# Message from the President

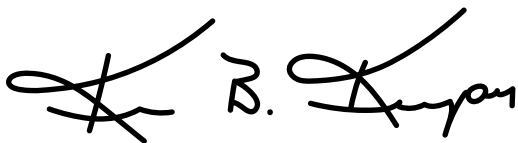

Grace Christian University (formerly Grace Bible College) is an incredible place. As president of Grace, I am excited to welcome you to experience a life-transforming education. The Grace Christian University faculty, staff, and students are committed to being a growing community. By that, we mean that each of us, starting with the president, realizes that we are still in process. We are not all that God designed and purposed us to be, nor are we content with our current condition. Through competent instructors committed to academic excellence, and staff and administration committed to serving and growing, we believe Grace Christian University can be used by God to change your life!

The prevalent mentality of the day is intent on tolerance and policing certain words and activities deemed inappropriate or incorrect according to their own vacillating set of values. Grace Christian University believes that the eternal truths and values of the Word of God, rightly divided, are principles that pervade all areas of life and education.

The Apostle Paul states, *“For in Him all things were created both in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things have been created through Him and for Him. And He is before all things, and in Him all things hold together...so that He Himself might come to have first place in everything”* (Colossians 1:16-18).

I would conclude from the above Scripture that Jesus Christ is to be the center of life, speech, values, service, education, and social relationships. The world we live in and its present crises are evidence of what happens when education and life are no longer Christ-centered. There is no values-free education, it is all taught from a particular worldview. I believe it is vital for our students to be educated from a biblical worldview that prepares them for their careers, vocations, or further education with God’s values and purposes in view.

Grace Christian University is committed to preparing leaders to be all that God wants them to be, educationally, socially, physically, and spiritually. If that’s your heart’s desire, then Grace is the place for you!

# Location

Grace Christian University is located just west of US 131, near the intersection of 28th Street and Clyde Park Avenue. Grace's campus can be found in Wyoming, Michigan, a suburb of the greater Grand Rapids metropolitan area. The area is serviced by major air, rail, and bus lines.

# History

## **Beginnings**

Grace Christian University began in 1939 as Milwaukee Bible Institute. Evening classes were held to train laymen and Sunday school teachers to serve God. In these early years, a dedicated group of evangelical pastors saw the need to prepare full-time Christian workers with particular concern for a dispensational theological understanding of the Bible and the distinct revelation given to the Apostle Paul. While the Institution has grown in many ways through the decades, its core values are rooted in the efforts of these early years.

## **Leadership**

Humanly speaking, Grace Christian University would not have come into existence without the visionary leadership of its first president, Reverend Charles F. Baker. The Institution was founded under his leadership, grew to a College and navigated the challenges of moving the campus from Milwaukee to Grand Rapids, MI. The Institution continued to grow as Dr. Jack T. Dean became president in 1967. Facilities and degree programs were expanded and the Institution was granted accreditation with the Association of American Bible Colleges. Dr. Samuel Vinton Jr. led the Institution from 1985 to 1989. During these years, the Institution began facilitating opportunities for international students to earn their degrees at Grace. Bruce Kemper became the fourth president in 1990. Coming from Pastoral Ministry, Bruce Kemper brought a strong emphasis of ministry to the Institution. Grace's current president, Dr. Kenneth B. Kemper, was called to lead the Institution in 2003. President Kemper has brought renewed vision and energy to the Institution. From the beginning and continuing into this present year, God has called leaders who love His Word, love His people, and joyfully use the gifts God has given them at Grace Christian University.

## **Academics**

From an evening school Bible Institute to the current University, academics at Grace is a story of growth and excellence. The early evening classes grew to a day school with a broader curriculum. Soon after the move to Grand Rapids, Grace achieved accreditation with the Association of American Bible Colleges (now the Association for Biblical Higher Education) in 1967. Regional accreditation was granted by the Higher Learning Commission in 1990. During the 1990s, Grace also established consortium agreements with Cornerstone University and Davenport University further opening degree options for students. In 2010, Grace began offering 100% online degrees expanding the reach of its educational opportunities far beyond the Grand Rapids campus. Graduate studies began in 2016 offering a Master of Arts in Ministry followed by a Master of Arts in Organizational Leadership. The growth and excellence of academics at Grace is also seen in the example of its faculty in lifelong learning for whom the majority, rather than the exception, have earned terminal degrees. Grace now has 19 full-time faculty, 10 of whom hold doctorates or other terminal degrees.

## **Facilities**

While our most distinguished alumni of the Institution speak of the Milwaukee campus with fond memories, the majority of the alumni have only known the campus at 1011 Aldon Street SW. Although modified with additions, the original four 1961 buildings continue to serve the campus today. Additional buildings to the campus include: Bultema Memorial Library (1971, expanded in 2004), Enslow and Klein Apartments, Baker Chapel (1980), the Aldrich Athletic Center (1977), the Jack T. Dean Academic Center (2006), the Student Commons (2010) as well as the Dining Room and Kitchen renovation and expansion (2019). In 2022, Lord willing, Grace will open new student housing bringing room for an additional 116 students to campus. Further renovations and expansions are included in the Campus Master Plan to accommodate future growth.

## **Co-Curricular**

What happens outside the classroom shapes students alongside their academic pursuits. Chapel continues with its strong history of corporate worship and instruction from God's Word. Students put learning into action through Christian Ministry. Ministry trips, domestic and abroad, give students opportunities to experience other cultures and ministry contexts. Intercollegiate Athletics builds life learning through competition which has seen tremendous success with regional and national championships.

## **History in a Name**

We can see a snapshot of the Institutional growth through the history of its name: Milwaukee Bible Institute, Milwaukee Bible College, Grace Bible College, Grace Christian University. Each year as new students come and graduates move on, we are reminded, with deep gratitude, of those who have come before us to humbly learn and serve God at Grace.

# Statement of Faith

The following statement of faith is the theological position of Grace Christian University.

**The Bible.** We believe that the Bible, both Old and New Testaments, is verbally inspired by God, without error in the original writings, and is the supreme and final authority for every aspect of faith and life (Rom.15:4; 2 Tim. 3:16-17; 2 Pet. 1:21).

**The Godhead.** We believe there is one God, Creator of all things and eternally existing in three Persons: Father, Son, and Holy Spirit. Each is a Person distinct from the others, but inseparable, coequal, coeternal, unlimited and unchanging in power, presence and knowledge. All are worthy of the same worship and obedience (Gen. 1:26; Deut. 6:4; Matt. 28:19; Acts 5:3-4; Rom. 11:33-36; 1 Cor. 8:6; 2 Cor. 13:14; Eph. 4:4-6; Col. 1:16-17; 1 Tim. 2:5; Heb. 1:8-10).

**The Person of Christ.** We believe in the full humanity and full deity of our Lord Jesus Christ; His virgin birth, His sinless life, His miracles, His substitutionary death, His bodily resurrection, His ascension to the right hand of the Father, and His personal return in power and glory (Luke 1: 35; Rom. 1: 3-4; 1 Cor. 15:1-8; Phil. 2:6-11).

**The Person of the Holy Spirit.** We believe that the Holy Spirit is a divine Person, coequal with the Father and the Son. It is the Holy Spirit who convicts unbelievers of their sin and condemnation before God, and regenerates the hearts of believing sinners. He baptizes the believer into the Body of Christ. He also seals, indwells, enlightens, equips for service, and empowers the believer to live a godly life (John 16:7-8; Acts 5:3-4; 1 Cor. 2:10-12; 6:19; 12:13; 2 Cor. 3:18; Gal. 5:16-26; Eph. 1:13-14; 4:4-6; Tit. 3:5).

**Humanity and sin.** We believe that God created the first man and woman in His own spiritual image and likeness. They disobeyed God, died spiritually and became subject to physical death. As their descendants, we are all sinners both by nature and by choice, and are totally unable of ourselves to do anything pleasing to God (Gen. 1:26-27; Isa. 64:6-7; John 15:5; Rom. 3:9-23; 5:12; 8:5-8; Eph. 2:1-3; Tit. 3:5).

**Salvation.** We believe that God justifies ungodly sinners solely by His grace upon the grounds of the sacrificial blood of Jesus Christ and His Resurrection. This complete salvation is given as the free gift of God through faith, apart from our works. Only those who trust in Jesus Christ are born of the Spirit and become children of God (John 1:11-13; 3:16; Rom. 3:24-28; 10:9-13; 1 Cor. 15:1-4; 2 Cor. 5:21; Eph. 1:7; 2:8-9).

**Eternal Security.** We believe that all believers are eternally saved through Christ and are sealed by the Holy Spirit until the day of redemption (John 10:28-29; Rom. 8:1; 8:28-39; Eph. 1:13-14; 4:30; Col. 3:1-4; 2 Thess. 2:13-14; 1 John 5:11-13).

**Sanctity of Life.** We recognize all human beings are made in the image of God and created as male and female; thus every human being has been granted by God the right to life from conception, or the functional equivalent thereof until his or her natural death. Therefore, the intentional killing of an innocent human being violates God's lasting commandment, "You shall not murder" (Gen. 1:26, 9:6; Ex. 20:13; Psa. 139:13-14).

**Sanctity of Marriage.** We recognize that marriage is between one man and one woman for life and that God has designed sexual relations to be enjoyed only within the God-ordained marriage relationship (Gen. 2:24; Matt. 19:4-6; Eph. 5:22-23; Heb. 13:4).

**Dispensations.** We believe that the Holy Scriptures are best understood through the framework of Dispensational Theology. The Bible is clear that God deals in different ways, at different times with different people. These changes in the outworking of God's plan are referred to as "dispensations." We recognize several distinct dispensations, or administrations, in Scripture. Each is marked by revelation from God specific only to that dispensation. The current dispensation, God's plan for the Church, the Body of Christ, "the mystery" revealed to the Apostle Paul, is distinct from God's plan for the nation of Israel. We find in Paul's writings alone the revelation, position and destiny of the Church (Rom. 16:25-27; 1 Cor. 15:51-54; Gal. 1:11-12; Eph. 3:1-12; Col. 1:24-29; 2 Tim. 2:15).

**The Church.** We believe that all in this dispensation who are saved by faith in Jesus Christ are united together in the one true Church, the Body of Christ, of which He is the Head. God's specific truth of and for this Church was first revealed through the Apostle Paul. This Church began historically with Paul before the writing of his first epistle (1 Cor. 12:13, 27; Eph. 1:22-23; 3:1-11; Col. 1:18, 24-25).

**Spiritual Gifts.** We believe that God has given believers spiritual gifts with which to serve the Lord for the building up of the Body of Christ (Rom. 12:3-8; 1 Cor. 12:1-31; Eph. 4:7-16). Some of the spiritual gifts that operated in the Church were temporary in nature and were intended for its infancy, including the official offices of apostle and prophet. Other gifts, such as miraculous powers, the gift of healing, tongues and the interpretation of tongues, revelations and visions ceased (Rom. 11:11-36; 1 Cor. 1:22; 13:8-13; 2 Cor. 12:12; Eph. 2:20; Phil. 2:25-26; 1 Tim. 5:23; 2 Tim. 4:20). We do believe that God is sovereign and able to operate in miraculous ways as He desires Eph. 3:20).

**The Believer's Walk.** We believe that, as a result of Christ's victory over sin and the indwelling Holy Spirit, all of the saved may and should experience deliverance from the power of sin in their daily lives. This comes through constant submission to the Holy Spirit and obedience to God's Word. Since sinless perfection is not a possibility in this life, we must consciously work in harmony with the Holy Spirit (Ps. 119:9-11; Rom. 6:6-14; 1 Cor. 10:12-13; 2 Cor. 2:14; 10:2-5; Gal. 5:16-25; Phil. 2:12-13).

**The Lord's Supper.** We believe that the Lord's Supper (i.e., Communion or the Lord's Table) is a memorial of the broken body and shed blood of Christ on the Cross. We believe the elements are only symbolic, serving as a sacred reminder and proclamation of Christ's death until He comes again. Participation in the Lord's Supper is open to every believer who is in fellowship with Christ (1 Cor. 10:14-22; 11:17-34).

**Baptism.** We believe that the Holy Spirit places all believers into the Body of Christ at the moment of salvation by one spiritual baptism. Through this work of the Holy Spirit, we are identified with Christ in His death, burial and resurrection. The Bible also speaks of other baptisms, some are spiritual in nature and others were ritualistic and played a key part in God's program with Israel. While those baptisms all had importance in the past, Scripture speaks of this divine baptism as the one and only baptism that is operative today. Therefore, we practice no other baptism. We emphasize this spiritual baptism as foundational to the unity of all believers (Rom. 6:3-4; 1 Cor. 1:17; 12:12-13; Gal. 3:26-27; Eph. 4:3-6; Col. 2:9-12; Heb. 9:9-10).

**Resurrection.** We believe in the physical resurrection of the dead. Jesus Christ was resurrected bodily, and therefore everyone will have a bodily resurrection. The saved will be raised to eternal glory and the unsaved to eternal punishment (Luke 24:39-43; John 5:28-29; Acts 24:15; 1 Cor. 15:12-24; Phil. 3:21; 2 Thess. 1:7-9; Rev. 20:4-6, 11-15).

**The Return of Christ.** We believe the Lord Jesus Christ will personally come to take His Church to heaven, commonly referred to as “the Rapture of the Church.” All members of the Body of Christ, both living and dead, will be caught up together to meet the Lord in the air. This event is imminent and will take place prior to the Tribulation that will come upon the earth (1 Cor. 15:51-53; Phil. 3:20-21; 1 Thess. 4:13-18; Titus 2:13-14). After the seven- year tribulation period, Jesus Christ will return in power to establish His Kingdom upon the earth (Jer. 30:7; Dan. 9:20-27; Zech. 14:4, 9; Matt. 24:15-41; Rev. 19:11-16; 20:1-4).

**The State of the Dead.** We believe that immediately after death all people exist in a state of consciousness that will last forever. The believer of this dispensation passes directly into the presence of Christ in Heaven. All of the unsaved dead enter a state of conscious eternal suffering without any hope of salvation (Luke 16:23-28; John 3:36; 2 Cor. 5:6-8; Phil. 1:23; 2 Thess. 1:7-9; Heb. 9:27; Rev. 14:11; 20:10-15).

**Mission.** We believe our mission is to bring glory to God as we proclaim the message of reconciliation to all the unsaved; as we equip and train the saved for the spiritual and physical growth of the Body of Christ; and as we serve all people through acts of grace and compassion. In this way we make plain to everyone the unsearchable riches of Christ according to the dispensation of the mystery (Rom. 12:9-21; 16:25-27; 1 Cor. 10:31-11:1; 2 Cor. 5:14-21; Gal. 2:10; 6:10; Eph. 3:8-9; 4:11-16; Phil. 2:1-8; Col. 4:3-6; 1 Tim. 2:3-7).

# Commitment to Cultural Intelligence

*“There is neither Jew nor Greek, slave nor free, male nor female, for you are all ONE in Christ Jesus.”*  
-Galatians 3:28

Grace Christian University is committed to educating students from diverse backgrounds and preparing them to serve Christ in a diverse society.

Grace defines diversity as differences in culture, experience, and background among individuals and groups. This includes but is not limited to race, ethnicity, nationalities, generations, abilities, and denominations consistent with our Christian worldview and appropriate to our theological context.

In order to build the capacity to both create a more diverse campus and better prepare students for a diverse world, the University has partnered with the **Cultural Intelligence Center (CQC)** to provide training and assessment in **Cultural Intelligence (CQ)** for every employee and student at Grace. CIQ consists of four capabilities: CIQ Drive, CIQ Knowledge, CIQ Strategy and CIQ Action.

Every employee and every student takes a CIQ assessment to understand their own levels of cultural intelligence compared to worldwide norms. Every employee receives CIQ training.

**The four CIQ capabilities have been integrated into the curriculum of every student using the following educational outcomes:**

- CIQ Drive: Is the student able to interact with a high level of interest, persistence, and confidence in multicultural situations?
- CIQ Knowledge: Is the student able to analyze how cultures are similar and different?
- CIQ Strategy: Is the student able to plan with awareness for multicultural interactions?
- CIQ Action: Is the student able to adapt when relating and working in multicultural contexts?

Grace Christian University believes that by building capacity for diversity through CQ, the University is creating the ability it needs to create a more diverse campus that prepares students to serve Christ in a diverse society.

## Grace Online offers the following degrees:

### Associate of Arts

- Business
- General Studies
- Leadership and Ministry
- Social Science

### Bachelor of Science

- Business
- Criminal Justice
- Global Communication
- Human Services
- Leadership and Ministry

## ONLINE COURSES

To increase access to education and meet the flexibility needs of busy adult learners, courses and programs are offered through online delivery. In online courses, students complete their weekly learning activities (reading, discussions, assignments) in an asynchronous way (i.e. not necessarily at the same time as others). Each course contains a complete syllabus and course guide with learning activities and due dates for each week.

Within the Blackboard learning environment, navigation buttons provide ease of maneuvering through the course sections. Email allows students to communicate with the instructor, while the electronic discussion board capabilities allow students and instructor to post, share, and read threaded discussions, questions, and comments. Students must use Microsoft Word documents when submitting assignments. Microsoft Excel, PowerPoint, and Publisher will be needed for some courses; an Office 365 subscription is provided at no-additional-cost to the student. Students should expect to spend approximately 20 or more hours per week engaged in coursework.

## PROGRAM BENEFITS

### **Students in the Online programs have the potential to:**

- Complete an Associate of Arts degree in as little as two years
- Complete a Bachelor of Science degree in as little as two years (with a prior Associate degree earned)
- Convert significant prior learning into college credit by submitting a thorough portfolio demonstrating prior college-level learning

- Gain satisfaction by fulfilling an educational goal

# Educational Philosophy

Grounded in a fundamental belief in the pursuit of truth, a primary concern of Grace Christian University is to cultivate a learning environment that encourages participation, freedom of thought, open questions and the free exchange of ideas for every individual. This openness arises from a threefold conviction:

1. that truth is to be found in the person of Jesus Christ, who is himself the Truth (John 14:6)
2. that the Bible is the Word of God and therefore God's truth revealed (John 17:17, Psalm 119:60)
3. that truth is coherent because God is the author of truth (e.g., "all truth is God's truth")

In this pursuit of truth, the faculty of the University is committed to the holistic personal growth of each student in his or her intellectual, moral, and spiritual capacities, and as an expression of each student's God-given identity, mission, and purpose.

**In alignment with the mission, vision, and values of the University, the faculty affirm:**

## **Historic Purpose and Distinctive Theological Perspective**

Belief in the inspired and authoritative Word of God has been fundamental to the University since its founding as Milwaukee Bible Institute in 1939. Its distinct theological perspective of Pauline dispensational theology continues to guide biblical and theological instruction as the faculty train 21st-century leaders for Christian service in a range of vocational contexts. In all cases, the faculty seek to model and extend practical dimensions of this Grace theology, including but not limited to: mercy, kindness, forgiveness, inclusion, humility, and service.

## **Bible-Focused Curriculum and Instruction**

The University's unwavering commitment to the authority of the Bible is reflected in and through an integrated biblical perspective in all classes. This includes the integration of biblical knowledge (Old and New Testaments, Christian Worldview) and other academic knowledge (general and discipline-specific education). Students are encouraged to develop a framework for personal and professional decision making that correlates with the truth of God's Word.

## **Career-Oriented Student Body**

Recognizing the diversity of the Body of Christ (1 Cor. 12), the faculty support on campus, online, and graduate students in the pursuit of their unique career callings and vocations. Whenever possible, students will be given opportunities for practical learning experiences that will equip and enhance them with knowledge and skills that prepare them for viable careers in a competitive job market. Faculty will continually evaluate degree programs and instructional methods to ensure that the education offered by the University is practical and relevant in preparing students to serve Christ in Church and society.

## **Commitment to Transformational Relationships**

As a community of lifelong learners, the Faculty seeks to develop life-changing learning environments and experiences for students, both inside and outside of the classroom. They value students' personal and professional development, and are committed to guiding them through the educational process through life-on-life mentoring relationships, career counseling, and personal and spiritual guidance. The commitment to transformational relationship includes awareness of and commitment to cultural intelligence, diversity, inclusion of underrepresented and under-served communities of students.

# Institutional Learning Outcomes

The mission of Grace Christian University is *Graduating Godly Individuals Prepared to Serve Christ in Church and Society*. In order for students to graduate ready to serve, they need a *commitment* to KNOW truth and wisdom, they need to BE people with *character*, they need *competence* in what they DO, and they need to SERVE others with *compassion*. Therefore, the following Institutional Learning Outcomes are expected of all Grace Christian University students. In addition to these institutional outcomes, each degree program has specific outcomes which build upon and enhance these outcomes.

## **KNOWING**

Graduates will integrate knowledge of God's word and God's general revelation in creation resulting in a broad understanding of human life.

## **BEING**

Graduates will demonstrate character formed by the Bible and the Spirit of God.

## **DOING**

Graduates will implement the skills needed for living and working in the world.

## **SERVING**

Graduates will serve others in their churches, careers, and communities.

# Student Performance Statistics

The Student Right-to-Know regulations require all colleges and universities participating in federally funded financial aid programs to document information on the cohort of first-time, full-time freshmen entering the institution on or after July 1, 1996. Disclosure is not required until 150% of the estimated program length has elapsed. All colleges and universities entering into Program Participation Agreements with the Department of Education are required to complete the IPEDS Graduation Rate Survey of 1997 (Section 490 of the Higher Education Amendments of 1992, P.L. 102-325.106. Stat. 448).

## Graduation/Completion Rates

- Transfer, part-time, and non-degree students are not included in the graduation/completion rate.
- The graduation rate is based on six years of attendance that equates to 150% of the longest program.
- The graduation/completion rate does not include students who left the institution to serve in the armed forces, with an official church mission organization, or in the foreign service of the federal government. Students who died or were totally and permanently disabled are also excluded.
- The institution is not required to report the transfer-out rate since the mission of the institution does not include providing substantial preparation for students to enroll in other institutions.

**EMPLOYMENT/GRADUATE STUDIES RATES**

While Grace Christian University does not formally place students in jobs or guarantee employment, the University is concerned that graduating students are fulfilling the mission of the University through employment in their degree fields or are pursuing further graduate studies. Rate is based on status one year after graduation.

**How is “First Destination” defined?**

Destination is defined as full-time employment (30 hours or more) or continuing education within six months of graduation. The position does not need to be degree related.

# Distance Education Reciprocity Agreement

Grace Christian University has been approved by the State of Michigan Department of Licensing and Regulatory Affairs to participate in the National Council for State Authorization Reciprocity Agreement (NC-SARA). NC-SARA is a voluntary, regional approach to state oversight of post-secondary distance education. By participating in NC-SARA, Grace is able to offer online degree programs and courses to residents in NC-SARA participating states as well as states in which prior authorization for the recruitment or enrollment of students is not required.

Currently, Grace is able to enroll students from all states participating in SARA membership. The state of California is not a member of NC-SARA.

More information on NC-SARA can be found at [nc-sara.org](https://www.nc-sara.org)

# Grievance Procedure

Most matters of conflict or disagreement can be resolved by meeting individually with the offending party. Grace Christian University asks that any member of the community with a complaint against another member or entity first attempt to seek a resolution by meeting with the individual with whom they are in conflict. Whether or not an individual meeting has taken place, students have the right to submit a formal complaint. This process is initiated by completing a **Formal Grievance Form**. The Academic Provost maintains a record of these complaints as well as the processing of complaints according to University policies.

**If the student is not able to satisfactorily resolve the complaint or grievance with the University, the student has the right to submit his or her complaint to the State of Michigan or either of the Institution's accrediting bodies:**

- Higher Learning Commission: [hlcommission.org](http://hlcommission.org)
- Commission on Accreditation, Association for Biblical Higher Education: [abhe.org](http://abhe.org)
- Michigan Department of Licensing and Regulatory Affairs: [michigan.gov/lara](http://michigan.gov/lara)

# Cooperation & Support

## **ALUMNI ASSOCIATION**

The primary purpose of the association is to foster fellowship among graduates and former students. Homecoming at the University as well as regional banquets, breakfasts, and other meetings are exciting times. Members of the association encourage students to attend Grace and provide regular and special fund support of the University.

## **GRACE GOSPEL FELLOWSHIP**

Grace Christian University is an affiliated organization of Grace Gospel Fellowship (GGF) and is therefore recognized as the only college and theological training school of the Fellowship.

## **CHURCHES**

The University may receive financial support from caring churches.

## **PUBLICATIONS**

The University publishes The Journey magazine, which contains articles of educational thought, University news, and alumni activities. TRUTH is a subscription magazine, published quarterly by the Grace Gospel Fellowship. It contains Bible study articles and news sections from the University, GGF, and other affiliated organizations.

## **EARLY HIGH SCHOOL GRADUATES**

All standard admission criteria must be met. In addition, the following policy applies:

Students who earn their high school diploma earlier than the traditional age may enroll in Grace's undergraduate programs subject to the admissions standards in force at the time of their enrollment. If a student will not turn 18 by the end of his or her first semester at Grace, the student's parent or guardian will sign a SPECIAL ADMISSIONS AGREEMENT FOR DEGREE-SEEKING UNDERAGE STUDENTS. The form can be obtained by the Registrar's Office or Enrollment staff.

## **ADMISSION STATUS**

### **Full Admission**

An applicant is given full admission to Grace Christian University when the criteria for admission have been met. Applications are accepted on a rolling basis throughout the year.

### **Conditional/Provisional Admission**

Students may start courses before the admissions process is complete, but must have all required pieces submitted by the end of the first course. Students may be provisionally admitted to the program by submitting unofficial transcripts before official transcripts are received by the University. Official transcripts must be submitted to the Registrar's office by the end of the first class. Students without official transcripts on file by the stated deadline can be denied further registration until all requirements are met. See the **Transfer Credit** section for more information on the transfer credit process.

### **Non-Degree Seeking Student Admission**

A student who wishes to take courses without seeking a degree may attend Grace Online. The applicant must complete an Application for Admission. The student is responsible for communicating his/her course registration desires to the Academic Advising department a minimum of three weeks prior to the start of a term in order to avoid additional charges. Students with a non-degree seeking status are not eligible for state or federal financial aid. A payment plan must be arranged with the Business Office prior to enrollment.

### **Denied Admission**

**Grace Online desires to admit all students and has an open door, right-to-try philosophy, which means:**

- We admit students without regard to race, sex, national origin or disability;
- We reserve the right to deny admission to any potential student who may be disruptive to the educational environment of the University, including those with felony convictions;
- Any student found to have falsified information on an admission document may be denied admission to the University or may be expelled if already in attendance.

Individuals who have been denied admission may appeal to the Academic Dean by written statement and testimony.

### **Applicants with Prior Criminal History**

Grace Christian University will not ask applicants for the Online and Graduate Online programs to disclose felony convictions. If admitted online students choose to participate in athletics or decide to change to the On Campus program, the University will implement the same background check process as for On Campus students. The University reserves the right to conduct the felony background check process for Online students whose activities create regular physical interaction with other students or Grace employees.

Grace Christian University considers it the applicant's responsibility to understand how criminal convictions or other matters of personal history may hinder or prevent employment in their degree field.

# Readmission & Reentry

## READMISSION

A student who cancels his or her application for a previous term may apply for readmission by contacting his or her Enrollment Advisor. If the student's application is over one year old, a new application must be completed. Once received, official transcripts will remain on file and do not need to be resent unless additional coursework has been completed at the institution. A student is required to update any information that has changed since the previous application was submitted with the request for readmission (Name, address, phone number, email address, or additional transfer institutions). The student will be notified via email from the Enrollment Advisor regarding the readmission decision.

Students readmitted to Grace must fulfill the requirements of the catalog in effect for the semester of readmission.

The Administration reserves the right to deem a student ineligible to return based on academic ineligibility, behavioral concerns, or student account delinquency.

## REENTRY

A student who has withdrawn from the University who desires to return to the institution may contact an Enrollment Advisor, Academic Advisor, or complete the Re-Entry Application to apply for re-entry into Grace Christian University. The Registrar's Office will review the application for re-entry and determine eligibility based on the information provided, current academic status, and current financial status with the institution. The advisor will be notified via email regarding the decision. An Advisor will communicate any conditions for re-entry or the re-entry decision to the student. The Advisor will assist the student in the process of returning. Upon re-entry, the student will be provided access to their student email, student portal, Blackboard, and an updated education plan.

Military service members who cease attendance at Grace Christian University due to service requirements may request to be readmitted after they return from service. Grace Christian University will readmit the student into the next available classes within the program, with the same academic status that they had when they last attended.

- Students must notify the Grace Academic Advising Office as soon as possible when they need to stop attending classes due to service requirements.
- Students must notify the Grace Academic Advising Office of their intent to return to school within three years of completion of their period of service.
- The cumulative length of the absence and of all previous absences from the school for military service may not exceed five years.

- A student's readmission rights terminate in the case of a dishonorable or bad conduct discharge, general court-martial, federal or state prison sentence, or other reasons as described in 34 CFR 668.18(h).

The Administration reserves the right to deem a student ineligible to return based on academic ineligibility, behavioral concerns, or student account delinquency.

# Non-Discrimination & Accessibility

Grace Christian University admits students of any race, color, national and ethnic origin, or handicap to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, sex, or national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

In conformity with the pertinent requirements of Title IX of the Education Amendment of 1972 enacted by the Congress of the United States, Grace Christian University does not within the context of its religious principles, heritage, mission, or goals discriminate on the basis of sex in the area of employment, admission, educational programs, or other activities.

Grace Christian University complies with all federal and state nondiscrimination laws and is an equal opportunity institution. Grace Christian University reserves the right to maintain student educational and behavioral standards and standards based upon religious considerations consistent with its role and mission.

## **Americans with Disabilities Act Accessibility Policy**

Grace Christian University is committed to ensuring that all people with disabilities have access to the same services and content that are available to people without disabilities, including services and content made available through the use of information technology. Americans with Disabilities Act (ADA) compliance covers access to the Physical Plant, Accommodations, and Accessibility. Our goal for this Accessibility Policy is that a person with a disability will be able to engage in the same interactions, experience the same services, and acquire the same information as a person without a disability, be able to do so in an equally effective manner and with substantially equivalent ease of use. Services and information must be made available at the same time to a person with a disability as to a person without a disability.

### **ADA Accessibility Policy**

1. As part of ADA Accessibility, all information communication technology must be accessible so that all students, prospective students, employees, guests, and visitors have equivalent access to information. Examples of information communication technology covered by this policy include university websites, learning management systems, software systems, electronic documents, videos, and other electronic communication.
2. Accessibility coaching will be provided on an on-going basis to help train faculty and staff, increase awareness and sensitivity, and produce and manage accessible content.
3. All Grace Christian University's websites are required to meet the accessibility standards set forth by Web Content Accessibility Guidelines (WCAG) 2.0 AA.

**Rationale and Definitions**

This policy aligns with Grace Christian University's goal of cultivating a caring learning community where Jesus Christ is exalted and students are equipped for serving the needs of church and society.

It is important to differentiate between ADA accommodations (Section 504) and accessibility (Section 508):

**An accommodation is...**

- Provided based on the specific needs of a student with a documented disability
- Determined by an accommodations officer on a case-by-case basis
- Provided for students whose needs require great intervention, such as live American Sign Language (ASL) interpreters or lecture transcripts for live courses
- For circumstances that are difficult to anticipate and foresee

**Accessibility is...**

- The responsibility of all who create or publish digital content
- Provided for all students, prospective students, employees, guests and visitors with no expectation of an explanation of need
- Expected for disabilities that are easily anticipated

**Americans with Disabilities Act Accessibility Procedure**

Grace Christian University is dedicated to ensuring that the institution complies with Americans with Disabilities Act (ADA) requirements and that faculty and staff are trained to comply with ADA requirements.

1. Grace Christian University will publish an approved ADA Policy which includes overall ADA compliance, physical plant compliance, accommodation, and accessibility.
2. Faculty and staff will receive on-going training regarding ADA guidelines and compliance with expectations for accessibility, including but not limited to: Documents, video, audio, Learning Management System (LMS), and other forms of electronic communication.
  - Faculty and staff will utilize the Checklist for ADA Accessibility for Web Content.
  - Faculty and staff will be provided properly formatted examples of accessibility.
  - Faculty will receive training on the use of Screencast-O-Matic technology to create and publish content that is accessible to people with disabilities.
  - On-going training modules will be developed for faculty and staff as needed.
3. Faculty and staff will have access to Screencast-O-Matic for development of ADA compliant video content.

### **Contact for ADA Accessibility Support**

- Marketing: VP of Marketing and Enrollment

- Faculty: ADA Accessibility Coordinator

### **Academic Accommodations**

Admitted students may request a reasonable accommodation as a result of a qualifying disability as defined by the Americans with Disabilities Act (2008) or Section 504 of the Vocational Rehabilitation Act of 1973. Information on the Academic Accommodation policy and procedure can be found in the [Academic Accommodations](#) section of the catalog.

# International Student Admission

International students are welcome at Grace Christian University. Due to strict government regulations, the University has detailed requirements pertaining to international students. The University does not have available special funding to assist international students in financing their education. It is the responsibility of the student to obtain the proper documents and to furnish the University with these documents. International students who are seeking to enroll in an online degree program do not need USCIS or a student visa as long as the student is not physically present in the United States. Online programs are not able to enroll non-US citizens residing in the United States on a student (F-1) Visa. Refugees or undocumented individuals are permitted to attend following the standard admission criteria.

**For admission, all international students (those on an F-1 Student Visa attending On Campus and those attending Online but residing in a foreign country) must meet the stated admission criteria for domestic students for their program of interest and:**

# Transfer Credit

Grace Christian University offers traditional and non-traditional credit options for Undergraduate and Graduate students with varied academic and professional backgrounds. It is Grace's policy to award credit based on evidence of learning and not experience alone. Grace Christian University welcomes students to apply for transfer credits from other institutions. Once an official transcript is received, credits transferred are recorded on the admitted student's academic record and will apply toward graduation requirements, as applicable to the declared academic program. Grades are not transferred. Once transfer credits have been granted, a subsequent change of program or major may result in a change in the number of transfer credits applied toward the degree requirements. Types of traditional and non-traditional credit options currently offered by the University are described below.

There is an important distinction between transferable and applicable in terms of transfer work. While a course may meet all of the requirements to be transferable, the course may not be applicable to the degree program selected at Grace Christian University, but will be accepted as elective credit.

## **TRANSFER CREDIT INVENTORY**

Courses listed in the online **transfer credit inventory** (TES) have been evaluated by Grace. Evaluated courses may have an equivalent online or On Campus course listed, or multiple. Courses not listed may still be transferable. A formal evaluation will be conducted and the student will be notified of the applied transfer work at the time of acceptance.

## **TRANSFER CREDIT POLICY**

**The following provisions govern transferring credits to Grace Christian University:**

- The student seeking enrollment by transfer from another institution will complete the regular admission process.
- Official transcripts from all colleges previously attended should be submitted. Unapproved document formats or documents lacking the necessary information may not be evaluated.
- The applicant will be notified of the credits approved for transfer by the Enrollment Advisor upon acceptance by the Registrar's Office.
- A pre-evaluation may be conducted by the Registrar's Office prior to the completion of the application process as requested by an Enrollment Advisor.

- An evaluation is not considered official until official transcripts have been received and processed by the Registrar's Office.
  - An official transcript is defined as one that has been received by Grace directly from a secure, authenticated party or the issuing institution. Grace does not accept any electronic documentation directly from the student as official. Transcripts that do not meet these requirements will be considered unofficial. Transcripts can be sent to the Registrar's Office at Grace Christian University, 1011 Aldon St SW, Grand Rapids, MI 49509. Request official electronic transcripts to be sent to [onlineRegistrar@gracechristian.edu](mailto:onlineRegistrar@gracechristian.edu).
  - **Online Students:** Students may be admitted based on unofficial transcripts, but official transcripts must be received by the end of the student's first course. If the official transcripts are not received by that date, the pending transfer work may be removed from the student's education plan or a registration hold for the subsequent semester may be placed on the student's account. An effort will be made to communicate with the student and establish a firm deadline to minimize the impact on the student's registration and program length.
- The student may be required to provide a course description or course syllabus for transfer credit determination if the information is not available through TES or the institution website.
- Transfer credits must be from a regionally accredited college or university, or an institution that is accredited by a national accrediting agency that is recognized by the Department of Education. Students seeking a graduate degree from Grace who graduated from a nationally accredited institution will be considered on a case-by-case basis.
- Credits earned at a non-accredited college will be considered only after the student has provided documentation of a minimum of three regionally accredited institutions that accept similar courses in transfer from the non-accredited institution. Once verified, coursework from the unaccredited school must be evaluated by the Registrar in the same manner as accredited coursework. The maximum number of credits transferable from an unaccredited school is 30 semester credit hours for bachelor degree seeking students unless otherwise approved by the Dean or Provost.
- Courses must be college-level courses; typically labeled as 100 level or higher. Remedial or vocational credits will not be accepted for transfer into college-level courses.
- All academic, college-level courses in which at least a C- grade or its equivalent has been earned are eligible for transfer to undergraduate programs. A grade of B or higher is required for the transfer of graduate-level coursework.
- Undergraduate students will receive a minimum of 60 credit hours for an earned Associate of Arts or Associate of Science degree from a regionally or ABHE accredited institution. The credits will be evaluated for Grace degree requirements by the Registrar's Office.
- The transfer credits earned as part of an Associate of Applied Science degree program will be evaluated for Grace degree applicability by the Registrar's Office on a course by course basis.
- Students completing the requirements of the Michigan Transfer Agreement (MTA) will receive a minimum of 60 semester credits in transfer. All Arts and Sciences Core requirements will be satisfied by the completed MTA.

- At least 25% of the required credit hours for a Grace associate or bachelor degree program must be taken at Grace Christian University. Graduate students must complete 50% of the program requirements at Grace.
  - **Associate Degree Program:** Students may transfer in a maximum of 45 credits, including credit by exam or prior learning assessment, toward an associate degree.
  - **Bachelor Degree Program:** Students may transfer in a maximum of 90 credits, including credit by exam or prior learning assessment, toward a bachelor degree.
- Transfer credit (including non-traditional transfer credit) must be completed prior to the student's last semester at Grace Christian University unless pre-approved by the Dean or Provost.

### **Reassessment of Transfer Credits**

- Credits may be reassessed at any point at the request of the student by emailing the Registrar's Office at [onlineregistrar@gracechristian.edu](mailto:onlineregistrar@gracechristian.edu). The student may be required to provide the course syllabus from the college or university where the course was taken.
- Duplicate credit will not be granted. Credit will not be granted for two courses with significantly similar content.

### **Military Joint Services Transcript (JST) (Undergraduate Students Only)**

The American Council on Education (ACE) provides quality assurance and policy guidance for the Joint Services Transcript (JST) used by the Army, Marine Corps, Navy, and Coast Guard. The

Registrar's Office may approve credit to be granted for courses or experience as recommended by ACE with a level of Lower (L) or Upper (U) course level designation, but will not grant credit for Vocational (V) work. Credit will be granted based on the general transfer credit policy regarding maximum transfer credits. In order to receive credit, the Registrar's Office must receive an official copy of the military transcript.

### **International Transfer Credit**

All international transcripts must be evaluated course-by-course by one of the National Association of Credential Evaluation Services (NACES) member organizations ([naces.org/members.html](http://naces.org/members.html)), with the results sent directly to Grace Christian University along with an official transcript. Any fee(s) associated with the evaluation and transcription must be paid by the student. Upon receipt of the evaluation, the Registrar will review the transcript for transfer course equivalency.

# University Partnerships

Grace Christian University has developed partnerships with several organizations to allow college credit to be awarded or granted based on the completion of a specific program that has been evaluated by Grace. Grace reserves the right to review or change these partnerships at any time. Contact the specific organization or Grace directly ([info@gracechristian.edu](mailto:info@gracechristian.edu)) for more specific information.

## CONTRACTUAL ARRANGEMENTS

A contractual arrangement to grant college credit for completing an approved program of study has been reached with the following organizations:

- **Grace Adventures** (ASCENT and PACE programs) – Silver Lake, MI
- **Leaders for Christ Bible School** (through Resurrection Life Church in Grandville, MI)
- **Leadership Essentials Training** (Kentwood Community Church) – Kentwood, MI

## ARTICULATION AGREEMENTS

Grace Christian University has entered into agreements with the following institutions to accept credit from their programs in partial fulfillment of Grace degree programs as specified below.

### Michigan Transfer Agreement (MTA)

Students who have completed the requirements of the **Michigan Transfer Agreement (MTA)** at a Michigan community college will be admitted to the university as having satisfied Grace Christian's **Arts and Sciences Core requirement** (30 credits) for the bachelor degree. This agreement requires that the MTA is posted to the student's official transcript submitted as part of the application process.

Community college students wishing to transfer to Grace Christian are encouraged to contact the Registrar's Office at Grace Christian to discuss specific coursework that might be completed as part of the MTA degree program that will grant the student the most benefit toward the completion of the Grace degree.

## **School of Missionary Aviation Technology (SMAT) – Ionia, MI**

The agreement with the **School of Missionary Aviation Technology (SMAT)** offers degree opportunities for students interested in pursuing a career in missionary aviation. Students may combine SMAT training and Grace Christian University coursework in multiple ways to meet their goals.

- Student earns 48 prescribed credits at GCU and a SMAT diploma for which GCU grants 12 credits. These credits would apply toward an Associate degree in General Studies for a total of 60 GCU credits.
- Student earns Associate degree (60 credits) from GCU and transfers to SMAT for diploma.
- Student earns one of the following SMAT diplomas which transfer as a block toward the On Campus B.S. in Interdisciplinary Studies or Online Undergraduate Bachelor programs:
  - SMAT Aviation Maintenance Technology diploma – 36 credit hours\*
  - SMAT Aviation Flight Training diploma – 36 credit hours\*
  - Both Maintenance and Flight Training – 48 credit hours\*

All students must complete the Arts and Sciences and Bible and Theology Core requirements appropriate for the declared degree program.

- \* For SMAT students who complete both the SMAT Aviation Maintenance Technology diploma and the SMAT Aviation Flight Training diploma (48 total GCU credits awarded) and are seeking to complete a bachelor degree at GCU, the student needs to complete at least 12 credits of upper division (UD: 300 or 400-level) credits through GCU during the last year of study.

Students may also pursue non-degree options to obtain needed credits for their missionary aviation goals.

# Credit by Examination

The maximum number of credits a student may receive for prior learning assessment and proficiency exams (PLA, Advanced Placement (AP), College Level Examination Program (CLEP), and Grace administered Proficiency Examinations) is 30 credit hours.

Credit equivalency for exams can be found by accessing Grace's Transfer Evaluation System (TES) database.

- Access the database directly: **Transfer Evaluation System (TES) database**
- Navigate to the database:
  1. Go to the **Transfer Credit** section of the catalog
  2. Click on Transfer Credit Inventory
  3. Type in the exam name (AP, CLEP, etc.) into the Institution Search box
  4. Click on the institution link (example: The College Board AP/CLEP)

## **ADVANCED PLACEMENT (AP)**

Grace Online will grant credit to students with scores of 3 or higher on an Advanced Placement (AP) examination conducted by the College Board. Students are required to have their official AP scores sent to the Registrar's Office. The AP college code number for Grace Christian University is 0809.

## **COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)**

Credit is granted for subject examinations offered by the College Level Examination Program (CLEP); however, no college credit is granted for the CLEP general examinations.

- Credit may not be granted for a CLEP test that is the duplication of coursework for which a student has already received credit.
- The CLEP examination must be completed prior to the student's last semester at Grace.
- An official transcript must be requested by the student to be sent from the College Board to Grace. The CLEP college code number for Grace Christian University is 1265.
- The CLEP credit will be considered official when the official transcript has been received by the Registrar's Office and the credit has been posted to the student's Grace transcript.

## **DEFENSE ACTIVITY FOR NON-TRADITIONAL EDUCATION SUPPORT (DANTES) AND DSST**

Veterans can also earn credit through Defense Activity for Non-Traditional Education Support (DANTES) Subject Standardized Tests (DSST) with scores meeting or exceeding the score requirements provided by the American Council on Education. Students will be notified of specific credit awarded upon evaluation of the official exam transcript.

# Prior Learning Assessment

Grace Christian University recognizes that many students come to an institution of higher education with experience and training that has resulted in college-level knowledge. Students who enroll may earn credit for prior learning. A maximum of 30 semester credit hours may be earned through a form of prior learning assessment or proficiency exam (including CLEP and AP). Prior learning can come from a number of different sources including workshops, seminars, self-study, non-credit classes, training programs, and work experiences. Portfolios are to be assessed by a qualified, credentialed content area expert. Grace may award college credit for a license, certificate, or job-specific training as evaluated by the American Council on Education (ACE) or through the PLA evaluation process.

Grace adheres to the **Ten Standards for Assessing Learning** as documented by the Council for Adult and Experiential Learning (CAEL) at [cael.org](http://cael.org).

Grace Online offers a college-level exploratory course, PLA 200 Prior Learning Theory and Practicum (3 Credits), designed to assist the learner in understanding learning theory and apply theory to their own prior learning. One's assessment of personal prior learning encourages new learning. Satisfactory completion of PLA 200 allows the student to have one portfolio assessed at no additional charge. PLA 200 may satisfy a lower-level elective course requirement within any undergraduate program, as applicable.

More detail is available on the **Prior Learning Assessment Advising Form** or from the Registrar: [onlineregistrar@gracechristian.edu](mailto:onlineregistrar@gracechristian.edu).

## PRIOR LEARNING ASSESSMENT FEE STRUCTURE

Item	Cost
Proficiency Exam	\$100 per exam, regardless of the result
Portfolio Assessment	\$300 per portfolio submission, regardless of the number of credits awarded
PLA 200 – 3 credits	See tuition cost table

Fees may not be covered by financial aid. Contact the Financial Aid Office to determine whether or not your PLA related fees can be covered by your financial aid package.

## **PROFICIENCY EXAM**

A proficiency exam is an examination administered by Grace to assess prior knowledge on a subject. Grace Online currently offers a proficiency exam for New Testament and Old Testament Bible knowledge. The **Proctor Agreement Form** is available online.

## **PORTFOLIO DESCRIPTION**

A portfolio is a compilation of documentation that significant, college-level learning has been achieved by the learner. The portfolio must be written according to the expectations for college-level writing. Creating a portfolio is the learner's way to translate and validate one's prior knowledge into a format that is able to be assessed by another individual.

## **PORTFOLIO RUBRIC**

A rubric will be used to assess evidence of prior learning. The content area expert will assess the portfolio and decide whether there is significant evidence that the student has satisfied at least 70% of content mastery in a specific subject area and that the student has satisfactorily demonstrated that learning. The content expert will also provide helpful feedback to the student. Credit can be awarded as an elective (lower or upper level) or a specific course equivalency.

# Types of Financial Aid

The Financial Aid Office is available to advise and assist students with obtaining funds to attend Grace Christian University. The Financial Aid Office seeks to meet the financial needs of our students through grants, scholarships, and loans. Students who believe their resources are inadequate to meet their expenses at Grace Christian University should contact a Financial Aid Specialist. More information can be found at [gracechristian.edu/onlineaid](http://gracechristian.edu/onlineaid).

## FINANCIAL AID DEFINED

Financial Aid is financial assistance that helps students and their families pay for college. This financial assistance covers educational expenses including tuition and fees, room and board, books and supplies, and transportation. There are several types of financial aid available, including grants, scholarships, and loans.

Once eligibility for financial assistance has been determined, students may be offered a Financial Aid Award Package which includes one or more types of aid.

### **The Financial Aid Award Package may include the following:**

- Scholarship Aid: Awards usually based on academic merit and not necessarily on financial need.
- Grant Aid: Awards based solely on financial need.
- Loan Aid: Federal loans offered at a low interest rate, which must be repaid to the assigned lender after the student leaves college or drops below half-time enrollment.
- Federal Work Study: Undergraduate and graduate students can earn money from a part-time job to help pay for college expenses.

## GRANTS

### **Federal Pell Grants**

A Federal Pell Grant is awarded to eligible students based on their FAFSA results. It does not have to be repaid. This grant is awarded to undergraduate students who have not earned a bachelor degree. The amount of Federal Pell Grant funds a student may receive over their lifetime is limited by federal law to be the equivalent of six years of Pell Grant funding.

## **Federal Supplemental Educational Opportunity Grant (SEOG)**

SEOG funds will be awarded to students with the lowest expected family contributions (EFC) who will also receive Pell Grants in that award year. SEOG funds do not have to be repaid. The Department of Education only provides schools with a limited amount of SEOG funds, so once the funds are depleted, awarding will stop. Valid FAFSA results must be received in the Financial Aid Office to receive consideration.

## **MILITARY BENEFITS**

Grace Christian University accepts educational benefits through the military. These benefits may include GI Bill® and Federal Tuition Assistance. GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at [benefits.va.gov/gibill](https://benefits.va.gov/gibill). To begin the process of determining any applicable benefits, the student should contact his or her respective educational liaison within the appropriate military organization. Once that action has been taken, the student may contact the Academic Advising Office to proceed with any other applicable processes. For more information, visit [gracechristian.edu/online/military](https://gracechristian.edu/online/military).

## **LOANS**

### **Federal Stafford Loans**

Direct Stafford Loans are low-interest federal loans available to students who are attending college at least half-time. The funds are borrowed from the Department of Education through the Direct Loan Program. The amount a student may borrow is based on year in school, dependency status, and enrollment status. The FAFSA is the application for Direct Stafford Loans, but first time borrowers are also required to complete Loan Entrance Counseling and a Master Promissory Note at [studentaid.gov](https://studentaid.gov).

### **Federal Parent PLUS Loan**

A parent may borrow a Direct Parent PLUS Loan to help pay the expenses of a child who is a dependent undergraduate student enrolled at least half time. The parent must pass a credit check to be eligible to receive a PLUS Loan. In the event the parent is denied the PLUS Loan due to adverse credit, the student generally becomes eligible to borrow an additional amount in an Unsubsidized Federal Stafford Loan. Parents who wish to apply for a Direct Parent PLUS Loan may visit [studentaid.gov](https://studentaid.gov).

### **Private Loans**

A student may also obtain private loans from a Private Lender to cover education-related expenses. Students may need a creditworthy cosigner if they have not established credit yet. Usually loans are borrowed to cover the full year, divided between two semesters, but a student could get a loan for just one semester, if needed. Private loans have NO origination fee. For more details, go to: [elmselect.com](https://elmselect.com), choose Grace Christian University, then select Undergraduate Loans.

# How to Apply for Financial Aid

All students who wish to apply for financial aid (grants, scholarships, or loans) should complete the Free Application for Federal Student Aid (FAFSA). Students can apply online at [fafsa.ed.gov](https://fafsa.ed.gov). For assistance with this application process, students may contact the Federal Student Aid Information Center at 1-800-433-3243. The FAFSA must have Grace Christian University's school code (002265) entered in order for the results to be received by the Grace Financial Aid Office. The FAFSA must be renewed prior to each academic year. Students with additional financial aid questions may contact the Grace Christian University Financial Aid Office at [financialaid@gracechristian.edu](mailto:financialaid@gracechristian.edu), or by calling (616) 538-2330.

Typically, Grace will receive the FAFSA within three business days of its completion. As soon as the FAFSA is received by the Financial Aid Office, the results will be reviewed. The Department of Education will select some FAFSA applications for a process called "verification," which requires the school to request additional documentation from the student before the financial aid process can be completed.

Once all necessary documentation is received, the student will be sent a Financial Aid Award Letter from the Financial Aid Office at Grace. The student is responsible for returning a signed copy of the award letter to the Financial Aid Office, indicating which awards they accept or deny. Students who accept a Stafford Loan must go to [studentaid.gov](https://studentaid.gov) to complete the required Loan Entrance Counseling and Loan Master Promissory Note.

## EXPECTED FAMILY CONTRIBUTION

The information on your FAFSA is used to calculate your Expected Family Contribution (EFC). Your EFC is an index number that our financial aid staff uses to determine how much financial aid you can receive. The EFC is calculated according to a formula established by law. Your family's taxed and untaxed income, assets, and benefits (such as unemployment or Social Security) can all be considered in the formula. Your family size and the number of family members who will attend college during the academic year is also considered. For more detailed information about how the Expected Family Contribution (EFC) is calculated, visit [studentaid.gov/complete-aid-process/how-calculated](https://studentaid.gov/complete-aid-process/how-calculated).

# Financial Aid Rights & Responsibilities

Students have the right to accept or refuse any part of their financial aid package. If the student rejects any part of his/her financial aid package, it may affect other aid offered. Students may not receive financial aid from more than one school while enrolled at two or more schools for the same time period. Classes the student takes outside of his/her declared program do not qualify for most forms of financial aid.

The student must attend college at least half-time (six credit hours) in order to be considered for most financial aid. Withdrawal from classes or failure to attend all classes may result in a loss or reduction of financial aid and a balance due to the University.

It is the student's responsibility to inform the Financial Aid Office of any changes to information provided on the FAFSA application. Financial aid offered to the student is dependent upon the availability of funds. Any change in the availability of funds or a student's academic performance may change the award package.

If a student's FAFSA is incomplete, or if their FAFSA verification paperwork is not turned in, no award letter will be provided and the student is responsible for paying out of pocket for all tuition costs and fees.

Students and their families who are experiencing a financial hardship which significantly changed their financial situation compared to the data listed on the FAFSA, are highly encouraged to reach out to the Financial Aid Office to request a Special Circumstance review.

## REQUIREMENTS TO RECEIVE FINANCIAL AID

### **Statement of educational purpose:**

- A student must be enrolled as a degree-seeking student and must sign a statement indicating that all federal financial aid will be used for expenses related to study at Grace Christian University. This requirement will be fulfilled when the student signs and returns their Financial Aid Award Letter.
- A student must not be in default on any federal loan or must have made satisfactory arrangements to repay any defaulted federal loan.
- A student must not have borrowed in excess of the federal loan limit at any institution, and must not owe money on a federal student grant.

### **Selective service registration**

Male students born after Dec. 31, 1959, are required to comply with Selective Service registration regulations. For more information, visit [sss.gov](http://sss.gov).

**High School diploma/GED**

Students are required to have a High School Diploma or GED equivalent to be eligible for Federal Financial Aid.

**CAUSE FOR LOSS OF FINANCIAL AID ELIGIBILITY**

- Lack of Satisfactory Academic Progress (see **SAP Policy**)
- Conviction of Possession or Sale of Drugs

A student who has been convicted of any offense under federal or state law involving the possession or sale of a controlled substance, while receiving Title IV funds, is no longer eligible to receive any federal grant, loan, or work assistance according to the following table from the federal financial aid handbook:

**Financial Aid Ineligibility Period for Drug Conviction**

<b>Offenses</b>	<b>Possession of Illegal Drugs</b>	<b>Sale of Illegal Drugs</b>
1st Offense	1 year from the date of conviction	2 years from the date of conviction
2nd Offense	2 years from the date of conviction	Indefinite period
3rd Offense	Indefinite period	Indefinite period

For more information, contact the Financial Aid Office at (616) 538-2330 or [financialaid@gracechristian.edu](mailto:financialaid@gracechristian.edu).

# Satisfactory Academic Progress (SAP)

In order to receive federal or state financial aid, regulations require that the student maintain satisfactory academic progress toward completion of the student's current academic program. Academic progress will be reviewed for each student, regardless of whether or not the student is receiving financial aid since these rules determine eligibility for future enrollments.

## FINANCIAL AID POLICY

Satisfactory Academic Progress (SAP) at Grace Christian University governs the student's eligibility to receive financial aid based on academic performance. The guidelines outlined below relate to a student's eligibility to receive federal financial aid. Contact the Financial Aid Office ([financialaid@gracechristian.edu](mailto:financialaid@gracechristian.edu)) for information about maintaining eligibility for federal and state aid. The determination as to whether or not an undergraduate student is meeting the SAP requirements is made at the end of each academic year based on three factors mandated by federal policy. (Graduate students are evaluated at the end of each semester). These factors include cumulative grade point average (GPA), completion ratio, and maximum time frame as described below.

### GPA Requirement

For Undergraduate students, Grace will evaluate the GPA Requirement after the Spring semester, but for Graduate students, Grace will evaluate the GPA requirement each semester. A student will be considered in violation if the student does not maintain the minimum GPA requirement.

The student must have earned the required cumulative GPA based on the semester hours attempted to maintain financial aid eligibility. The Director of Financial Aid has the authority to grant limited exceptions to first-time freshmen who fail to meet this requirement but whose cumulative GPA is at or above 1.50.

Undergraduate Semester Credit Hours Attempted	Cumulative GPA Required	Completion Ratio
3-27	1.50	The required completion ratio for all undergraduate levels is 67%
28-55	1.75	
56+	2.00	

## **Maximum Time Frame Requirement**

The maximum time frame limits the number of credits a student may attempt when pursuing a degree. Grace will monitor the Maximum Time Frame Requirement at the end of each academic year by comparing the required hours for program completion to the cumulative hours attempted. A student will be considered in violation when it becomes mathematically impossible for them to graduate within the 150% time frame. For example, in an undergraduate program of study that requires 124 credits, you may not exceed 186 credits and remain eligible for financial aid.

Graduate students must complete all degree requirements within five years from admission to their program. An approved leave of absence of up to two semesters is not counted in the five years.

## **Completion Ratio Requirement**

The completion ratio is determined by dividing cumulative semester hours earned by cumulative semester hours attempted. The minimum required completion ratio for undergraduate students is 67%, while the minimum required completion ratio for Graduate students is 75%.

## **Determining Satisfactory Academic Progress**

When determining SAP, grades and credits are tallied according to the following guidelines:

- Earned semester hours include all grades (A, B, C, D, S, and P) including all +/- variations and applied transfer work.
- Attempted semester hours include the grades listed above, as well as E, F, U, W, WF, and XF.
- For repeated courses, credits from each time a student is enrolled are applied to the attempted and earned credits. However, only the most recent grade earned is used when calculating the cumulative GPA.
- Transfer credit accepted at the time of admission, if applicable, is not included when calculating cumulative GPA. Such credits are, however, included in the determination of a student's cumulative GPA required.
- Transfer credits are also included when calculating the completion ratio and maximum time frame.

If it is determined that a student failed to meet the SAP standards outlined above, the student will be disqualified from receiving federal financial aid until the student has met the SAP standards. Students who no longer qualify for financial aid may secure alternate funding for their education and remain enrolled unless a determination has been made that the student is academically suspended.

**SAP Appeal Process (for possible reinstatement of financial aid eligibility)**

If a student loses eligibility to receive federal financial aid because of failure to meet the SAP standards, the student may attempt to regain financial aid eligibility in one of the following ways:

1. By successfully appealing the loss of eligibility. To appeal, the student must submit a Satisfactory Academic Progress Appeal Form, available from the Financial Aid Office. The extenuating circumstances that may justify reinstating one's eligibility for financial aid on a temporary basis are outlined on this form. If this appeal is successful, the student's eligibility for financial aid will be reinstated with specified conditions.
  - When considering any extenuating circumstances, financial aid probation can only be granted if it is also determined that the student should be able to meet SAP standards by the end of the next semester. Failure to meet SAP standards at that time would make the student ineligible for federal aid without the right to further appeal.
  - Under certain circumstances, the Financial Aid Appeal Committee has limited authority to approve an academic plan that would reinstate the student's eligibility to receive federal aid provided the student is able to meet SAP standards by the end of the next academic year. This academic plan also includes a minimum threshold that must be achieved at the end of the first semester in order to maintain eligibility to receive federal aid. Failure to meet this threshold would make the student ineligible for federal aid without the right to further appeal.
2. By using personal financial resources to complete one or more semesters at Grace with at least half-time enrollment. Reinstatement of the student's eligibility for financial aid will be determined at the end of each semester, dependent on whether or not the student meets the SAP standards at that time. Courses taken must be approved by the Registrar and must advance the student toward earning the declared degree.

**Full payment or a verified payment plan is due prior to the beginning of the first class of every semester.**

\* Grace Online honors those who have served our country as a part of the armed forces. Military students and families may be eligible to receive a discounted tuition rate. Students may also be eligible to receive education benefits through the Department of Veterans Affairs. Students who are currently serving on active duty, released from active duty, part of the Reserves or National Guard or a spouse or dependent of a veteran, may be eligible for these benefits. The military discount is available to all military service members, veterans, military spouses, and dependents 23 and under. Required documentation may include a certificate of release or discharge from the military (DD214), certificate of eligibility (COE), and/or a tuition voucher. The required documentation and an honorable discharge status must be submitted to receive the military discount.

Tuition is set on a per-academic year basis. The rates of tuition and fees are those published in the academic catalog prior to the start of a new academic year. Tuition and fee rates are subject to change at any time as determined by Grace Christian University's Board of Directors.

## RESOURCE FEE

The Resource Fee covers all textbooks, workbooks, technology and associated costs required for Grace Online students. If a student qualifies for financial aid, just like tuition, the resource fee will be paid with whatever financial aid has been awarded. This service prevents the inadvertent purchase of wrong textbook editions, incorrect access codes, or late arrival, among other issues. Students are expected to return the rented text(s) upon completion of the class. Books not returned will incur charges for the additional cost of the text over the rental price. These charges will be added to the student's account.

### **Textbooks and Slingshotedu.com Partnership**

Grace Online uses a streamlined book rental service that fits the accelerated program format. Books are shipped directly to the student before each five-week class and are returned by the student the week after each five-week class.

#### **Important items to make it work:**

- The student must provide an accurate shipping address (can be home, work, or other);
- The student must immediately inform the University of an address change;
- The student is responsible to make sure books get returned in a timely manner, or pay buyout fees for the books.

Follow this link for Customer Support and Rental FAQ's: [slingshotedu.com/support](https://slingshotedu.com/support)

### **What is Textbook Butler?**

Grace Christian University Online has a robust relationship with Slingshotedu.com for a convenience-driven service that delivers your books straight to you: the right books, on time, at a competitive price.

#### **Why has Grace Christian University Online chosen to use Textbook Butler?**

- Adult learners can focus on the learning necessary for academic success in accelerated programs.
- Because the learning resources are put on the student bill, students can use financial aid for books and materials.
- Students can choose their preference of new purchase, used purchase, or rental. (Rental is just the default setting.) If a student wants to keep a rental book, they pay only the difference in price between rental and purchase (no fees).
- Slingshot maintains a Customer Care Team which is available Monday through Friday, 9:00 AM – 11:00 PM (EST) to answer inquiries.
- Grace's faculty and staff can focus on serving students in academics, advising, chaplaincy, and services – and allow Slingshot to focus on knowing the book business and getting competitive prices for students.

## **Slingshotedu.com Student Portal**

Students are encouraged to use the Slingshotedu.com Student Portal to view outstanding rentals, text buyout prices, and request/print return shipping labels.

Follow this link for the Student Portal access: [gracechristian.slingshotedu.com/#/landing](https://gracechristian.slingshotedu.com/#/landing)

## **Rental Extension**

If a student is granted an incomplete, the student should contact Slingshotedu.com to request an extension of their rental and discuss any additional charges. A student's decision to return a book instead of completing the required coursework is not advised.

## **Opt-Out**

Under special circumstances, a student may complete a Student Acceptance of Responsibility to Procure Learning Materials form to opt out of the textbook delivery service. However, opting out of the rental agreement does not decrease the Resource Fee.

Why is there an opt-out? The federal government requires that students be given the opportunity to opt-out of a book delivery service.

What is Grace Christian University's recommendation? Our recommendation is that students focus on their learning and everything else that happens in life (family, work, church responsibilities), and allow TOL to serve them by delivering books when they are needed so that books arrive on time for the next course!

## **Learning Management System**

Grace Christian University uses Blackboard, a learning management system, as the virtual classroom for both online and on-site learners to communicate announcements, hold discussions, submit assignments, and track grades.

## **Microsoft Office**

Grace Christian University provides each student access to the Microsoft Office suite, allowing the student to download Microsoft applications to assist with coursework.

## **Online Resources**

Students have access to various online resources including, but not limited to online research databases, writing lab resources, research help, and a live librarian (during business hours).

## **SCHOLARSHIPS, GRANTS, AND LOANS**

Visit [gracechristian.edu/onlineaid](https://gracechristian.edu/onlineaid) for information on the available scholarships, grants and loans for Grace Christian University students.

# Tuition Payment Options, Payment Deadlines & Past Due Balances

For students who elect not to utilize federal financial aid, there are several options for payment.

## **Option 1: Payment in Full by Start of First Course**

Tuition payment should be completed two days prior to the first class to avoid delays or being withdrawn from class. First-course payment must be made in full before the first week starts in online courses. Payment must be made by check (made out to Grace Christian University), or by calling the Business Office at (616) 261-1986 to pay by credit card. For online payment, student must register for an account and follow the online instructions. Follow this link for online payment: [gracechristian.edu/current-students/student-account-payment](https://gracechristian.edu/current-students/student-account-payment).

## **Option 2: Online Payment Plan**

Student must have an established payment plan before the start of the semester. Visit [gracechristian.edu/current-students/student-account-payment](https://gracechristian.edu/current-students/student-account-payment) and click on “Sign up for the TMS Payment Plan” to set up a payment plan. Students may use the Online Payment Plan in combination with another payment option if preferred. Payment plans may be set up directly with the Business Office by calling (616) 261-8560.

## **Option 3: Private Student Loans**

A student may also obtain a private loan from a Private Lender to cover education-related expenses. A lender may require a credit-worthy cosigner if the student has not yet established credit. Typically, loans are borrowed to cover the full academic year’s educational costs, divided between two semesters. Private loans do not have an origination fee. For more details, go to [elmselect.com](https://elmselect.com) and choose “Undergraduate Loans” at Grace Christian University.

## **Option 4: Employer Reimbursement or Military Tuition Assistance**

In order for Employer Reimbursement or Military Tuition Assistance to be considered an approved payment plan, a student must send a copy of the employer’s reimbursement policy or the military tuition assistance voucher to the Grace Christian University Business Office prior to the start of the first course.

## **PAYMENT DEADLINES**

### **Online and Graduate Online Students USING CASH/CREDIT**

A payment plan must be set up for full payment of semester related/outstanding charges no later than **two business days** before the start of the student's first course of each semester. If an approved payment plan has not been set up, the student will be dropped from all future courses and will only be rescheduled for courses after an approved payment plan is established with the Business Office.

### **New Online and Graduate Online Students USING FEDERAL FINANCIAL AID**

Prior to acceptance, a student must have their FAFSA (Free Application for Federal Student Aid) completed and approved by the Financial Aid Office. Students in the financial aid verification process have until the **end of the first course** in the academic year to turn in required information and documents, or they will be dropped from all future courses and treated as a cash/credit paying student.

New students who have not submitted the required information and/or documents to the Financial Aid Office, or whose financial aid does not fully cover costs, will be treated as cash/credit paying students. Registration beyond the first course is considered incomplete until arrangements have been made with the Business Office for full payment of semester related/outstanding charges.

Undergraduate Online: If a student is dropped from a course for non-payment, the student is still responsible for returning textbooks to Slingshotedu.com (third-party supplier) to avoid being charged for them.

### **Continuing Online and Graduate Online Students USING FEDERAL FINANCIAL AID**

Continuing online students who are using federal financial aid must have an outstanding balance of \$200 or less and have completed the relevant academic year's FAFSA at least **two weeks** prior to the start of their next academic year. Continuing students whose FAFSA has been selected for verification, or has FAFSA errors, have until the **end of the first course** in the academic year to turn in required information and documents, or they will be dropped from all future courses and will be treated as a cash/credit paying student.

Continuing students who have not completed a FAFSA, or whose financial aid does not fully cover the costs, will be treated as cash/credit paying students. Registration is considered incomplete until arrangements have been made for full payment of semester related/outstanding charges. The student will only be rescheduled for courses after an approved payment arrangement has been established with the Business Office. If a student is dropped from a course for non-payment, the student is still responsible for returning textbooks to Slingshotedu.com (third-party supplier) to avoid being charged for them.

Students who do not return to a course within 45 days of their last date of attendance will be withdrawn from Grace Christian University unless they have been put on an approved leave of absence by the Academic Advising Department (see **Leave of Absence Policy**).

## PAST DUE BALANCE

### **A student's balance must meet the following criteria for re-enrollment:**

- The balance must be less than or equal to \$200, regardless of the age of the unpaid balance.
- Any balance must be paid in full OR have been awarded financial aid for the current academic year.
  - A financial aid status of any of the following will disqualify the student from attending class with an unpaid balance greater than \$0: Financial Aid Verification, Unusual Enrollment History, Outstanding Master Promissory Note, Incomplete Entrance Counseling
- If the student's account balance was written off by the University for any reason, the student must pay the original balance before being re-admitted.

The Business Office reserves the right to deny a prospective student's attendance regardless of the account balance if documented evidence shows a history of uncooperative behavior.

Students with an outstanding balance may not be allowed to re-enroll for another term or class, receive official transcripts, or be mailed a diploma.

## MILITARY FUNDING

In compliance with the Veterans Benefits and Transition Act of 2018, Grace Christian University will allow any individual entitled to receive Chapter 31 (VR&E) or Chapter 33 (Post 9/11 GI Bill®) benefits to attend registered courses while the institution awaits payment from the VA.

We will not assess late fees due to delayed VA payments. We will not deny access to classes, libraries, or other institutional facilities. We will not require that a covered individual borrow additional funds. We will not impose any penalty on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

The waiting period will expire upon receipt of the payment from the VA or after 90 days from the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

It is recommended that Military students submit their Certificate of Eligibility or Statement of Benefits to the school before classes begin. If the student's eligible VA benefits do not fully cover the financial obligations at the University, the student will be responsible to make other payment arrangements to cover the remaining balance before classes begin.

# Student Account Balance & Refund Options

The tuition refund policy is based upon the Last Day of Attendance (see official **Course Attendance and Participation Policy**). Absenteeism or failure to begin a class does not reduce a student's financial obligation.

## **TITLE IV FUNDS**

### **Credit Balance**

Federal regulations prohibit the use of Title IV funds to be applied toward a prior year's past due balance greater than \$200.

### **Withdrawal Impact/Return of Funds**

Students are encouraged to contact the Financial Aid Office before withdrawing from classes to understand the complete financial impact of withdrawal. Many times a withdrawal from school can result in a student owing the University and/or federal government for financial aid that has already been applied to a student's account balance. Withdrawing from classes may also impact the Satisfactory Academic Progress completion ratio.

Federal laws set forth regulations that govern the treatment and calculation of Federal Financial Aid (Title IV aid) when a student withdraws from a class.

The Financial Aid Office is required by the Department of Education to recalculate federal financial aid eligibility for students who withdraw, drop out, or are dismissed prior to completing at least 60% of a semester. Recalculation is based on the percent of earned aid. The Financial Aid Office must return Title IV funds to the programs from which the student received aid during the payment period or period of enrollment as applicable, in the following order, up to the net amount disbursed from each source:

- Unsubsidized Stafford Loan
- Subsidized Stafford Loan
- Federal PLUS Loan
- Federal Pell Grant
- Federal SEOG Program
- Other Title IV grant programs

The University reserves the right to amend this procedure to comply with federal regulations.

## FINANCIAL AID HANDLING OF EXCESS FUNDS

A student who receives financial aid will be asked to complete an Authorization to Retain Funds form. This form must be returned to the Financial Aid Office. The form will ask the student to choose one of the following options:

1. Keep the credit balance at the school;
2. Keep \$200 at the school to cover additional of future fees, and mail the remaining excess funds to the student;
3. Mail the entire credit balance to the student.

**Student’s federal aid will arrive at the school according to the following table:**

Campus	Requirements	Funds’ Arrival	Disbursement Date
Online Undergraduate	Students must participate in class before funds arrive at the school. Participation is verified by the FA Office. A schedule change may impact the disbursement date.	3rd week of the 2nd course of the semester	4th week of the 2nd course of the semester
Online Graduate	Students must participate in class before funds arrive at the school. Participation is verified by the FA Office. A schedule change may impact the disbursement date.	2nd week of the 2nd course of the semester	3rd week of the 2nd course of the semester

After the student’s financial aid has arrived at the school, the Financial Aid Office will send a “Loan Notification” email to loan recipients. If the student has a credit balance remaining after the Financial Aid is posted for the semester, and if the student chose to have their credit balance mailed to them, then Financial Aid Office will enter a request to the Business Office to mail a check to the student. It is Grace’s policy to mail the excess funds check one week after the financial aid has arrived at the school.

## **TUITION REFUND AND CHARGES**

### **Undergraduate Online Refund Guidelines**

Attendance is defined by completing any assignment in Blackboard, such as submitting a paper or answering a discussion question.

A refund for a dropped course will be determined by the Last Date of Attendance (LDA) (See the [Last Date of Attendance Policy](#)).

#### **The following schedule applies to dropped or withdrawn courses:**

- If the student contacts a member of the Academic Advising Team after the class starts and posts nothing, the student will be charged 50% of the Book and Technology Fee and a processing fee of \$100
- Dropped prior to the first day of class: 100% refund, no grade issued
- Attendance during calendar week 1: 80% tuition refund, 50% Resource Fee refund, \$100 processing fee with a withdrawal (W) grade issued
- Attendance during calendar week 2: 50% tuition refund, 50% Resource Fee refund, \$100 processing fee with a withdrawal (W) grade issued
- Attendance during calendar week 3: No tuition or Resource Fee refund, \$100 processing fee with a withdrawal (W) grade issued
- Withdrawal during Weeks 4-5: No refund and the grade earned will be issued at the conclusion of the course. Students withdrawn for disciplinary issues will not receive a refund

## **TUITION AND FEES APPEAL**

Click here for a link to the [Application for Tuition and Fees Refund](#) or contact the Registrar's Office ([onlineregistrar@gracechristian.edu](mailto:onlineregistrar@gracechristian.edu)).

### **Guidelines**

Grace recognizes that on rare occasions students may need to request a refund of tuition of fees based on the occurrence of a special circumstance.

#### **The following verifiable reasons are acceptable for the refund request process:**

- military deployment
- death of an immediate family member
- medical emergency
- university error
- other

#### **The following reasons are NOT acceptable reasons to request a refund:**

- incarceration or parole violation
- job change
- acceptance into another institution
- relocation
- unaware of policy
- issues between the student and instructor
- personal/family concerns
- unaware of Education Plan

### **Student Responsibility**

The Application for Tuition and Fees Refund Form must be completed by the student and physically signed.

If the student receives financial aid (grants, loans, scholarships) to cover the cost of tuition, the student should discuss the implications of a tuition refund with a financial aid advisor.

The student is responsible for any current financial obligation to Grace Christian University while the Application for Tuition and Fees Refund is being reviewed.

## **Process**

- After the form is completed and signed, the student must attach any appropriate supporting documentation.
- The completed application may be submitted via mail, email, fax, or in person.
- The appropriate administrator(s) will review the application and either approve, deny, or request additional information within 10 business days.
- The Registrar will notify the student and appropriate Grace staff of the final decision via the student's Grace email address.
- If approved, a refund will be made to the student's account within 10 business days.

## **Course Drop**

Students who wish to drop from a course should always make official contact via phone or email with Grace Online Academic Advising.

- Students who do not attend or participate in any sessions of a course within the first or second week can be administratively dropped from their course as initiated by the instructor, advisor, or other administrators. The course will not be transcribed on the student's record.
- Account implications include:
  - 100% tuition refund
  - 100% resource fee refund
  - \$100 processing fee
- If a student has already received textbooks for the courses it is recommended that the student contact Slingshotedu.com to request a return shipping label to return the text(s) for credit. Many courses change books or update editions without notice. Books that are not returned are subject to additional fees.

## **Course Withdrawal**

A student needing or desiring to withdraw from a course should notify the Grace Online Academic Advising Team as soon as possible, preferably fifteen (15) days before class is scheduled to begin. If the student is withdrawn after the textbooks for the course have already been shipped, the student will be required to request a return shipping label and mail the books back to Slingshotedu.com in order to avoid being charged.

# Academic Accommodations

Grace Christian University will make reasonable accommodations for students with disabilities or who may need accommodations in compliance with section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990. The purpose of academic accommodation is to provide equal access to educational opportunities to students with disabilities. Grace does not intend that academic standards be altered, nor that the essential elements of programs or courses are changed. Grace will adhere to the New 508 Compliance Rule, ensuring all content is accessible.

A student who has a documented disability may apply for accommodations by completing the **Accommodation Request Form**.

Accommodations are granted on the basis of determined need and appropriate documentation of disabilities. A student must complete the **Accommodation Request Form** and must provide documentation supporting the current need for the requested accommodation. This must include the most recent school record such as an individualized educational plan (IEP), and/or medical records detailing a diagnosed disability. If an IEP or 504 plan is more than three years old, the student should request a letter from his/her doctor detailing the current need for the accommodation being requested. To be deemed appropriate documentation, testing and assessment of a disability must have been completed no more than five years prior to the application for accommodations.

The **Accommodation Request Form** and supporting documentation will be reviewed by the Accommodations Review Committee (ARC). The process of determining eligibility for accommodations may take several weeks, so a student desiring accommodations should complete an **Accommodation Request Form** and submit appropriate documentation well in advance of admission or the next term/semester in which accommodations are desired.

If the requested academic accommodation is approved, the student will be notified via an official verification letter sent to his or her student email account. The decision to use the available academic accommodation lies solely with the student for each course. Should the student desire to use the accommodation, it is his or her responsibility to inform each professor at the start of the course that he or she will be taking advantage of the accommodations available. Any questions about these accommodations should be directed to the Accommodation Review Committee via [onlineregistrar@gracechristian.edu](mailto:onlineregistrar@gracechristian.edu) or (616) 261-8586.

If a student's request for academic accommodations is denied by the Accommodation Review Committee, the committee will notify the student via an official letter in an email sent to the student email account.

In the event that a student has questions regarding eligibility for accommodations, providing appropriate documentation of disabilities, or handling a disagreement with a professor over questions of accommodation, the student should contact the academic advisor or the Registrar's Office immediately. If a disagreement arises surrounding eligibility for services or the manner in which a specific accommodation is being implemented, the student has a right to informal and formal grievance procedures.

# Academic Information

## Unit of Credit

The unit of credit is the semester hour. A semester hour represents 2,250 minutes of coursework or its equivalent. Due to the program's online format, courses have been designed to total the requisite hours of study for each three-credit class.

The following table represents the minimum workload for each type of course. Workload includes student engagement in reading, research, online discussions, assignment preparation, and writing.

Type of Course	Minimum Work Load
All undergraduate three-credit courses (On Campus/hybrid/Online)	112.5 hours
All undergraduate two credit courses (On Campus only)	75 hours
All undergraduate one-credit courses (On Campus only)	37.5 hours

## Course Numbers

Courses numbered 100-299 are lower division courses and are generally for freshman and sophomore students. Courses numbered 300-499 are upper division courses and are generally for junior and senior students.

## **Full-time Studies and Academic Overload**

A full-time course load for Online students is 12 or more credit hours per semester with a single three credit course per five-week term. Students may request consent to register for more than three credit hours per term by completing the **Credit Hour Overload Form**. The student must have a cumulative GPA of 3.0 or higher, the prior semester GPA of 3.3 or higher, and 18 or more cumulative credits earned at Grace at the time of the request.

In order to continue taking more than three credits per term, the student must maintain the above criteria. The student will be monitored by advising and re-evaluated after each semester. A student may enroll in credit overload for eight terms per year. If a student drops below the required criteria, he/she will no longer be permitted to double-up unless the criteria are met again. If a student withdraws from one or more courses in two or more doubled-up terms, he/she will not be permitted to continue doubling up unless an exception is made by the Director of Advising.

## **Assessment Activities**

Because of its desire to improve the quality of education and services offered and a commitment to continuous improvement, the University regularly schedules assessment activities. These activities may include standardized tests, surveys, focus groups, interviews, etc. Students will receive prior notification of these activities so that they can plan accordingly.

# Academic Integrity & Plagiarism

All members of the Grace Christian University learning community are expected to honor the principles of truth, honesty, and maintaining academic integrity at Grace. In order for real learning to occur, one must put in the time and effort to create original thoughts. One reason to avoid plagiarism is that plagiarism keeps the student from learning. Students can use a computer to copy text from a source and paste it into a paper without ever learning anything from the material. On the other hand, when a student does the hard mental work to create a good paraphrase and disciplines himself to keep track of and cite where the paraphrase comes from, the student both learns the material cited and learns about the source. Good, appropriate use of sources promotes learning.

Plagiarism or any misrepresentation of work, unsanctioned collaboration, use of prohibited materials, and participation in any form of dishonesty all constitutes a violation of the academic integrity policy. A violation of this policy will result in the actions and consequences specified within this policy. Faculty will determine violations of integrity for academic coursework and report the instance to the Associate Provost's Office using the **Academic Dishonesty Report Form**. Staff or administrators who determine a violation of integrity has occurred, are required to report the violation. Administration can overturn the decision by faculty based on the outlined appeal process below, or through an investigation and accumulation of evidence.

**Examples of academic dishonesty that constitute a violation of this policy include, but are not limited to, the following:**

- Plagiarism (see definition below)
- Cheating on tests, quizzes, or any assignments
  - Including purchasing or obtaining and submitting pre-written assignments, homework, or examinations of any sort as your own work (or selling or providing such items to others)
  - Use of any paper generator tool
  - Copying another student's homework, written assignments, examination answers, electronic media, or other data or items
  - Submitting work created for another course without the instructor's approval
- Aiding and abetting dishonesty
- Falsification of records and official documents
- Misrepresenting oneself or one's circumstances to gain an unfair advantage

**Students are responsible for understanding and following:**

- All provisions of this policy including, but not limited to, the examples above
- Specific course policies for academic work
- Other University policies as specified in the current Catalog
- Academic principles of honesty and integrity
- The Academic Appeal process which gives students the right to appeal any grade affected by a charge of academic dishonesty

**PLAGIARISM DEFINITION**

It is expected that all work submitted by the student will be that student's original, own work. The student's previous, own work may not be used in the submission of another assignment.

- Resubmitting a previously submitted assignment is self-plagiarism. Self-plagiarism is considered outright plagiarism unless the faculty has given prior approval for the student to re-submit an assignment or paper with the expectation that the student has improved upon the previously submitted assignment or paper.
- Although rare, limited quotation of personal work may be appropriate in some cases (requires proper citation).
- Re-submission of a chart or diagram that can't be revised for improvement is an exception.

Plagiarism can be intentional or unintentional. A finding of a plagiarism issue does not necessarily indicate intentionality.

Failure to *either* cite in the text or list on the References page is a component of plagiarism.

- If a source is used in writing a paper and quoted verbatim, the source material must be in quotes, cited in the text, and listed on the References page.
- If a source is used in writing a paper and paraphrased or summarized, the paraphrased or summarized source material must be cited in the text, and listed on the References page.
- Whatever is cited in the paper, must be listed on the References page.
- Whatever is listed on the References page, must be cited in the paper.

If a source is used in writing a paper, and neither cited in the text nor listed on the References page, this is outright plagiarism. Outright plagiarism can range in size from a few words to paragraphs.

Attempting to use a paper or assignment written by another individual or online tool is a severe act of academic dishonesty.

**ACADEMIC DISHONESTY AND PLAGIARISM REVIEW PROCEDURE**

1. The faculty member will determine if the plagiarism is a **component** of plagiarism, **outright** plagiarism, or **self-plagiarism** based on the definitions found in the Academic Integrity and Plagiarism section.
2. The faculty member will explain the consequence of the plagiarism to the student in the assignment feedback and via email. This notification must take place within the 7-day faculty grading period as much as possible and before final course grades are submitted. In some instances, the student may not be granted an option to resubmit based upon the proximity to the end of the course. **Faculty should clarify the following**, where applicable and when appropriate with the student:
  - The nature of academic dishonesty that occurred;
  - Expectations for homework, assignments, collaborative student efforts, research papers, exams, etc.;
  - Any specific style/format requirements for assignments.
3. For a **component** of plagiarism the faculty member should work directly with the student within the course. When a **component** of plagiarism is discovered, the assignment shall be assessed a 10% to 30% deduction from the assignment grade based on the number of **components** in the assignment. Abuse of the use of **components** of plagiarism should be documented by the faculty within the Feedback section of the assignment. Ongoing abuse of **component** plagiarism within the same course (repeated instances over several weeks) should be reported to the Dean on the **Academic Dishonesty Report Form**.
4. For **outright** plagiarism, the faculty member will complete the **Academic Dishonesty Report Form**. The following are representative of possible levels of consequences for **outright** plagiarism and/or academic dishonesty. The University reserves the right to assess the appropriate level of consequence based on the severity of the violation. The following will be imposed in order unless otherwise directed by the Dean based on the severity of the offense. At any level, the student will be directed to contact the **Grace Writing Center Online** to schedule an appointment OR other remediation as advised by the Dean or Academic Advisor.
  - a. The student will receive a zero on the plagiarized assignment. The student has the ability to revise and resubmit the assignment based on feedback from the faculty within five (5) calendar days of the notification, provided the timing is before the end of the course. The revised assignment will be applied a 10-25% penalty off of the final grade as determined by the faculty.
  - b. The student will fail the assignment and is not allowed resubmission.
  - c. The student will fail the class. A grade of XF will be given to indicate failure due to academic dishonesty. A student may appeal the grade of XF to be replaced with an E after one year.
  - d. The student will be suspended or dismissed from Grace Christian University as directed by the Online Dean, Associate Provost, or Provost.

5. For **self-plagiarism** the faculty member will work directly with the student within the course. The faculty member will determine if the student is reusing work from the same course taken previously, or using work from a different course with similar requirements. Ongoing abuse of **self-plagiarism** within the same course (repeated instances over several weeks) should be reported to the Dean on the **Academic Dishonesty Report Form**.
  - In the case of using work from the same course taken previously, **it is recommended** that the assignment be substantially revised and improved. However, if the faculty determines that the assignment would be appropriate to be resubmitted, they may make that exception for a specific assignment.
  - In the case of using work from a different course with similar assignment expectations, the work must be substantially revised and improved for the current course.
  - Failure to resubmit an assignment will result in a zero (0) for that assignment. Penalties from 10% to 30% may be assessed for resubmissions that do not demonstrate adequate revision (at the discretion of the faculty member).
6. The appropriate Dean (based on the student's program) will receive notification of the plagiarism report (from Academic Advising), review the presented information, and access the assignment in Blackboard, as applicable.
7. The Dean will respond to the reported violation within 2-3 business days with the plagiarism offense number and consequence. The Dean will email the student (and CC the faculty member and Academic Advising) of the formal documentation of the offense (including the violation number), appropriate policy information, emphasize the ethical and professional standards of higher education, and explain any disciplinary action beyond the grading of the assignment (if applicable).
8. Permanent records will be kept of academic dishonesty violations by Academic Advising in the student files.
9. Academic Advising will contact the student for guidance, support, coaching, and resources for future improvement.

**An Academic Dishonesty citation may be appealed by the student to the Associate Provost. A second appeal based upon procedural error or new evidence may be made to the Provost, whose ruling is final.**

**Note:** An original discipline decision will remain in effect until the appeal has been completed and a final decision has been issued. Expelled or suspended students found on University premises may be considered trespassing. Such situations require the student to make appointments by phone or email during regular business hours when appropriate, with the appropriate University administrators.

For additional policy information go to the **Personal and Professional Conduct** section.

# Academic Standing

## CLASSIFICATION OF STUDENTS

Official classifications are made by the Registrar's Office at the beginning of each academic semester (fall and spring). Transfer credit hours are included in the credits counted toward class standing once an official transcript has been received by the Registrar's Office and the credits have been applied to the student's transcript.

Student class standing and enrollment status are classified as indicated in the following tables:

### Class Standing by Earned Credit Hours

Class Standing	Cumulative Earned Credit Hours
Freshman	0-27.99
Sophomore	28-55.99
Junior	56-84.99
Senior	85+

### Student Status by Enrolled Credit Hours per Semester

Status	Credit Hours per Semester
Full-time	12-18
Part-time	1-11.5
3/4 time	9-11.5
1/2 time	6-8.5
Less than 1/2 time	.5-5.5
Non-Degree Seeking	Fewer than 9; taking courses without the intention of pursuing a degree

## ACADEMIC STANDING

Academic standing is based on the student's completed semester grade point average (GPA) and cumulative GPA. Academic standing is not the same as Financial Aid Satisfactory Academic Progress (SAP). The Registrar's Office staff will verify academic standing after the completion of each semester according to the table below. The Registrar will notify students on their academic standing upon the completion of each semester.

Due to the difference in the academic calendar/course schedule between Online and On Campus undergraduate programs, the following distinctions apply to the academic standing policy:

Online undergraduate students who attempt only three credit hours in a semester will continue on their previous academic standing and will be reviewed again after the subsequent semester. Online students who attempt six or more credits in a semester will be evaluated according to the table below.

### Academic Standing by Cumulative Credits and GPA

Total Cumulative Credit Hours Attempted*	Semester GPA for Academic Probation	Cumulative GPA for Academic Suspension
12**-18	< 1.50	< 1.40
19-37	< 1.75	< 1.75
38+	< 2.00	< 2.00

\* Applied transfer coursework will be counted toward total semester credits attempted.

\*\* Students with fewer than 12 credits earned will be reviewed for probation and suspension on a case-by-case basis.

## DEAN'S AND PRESIDENT'S LIST

At the conclusion of each student's semester, the University will recognize those students who have successfully completed a minimum of 12 graded credits within a single semester (full time). Students who earn a semester grade point average of 3.50-3.99 will be named to the Dean's List, while those achieving a semester grade point average of 4.0 will be named to the President's List. The students who achieve the Dean's List or President's List criteria will receive a notification at the time of qualification. Spring semester recipients will be recognized in the Journey Magazine published by Grace Christian University once per year.

## **ACADEMIC SUPPORT**

Students who are not listed on academic probation for based on their semester GPA but were near the threshold for academic probation or suspension may be notified by Academic Advising that their academic progress is placing them on a trajectory to be on Academic Probation the following term should their grades decline further. Students are encouraged to utilize support resources to remain above academic probation.

## **ACADEMIC PROBATION**

The purpose of Academic Probation is not to punish, but rather to serve as an indication to the student that he/she is not progressing at a satisfactory rate toward graduation. A student will be released from Academic Probation upon obtaining the prescribed semester GPA.

When a student is placed on Academic Probation, an Academic Advisor may contact the student to complete the Academic Assistance Questionnaire (AAQ) to assist with goal setting and accountability. Following the completion of the AAQ, an Academic Advisor will meet with the student (via phone or in person). Together, the Academic Advisor and the student will discuss opportunities for improvement and develop or revise an Academic Success Plan. A student will be released from academic probation upon achieving the prescribed semester GPA.

## **ACADEMIC SUSPENSION**

Any student who fails to reach the cumulative GPA required to demonstrate satisfactory academic progress will be academically suspended for the next semester (typically about six months). A student who is academically suspended will not be allowed to enroll in any courses for the suspension period.

A student who is academically suspended for the first time may be re-entered into the desired program after six months of absence by completing the Application for Re-Entry. If the application is approved by the Associate Provost or Admissions Committee, the student may be able to return on Academic Probation.

A student who is academically suspended for a second time must petition the Educational Policies Committee for re-entry after one semester of absence. The petition must include evidence that the difficulties previously encountered have been overcome and that completion of the degree requirements can reasonably be expected. The decision of the Educational Policies Committee is final, with no option to appeal.

A student who becomes academically suspended because of extenuating circumstances may appeal the decision to the Educational Policies Committee. A student's participation in academic support efforts (utilizing the Grace ACE or an Academic Success Plan) will be considered when making this determination. The appeal must be submitted within four weeks of receiving notification of the suspension.

# Athletic Eligibility

Grace Christian University offers intercollegiate athletic teams in men's soccer and basketball, and women's volleyball, soccer, and basketball. Grace also offers co-ed cross country, bowling, tennis, and track and field. Grace Christian University, although not presently a member of an athletic conference, is a member of the National Christian College Athletic Association (NCCAA), a 110-plus member organization which sponsors national tournaments in soccer, basketball, and volleyball.

To be eligible for competition in intercollegiate athletics, a player must be regularly enrolled for 12 hours of credit and have achieved a total of 24 hours of credit for the previous two semesters. Athletes who have achieved Junior standing must maintain a 2.0 cumulative GPA. Other NCCAA eligibility requirements affect how the GPA is calculated and which courses count toward credit hours needed. The Athletic Director and the University Registrar determine eligibility according to both the NCCAA and Grace Christian University rules. Grace Christian University may also restrict participation in intercollegiate athletics for students on academic or social probation.

# Availability of Classes & Programs

The course offering schedule for each Grace Christian University program is created based on course capacity with specific student needs. As a result, every course is not offered every term. Students are encouraged to work with an Academic Advisor when planning class schedules to assure that all degree requirements are completed in an efficient and timely manner.

It is also the student's responsibility to demonstrate achievement of special qualifications such as prerequisite courses, work experience, knowledge, or a particular grade point average as specified by the course requirements.

# Catalog Year Policy

The academic catalog is not a contract between Grace Christian University and the student. Grace makes every effort to include applicable academic and non-academic information available at the time of publishing the annual catalog.

While all students must follow academic programs as listed in the catalog in effect at the time of entrance or re-entry to the university, any policy changes instituted by the faculty or administration become effective when official notification is published unless otherwise stated and may differ from the entering catalog.

Undergraduate Students are expected to satisfy the degree requirements of the respective entry year catalog within eight years. After a period of eight years or upon re-entry to the institution, a student will be expected to satisfy the degree requirements in effect at the time of re-entry.

Students may request a different catalog under which to graduate. The new catalog must be dated later than the entry year catalog, and must be in effect while the student is enrolled at Grace. Students must complete all of the degree requirements as they appear in the catalog of record, including Arts and Sciences Core, Bible and Theology Core, Major, Minor and Concentration.

# Change of Program Request

In order to request a program change, the student must fill out the **Degree Change Form**.

- The student's graduation date may be delayed when a new degree program is selected.
- The student may lose applicable transfer credits when a new degree program is selected.
- The student may be required to take additional credits at Grace when a new degree is selected; also, some previously taken credits may not be applicable to the new degree.
- When a new education plan is created, the student must approve the plan before the Registrar's Office will officially change the degree.

# Course Attendance & Participation

## **ATTENDANCE**

For Online programs, learner attendance is defined by posting once per calendar week (not weekly content) in response to discussion questions or assignments (academic work). Emailing other course participants (including the faculty) does not count toward attendance.

## **LAST DATE OF ATTENDANCE**

When a student drops or withdraws from a class, the last date of attendance (LDA) is to be reported as the last calendar date a student submitted academic work. Academic work could be a discussion board post or an assignment. If no academic work is submitted, the student's LDA is considered to be prior to the start of the class. The LDA determines the refund of tuition as well as any required return of financial aid funds.

## **PARTICIPATION**

Participation differs from attendance. While a learner may be in attendance (having submitted academic work), the participation may not be exemplary. Participation in a class involves being interactive with fellow learners and faculty, whether in discussions, activities, or projects. Participation in each course will vary depending on the circumstances.

## **INACTIVITY**

A student who is inactive in Week 1 and Week 2 may be administratively dropped from the course. A \$100 drop fee will apply.

A student who attends a course during Week 1 and/or Week 2 of the course and is then inactive in the course for two consecutive weeks may be administratively withdrawn from the course and issued a W grade. Whether the student's last date of attendance in the course is during Week 1 or Week 2 of the course will determine the refund and fees implications.

A student who is withdrawn or dropped from a course due to two consecutive weeks of inactivity and is inactive in his or her next course may be administratively withdrawn from the institution.

## **INABILITY TO ATTEND OR PARTICIPATE**

In the event of a personal emergency, the student should contact their instructor and academic advisor as soon as safely possible. Accommodations for such emergency situations will be determined on a case by case basis at the approval of the faculty and/or administration.

## **INCLEMATE WEATHER**

If Grace Christian University closes due to inclemate weather, Online courses will remain open and attendance will be expected.

# Course Repeat Policy

Students are permitted to take a course in which an unsatisfactory grade was achieved during a previous period of enrollment for the purpose of meeting a degree requirement, earning a higher grade point average and improved learning. In such situations, registration for the course and payment of the related tuition and fees at the current tuition rates are required. The grade achieved by the repeated course supersedes the initial grade in relation to the cumulative GPA calculation, though the initial grade will remain on the permanent transcript record with an “R” (repeated) designation. A withdraw (W) does not count as an attempt for academic or financial aid purposes.

## **Procedure for Online Students**

Courses designated as foundational or a required competency for future success in the program should be passed with at least a D grade before the student will be allowed to progress in the program. For Online students, courses designated as foundational are GEN 122, BUS 115, ENG 105, and ENG 300.

### **Repeat #1:**

Students are allowed to continue with the next course on their Education Plan after not successfully completing the previous course, but the Academic Advisor will work with the student to schedule a time to repeat the course in order for the student to stay on track toward degree completion. If the course in question is one of the foundational courses (GEN 122 BUS 115, ENG 105, or ENG 300), it should be scheduled in the next term on the Education Plan.

### **Repeat #2:**

If the student’s second attempt to complete the class is not successful, the Academic Advisor will reach out to engage the student in support services and available resources, and will draft an academic success plan. The student is strongly encouraged to take full advantage of the support services in order to maximize the potential for success. The advisor will also assure that the student is aware of the financial aid limitations before scheduling a second repeat of the course.

### **Repeat #3:**

In cases where the student has been unable to successfully complete the same course after three attempts the student will be required to take a break for at least one term. Prior to returning, the student should submit a [Course Repeat Request Form](#) for review by the Associate Provost. The Associate Provost will review the student’s full academic record in addition to the details included on the request form before making a determination about allowing the student to return. Upon return, the student will be required to work with the Grace ACE and follow an academic success plan.

## **Repeating a Passed Course**

In certain instances, a student may wish to repeat a passed course to raise his/her grade point average (GPA) or to refresh knowledge of specific content. Financial aid may be available to help pay for a repeated course if the student's existing grade in the course is an F/E or W. If the student received a passing grade (D- or better), financial aid may be used to repeat the course only one time. Financial aid is not available for coursework completed in a previously earned certificate or degree program.

# Directed Study Policy

Grace allows the use of a directed study when an unforeseen circumstance prevents a student from being able to take a required course as it is offered in the academic calendar. A directed study is a way for a student to learn independently through the use of current course curriculum directed by a faculty who is a content expert and who has previously taught the course material. A directed study is offered at the discretion of an advisor and must be approved by the Dean or Chair of the student's program in consultation with the Registrar. The time commitment will be approximately the same as a standard course and follow the same course format as the program the student is enrolled in. The course is required to have the same Course Learning Outcomes (CLOs) as the course has when offered as a standard course. If the course content and the assessments must be altered for single student use, the altered assessments must align with the CLOs.

Directed Study courses are taken for credit and all regular tuition and fees will apply to courses taken in this format. A student who fails a directed study course will be required to repeat the course and may do so in a standard section or as a subsequent directed study, as approved.

# Due Dates & Late Penalties

## DUE DATES

Grace Online operates on a Tuesday to Monday school week. All assignments within a given week are due by 3:00 AM Eastern Standard Time (EST) on the Tuesday immediately following the week. All students are required to adhere to the EST time-zone requirement unless special consent has been granted by the instructor at the beginning of the course.

All initial posts within the discussion forum are due on Saturday at 3:00 AM EST (see Discussions rubric for details), but students are encouraged to post sooner. This is in order to ensure quality interaction throughout the week. As noted in the Discussion Rubric, response posts must be posted on separate days to promote interaction and earn the highest grades.

## LATE PENALTIES

- **24 Hours Late** – Assignments submitted within 24 hours past the due date will have a 10% late penalty of the final assignment grade.
- **48 Hours Late** – Assignments submitted 24-48 hours past the due date will have a 20% late penalty of the final assignment grade.
- **Between Three and Seven Days Late** – Assignments submitted between three and seven days late will receive a 50% late penalty of the final assignment grade.
- **More than Seven Days Late** – Assignments submitted more than seven days past the due date are not accepted and will receive a zero.
- All discussions must be completed by the due date of the Workshop each week. No credit will be given after the week has ended.
- **Last Day of the Course** – Facilitators are not required to accept assignments submitted after the class ends.

# Grading Scale

It is the responsibility of each student to meet the specific outcomes of each course as defined by the curriculum and upheld by the faculty, as well as to meet the general overall requirements for graduation which include a minimum cumulative GPA and total credit hours. If the student feels at any time that his/her performance is not on track to meet the specified requirements, the student should make an appointment with his/her instructor regarding an individual course, or an Academic Advisor if regarding the overall program. Grades are computed at the end of each course and are posted upon official grade submission by the instructor.

Students may view their official grades after the end of each term or semester by accessing the Student Portal and selecting “My Grades” and “Letter Grades.” The “My Grades” link in Blackboard is unofficial.

### **Grade Point Average (GPA)**

The GPA is computed by dividing the total number of credits attempted into the total number of honor or quality points as outlined in the table above.

## **Incomplete Grade (I)**

The following policy is to be applied to all Grace Christian University Online students who receive a grade of “I” for incomplete work in a course:

- All coursework is designed to be completed within the official date parameters set for the registered course.
- An Incomplete grade may be granted when a student is prevented from finishing coursework on time by extenuating circumstances brought about by a specific event.
- The student must have earned a course grade of at least “C-“ as of the date of the event necessitating the request.
- It is the student’s responsibility to request an “I” grade prior to the end of the class and the professor’s to determine whether the circumstances merit an incomplete grade. The faculty member will instruct the student to submit a **Request for Incomplete Grade request form**, which will be forwarded to the instructor for approval before the incomplete grade is processed.
- A student who receives an incomplete grade for any course (some or all assigned work not turned in) will be required to turn in the completed work to the professor who taught the course unless other arrangements have been approved by the Dean or Provost.
- Online Undergraduate courses must be completed within five weeks following the last day of the original course.
- Failure to submit the incomplete work by the established deadline will result in earning zero points for incomplete work, and the final grade will be awarded accordingly.
- Online Students are advised to contact Slingshotedu.com to arrange for an extension for the rented books and to discuss applicable charges.

## **AUDITING A COURSE**

Auditing a course means taking a course for no credit or grade. Students may audit courses. Students are permitted to attend an audited course but may not submit assignments or take examinations. Audited courses do not earn honor points (GPA) or credits toward graduation. Audit status does not count toward full-time enrollment. Audit status must be declared at the time of registration and confirmed with the instructor on the first day of class. Audit enrollments are based on class size availability. If at any point prior to the beginning of the course, the class size maximum is reached, any audit registrations will be canceled. Financial Aid is not available for audited courses. Changes from credit to audit and vice versa will not be permitted after the first week of the class. All tuition and schedule change fees apply accordingly (see applicable **Fee Schedule**).

# Graduation & Commencement

## **APPLICATION FOR GRADUATION**

In order to receive a diploma and be invited to participate in the commencement ceremony, the student must apply to graduate by filling out the **Graduation Application Form**. Students are encouraged to submit their **Graduation Application Form** at least six months prior to the anticipated completion date.

Once the application for graduation is received by the Registrar's Office, the student will be charged a non-refundable graduation fee for each degree earned: \$100 for associate and bachelor degrees, and \$150 for master degrees. The Registrar will audit the student's records for degree completion. If there are outstanding requirements that have not been addressed, the Registrar will notify the Academic Advisor and the student. If all degree requirements are either met or pending completion, the student will be notified of the pending conferral date. As long as there is not an outstanding balance on the student's account, and it has no holds, the diploma will be mailed to the address on the application for graduation or on file at Grace, whichever is more recent. If a student has not met the degree requirements at the final degree audit, the Registrar will notify the student and the advisor, and will adjust the student's anticipated completion date.

## **PARTICIPATION IN COMMENCEMENT**

Candidates for degrees may participate in the commencement service in the spring of each academic year. In order to be included in the annual commencement ceremony, the student should apply to graduate by January 15. If the application is received after that date, the student may not be able to participate in the commencement ceremony.

It is expected that students will have successfully fulfilled all degree requirements prior to the commencement ceremony. If the student desires to walk in the commencement before completing all degree requirements, s/he may petition to be allowed to do so. The petition should include specific rationale for the request to walk early, and a detailed description of the remaining degree requirements and how/when they will be completed.

Students who wish to participate in the commencement ceremony will order their cap and gown regalia from the university's third-party vendor, and pay the vendor directly for the cost of the regalia. Students who choose to participate in the commencement ceremony and have met the requirements for the honors or high honors designation will be provided the honors cords at no cost.

## **GRADUATION HONORS**

Undergraduate students participating in the Annual Commencement Ceremony will be honored for their achievement with the privilege of wearing a silver cord representing graduating with Honors (3.30 – 3.69) or a gold cord for High Honors (3.70 – 4.00). The graduation honors grade point average is based on the cumulative GPA for all completed coursework as of the final commencement program printing date. Only Grace Christian University credits will be used to determine academic honors.

A final audit will determine the graduation honors to be awarded at the time of degree conferral.

Undergraduate students with a final cumulative grade point average of Honors (3.30 – 3.69) or High Honors (3.70 – 4.00) will receive the corresponding notation on their diploma and official transcript.

## **GRADUATION AWARDS**

Students may be selected for various graduation awards upon meeting the specific academic and/or character requirements.

## **DIPLOMA RE-ORDER**

A diploma may be reordered at the request of the student. The cost for a replacement diploma is \$45, which must be paid prior to the order. The request for a reprint of a diploma dated more than one year from the request will have an additional \$45 fee assessed to cover an additional fee from the supplier. Contact the Registrar's Office to request a replacement diploma:

## **POSTHUMOUS DEGREE**

A posthumous degree may be awarded upon request of the student's family if the deceased student had met the requirements as set forth below. Posthumous degrees will be awarded in the name of a deceased or critically ill student, who according to the best available medical advice, has no significant probability of being able to resume studies toward an earned degree in their lifetime.

The deceased student is required to have been registered in the current or preceding semester, be in good academic standing with the university, and have completed at least 85% of the requirements for the specified degree. The Registrar will complete a degree audit as a verification of the requirements, and submit the request to the Dean. If the Dean approves, the Dean will submit the request to the Provost for final approval.

The final approval will be returned to the appropriate Registrar for processing. The Registrar will notate the academic transcript with: "Degree Granted Posthumously." A copy of the academic record will be released, if requested, to an attorney representing the estate of the deceased student. There will not be a graduation or transcript fee assessed.

Deceased students not meeting the above criteria may receive a "Certificate of Achievement," if requested by the family.

Generally, posthumous degrees are conferred on institutional conferral dates; not at the annual graduation ceremony. The intent is to honor the student and to celebrate his or her accomplishments in a meaningful way while avoiding an awkward public event. If a student was in his or her last semester, the family may submit, in writing, a request to have one family member accept the posthumous degree during commencement as part of the normal proceedings. The reading of the name will include "awarded posthumously" in the announcement and in the printed program.

# Personal & Professional Conduct

## THE GRACE EXPERIENCE

Grace Christian University is committed to biblical higher education. First and foremost, this involves seeking to engage the entire campus intentionally and pervasively in the study and application of the text of God's eternal Word, the Bible. As an institution of higher learning, Grace is also committed to the pursuit of knowledge, understanding, wisdom, and skills, not as an end entirely unto themselves, but as the means by which community members can become better equipped to more effectively meet the needs of the church and society, both now and in the future.

The mission of Grace Christian University is Graduating Godly Individuals Prepared to Serve Christ in Church and Society. As students work toward this end, it is expected that they will be people with **character** in who they are, **competence** in what they do, **compassion** as they relate to others and **commitment** to the gaining of knowledge and wisdom.

## RESPONSIBILITIES OF THE UNIVERSITY COMMUNITY

Grace Christian University is a community with a purpose. Members of the community include faculty, staff, and students. The broader Grace community includes alumni, constituents, churches, and the University Board. In order to fulfill the mission of the University, members of the community need to understand their responsibilities. If responsibilities are not met, the University will preserve the harmony of the community through redemptive discipline, in order to create an environment of warmth in which confrontation and discipline, done with empathy and forgiveness, can be an effective part of the growth process. In order to achieve institutional aims and objectives, Grace believes it necessary to ask faculty, staff, and student body members to observe limitations on conduct and to commit themselves firmly to these principles.

**With the guidance and enabling of the Holy Spirit, the Administration and Faculty are responsible to:**

1. Work toward the maximum attainment of institutional objectives, so as to make them steadily relevant to the lives of individual students.
2. Demonstrate in administration, instruction, and other activities Christian standards of competence, leadership, and encouragement for Christian maturity.
3. Demonstrate in their own personal lives a commitment to the Lord Jesus Christ.
4. Provide maximum educational opportunities for the student in keeping with the aims and objectives of the university.

**With the guidance of the Holy Spirit, each student is responsible to:**

1. Cooperate actively and constructively in the achievement of the aims and objectives of the university.
2. Practice Christian conduct based on biblical principles, extending the Lordship of Christ to every aspect of life.
3. Make full use of their God-given abilities so as to achieve maximum personal development by active participation in as many activities and learning experiences as is reasonable.
4. Respect with consideration the personal freedom, standards, and decisions of others.

The University recognizes that certain aspects of culture are offensive to the Christian conscience and has therefore developed the following standard of conduct for the University family: Practices known to be morally wrong by biblical teaching (i.e., drunkenness, stealing, occult practices, adultery, gossip, pride, lust, bitterness, etc.) are not acceptable for members of the Grace Christian University community.

By virtue of enrollment, the student agrees to accept the responsibilities outlined above. The student who is found to be out of harmony with the aims and objectives of the University may be asked to withdraw from the Community whenever the general welfare to the University demands it even though there may be no serious special breach of conduct.

## **STUDENT CONDUCT**

Grace Christian University is committed to providing an educational environment that gives the student the opportunity to obtain their academic goals. Accordingly, the University expects students to conduct themselves in a manner that reflects its mission, purposes, ideals, and values.

All students are required to read, understand, and comply with the policies and responsibilities stated in this publication. Furthermore, the student will respect the rights of others and will treat fellow students, faculty, and staff with respect.

Each person has the right to study and learn in a quiet, comfortable environment without fear, without humiliation, and without destruction of self-esteem. Grace Christian expects student awareness and concern for all aspects of classroom interactions and strives to promote a cohesive and equitable environment where cultural and ethnic differences are respected. Institutional expectations, regulations and policies and practices are established to reflect the values to which the University subscribes. These expectations, regulations, policies, and practices promote the mission of the University, opportunities that facilitate the interactions of persons of different cultures, backgrounds, and persuasions, and respect for the rights of others.

Enrollment at Grace is a privilege, and it is expected that students will conduct themselves in a manner that reflects the ideals, values, and educational aims of the University. Students will respect the rights of others and will treat fellow students, faculty, and staff with good manners and respect. Students will behave in such a way as to promote a positive learning environment. When a student's actions do not reflect these expectations, the University will take disciplinary measures, which may include disciplinary suspension or expulsion from the University and/or criminal prosecution.

Student instigation or participation in activities which develop to a degree that elicits panic, alarm, or disturbs the peace is prohibited. Students are expected to use language that promotes an educational environment in accordance with the University's mission. Use of language, gestures, or electronic media that are abusive or offensive in nature will result in disciplinary action, disciplinary suspension, or expulsion.

Students shall comply with all reasonable and lawful requests and instructions as well as disciplinary conditions imposed upon them by those in authority, including the University administrators, faculty, staff, or other employees acting in the performance of their official duties. Failure to do so could result in disciplinary action, disciplinary suspension, or expulsion.

## **CODE OF ETHICS**

The University seeks to glorify God by fulfilling its mission: Graduating Godly Individuals Prepared to Serve Christ in Church and Society. Members of the community include faculty, staff, and students. The broader Grace Christian University community includes alumni, constituents, churches and the University Board. In order to fulfill the mission of the University, members of the community need to understand their responsibilities. If responsibilities are not met, the University will preserve the harmony of the community through redemptive discipline. We seek to create an environment of warmth in which confrontation and discipline, done with empathy and forgiveness, can be an effective part of the growth process. In order to achieve our institutional aims and objectives, we believe it necessary to ask faculty, staff, and student body members to observe limitations on conduct and to commit themselves firmly to these principles.

Students, faculty, and staff acknowledge that Grace Christian University is an educational institution that values equality of opportunity, academic freedom, academic excellence, diversity, lifelong learning, and Christian principles. Community members respect the mission and values of Grace Christian University, and recognize their obligations to fellow students, faculty, staff, the community, and God.

Students will treat peers and instructors with respect, honesty, and fairness, and uphold their rights to autonomy, privacy, and safety. They support the rights of others to express their views in the spirit of academic freedom and Christian principles, and will not ridicule, intimidate, or coerce students or instructors. They encourage academic and spiritual excellence and discourage academic misconduct. Students are committed to learning, to their obligations as students, and to the highest standards of academic integrity and Christian principles.

Students, faculty, and staff, read, understand, and comply with all Grace Christian University policies, rules, and regulations; treat all members of the Grace Christian community with respect, honesty, and fairness; and are devoted to safeguarding the resources of Grace Christian, and to using those resources for the benefit of the University, its surrounding communities, and to God's glory.

## **ACADEMIC DISHONESTY AND PLAGIARISM**

View the [Academic Integrity and Plagiarism](#) section of the catalog.

## **HARASSMENT AND ANTI BULLYING**

It is the policy of Grace Christian to provide a safe environment for its employees and students. This is intended to protect employees and students from bullying and/or aggressive behavior. Bullying is defined as repeated, abusive conduct that causes intentional physical or emotional harm to the target and often involves an imbalance of power between the bully and the victim. This may involve a gesture, or a written, verbal, social, graphic, or physical act.

Grace Christian University prohibits any form of harassment or bullying. This includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions which cause or threaten to cause, bodily harm, reasonable fear for personal safety or personal degradation. Bullying is not the same as teasing, but repeated, hurtful teasing is a form of bullying. Constant undue criticism, work sabotage, and glaring are all potential examples of bullying tactics.

Bullying fosters a climate of fear and disrespect that can seriously impair the physical and psychological health of its victims. Bullying or harassment creates conditions that undermine the ability of individuals to achieve their full potential.

Instances of bullying or harassment should be reported immediately to the Dean. An investigation of all complaints will be undertaken immediately. The investigation and results will remain confidential, to the extent possible. Any student found by the University to have bullied or harassed any employee or student may be subject to appropriate disciplinary sanctions ranging from a warning in his or her file, up to and including termination/expulsion.

The University recognizes that false accusations of bullying or harassment can have serious effects on innocent men and women. We trust that all member of the University Community will continue to act in a responsible and professional manner towards a discrimination-free environment.

### **Retaliation**

Retaliation or discriminating against a student for notifying or complaining about a situation is prohibited. This includes, but is not limited to notification/complaints about bullying, harassment, grade disputes, or participating in an investigation.

## **ACADEMIC AND STUDENT CONCERNS OR COMPLAINTS PROCESS**

Grace Christian has established an appeal process for students who have concerns regarding grades and the consistent application of both class requirements and policies as it pertains to grades among other concerns. If a student believes that the final course grade is based on a clerical or calculation error, capriciousness, arbitrariness, or is not in alignment with established grading criteria outlined in the course syllabus, the student may file an appeal and must offer evidence to support the claim.

To ensure prompt resolution of the student concern, the appeal process has a deadline for each stage. If the student does not initiate the appeal process (defined as beginning with Step 1) within 15 business days of the end of the course in which the concern occurred, the student forfeits the opportunity to appeal. Each deadline for the process must be met; otherwise, the appeal is no longer valid and the student has no further recourse. Communication regarding the appeal will be through written email communication using Grace Christian email accounts.

### **Step 1:**

Within 10 business days of the end of the course, the student will email the instructor his/her concern and desired outcome. The instructor will respond within five business days. The student will indicate if the resolution is agreed to within three business days. If an agreeable outcome is reached the matter will be considered closed.

### **Step 2:**

If the concern is not resolved with the instructor, and the student wishes to pursue the concern, the student will email an Academic Advisor or designee. The Academic Advisor or designee will provide the student with an Academic Appeal Form.

Within five business days of the form being sent, the student will complete the Appeal Form and submit a document detailing the facts and evidence from the student's point of view to the Academic Advisor. The appeal form and supporting documentation must be received by the established deadline. If any supporting material is not received by the stated deadline, the appeal will go forward without the additional material. Upon receipt of the appeal, the Associate Provost or designee will send the appeal to the instructor.

The instructor will review the appeal and provide a written response to the student's concern. The instructor will return the response to the Associate Provost or designee within five business days of receipt of the appeal. The Associate Provost or designee will share the instructor's written response with the student. The student will indicate if the resolution is agreed to within three business days. If an agreeable outcome is reached the matter will be considered closed.

**Step 3:**

If the concern has still not been resolved, the Associate Provost or designee will send the appeal form and all written documents to the Provost. The Provost will have five business days to render a decision and return the appeal to the Associate Provost or designee. The Associate Provost or designee will inform the student of the decision. Upon the student's request, the Associate Provost/Provost may review the decision with the student. Within three business days of notification, the student will indicate, in writing (which will be recorded on the appeal form), his/her acceptance of the decision. If an agreeable outcome is reached, the matter will be considered closed.

**Step 4:**

If the concern is not resolved in step 3, and the student chooses to pursue the concern further, the will contact the Provost to convene the Academic Affairs Committee and will forward all documentation. The Academic Affairs Committee will be convened within 10 business days of receipt of the appeal to resolve the concern.

The Academic Affairs Committee will be formed of the department heads, the Director of Online Teaching Effectiveness, and a Provost (one not involved in Step 3). The Academic Affairs Committee will be chaired by the Provost (one not involved in Step 3). The Committee will select one reporter. Both the student and the instructor may appear before the Committee although no new documentation may be presented at this time. A written report of the Committee's decision will be completed by the reporter and will be placed in the student's file. A copy of the report will be sent by the Reporter to the Associate Provost who will respond to the student, Academic Advisor, and the instructor within five business days.

The decision of the Academic Affairs Committee is final. The student and the instructor may respond in writing to the Committee's action, and these responses will be placed in the student's academic file. No further appeal will be permitted.

**Note:** All documentation of the student complaint, appeal process, and decisions will be kept on file with the University. The Entire process may take 12 or more weeks.

1. The right to inspect and review the student's education records within 45 days after the day Grace Christian University receives a request for access. A student should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask Grace Christian University to amend a record should write the Registrar, clearly identify the part of the record the student wants to be changed, and specify why it should be changed.

If Grace Christian University decides not to amend the record as requested, Grace Christian University will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before Grace Christian University discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Grace Christian University discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by Grace Christian University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. The name and address of the office that administers FERPA is:

# Registration, Schedule Changes & Leave of Absence

## **CONTINUOUS REGISTRATION**

A student's first term of registration is completed through the initial enrollment process. The Enrollment Advisor assists the applicant with understanding and access to program information and resources. Upon formal admission, the student is provided a student-specific degree program (an education plan) and registered for classes. The Registrar's Office staff will register the student for the upcoming semester. The student is not required to register him or herself each semester; however, any desired change in the education plan must be discussed with an Academic Advisor in a timely manner. Ultimately, the student will be enrolled each term for his or her entire program according to the student's education plan by completing the initial enrollment process.

## **SCHEDULE CHANGES**

A drop or withdrawal from a course or program may require adjustments to a student's financial aid and/or account balance as required by the U.S. Department of Education, the State of Michigan, or other grant/scholarship issuers. The Financial Aid office makes determinations and necessary adjustments based upon the documentation of the course or program withdrawal. The student is responsible for any outstanding balance incurred as a result of this process. Students should also be aware that drops and withdrawals can affect the student's completion rate. The University will retain a withdrawal fee of \$100 for processing withdrawals of any kind.

Students who wish to drop from a course should always make official contact via phone or email with an Academic Advisor.

### **Administratively-Initiated Schedule Changes**

The University reserves the right to change a schedule including, but not limited to, combining sections or canceling any course, at any time. If the University cancels a course, students will be enrolled in another course, if possible. Cohort schedule changes should be rare but are done to maintain academic integrity, eliminate disruptions, or to maintain financial viability for the institution. The student is responsible to access his/her current education plan on a regular basis to remain aware of his or her course schedule. Academic Advising monitors weekly attendance for Online students.

**The following administrative actions may take place as a result of non-attendance:**

- A student who does not participate in two consecutive weeks of a term may be administratively dropped from the course. A \$100 drop fee will apply.
- A student who attends a course during Week 1 and/or Week 2 of the course and is then inactive in the course for two consecutive weeks may be administratively withdrawn from the course and issued a W grade. The student's last date of attendance in the course (during Week 1 or Week 2) will determine the refund and fee implications.
- A student who is withdrawn or dropped from a course due to two consecutive weeks of inactivity and is inactive in his or her next course may be administratively withdrawn from the institution.

**LEAVE OF ABSENCE (LOA)**

In the Online program, a student is considered to have withdrawn from a payment period or period of enrollment if the student is not scheduled to begin another course within a payment period or period of enrollment for more than 45 calendar days after the end of the module the student ceased attending, unless the student is on an approved leave of absence (from the federal aid handbook).

A leave of absence (LOA), for Return of Title IV funds purposes, is a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. A leave of absence is not required if a student is not in attendance for an institutionally scheduled break or for one, five-week term. However, a scheduled break may occur during a LOA.

A LOA must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring a school to perform a return-of-aid calculation. If an LOA does not meet the conditions in 34 CFR 668.22(d), the student is considered to have ceased attendance and to have withdrawn from the school, and the school is required to perform a return-of-aid calculation.

**To qualify as an approved LOA:**

- Grace must have a formal written policy regarding leaves of absence requiring that all requests for leaves of absence be submitted in writing and include the reason for the student's request
- The student must follow the school's policy in requesting the LOA
- There must be a reasonable expectation that the student will return from the LOA
- Grace must approve the student's request for a LOA in accordance with its policy
- Grace may not assess the student any additional institutional charges, the student's need may not increase, and therefore, the student is not eligible for any additional federal student aid
- The LOA, together with any additional leaves of absence, must not exceed a total of 180 days in any 12-month period

- Except in a clock-hour or non-term credit-hour program, a student returning from an LOA must resume training at the same point in the academic program that he or she began the LOA
- If the student is a Title IV loan recipient, the school must explain to the student, prior to granting the LOA, the effects that the student's failure to return from an LOA may have on the student's loan repayment terms, including the expiration of the student's grace period.

A student granted a LOA that meets the criteria in this section is not considered to have withdrawn, and no return-of-aid calculation is required. Upon the student's return from the leave, he or she continues to earn the federal student aid previously awarded for the period.

Grace will believe, before it grants a LOA, that there is a reasonable expectation that the student will return from the leave. Therefore, the reason for a student's leave request is included on the [Leave of Absence Application](#).

A student should consult with an academic advisor and apply in advance for a LOA unless unforeseen circumstances prevent the student from doing so.

## **Program Withdrawal**

If a student wishes to leave the program or institution permanently, they may begin the process by contacting their assigned Academic Advisor.

## **Course Drop**

Students who wish to drop from a course should always make official contact via phone or email with Grace Online Academic Advising.

- Students who do not attend or participate in any sessions of a course within the first or second week can be administratively dropped from their course as initiated by the instructor, advisor, or other administrators. The course will not be transcribed on the student's record.
- Account implications include:
  - 100% tuition refund
  - 50% resource fee refund
  - \$100 processing fee
- If a student has already received textbooks for the courses it is recommended that the student contact Slingshotedu.com to request a return shipping label to return the text(s) for credit. Many courses change books or update editions without notice. Books that are not returned are subject to additional fees.

## Course Withdrawal

If a student needs or desires to withdraw from a course, the student should notify the Grace Online Academic Advising Team as soon as possible, preferably fifteen (15) days before class is scheduled to begin. If the student is withdrawn after the books have already been shipped, the student will be required to request a return shipping label and mail the books back to Slingshotedu.com in order to avoid being charged.

**If a student attends (attendance is satisfied when a learner posts a message or submits an assignment anywhere in the online classroom) the account implications are as follows:**

- Attendance during week 1:
  - 80% tuition refund
  - 50% resource fee refund
  - \$100 processing fee
  - Issued a W on the official transcript
- Attendance during Week 2:
  - 50% tuition refund
  - 50% resource fee refund
  - \$100 processing fee
  - Issued a W on the official transcript
- Attendance during Week 3:
  - 0% tuition refund
  - 0% resource fee refund
  - \$100 processing fee
  - Issued a W on the official transcript
- Attendance during or after week 4:
  - 0% tuition refund
  - 0% resource fee refund
  - Issued the earned grade on the official transcript
  - Any student administratively withdrawn from a course due to plagiarism or other disciplinary reasons will receive a grade of an F without any tuition or fees refunded.

Grace is regionally (HLC) and nationally (ABHE) accredited.

# Student Technology Policy

## **E-MAIL CORRESPONDENCE**

E-mail correspondence is increasingly used for distribution of information to members of the Grace community. Electronic forms of correspondence are timelier and more efficient than traditional paper correspondence and provide better service to the recipient and potential cost savings to the University.

Since all staff, faculty and registered students have email accounts created by virtue of their association with the University, electronic correspondence is one of the authorized means of communication from the University to its constituents. Notification by email is equivalent to a notification by letter or by phone. Email correspondence shall be made to the email address issued by the University (email address ending in @gracechristian.edu). Students have the option of forwarding their Grace email to a preferred personal email, however, the University cannot guarantee delivery of these messages to non-Grace addresses.

## Policy Statement

Each individual is responsible for his/her account(s), including the safeguarding of access to the account(s). Information residing on institutionally maintained systems, including, but not limited to, student, financial, and personnel records, is made available to users on an individual basis only, and only to such extent, as explicitly authorized by the department which has custodial responsibility for that data.

As a small step to enhance building the Grace learning community, we want to encourage Blackboard users to personalize their profile on Blackboard and Email.

### Here are some guidelines:

Particularly egregious images or other media may be removed immediately.
  2. A member of the Registrar's Office will check that an appropriate image has been selected within two business days of the initial notification.

Anti-virus and anti-malware software must be installed on your computer, kept up to date, and currently enabled. If your software is not up to date or disabled, it may lead to an infection which may result in your network access being disabled.

Although Grace's Information Technology (IT) Department deploys Windows patches for university issued devices, employees are responsible for keeping their computer updated with all other security patches/fixes from the appropriate software update services. This includes updating applications, such as MS Office, Adobe, iTunes, Firefox, Chrome, etc. This also includes operating system patches for non-university devices. If your computer is not up to date, it could lead to malware infection which may result in your network access being disabled.

Grace faculty and staff are responsible for their computer, including its hardware, software, and any network traffic transmitted by it. Software licensed by the University or merely used on University equipment must be used in accordance with that license agreement. Violations of the terms of software license agreements are not within the scope of University employment; the University may seek repayment of fines or damages from employees who violate licensing terms and may take disciplinary action up to and including dismissal. Please contact the IT Helpdesk if you have any questions about whether or not certain software/hardware might conflict with this acceptable use policy.

Copying or sharing copyrighted material, including through peer to peer file sharing, is illegal and immoral. We expect members of this Christian community will seek to uphold both the letter and spirit of the law regarding copyrighted material. Students found to have illegally downloaded files will have network privileges revoked.

The use of personal routers (wireless or wired) and/or DHCP servers is strictly prohibited. The IT Department will assist you if you require additional connectivity or have specific departmental needs.

Using the Grace network to provide any service that is visible off campus without prior IT approval, is prohibited. This applies to services such as, but not limited to, HTTP (Web), SSH, FTP, IRC, email, private VPN, etc.

5. Unsolicited advertising is not acceptable.
