“Today, I am going to go to class even though I don’t feel good.”

“This week I will write an outline for the paper due three weeks from now.”

“This semester, I will turn in every assignment on time.”

You might not know all of the steps needed to reach a goal. That’s ok. Take one step. If you get stuck, ask an RA to coach you. You probably know more than you know.

Set a direction - write a 3-4 steps for each of your goals:

READING THE MAP . . . SUCCESSFUL STUDY STRATEGIES

Preparing for Class

- Do the assigned reading well in advance.
- Before class, take a few minutes to refresh your knowledge and review your previous class notes.

Reading Textbooks

- Begin by thinking about what you're going to read.
- Survey the text for headings, key words, or summaries.
- Estimate the amount of time needed to read the entire section.
- Plan to read a specific number of pages in a limited time period.
- Underline key ideas and write notes during your actual reading.
- Don't be afraid to write notes or draw arrows directly in your textbook.
- Recite (out loud) the material to yourself; know what you have read.

Taking and Using Notes

- Be an active listener.
- Don't write down everything.
- Listen for and record main ideas and supporting facts.
- Leave sufficient white space to allow you to add notes later on.
- After class, quickly review your notes.
- Highlight important facts.
- Recite your notes to yourself, or teach the material to a friend.
- Apply what you're learning as soon as possible.

Studying for an Exam

- Ask your instructor what type of test it will be (essay, multiple choice, etc..)
- Study regularly throughout the semester.
- Set up a study schedule and review all materials well before the exam.
- Write out likely questions and answer them.

- Form a study group, discuss views, and quiz your partners.
- Get enough rest the night before the exam.
- PRAY AND ASK GOD TO HONOR YOUR TIME OF STUDY.
(You're in trouble if that means only studying on the way to the exam)

Multiple Choice

- Make sure you understand each question.
- Before looking at the possible answers, form the answer in your mind.
- Read each possible answer carefully before making a choice.
- Watch for words such as ALWAYS, NEVER, ONLY, or EXCEPT.
- Don't change your initial answer unless you're absolutely certain it's wrong.

Essay Exams

- Survey the entire exam and note the questions that are easiest to you.
- Answer the easier questions first to build your confidence.
- Read questions several times to ensure you understand what is being asked.
- Underline key words such as ANALYZE, DISCUSS, DEFINE, or DESCRIBE.
- Take a few moments to brainstorm and create a rough outline.
- Support each major idea with specific examples and detailed information.
- Remember to begin each answer with an introduction.
- Conclude by briefly summing up your answer.

Remember, there are a wide range of approaches to learning and studying. There is no "one size fits all" standard. Use your own personal strengths and uniqueness to find your best way! Just make sure you find it!
