

Student COVID Expenses

Grace Christian University is seeking federal assistance for expenses directly related to COVID-19. If Grace receives this grant (HEERF), funds will be available to you to help with your unexpected expenses. Please be accurate. Do not include the same expense in more than one place. The total for all of your entries cannot exceed your total actual expenses.

Were you enrolled in On-Campus classes during the Spring 2020 semester? *

The emergency financial aid grants to students are for expenses related to the disruption of campus operations due coronavirus. This distinction is based on the grant provided by the federal government. We understand that online students have also experienced hardship due to coronavirus however we cannot distribute funds not made available to us.

Unqualified

From your answers, it seems that you would not be qualified to receive this assistance. Again, please know that Grace Christian University is seeking to facilitate assistance from the federal government to students based on the criteria the government has set.

Only students who participated in on-campus studies and are eligible for federal financial aid are able to receive this assistance from the government.

Other Comments

Please share with us any additional comments you may have regarding challenges you have faced due to COVID-19. We are praying daily for our students and that God would end this crisis.
