FROM THE PRESIDENT

Grace Bible College is an incredible place. As president of Grace I am excited to welcome you to experience a life-transforming education. The Grace Bible College faculty, staff, and students are committed to being a growing community. By that we mean that each of us, starting with the president, realizes that we are still in process. We are not all that God designed and purposed us to be, nor are we content with that condition. Through competent instructors committed to academic excellence, and staff and administration committed to serving and growing, we believe Grace Bible College can be used by God to change your life!

The prevalent mentality of the day is intent on tolerance and policing certain words and activities deemed inappropriate or incorrect according to their own vacillating set of values. Grace Bible College believes that the eternal truths and values of the Word of God rightly divided are principles that pervade all areas of life and education.

The Apostle Paul states, *For in Him all things were created both in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things have been created through Him and for Him. And He is before all things, and in Him all things hold together...so that He Himself might come to have first place in everything. (Colossians 1:16-18)*

I would conclude from the above Scripture that *Jesus Christ is to be the center* of life, speech, values, service, education and social relationships. The world we live in and its present crises are evidence of what happens when education and life are no longer Christ-centered. There is no value-free education, it is all taught from a particular worldview. I believe it is vital for our young men and women to be educated from a biblical worldview that prepares them for their careers, vocations, or further education with God's values and purposes in view.

Grace Bible College is committed to preparing the leaders of tomorrow to be all that God wants them to be, educationally, socially, physically, and spiritually. If that's your heart's desire—Grace is the place for you!

. . . WHAT'S NEW AT GBC?

Grace Bible College believes that God is working in the church and in society! Therefore, we are so glad then that you have chosen to be a part of the GBC family as we hold forth a message of grace. We trust that this year will be a time of spiritual growth, passionate service, and, yes, intellectual development. As we begin this year, here are some of the changes you will see:

- **ADULT AND ONLINE STUDIES** ... This year we will offer both onsite and online classes for the working adult. You may know someone—perhaps even your parents—who could benefit from these studies ... be sure to pass the word!
- **THE GRACE EXPERIENCE** ... At GBC, we believe that education takes place in and out of the classroom. Therefore, we have developed a number of institutional outcomes that express why we are here and what we believe should be evident in our lives as a result of everything we experience here at Grace. That's why we call it, "The Grace Experience."
- **NEW CORE REQUIREMENTS** ... These are classes that are part of every degree program. Changes include English requirements, as well as new ways to fulfill the PE and fine arts electives. Talk with your advisor or the Registrar to learn more.
- **CHRISTIAN MINISTRY PROGRAM** ... A significant change in the core is that your Christian Ministry requirements are integrated within the classes you take. This will help you, while also reflecting our belief that students must be immersed in service opportunities.

... So What Hasn't Changed?

Our education is intentionally and pervasively *biblical* – it involves the serious study of God's inspired Word, and studies it from a perspective of acceptance and submission to its message rather than from a skeptical and critical perspective. The study of Scriptures is with intent to develop strong theological minds which can look biblically at all aspects of life and interpret experience by Scripture, rather than the other way around.

Our education is intentionally and pervasively *transformational* – it expects students to explore the moral implications of God's Word and through the participation of a local church community. It calls for a campus community to be a place of nurture for character development and living out of the Holy Spirit's fruit in our personal lives and relationships.

Our education is intentionally and pervasively *service oriented* – it calls on students to follow the example of Scripture and serve (2 Corinthians 4:5) in order to fully learn God's sense of calling and spiritual gifts and their proper use to enlarge and build up the Body of Christ. The development of passionate servants of Jesus Christ is the goal, learned mostly through participation together with others on campus and in the local church.

Our education is intentionally and pervasively *missional* – it relates to the present needs in the world around us both locally and globally. The student through this mindset learns God's concern for the peoples of the world and his role as a student of God's world and the people and cultures that exist around him. The student develops the ability to study God's Word and also God's world and its systems of belief and culture and effectively proclaim the message of reconciliation.

. . . THE GRACE EXPERIENCE

Grace Bible College is committed to biblical higher education. First and foremost, this means we seek to engage our entire campus intentionally and pervasively in the study and application of the text of God's eternal Word. As an institution of higher learning, we are also committed to the pursuit of knowledge, understanding, wisdom, and skills, not as an end entirely unto themselves, but as the means by which we can become better equipped to more effectively meet the needs of the church and society, both now and in the future.

The mission of Grace Bible College is *Graduating Godly Individuals Prepared to Serve Christ in Church and Society*. As students work toward this end, it is expected that they will be people with **character** in who they are, **competence** in what they do, **compassion** as they relate to others and **commitment** to the gaining of knowledge and wisdom. The following outcomes are expected of all Grace Bible College students. In addition to these institutional outcomes, each degree program has specific outcomes which build upon and enhance these outcomes.

1. **KNOWING** – Students will increase their knowledge of God's word since this is foundational for all contained in Christian character. While God's word is given as special revelation, we also understand the need to grasp God's general revelation through creation which leads students to pursue a broad understanding of humanity. In a world of competing truth claims, students must be able to think critically and creatively as they acquire knowledge needed for life and work.
 - a. **Increasing Knowledge of God's Word:** ability to increasingly understanding the Bible as God's Word revealed to man throughout history
 - b. **Understanding of Humanity:** an expanding awareness and appreciation of humanity's social, emotional, historical, ethical, and physical development
 - c. **Critical and Creative Thinking:** ability to understand, apply, analyze, and evaluate concepts and beliefs as well as formulate clear expressions of one's own concepts and beliefs
 - d. **Knowledge Acquisition:** the ability to locate, evaluate and benefit from information needed to navigate life and work
2. **BEING** – Students will be people of strong character who are able to apply God's Word to their lives from the foundation of a Christian worldview resulting in behavior which is ethically sound and relationships which honor God.
 - a. **Applying the Word of God to life:** the ability to correctly understand God's Word and the principles from which we draw guidance and wisdom for the questions of life
 - b. **Christian Worldview:** an understanding of God's creation, the sinfulness of mankind, and the outworking of God's redemptive plan through human history
 - c. **Ethical Sound Behavior:** the ability to recognize difficult life situations and make right and just choices based on ethical standards and the Word of God
 - d. **God Honoring Relationships:** ability to engage people in relationships which admonish and edify all parties for the glory of God

3. **DOING** – In their course of study students will develop the skills needed for living and working in the world. This will necessitate strong communication skills and an ability to work with others in a variety of situations. Students will also develop their own life skills.
 - a. **Communication Skills:** the ability to communicate effectively in oral, written, and culturally relevant forms
 - b. **Work with Others:** the ability to accomplish tasks and assignments as part of a larger effort than one’s self
 - c. **Life Skills:** the ability to manage one’s personal life as a steward of God’s gift

4. **SERVING** – Students will develop a heart of compassion and concern for others demonstrated through service to church and society.
 - a. **Concern for Others:** understanding that God has created all people in his image and values them
 - b. **Service of Others:** giving of one’s time, talents and energy for the betterment of others in the church and in society

. . . OUR HISTORY

Grace Bible College began in 1939. It was founded as Milwaukee Bible Institute, a training center for laymen and Sunday School teachers of Milwaukee. The Institute was organized by Reverend Charles F. Baker, then pastor of Fundamental Bible Church. The regular day school program began in 1945. This move was stimulated by a group of evangelical pastors especially concerned about advancing a dispensational theology approach to the Bible, the distinctive character of the revelation given to the apostle Paul, and the preparation of full-time Christian workers to fulfill this goal. In 1953, the curriculum was broadened and Milwaukee Bible Institute became Milwaukee Bible College.

In 1961, the College relocated to suburban Grand Rapids, Michigan, and was renamed Grace Bible College. At that time, the State of Michigan granted the College the authority to grant Associate (ARE) and Bachelor of Religious Education (BRE) degrees. A year later, the College was given permission to grant a five-year Bachelor of Theology (BTh) degree, which represents the highest level of academic preparation available at GBC. Grace currently offers three BTh programs – Intercultural Studies, Youth Ministry, and Pastoral Studies. It is noteworthy that the majority of the pastors and missionaries affiliated with the Grace Gospel Fellowship are graduates of the College. This commitment to preparing men and women for vocational ministry continues to be an important part of the mission of Grace Bible College.

Because of its commitment to serving the needs of the broader Christian community and society, Grace Bible College has expanded its degree programs over the years. In 1970, the State of Michigan authorized the College to grant an Associate of Arts (AA) degree in addition to the previously approved ARE degree. Today GBC offers two AA degrees – General Studies and Business. Then in 1997, the State of Michigan authorized Grace to grant the Bachelor of Music (BMus) and the Bachelor of Science (BS) degrees. Today Grace Bible College offers one BMus degree – Worship Arts – and six BS degrees – Biblical Studies, Youth Ministry, Intercultural Studies, Human Services, Early Childhood Education, and Interdisciplinary Studies. Students can also choose to pursue further education through our partnerships with Davenport and Cornerstone Universities, which allow students to graduate with degrees from both institutions. We praise God that today there are thousands of GBC alumni employed in a wide range of vocations, as well as being actively involved in their local churches.

. . . OUR LOCATION

Located just west of US 131, near the intersection of 28th Street and Clyde Park Avenue, Grace Bible College's campus can be found in Wyoming, Michigan, a suburb of the greater Grand Rapids metropolitan area. The area is serviced by major air, rail, and bus lines.

... OUR EDUCATIONAL PHILOSOPHY

Grace Bible College is committed to the idea that both ministerial and societal vocations involve the gifts and calling of God. Since its beginning in 1939, GBC has been committed to training young people for Christian ministry as pastors, missionaries, and other Christian workers. This is a continuing mission as GBC currently offers four-year and five-year degree programs designed to prepare individuals for professional Christian ministry. Over the years, the College has expanded its

educational program in order to provide a strong Christian education for as many young people as possible and to prepare them to be effective Christians in their chosen career fields and in their own churches. At present, GBC offers a variety of degree programs at the two-year and four-year level for these students.

Grace Bible College is an academic community committed to the intellectual and personal growth of its students, faculty and staff within the context of a Christian learning environment. In every degree program, the College seeks to expose, equip and empower its students with the content, competence and character necessary to impact the world around them for the glory of God. Therefore, the faculty, staff, and administration desire to see the following statements embodied in the programs and culture of our College:

1. To create a learning environment wherein students understand the College's distinctive purpose.

The first Commitment emphasizes the importance of students' abilities to interpret their life and social circumstances in the light of the inspired Word of God, as interpreted by the Pauline revelation for the present dispensation. Included in this area is the concern that students consider God's desires for their lives and service.

2. To create a learning environment that will foster the integration of biblical and other academic knowledge, and serve as the framework within which value decisions may be made concerning matters of everyday life.

The second Commitment articulates the concern that biblical/theological truth be taught in the context of life. Truth found in such disciplines as philosophy, literature, history, sociology, psychology, science, technology, and art should be correlated with God's Word.

3. To create a learning environment that will help students develop an awareness of their intrinsic worth and reach their God-given potential.

The third Commitment recognizes that it is a primary concern of the College to create a learning environment that encourages freedom of thought, participation, open questions, and the free exchange of ideas for every individual.

4. To provide a foundation of knowledge, skill development, and practical experience whereby students may initiate career considerations.

The fourth Commitment states GBC's desire that the variety of academic disciplines provides the knowledge base in which skills and abilities are developed. Students must gain practical experience and interaction through both in-class and out-of-class activities, including simulation, on-site observations, and personal involvement.

5. To maintain an open, friendly environment conducive to meaningful student-teacher relationships.

The fifth Commitment affirms the intention that each individual will seek to exhibit the virtues of accessibility, friendliness, and sensitivity, whether in class or out, whatever the occasion. The consideration of personal as well as academic issues are welcome.

6. To nurture an understanding of the student's role as a servant and team-member in the body of Christ, through service to church and society.

The sixth Commitment focuses on both a biblical imperative and a personal issue. God's Word identifies each individual's responsibility to fulfill with dignity the role of a servant. Self-disclosure of the faculty's example in ministry and societal activities highlights the importance of both church and community.

7. To instill in students the desire and capacity for continued, lifelong learning.

The seventh Commitment indicates the importance Grace Bible College assigns to the ability of each student to use the tools of intellectual inquiry, creative expression, and physical activity to contribute to future personal accomplishment and fulfillment. Development of skills in cognitive and critical thought, application of learning to life, interpersonal socialization, and spiritual character formation are areas of special concern.

. . . OUR STATEMENT OF FAITH

The following is a statement of the doctrinal position to which the Board of Directors and administration of the College are committed:

- The verbal inspiration and plenary authority of the Bible in its original writings.
 - The eternal trinity of the godhead.
 - The eternal deity and spotless humanity of the Lord Jesus Christ.
 - The total depravity of humanity by nature.
 - Salvation by grace, through faith in the crucified and risen Christ.
 - The eternal security of the saved.
 - The personality and deity of the Holy Spirit.
 - The essential unity of all believers of the present dispensation as members of the one true church, the body of Christ.
 - The privilege and duty of all the saved to walk as children of light.
 - The communion of the Lord's supper, "until He comes."
 - The one divine baptism by which believers are made members of the Body of Christ at conversion as the only baptism necessary in God's spiritual program in this dispensation of the grace of God.
- The resurrection of the body.
 - The pretribulation rapture of the members of the body of Christ.
 - The personal, premillennial return of Christ to reign on earth.
 - The eternal punishment of the unsaved dead.
 - The worldwide preaching of the gospel of the grace of God.

. . . OUR ACCREDITATION

Grace Bible College is dually accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools and by the Commission on Accreditation of the Association for Biblical Higher Education.

. . . OUR BUILDINGS & FACILITIES

Bultema Memorial Library—Named for the late Pastor Harry Bultema of Muskegon, MI, the library was expanded and renovated in 2003. The Library houses over 40,000 items, a curriculum room, CDs, DVDs, and videos, internet access and an online catalog, as well as comfortable reading and study areas for individuals and groups.

O’Hair Memorial Building —Named after the late Pastor J.C. O’Hair, this building houses the president’s, business and administrative offices as well as three affiliated organizations – Grace Gospel Fellowship, Grace Ministries International and Grace Publications.

Huston Hall—The late T.R. Huston was one of the founders of the College. The building contains a lounge, dining hall, recreation room, and the cafeteria.

Jack T. Dean Academic Center—This academic hub was named for the College’s second president. It includes classrooms, faculty and administrative offices, as well as a computer lab.

Baker Chapel—Charles F. Baker was the founder and first president of the College. The chapel, named in his honor, was constructed in 1980 to accommodate the regular college chapel services, musical recitals and concerts, as well as dramatic productions.

Aldrich Athletic Center —Named for the Aldrich sisters from Chicago, Illinois, this building, erected in 1977, includes a gymnasium with bleacher seating for 500, one racquetball court, an exercise and weight room, men’s and women’s locker rooms, and two saunas. The second floor houses the Music Division including faculty offices, practice rooms, classrooms and a professional MIDI/computer lab.

Alethea Hall and Preston Hall—Separate residence halls for women and men students. Both residences have laundry and storage facilities. Student lounges are adjacent to each hall.

Blackburn and Aldon Houses—Three houses adjacent to College property are available for married student housing as well as dormitory use as needed.

Enslow and Klein Memorial Apartments—Twelve one-bedroom and two-bedroom apartments are available on campus for married or single students. The buildings honor Fred and Julia Enslow and Karl Klein who bequested generous gifts to the College.

**RESPONSIBILITIES
OF THE
COLLEGE COMMUNITY**

STUDENT SERVICES

ACTIVITIES

... RESPONSIBILITIES OF THE COLLEGE COMMUNITY

Grace Bible College is a community with a purpose. The College seeks to glorify God by fulfilling its mission: Graduating godly individuals prepared to serve Christ in church and society. Members of the community include faculty, staff and students. The broader GBC community includes alumni, constituents, churches and the College Board. In order to fulfill the mission of the college, members of the community need to understand their responsibilities. If responsibilities are not met, the College will preserve the harmony of the community through redemptive discipline. We seek to create an environment of warmth in which confrontation and discipline, done with empathy and forgiveness, can be an effective part of the growth process.

In order to achieve our institutional aims and objectives we believe it necessary to ask faculty, staff, and student body members to observe limitations on conduct and to commit themselves firmly to these principles.

With the guidance and enablement of the Holy Spirit, the Administration and Faculty are responsible to:

1. Work toward the maximum attainment of institutional objectives so as to make them steadily relevant to the lives of individual students.
2. Demonstrate in administration, instruction, and other activities Christian standards of competence, leadership, and encouragement for Christian maturity.
3. Demonstrate in their own personal lives a commitment to the Lord Jesus Christ.
4. Provide maximum educational opportunities for the student in keeping with the aims and objectives of the College.

With the guidance of the Holy Spirit, each student is responsible to:

1. Cooperate actively and constructively in the achievement of the aims and objectives of the College.
2. Practice Christian conduct based on biblical principles, extending the Lordship of Christ to every aspect of life.
3. Make full use of their God-given abilities so as to achieve maximum personal development by active participation in as many activities and learning experiences as is reasonable.
4. Respect with consideration the personal freedom, standards, and decisions of others.

The College recognizes that certain aspects of our culture are offensive to the Christian conscience and has therefore developed the following standard of conduct for the College family:

Practices known to be morally wrong by biblical teaching (i.e., drunkenness, stealing, occult practices, adultery, gossip, pride, lust, bitterness, etc.) are not acceptable for members of the Grace Bible College community.

The College also realizes Scripture does not provide specific teaching regarding all social practices, and does not claim that adherence to the following is a measure of spirituality. However, for the sake of some whose conscience is offended by these practices and for the sake of our overall objectives to be a service institution, the College has felt it necessary to require members of the community to refrain from the possession or use of alcoholic beverages, tobacco, illegal drugs, obscene literature (including inappropriate internet sites) and gambling.

By virtue of enrollment, students agree to accept the responsibilities outlined above. Furthermore, students agree to conform to the standards specified in the Student Handbook. Some may not have personal convictions fully in accord with these responsibilities and standards, but the purpose underlying this statement necessitates honorable adherence while the College is in session. The student who is found to be out of harmony with the aims and objectives of the College may be asked to withdraw from the Community whenever the general welfare to the College demands it even though there may be no serious special breach of conduct.

. . . STUDENT SERVICES

Counseling and Guidance—Counseling for vocational, social, and personal needs is under the Department of Community Life. We encourage students to examine their motives, talents and gifts as part of developing a meaningful relationship with Jesus Christ and to determine the capacities in which students might serve Him. The College counselor is available to students who wish to discuss personal needs or problems. Off-site counseling is also available by referral at reasonable costs.

Guidance in selecting courses each semester is offered through the student's academic advisor.

Food Service—Well-balanced meals are served daily in the dining hall. Students living in campus residence halls are required to purchase the resident meal plan. Apartment and off-campus students are welcome to purchase meals in the Dining Hall. Discounted meal passes are available.

Computer Lab—Computers with internet access and Microsoft Office are available for student use in the Library and Academic Center. The labs are open to students throughout the day and evening except when needed for class. Resident students may also access the internet through the campus wireless network. Information regarding additional costs and hardware requirements is available from the Director of Information Technology.

Academic Support—Entering students who are academically at risk, as well as students who fail to demonstrate satisfactory academic progress are required to participate in the Academic Success Program. Tutoring is also available for students who desire additional help.

Postal Service—Incoming mail is distributed daily in student mailboxes.

Placement Service—The placement service of Grace Bible College for those students contemplating ministry with churches associated with the Grace Gospel Fellowship is handled primarily by the President of GGF. Faculty members also work with individual students in finding places of Christian ministry and other entry-level career openings. The library maintains materials related to job search and career choice.

Medical Services—A licensed nurse is available on campus for consultation during specified hours each week. Immediate, emergency medical service is also available. For the protection of everyone in the GBC community, students are required to submit their immunization records and health history. All students are required to participate in GBC's low cost accident and health insurance plan unless the student verifies he/she has coverage elsewhere. Insurance should include coverage for intercollegiate sports and be available for a full academic year.

Bookstore—The college bookstore operates in cooperation with MBS Direct, a leading textbook retailer. This convenient service provides students with the opportunity to purchase and sell their books online.

. . . ACTIVITIES

Life at Grace Bible College is more than books and class work. Activities invite the participation of virtually every student. The program is designed to enrich and broaden the educational experience. Social contacts at Grace will establish lifetime friendships.

Student Government—Each class of the student body may elect two representatives to Student Government. These representatives work to enhance campus life as well as voice concerns of the students to faculty and administration. A member of Student Government attends faculty meetings and Educational Policy Meetings.

Activities Program—Regular activities include concerts and musicals, outings, special dinners, parties, lectures, art, and drama. Baker Chapel, the recreation room in Huston Hall, and the facilities in the Aldrich Athletic Center offer a wide variety of activities.

Worship—Services are conducted in Baker Chapel three days each week. A.C.T. groups also meet during the week affording students, faculty and staff the opportunity to challenge one another in Applying Christ Together. The entire student body and faculty are expected to regularly participate in these activities. Other student-led worship times are regularly held.

Christian Ministry Program—Grace Bible College believes growth and development should include more than academic preparation. Classroom teaching must be supplemented with on-the-job training and experience. A wide assortment of service activities are available to students including youth clubs, Sunday School teaching, music ministry, evangelism, tutoring, and jail ministry. Participation and completion of the Christian Ministry Program is required for graduation in our degree programs. Details can be found in the Student Handbook or through the Christian Ministry Department.

Ambassador Fellowship—Ambassador Fellowship encourages worldwide vision and seeks to inspire missionary interest in the student body. The annual spring Missionary Conference is directed by Ambassador Fellowship.

Students with Spouses—Married students meet to encourage and support each other through fellowship and activities designed to build and strengthen their relationship with their spouses and with other couples.

Vocal and Instrumental Ensembles—Students are invited to audition for the performance ensembles offered through the Music Division. These groups perform concerts at campus chapels, at College functions, in churches and schools across the country.

Athletics—The College provides intercollegiate competition in men's soccer and basketball, women's volleyball, soccer, and basketball, as well as co-ed cross-country and tennis. Golf is also offered as a club sport. The College is affiliated with the National Christian College Athletic Association (NCCAA), which sponsors national tournaments in various sports. During a successful season of play, a team may travel out of state for district or national competitions.

Drama—Opportunities to participate in dramatic productions may be available. Acting and dramatic production including publicity, makeup, stage construction, costuming, and lighting are areas of involvement.

**ADMISSIONS
INFORMATION**

**FINANCIAL
INFORMATION**

FINANCIAL AID

. . . ADMISSIONS INFORMATION

Admissions Requirements—Admissions requirements are designed to ensure that students admitted to Grace Bible College have the ability and desire to successfully complete academic work, make full use of the educational opportunities available and show evidence of Christian commitment. Factors which are considered in the admission process are:

1. A completed application form containing evidence of:
 - a. Personal salvation through Jesus Christ as well as Christian growth and involvement in church and other Christian activities.
 - b. Adequate social adjustment. In evaluating an application, consideration is also given to the reasonableness of an applicant's expectations concerning education at Grace Bible College.
2. Official high school transcript (indicating rank in class) or a General Educational Development (GED) Certificate. It is the responsibility of the applicants to have their transcripts sent directly to the College.
3. ACT or SAT Scores. The ACT assessment is preferred, however, SAT will be accepted. At the time of taking the test, students should request that a record of their scores be sent to Grace Bible College. The ACT college code number is 2001. The SAT college code is 0809. Scores may be used for purposes of counseling, guidance, and placement.

Nondiscrimination—Grace Bible College is committed to nondiscrimination on the basis of color, national origin, disability, age, sex, or race in all its policies and programs.

Transfer Applicants—A transfer applicant is someone who has attended another college. Official transcripts from all colleges previously attended must be submitted. The applicant will be evaluated on previous course work at the college level. Evidence of honorable withdrawal from other colleges is required. Academic disqualification at another college will necessitate special consideration. Failure to furnish a complete and valid record of all previous college experience may mean cancellation of the student's privilege of admission. High school records will also be reviewed for those who have earned fewer than 24 semester hours at the college level.

Transfer of Credit—Grace Bible College makes every effort to transfer credit for academic work completed at other colleges. Credit earned at accredited colleges or schools with a grade of "C" or better and comparable in content to Grace Bible College courses will usually be accepted. Grace Bible College will accept transfer credits from the following types of institutions:

1. All regionally accredited institutions
2. All institutions accredited by the Association for Biblical Higher Education
3. Technical and vocational institutions for arts and sciences courses
4. Unaccredited colleges upon completion of 28 credits hours at GBC with a 2.00 accumulative GPA

Transfer students will receive an Evaluation of Transfer Credit. This evaluation will detail how course work completed at other colleges will transfer to Grace Bible College. First, we select courses which meet the specific requirements of the GBC degree the student expects to earn. Secondly, we select courses which may be used to complete the requirements for elective

credits. Because we want transfer students to have opportunity to be eligible for financial aid as long as possible while attending GBC, it is our policy to only transfer courses which are needed to complete the degree requirements at GBC.

If the student expects to earn a degree which will be completed as part of our consortium agreements with Cornerstone or Davenport University, it is our policy to contact these Colleges and obtain their transfer evaluation as well.

Credits transferred are recorded on the student's academic record and will apply toward graduation requirements. Grades are not transferred.

Once transfer credits have been granted, a subsequent change of program or major may result in a change in the number of transfer credits accepted.

Transcripts from foreign institutions will be evaluated by an accredited educational evaluation service such as the American Association of Collegiate Registrars and Admissions Officers (AACRAO). The student will be responsible for following the procedures required by the evaluation service and having the results submitted to GBC.

Admissions with BA or BS Degree—The BA degree and some BS degrees earned at an accredited college will qualify a student to enroll in an accelerated Bachelor of Theology program with possible emphasis in Pastoral Studies, Intercultural Studies, or Youth Ministry.

High School Students—High school seniors are welcome to enroll at Grace Bible College with the following provisions:

1. Applicant must complete a Non-degree Student Application.
2. The applicant must submit a letter of recommendation from a high school teacher and a high school transcript indicating a GPA of 3.00 or higher.
3. The applicant must enroll in one 100 level course and successfully complete it before a second course may be selected. 200 level courses may be considered after successful completion of the 100 level course.
4. After earning 9 credit hours, the applicant should be expected to complete GBC's admissions process.

International Students—International students are welcome at Grace Bible College. Special requirements are: evidence that he/she is a graduate of an accredited secondary school, proficiency in English, financial responsibility for both transportation and educational costs, and ability to satisfactorily cope with college level work in America. International Student Application For Admission forms will be sent upon request.

International students are required to pay for their entire year in advance of their arrival at GBC. The amount due before the student's arrival is determined by estimating class load, room, board, books, fees, and any other known expenses. Any exceptions to this policy must be approved by the Administration.

International students from countries where English is not the primary language are also required to successfully complete the TOEFL (*Test of English as a Foreign Language*) examination before admission can be granted. Minimum scores required are: Paper-based TOEFL—550; Computerized TOEFL—213; Internet-based TOEFL—80.

Veteran Students—Grace Bible College is recognized for training veterans under VA Education Programs and complies in full with all reporting requirements of the U.S. Department of Veterans Affairs.

Veterans entering as transfer students will be given a written statement of the credit granted in transfer and the number of credits which are required to complete the program in which they are enrolling. This information will also be provided to the Department of Veterans Affairs.

Students receiving Veterans Benefits whose accumulative grade point average (GPA) is below 2.00 for two consecutive semesters may have their benefits terminated. The College will inform Department of Veterans Affairs when students fail to come off academic probation after two consecutive semesters.

Students may qualify for Veterans Benefits after they raise their accumulative GPA to 2.00 or higher.

Readmission—A student who is readmitted to GBC after an absence of at least one semester must graduate fulfilling requirements of the catalog that is in effect when he/she returns. However, a student may graduate under the requirements of the catalog in effect when he/she originally entered GBC if his/her absence from campus was for further uninterrupted academic course work pursued primarily for the purpose of completing a GBC degree. Written intent of this purpose is required before the student begins his/her course work elsewhere.

. . . FINANCIAL INFORMATION

Tuition and fees are kept low through the generous gifts of many individuals, businesses, and churches. Costs paid by students cover only about 60% of the total general and educational expenses for each student. Friends who desire to offer special gifts or bequests may make inquiry to the Vice President for Fund Development.

Tuition for Consortium Students—Students enrolled in the consortium programs with Cornerstone and Davenport Universities will receive all their financial aid from GBC. Each year students should complete the FASFA and submit it (either electronically or by mail) listing Grace Bible College as the granting institution. Students in the consortium programs are eligible for all applicable federal and state grants. Students are eligible for part or all of the scholarships offered by GBC and should consult the Financial Aid Director for information. Cornerstone and Davenport Universities do not provide any scholarships for financial aid for students in the consortium programs.

Calculation of a student's tuition is based upon where the student takes his/her courses and will be charged tuition at the rate established by the institution(s) he/she is attending. Each semester, Cornerstone and Davenport Universities will send students' bills to Grace Bible College. GBC will then forward tuition payment for all students to their respective university. All financial aid credits and student's personal payments will be applied to the combined account at GBC.

Settlement of Accounts—The balance of tuition, room and board is due in full by August 1 (for Fall Semester) and January 1 (for Spring Semester) either by cash, check, credit card, or verified financial aid. Payment plans are available through NELNET BUSINESS SOLUTIONS—formerly known as FACTS (see e-Cashier on GBC website at www.gbcol.edu).

International students are required to pay for their entire year in advance of their arrival at GBC. The amount due before the student's arrival is determined by estimating class load, room, board, books, fees, and any other known expenses. Any exceptions to this policy must be approved by the Vice President for Business and Finance.

Refund Policy—Students who withdraw from the College or reduce the number of credit hours in which they are enrolled may be eligible to receive a refund upon completion of the proper form(s) from the Registrar's Office. The following refunds will be made on a semester basis:

Tuition—If courses are dropped, the following schedule of tuition refunds applies:

During the first week of the semester – 100% rebate on basis of registered hours;

During the second week of the semester - 75% rebate;

During the third week of the semester - 50% rebate;

After the third week of the semester - no rebate.

If for disciplinary reasons - no rebate.

Room & Food—If a student leaves the dorm and/or drops the meal plan, the following schedule of refunds applies:

During the first week of the semester - 100% rebate less \$100;

During the second week of the semester - 75% rebate;

During the third week of the semester - 50% rebate;

During the fourth week of the semester - 25% rebate;

During the fifth week of the semester - 15% rebate;

During the sixth week of the semester - 10% rebate;

After the sixth week of the semester - no rebate.

If for disciplinary reasons - no rebate.

Continuing Room Deposit—If a student withdraws from school, this deposit is applied toward what is owed the College or it is refunded if the room key has been returned to the Business Office and the room has been left in satisfactory condition.

Private Music Lessons—Tuition will be refunded per regular tuition policy. Any refund of fees will be prorated based on the number of lessons already completed.

Other Fees—No other fees are refundable.

Refund of Title IV Funds—The Financial Aid Office recalculates federal financial aid eligibility for students who withdraw, drop out, or are dismissed prior to completing at least 60% of a semester. Recalculation is based on the percent of earned aid. Contact the Financial Aid Office for further information.

. . . FINANCIAL AID

Application for financial aid is made by submitting the Free Application for Federal Student Aid (FAFSA). The FAFSA can be submitted electronically by going to www.fafsa.ed.gov. However, a paper FAFSA is also available from high school counselors or from the Financial Aid Office at Grace Bible College. To receive full consideration for financial aid, the FAFSA should be submitted by Michigan prospective freshmen no later than February 28.

INSTITUTIONAL SCHOLARSHIPS

A recipient of a GBC institutional scholarship must be enrolled full-time on GBC's campus. However, some scholarships are prorated for being enrolled less than full-time.

Awana Citation Achievers Scholarship—\$1,200 (\$600 per semester) This scholarship is for an incoming student who has received this citation. Recipient must be enrolled full time on GBC campus (awards are prorated for ½ and ¼ time).

Christian Workers' Scholarship—A partial tuition scholarship for GBC classes is available to dependent children enrolled as full-time students of parents who are either full-time: a) GBC faculty and staff, b) pastors of GGF affiliated churches or pastors ordained by the GGF who are pastoring Grace churches (in GGF directory), or c) GGF missionaries who are active in ministry.

Eligible students living at home receive a scholarship of \$1,250 per semester and those living in campus housing and on the food plan receive a scholarship of \$2,500 per semester.

After the fourth semester, a student must have earned an accumulative GPA of 2.00 to remain eligible for this scholarship. A student will be eligible for \$1,250 per semester only if he or she continues at GBC on a full-time basis without interruption.

Non-GGF Full-time Christian Workers' Scholarship—This scholarship program is intended to provide financial assistance to students from families of non-GGF full-time Christian ministry workers whose primary income is from their Christian ministry. Students must be enrolled full-time at GBC, living in campus housing, and on the food plan to be eligible to receive this scholarship of \$1,250 per semester. No discount would be allowed for students living off campus and not on food plan. This scholarship requires a letter from the organization written on their letterhead indicating which family member is employed full-time with the organization.

Church Matching Scholarship---Grace Bible College will match up to \$500/year any scholarship awarded by a student's home church. This match is prorated based on the number of hours in which a student is enrolled.

Early Application Scholarship—A \$500 scholarship (\$250 per semester) is awarded to all entering students who submit their application on or before July 1st prior to their senior year in high school.

Honors Scholarship—This tiered scholarship program is awarded to select first-time freshmen or transfer students with less than 15 credit hours earned. Students must be enrolled full-time (12 hours or more earned on the GBC campus). Application for admission must be submitted by July 1. To determine eligibility, students will receive points according to the following scale:

GPA ... 3.50-4.00 4 points; 3.20-3.49 3 points; 2.60-3.19 2 points; 2.00-2.59 1 point

ACT ... 25-36 4 points; 22-24 3 points; 19-21 2 points; 16-18 1 point

Scholarships will be awarded according to the following scale:

Presidential Scholarship	\$4,500 (\$2,250 per semester)	8 points
Trustee Scholarship	\$3,000 (\$1,500 per semester)	6-7 points
Dean's Scholarship	\$2,000 (\$1,000 per semester)	4-5 points
Faculty Scholarship	\$1,000 (\$500 per semester)	1-3 points

Returning Student Academic Scholarship—To be eligible, a student must be enrolled full-time, 12 hours per semester. However, students who are dually enrolled at Grand Rapids Community College will have their award prorated based on the amount of GBC classes they take. Students must also have successfully completed his or her Christian Ministry requirement, have maintained acceptable chapel attendance (no chapel absences beyond the allowance), and must register for classes by the deadline during the spring semester

Semester GPA	Award
3.70-4.00	\$4,000
3.30-3.69	\$2,500
2.50-3.29	\$1,500

Music Scholarship—A \$4,800 scholarship (\$600 per semester) for students in the music degree programs. This scholarship is available to entering music students based on a typewritten essay and live audition or videotape performance demonstrating musical proficiency. Entry deadline is March 15. Scholarships will be awarded one year at a time and renewed according to criteria set by the Music Division.

Spouses of Married Students—Spouses of full-time students with Junior standing or above are eligible to take one course each semester without cost.

Full-Time GBC Faculty and Staff Members and Their Spouses—May elect one course each semester without tuition and may take additional courses at reduced costs.

STATE SCHOLARSHIPS

State of Michigan Competitive Scholarship—For Michigan residents in non-religious degree programs, by competition. ACT test must be taken by the beginning of one's senior year. Need is determined through FAFSA. See high school guidance counselor for further information.

Michigan Merit Award Scholarship (MEAP)—For Michigan students based on achievement as demonstrated by performance on Michigan's standards assessment tests.

LOANS

Federal Stafford Student Loans—These loans are available to students enrolled at least half-time. The annual maximum for a first-year student is currently \$5,500 (\$3,500 subsidized and \$2,000 unsubsidized). Eligibility is determined through the FAFSA (www.fafsa.ed.gov), and the student must be certified eligible by the College.

Federal PLUS Loans—Available to parents with a good credit history to pay the education expenses for a child who is a dependent undergraduate student enrolled at least half-time. Eligibility is determined through the FAFSA and the student must be certified eligible by the College. See GBC's Financial Aid Office for an application.

GRANTS

Michigan Tuition Grant—For Michigan students in non-religious degree programs only. Need is determined through the FAFSA application.

Michigan Tuition Incentive Program (TIP) Grant—Available to Michigan students who apply before high school graduation, are under the age of 20 and receive Medicaid from the Department of Social Services.

Federal Pell Grant—Available to those who meet requirements. Need is determined through the FAFSA.

Academic Competitiveness Grant—This grant provides up to \$750 for the first year of undergraduate study and up to \$1,300 for the second year of undergraduate study to full-time students who are eligible for a Federal Pell Grant and who had successfully completed a rigorous high school program, as determined by the state or local education agency and recognized by the Secretary of Education. Second year students must maintain a cumulative grade point average (GPA) of at least 3.0.

TEACH Grant—Provides grants of up to \$4,000 per year to students who intend to teach in a public or private elementary or secondary school that serves students from low-income families. Contact the Financial Aid Office for further information.

Federal Supplemental Education Opportunity Grant (FSEOG)—Available to those who meet need requirements. Need is determined through FAFSA.

OTHER FINANCIAL AID SOURCES

Federal Work-Study Program—On-campus employment is available through federal funds for those who meet need requirements. FAFSA is used in determining need.

Michigan Work-Study Program—On-campus employment is available to Michigan students who meet State of Michigan requirements. FAFSA is used in determining need.

Veterans Benefits—Grace Bible College cooperates with the U.S. Department of Veterans Affairs for the training of honorably discharged service members. Veterans who wish to use the benefits should obtain the necessary forms from the nearest office of Veterans Affairs or GBC's Registrar. Veterans will be reimbursed directly by the Department of Veterans Affairs and should plan to pay their account in accordance with GBC's payment schedule.

Vocational Rehabilitation—Applicants with a service-oriented disability handicap should contact the nearest office of Vocational Rehabilitation to learn what assistance is available to them. Benefits are determined according to individual need.

Employment—Working one's way through college provides valuable opportunities for experiencing good use of time and responsible management of personal finances. Many part-time work opportunities are available within walking distance of the campus. Additionally, many students work on campus in the offices, maintenance department, athletic center, library, bookstore, and food service. These positions are filled on the basis of need and ability.

ACADEMIC POLICIES

ACADEMIC DIVISIONS

DEGREES & PROGRAMS

. . . ACADEMIC POLICIES

Academic Semester—Grace Bible College operates on the semester basis. A school year consists of two semesters of approximately fourteen weeks each.

Unit of Credit—The unit of credit is the semester hour. A semester hour typically represents 800 minutes of instruction.

Classification of Students—Official classifications are made by the Registrar's Office at the beginning of each academic semester (fall and spring) for both academic and social purposes. Students are classified on the basis of the following schedule:

FRESHMAN—students having earned less than 28 semester hours of credit

SOPHOMORES—students who have earned 28 semester hours of credit

JUNIORS—students who have earned 56 semester hours of credit

SENIORS—students who have earned 85 semester hours of credit

FIVE-YEAR—students in the BTh program who have earned 116 semester hours of credit

FULL-TIME—students taking 12 or more semester hours

PART-TIME—students taking 11 or less semester hours and formally matriculated

NON-DEGREE—students taking six or less hours or two courses of academic work and who have not formally applied for admission

Course Numbers—Courses numbered 100-299 are Lower Division courses and are generally for freshman and sophomore students. Courses numbered 300-599 are upper Division courses and are generally for junior, senior, and five-year students.

Registration — Registration for students currently enrolled is held in October for the next spring semester and in March for the fall of the next academic year. New students will be contacted regarding their course selections. All students have until the first day of the semester to make changes in their course selections.

Changes in Registration—A student desiring to make a change in his/her schedule after the first day of the semester must obtain a Drop/Add form from the Registrar. Changes are not official until the form is completed, signed by the academic advisor and filed with the Registrar.

A student desiring to add a course after a semester begins must obtain permission from the course instructor before filing a Drop/Add form with the Registrar. No course may be added after the first week of the semester without the approval of the Academic Dean.

Any course dropped during the first week of the semester will not be entered on a student's academic record.

Any course dropped after the first week of the semester will be recorded on the student's academic record as **W**—withdrew passing or **WF**—withdrew failing.

Any student who discontinues attending a course and completing assigned work without officially withdrawing with the Registrar's office will receive a failing grade.

Academic Advising—Academic advising is provided to allow an ongoing series of consultations between students and an academic advisor. Therefore, every student admitted to the College is assigned to an academic advisor.

Advisors are available to offer counsel to students regarding academic policies and procedures, in registering for courses each semester, in checking progress toward obtaining their degree and in matters relating to personal and spiritual growth.

While advisors and advisees share in the advising process, *each student is responsible for meeting his/her educational goals and satisfying graduation requirements*. Students whose career goals will require them to transfer to another four-year college following work at GBC should be sure to inform their academic advisor of their intentions as early as possible so that consideration can be given to transfer requirements. Students will be expected to provide a catalog of the college to which they expect to transfer.

Attendance— Grace Bible College believes that regular attendance and participation in classes are essential for learning. Therefore, excessive absenteeism is viewed as a very serious matter that may result in a failing grade. However, we also recognize that circumstances sometimes prevent students from attending classes. Students are expected to monitor their class attendance. Specific details on the attendance policy are found in the course syllabus and the *Student Handbook—Section Six: Responding to Academics*.

Grading System—Grade point Average (GPA) is determined on a 4-point system. Grades and grade points are assigned as follows:

A	4.0 grade points	C	2.0 grade points
A-	3.7 grade points	C-	1.7 grade points
B+	3.3 grade points	D+	1.3 grade points
B	3.0 grade points	D	1.0 grade points
B-	2.7 grade points	D-	0.7 grade points
C+	2.3 grade points	E	0 grade points
I	Incomplete—0 grade points		
W	Withdrew (no penalty)		
WF	Withdrew/Failing—0 grade points		
P	Satisfactory—0 grade points; credit earned equivalent to C or better		
R	Course repeated (difference in grade points from first course taken)		
U	Unsatisfactory—0 grade points; no credit earned		
XF	The grade of XF is given for plagiarizing, cheating on a test or in other ways which flagrantly violate academic integrity—0 grade points; no credit earned		

Incompletes—A semester's work is designed to be completed within the semester. If a student fails to complete all the course requirements, faculty may, if they consider a student's reason valid, give a grade of I or Incomplete. In situations warranting the use of "I," the work must be completed within four weeks following the close of the semester.

Grade Reports—Grade reports are issued by the Registrar's Office at the end of each semester and mailed to the student—and to parents, with the student's approval.

Dean's List—Following the end of each semester, the College will prepare and publish a list of those students who have successfully completed a minimum of 12 graded semester hours with no grade lower than a C, and with a minimum grade point average of 3.30. Students achieving an overall grade point average of 3.30 to 3.69 will receive Honors recognition; those individuals achieving a grade point average of 3.70 to 4.00 will receive High Honors recognition.

Academic Success—Each student admitted to Grace Bible College is expected to have make satisfactory progress toward achieving his or her academic goal(s). Individuals whose previous preparation and experience prior to coming to GBC give indication they may experience some difficulty with the academic program will be placed in the Academic Support program during that first semester. The requirements for the Academic Support program include being enrolled in GE 099, as well as being limited to 14 credit hours (except with the permission of the Academic Dean). Students must demonstrate satisfactory progress as described under Satisfactory Academic Progress.

Satisfactory Academic Progress—Students are expected to maintain satisfactory academic progress according to the following schedule:

Total Semester Hours Attempted	Semester GPA for Academic Probation	Cumulative GPA for Academic Suspension
12-18	1.50	1.00
19-37	1.75	1.25
38-56	2.00	1.50
57-86	2.00	1.70
87+	2.00	1.85

Academic Probation—The purpose of probation is not designed to punish, but rather to serve as an indication to the student that he or she is not progressing at a satisfactory rate toward graduation. The following guidelines govern academic probation:

1. Any student who does not earn the prescribed semester GPA for his or her work at Grace Bible College will be placed on academic probation and required to enroll in GE 099.
2. The Registrar will notify each student placed on academic probation at the close of the semester.
3. A student on academic probation will not be allowed to carry more than 14 credit hours (except with the permission of the Academic Dean).
4. During the probationary period, the student's eligibility for extracurricular activities may be restricted as determined by the Academic Dean.
5. A student will be released from academic probation upon achieving the prescribed semester GPA.

Academic Suspension—The following guidelines govern academic suspension:

1. Any student who fails reach the cumulative GPA required to demonstrate satisfactory academic progress will be academically suspended for the next semester.
2. A student who is academically suspended will not be allowed to enroll in any courses offered by Grace Bible College during the next semester.
3. A student on academic suspension for the first time may be re-admitted to GBC after sitting out one semester by completing an Application for Readmission. If this application is approved by the Admissions Committee, this student would reenter GBC on academic probation.
4. Any student academically suspended for a second time must petition the Educational Policies Committee for readmittance after sitting out one semester. This petition must include evidence that the difficulties previously encountered have been overcome and that completion of degree requirements can reasonably be expected. The decision of the Educational Policies Committee is final, with no right to appeal.

5. A student who becomes academically suspended because of extenuating circumstances may appeal this decision to the Educational Policies Committee. A student's participation in GE 099 will be an important consideration when making this determination.

Grievance Procedure—If a dispute involving an academic issue occurs, the student and faculty member should try to resolve their differences through a private conference. Should such efforts fail, the student may request a meeting with the Grievance Committee, a standing committee composed of the Academic Dean and two students appointed by Student Government, to assist the student and faculty member in resolving this matter. If there is no satisfactory outcome at this meeting, the student may submit a written appeal to the Educational Policies Committee for final resolution.

Transcript Service—A permanent record of dates of attendance, courses taken, and grades earned is kept by the Registrar for each student. Copies of student transcripts can be sent to other institutions and organizations upon written request by the student. Each official copy costs \$5.00 payable in advance. Transcripts will not be sent to other institutions until all obligations to the library, residence halls, Registrar's Office, and Business Office are met. Students may receive an unofficial copy of his/her transcript for personal use by contacting the Registrar's Office. There is no cost for this service.

Credit and Advanced Standing by Examination—A student may be granted academic credit or advanced standing on the basis of examination. Credit or advanced standing can be acquired by the following means:

1. Grace Bible College will grant credit to students with scores of 3 or higher on an Advanced Placement (AP) examination conducted by the College Board. Students should arrange to have their AP scores sent to the Registrar's office. The AP college code number for GBC is 0809.
2. Credit is granted for subject examinations offered by the College Level Examination Program (CLEP); however, no college credit is granted for the CLEP general examinations. Required minimum scores are available on request from the Registrar's office. The CLEP college code number for GBC is 1265.
3. Veterans can also earn credit through Defense Activity for Non-Traditional Education Support (DANTES) Subject Standardized Tests (DSST) with scores meeting or exceeding the score requirements provided by the American Council on Education.
4. Two placement tests will be offered by Grace Bible College: (1) Old Testament Bible Knowledge, and (2) New Testament Bible Knowledge. These tests will be offered on specified dates just prior to the beginning of each semester. A student must take the exam on this date or enroll in the class that semester. If a student passes a knowledge exam, he or she is granted "advanced standing" and will be permitted to take upper division classes in the specific cognate area (Old or New Testaments). *In the event "advanced standing" is earned, students seeking a bachelor's degree will still be required to complete 30 hours of Bible and Theology as specified in the core. Students seeking an associate's degree will still be required to earn the number of Bible and Theology credits specified by their degree.*

Graduation Requirements—The requirements for graduation from Grace Bible College are based on the philosophy of education subscribed to by the Board, Administration, and Faculty. Specific course requirements are listed in this catalog for each degree program.

Practicum—Grace Bible College believes that growth and development should include more than academic preparation. Classroom instruction should be supplemented with on-the-job training and experience. A practicum is required for graduation in some of our degree programs.

Bachelor of Theology—Students wishing to receive a Bachelor degree must apply for permission to pursue this degree. This process normally occurs at the end of the sophomore year when all lower division requirements have been met, and includes specific inventories or tests as well as an interview by an ad hoc committee under the direction of the Ministry Studies Division. The interview will focus on the student’s calling to ministry, gifts, interests, suitability, student ministries, church involvement, self-assessments, etc. After the final BTh interview the Ministry Studies and Biblical Studies faculty will notify the student of his evaluation and suitability for ministry in his chosen field.

If permission is granted to pursue the Bachelor of Theology degree, the student will be linked with a pastor, youth pastor or missionary who will act as a mentor during the student’s remaining years of study. The student will also complete a number of required field experiences which will provide additional co-curricular opportunities furthering their preparation for ministry.

Internship—Individuals pursuing a Bachelor of Theology degree and preparing for professional ministry will be required to participate in an internship experience at a church under the guidance of the professional minister(s) and the College internship administrator.

Degree-Hour Requirements (At least 50% of hours needed to earn a degree must be taken at GBC)

AA	64 hours	ARE	64 hours
BS	124 hours	BMus	124 hours
BTh	158 hours	BRE	Varies

Petitioning for Graduation—Students wishing to graduate at the end of the spring semester must submit an “Application for Degree” to the Registrar’s Office the preceding spring semester. This is not an automatic process; students must petition for graduation.

Participation in Commencement—Candidates for degrees are expected to participate in the commencement service in the spring of the year. Graduation is one of the few public celebrations of a student’s entire educational process. While graduates occupy center stage, the annual commencement ceremony is about the success of the whole. Education at GBC is not an isolated or individualized experience. The College is maintained not only by the fees a student pays, but also by sacrificial gifts from many donors who believe in the mission of Grace. The Board, Administration, faculty and staff of the College likewise serve sacrificially in many ways. The graduation fee is non-refundable, as it helps to underwrite the expenses of this celebration.

Grade Point Average—A minimum 2.00 grade-point average is required for all degree programs. BTh graduates must have a 2.50 in both their upper-division Bible and Theology courses and in their field of emphasis (Pastoral Ministry, Youth Ministry, or Missiology.) Candidates for the Teacher Education program with Cornerstone University must have an accumulative grade-point average of 2.50.

Christian Ministry Program—The Christian Ministry Program is designed to become the extension of classroom learning translated into active participation in churches, on campus and in the local community. Fulfillment of Christian Ministry requirements is a condition of graduation. See *Student Handbook – Section Seven: Responding To Christian Ministry* for further details.

Assessment Activities—Because of its desire to improve the quality of the education and

. . . ACADEMIC DIVISIONS

The academic structure of Grace is divisional, meaning that most course work is taken under one of three divisions, each emphasizing particular branches of the overall curriculum:

Arts & Sciences

Humanities
Music
Natural Sciences
Social Sciences

Biblical Studies

Bible
Biblical Languages
Biblical Literature
Theology

Ministry Studies

Christian Education
Intercultural Studies
Practical Theology
Youth Ministry

Division of Arts and Sciences

The Division of Arts and Sciences is designed to provide students with a framework for a lifetime of continued learning and enlargement of the mind. The division aims at stimulating an appreciation of and a thirst for knowledge. Research, critical thinking and communication skills are emphasized in order to develop enriched personal and social effectiveness and responsibility. It includes a study of all of life, combining a sense of understanding from all branches of knowledge, into a coherent view or philosophy of living.

Division of Biblical Studies

The Division of Biblical Studies is designed to encourage and help students formulate for themselves a clear understanding of the overall content and flow of biblical revelation and dispensational changes through direct encounter with the biblical text. It also endeavors to aid students to develop a system of theology built upon the raw materials of biblical revelation. In all their studies, students are encouraged to relate biblical concepts and ideas to everyday life as a practical outworking of their knowledge of God and His Word.

Division of Ministry Studies

The Division of Ministry Studies is designed to prepare men and women for Christian ministry. Whether their service takes them to a professional ministry in a local church or on the mission field, a parachurch organization, or to lay ministry in the local church while working in their chosen career field, Grace Bible College is committed to giving students the training necessary to equip them to fulfill their commitment to God, to His church, and to society.

. . . DEGREES & PROGRAMS

THE ASSOCIATE DEGREE PROGRAM

The Associate degree is awarded upon the satisfactory completion of two years of prescribed academic work. Three program options are available:

Degree	Concentration
Associate of Arts (AA)	General Studies Business
Associate of Religious Education (ARE)	General Religious Studies

THE BACHELOR OF SCIENCE DEGREE PROGRAM

The Bachelor of Science degree is awarded upon the satisfactory completion of four years of prescribed academic work. This program is designed for students desiring 1) a general Bible college education, 2) initial and basic preparation for church, parachurch, or other educationally related occupations, or 3) a foundation for graduate study.

Degree	Concentration
Bachelor of Science (BS)	Biblical Studies Early Childhood Education Human Services Interdisciplinary Studies Intercultural Studies Youth Ministry

THE BACHELOR OF MUSIC DEGREE PROGRAM

The Bachelor of Music degree is awarded upon the satisfactory completion of four years of prescribed academic work. The program is designed for students choosing to prepare for a career in worship arts or worship media.

Degree	Concentration
Bachelor of Music (BMus)	Worship Arts

THE BACHELOR OF RELIGIOUS EDUCATION DEGREE PROGRAM

The Bachelor of Religious Education degree is awarded upon the satisfactory completion of at least four years of prescribed academic work as part of a cooperative education program.

Degree	Cooperating School
Bachelor of Religious Education (BRE)	Davenport University Cornerstone University

Davenport University—Because of the increasing interest in business and technology as career choices, Grace has established a cooperative program with Davenport University whereby an individual may earn a Bachelor of Religious Education from GBC and a second bachelor's degree from Davenport. Most arts and sciences, along with biblical and theological studies will be taken at GBC. At Davenport University, students may select from

majors such as Accounting, Finance, International Business, Management, Marketing, Computer Information Systems, Computer Networking, Network Security, Biometric Security, Sports Management, Health Care Services, and Paralegal Services.

Cornerstone University—Grace Bible College enjoys an expanded relationship with Cornerstone University, which allows GBC students to be dually enrolled at both schools in a variety of different degree programs. (Contact the Registrar’s Office for further information.) Students enrolled in these programs will earn a Bachelor of Religious Education from GBC and a second bachelor’s degree from Cornerstone University. The Teacher Education program, the signature degree program of this agreement, is highlighted in the pages following. This program recognizes the opportunities for Christian service through a teaching ministry in both public and private schools. Arts and sciences, biblical studies and some courses in the major or minor will be taken at GBC. Courses for completing one’s major or minor and the professional educational sequence for elementary or secondary education will be completed at Cornerstone University. Successful completion of this Teacher Education program entitles students to apply for certification from the State of Michigan.

THE BACHELOR OF THEOLOGY DEGREE PROGRAM

The Bachelor of Theology degree is awarded upon the satisfactory completion of five years of prescribed academic work. This program is designed for those students choosing to prepare for professional ministries in the pastorate, missions and youth ministry. The BTh degree program includes preparation for ordination for those desiring to be ordained by the Grace Gospel Fellowship.

FOUNDATIONS

Are you not really sure which degree to pursue? Do you want to get a solid biblical foundation before continuing further studies? Do you want to discover God's will for your life? If so, then Grace Bible College is the place for you! In addition to opportunities to be involved in service, participating in athletics, or just making lifelong friends, your studies will allow you to complete an Associate's degree, as well as to focus on several key areas:

- The Arts and Sciences ... You will be able to further your knowledge and understanding of the subjects that are foundational to all higher education, including history, psychology, oral and written communication, and the fine arts. The credits you earn can be used anywhere you choose to study in the future. Even if you do not continue your studies, these courses are important to understanding the world and the people around you.
- The Bible and Theology ... Grace Bible College believes in *biblical* higher education. Recognizing that God is the source of all truth, we seek to teach every subject in light of the truths of Scripture. This is especially true of our courses in Bible and theology. At Grace, you will learn about the Bible and the Christian life, as well as have opportunities to learn such practical skills such as witnessing and teaching the Word of God.
- Electives ... For the remainder of your studies, you will be able to choose classes in areas of interest. With the help of caring and competent advisors, you will be able to plan a course of study that allows you to examine several different majors ranging from Intercultural Studies and Youth Ministry to courses in Human Services or Worship Arts. These courses can also be used to complete a four-year degree.

Courses

At the heart of every degree program at Grace Bible College is the *Grace Experience*, a two-credit course incoming students take when they first arrive on campus. This is much more than a time for orientation, as you will be introduced to the heart and soul of GBC, that is, those key learning outcomes that will guide your studies while at Grace. That, along with some fun activities, will result in an unforgettable time with your new friends.

Here is a partial list of other classes you will be taking as you earn an Associate's degree:

PASTORAL OR BIBLICAL STUDIES

If you believe God is calling you into full-time pastoral ministry, it is vital that you seek a place that is committed to providing solid biblical and theological instruction, as well as practical, hands-on experience. Grace Bible College offers two paths you may choose to pursue:

- The Bachelor of Theology degree in Pastoral Ministry is a five-year program of study that was originally designed to prepare men for licensing and ordination in the Grace Gospel Fellowship. While we remain committed to that end, the college also embraces the opportunity to prepare men and women for vocational ministry in other evangelical churches by equipping them for service and further study, as well as providing them solid biblical higher education in a climate of mutual understanding and respect.
- The Bachelor of Science in Biblical Studies, a four-year program of study, provides an opportunity for students to develop a program of study designed for their personal needs, academic interests and career objectives with particular emphasis on preparing the student for seminary training. This program is designed to give students exposure to the foundational areas of general education, a basic understanding of Bible and theology, and preparation for further studies at the seminary level.

“So what program should I choose?” The choice is entirely yours to make. Both will help to prepare you for a lifetime of service. One advantage to the Bachelor of Theology degree is that you will be linked with a mentoring pastor or ministry leader throughout your time of study. More importantly, the fifth year includes a six month internship in which you will be totally immersed in ministry away from the campus. Recent graduates have served internships in the states of Washington, Pennsylvania, and Florida, as well as in other countries like Zambia. Some students, however, have chosen to forego that fifth year in order to get a head start on their graduate studies. The programs of study at Grace Bible College provide you with the flexibility to choose what best works for your interests and needs.

Courses

Both the BTh and BS degree programs build on the strengths of the Associate’s degree (see [Foundations](#)). This includes the *Grace Experience*, a course that introduces all incoming students to the key learning outcomes that will transform your life! Then there are even more course in Bible, theology, and biblical languages:

- Old Testament Studies (The Pentateuch, Historical Books, Wisdom, and Prophecy)
- New Testament Studies (The Life of Christ, Acts, the Letters of Paul, and Jewish Christian Literature)
- Theological Studies (Studies in systematic and dispensational theology)
- Biblical Languages (Greek and Hebrew)
- Special topics of interest, including a possible study trip to Israel!

These programs are then filled with practical experiences focusing on providing you with the knowledge and skills you will need in ministry, especially in regards to preaching and teaching. Preaching labs like Life-Situation Preaching, Evangelistic Preaching, Expository Preaching, and Doctrinal Preaching will help you to gain the experience you will need in the future. Best of all, you will be taught by godly men who are committed to pouring themselves into the lives of their students through discipleship and mentoring relationships.

YOUTH MINISTRY

It takes more than a guitar and fun activities to be effective in today's youth culture. Young people need godly examples who are able to understand their struggles and then point them to the Word of God, the one sure rock during turbulent times. If this opportunity excites you and you feel up to the challenge, be sure to check our Youth Ministry degree programs.

Coming to Grace to study youth ministry has several distinct advantages. First, our faculty practice what they preach! With years of experience in successful ministry, our instructors want to pass these lessons on to you. Second, our many ministry options will provide you with immediate opportunities to be get involved in the lives of students. And best of all, you will be equipped to become the kind of leader youth will trust and respect.

Degree Programs

Our Bachelor of Science in Youth Ministry is a four-year program of study designed to prepare you for a position in a church or parachurch ministry. Our graduates are working in churches, camps, and organizations like YFC that are dedicated to serving the needs of youth. Others are furthering their studies in graduate programs in order to become even more prepared. You can also pursue our Bachelor of Theology degree in Youth Ministry, a five-year program that includes an intensive internship experience (See [Pastoral Ministry or Biblical Studies](#) for further information). Which program should you pursue? That choice is up to you!

Courses

Both the BTh and BS degree programs build on the strengths of the Associate's degree (see [Foundations](#)). This includes the *Grace Experience*, a course that introduces all incoming students to the key learning outcomes that will transform your life! Then there are even more course in Bible and theology that will give you a better understanding of the Word of God including a study of the Gospels, Pauline Theology and Literature, as well as special topics of interest that could include a trip to Israel! As a Youth Ministry major, here are some of the courses you will be taking:

INTERCULTURAL STUDIES

Has God called you to minister in other cultures either here or abroad? Do you want to share the Gospel perhaps where the Name of Christ has not been heard? Would you like to work with the leaders of indigenous churches so that they can reach their communities and cultures? If this is your God-given passion, then you should consider attending Grace Bible College! The mission of our Intercultural Program is to develop servants of Jesus Christ who are sensitive to other cultures and able communicators of the Gospel. With many of our leaders experienced missionaries, and with the presence of Grace Ministries International on our campus, you will learn not only the theory, but more importantly the practical skills you will need to serve wherever Christ leads you.

Degree Programs

The Bachelor of Science in Intercultural Studies is designed to give the student an understanding of the biblical, theological and historical foundations of missions, to develop skills necessary for cross-cultural ministry and to be encouraged and challenged for the task of world evangelism. In addition to this four-year course of study, you may also pursue the Bachelor of Theology degree, used primarily to prepare men for licensing and ordination with the Grace Gospel Fellowship.

Courses

Both the BTh and BS degree programs build on the strengths of the Associate's degree (see Foundations). This includes the *Grace Experience*, a course that introduces all incoming students to the key learning outcomes that will transform your life! WORSHIP ARTS

Worship is an important part of the culture at Grace Bible College, as we gather together each week to sing praises to the Lord and then to learn from His Word. However, worship is more than the songs we sing. It is about our lives and our loves. It is the presentation of our lives as reasonable or spiritual acts of worship. It is an acknowledgement that the Lord alone is worthy of our praise! Therefore, we embrace *every* opportunity to worship as the people of God! For those with special musical talents we have a number of opportunities for everyone to be involved:

Ensembles ... You can join vocal, instrumental, and worship ensembles, as well as the Grace Singers, an elite traveling ensemble that represents the College from coast to coast. These ensembles are available to students in any degree track.

Lessons ... Group classes in piano or guitar are available to the beginning musician. For those with more experience, private lessons in piano, guitar or voice can be arranged.

Our core requires a fine arts elective for every student. This can be fulfilled by participating in lessons or ensembles or through interactive courses in the fine arts that often include trips to museums and concerts. The choice is yours!

Degree Programs

Perhaps you are a more serious music student who would like to serve as a worship leader in a local church or ministry. If so, you will want to consider our Bachelor of Music degree with an emphasis in Worship Arts. This degree introduces students to the essential concepts and skills every musician needs to know. More than that, it seeks to transform students into mature practitioners and leaders of excellent music and quality, Christ-centered worship.

Courses

The Bachelor of Music degree builds on the strengths of the Associate's degree (see [Foundations](#)). This includes the *Grace Experience*, a course that introduces all incoming students to the key learning outcomes that will transform your life! Then there are even more courses in Bible and theology, you will learn more about the Word of God and how it applies to every area of life. The Worship Arts major includes the following courses:

- You will study foundational courses that will help you develop your understanding of the essential concepts, including music theory and aural perception. If you lack the necessary background, there will be a special course intended to prepare you with the knowledge and skills you will need to succeed.
- There are courses specifically intended to address the heart of worship that will help you to develop the theology and philosophy behind meaningful worship. You will also learn practical skills that you can use in leading worship.
- Your degree will also include courses in audio and video technology that will focus on using these tools in enhancing the worship experience. More than that, they will help you keep the focus on the Lord, the object of our praise and worship.

Human Services

One of the fastest growing professions relates to the service industry, especially in response to the human condition. No one is more prepared to meet this need than the Christian who is able to apply the principles of the Word of God and the knowledge and skills gained in a Human Services program. Grace Bible College considers human services to be a profession and an area of study that is concerned with efforts to aid people in fulfilling their emotional, mental, physical, social and spiritual needs. The Human Services major is designed to provide an understanding of helping and healing relationships. The curriculum is interdisciplinary, designed to prepare students for entry-level work in a variety of social agencies after graduation. More advanced degrees may lead to professional administrative and clinical positions. Students will gain practical skill and knowledge during their practicum experience in a local agency.

Courses

Like every other program of study, the Bachelor of Science in Human Services builds on the strengths of the Associate's degree (see [Foundations](#)). This includes the *Grace Experience*, a course that introduces all incoming students to the key learning outcomes that will transform your life! Then there are even more courses in Bible and theology, you will learn more about the Word of God and how it applies to every area of life. The Human Services major includes the following courses:

Abnormal Psychology
Social Psychology
Adult Psychology
Statistics

Principles of Sociology
Cultural Diversity
Marriage and Family
Theories and Foundations in Counseling
Seminar in Counseling
A full year of practicum experience

EDUCATION

If you are interested in a teaching career, then you should consider either of the degree programs in education offered at Grace Bible College. These programs are offered as part of our cooperative arrangements with nearby colleges and universities with whom we enjoy a rich partnership.

Elementary and Secondary Education

Through our cooperative arrangement with Cornerstone University, you will have opportunity to develop the knowledge, skills and disciplines necessary for a career in elementary and secondary education. Students satisfying the program requirements will receive a Bachelor of Religious Education degree from GBC and a Bachelor of Arts from Cornerstone University. This degree program affords students the means to achieve:

1. A developed and integrated Christian philosophy which will guide their living, learning and teaching.
2. Mastery of the essential academic skills of critical thinking and communication.
3. Enrollment in a carefully sequenced program designed to help them master subject specific teaching methods.
4. Familiarity with technological applications to assist them in preparing and presenting effective classroom teaching and management.
5. Opportunities for practical experience through observing, aiding, and teaching.
6. A firm grasp of foundational biblical knowledge through a strong Bible and theology emphasis.

Upon graduation, you will be entitled to apply for certification from the State of Michigan and/or states which grant reciprocal certificates to Michigan graduates.

Early Childhood Education

The Bachelor of Science in Early Childhood Education, offered in cooperation with Grand Rapids Community College, is designed to prepare students for roles as teachers, directors and supervisors in day-care centers, nursery schools and other pre-kindergarten educational settings. Opportunities are available for the student to study and observe children of various ages, to assist in teaching in early childhood settings and to gain understanding of the dynamic process of physical, psychological, social and intellectual development. Specifically, the program addresses the relationship of affective and cognitive learning, physical and intellectual development, acculturation and socialization, school and home environments and curricula for young children.

Like other programs of study, both of these degrees build on the strengths of the Associate's degree (see [Foundations](#)). This includes the *Grace Experience*, a course that introduces all incoming students to the key learning outcomes that will transform your life! Then there are even more courses in Bible and theology where you will learn more about the Word of God and how it applies to every area of life.

ELEMENTARY EDUCATION PROGRAMS

In addition to the Language Arts Major detailed below, there are a number of other majors available through our partnership with Cornerstone University. These include English, History, Integrated Science, Social Studies, K-12 Learning Disabilities, and K-12 Physical Education. BUSINESS

A cooperative arrangement with Davenport University allows Grace Bible College students to earn two bachelor degrees: a Bachelor of Religious Education degree from GBC as well as a second bachelor's degree from Davenport University. The dual-degree program is designed to prepare students for higher-level career work in a variety of business and business related fields. Students will learn to think creatively and recognize opportunity in a dynamic economy. A biblical worldview and Christian character formation will enable students to excel in both their career field and in civic responsibility.

In addition to the Bachelor of Business Administration in Management detailed below, students may select from a variety of other majors offered at Davenport University. For further information about the degree options, you should contact the GBC Registrar. *Italics* indicate courses taken at Davenport University.

WA—WORSHIP ARTS

WA 111 Foundations of Worship 3

This course provides a biblically-based understanding and definition of worship as exemplified through worship experiences in the Old and New Testaments. Purposefully scheduled as the initial course in the Worship Arts program, it seeks to lay a foundation for all other courses that build upon core worship principles of excellence, service, sacrifice, commitment, and humility, etc.

WA 321 Leading Worship 3

This course addresses the characteristics and responsibilities associated with being a proficient worship leader. It integrates learning in multiple areas such as music, theology, Bible, leadership, interpersonal communication, and decision-making as they relate to the preparation and implementation of worship. Students will get practical experience leading worship for various campus and small group meetings, and community and local church functions, etc. *Prerequisite: WA 319 and WA 320*

WA 322 Songwriting for Worship 3

This course provides students with hands-on opportunities to write and record their own original songs using professional MIDI and audio recording software. Emphasis is placed on the creation of theologically rich and doctrinally accurate worship songs appropriate for use in campus chapel services and in WA 350 Junior and WA 450 Senior Worship Programs. Final songwriting projects will be compiled into a class CD of worship songs with potential for duplication and dissemination to College constituents. A review of standard song forms and significant Christian artists and their songwriting styles will be incorporated into the class.

WA 350 Junior Worship Program 1

Students will lead a 20-minute worship program that involves all aspects of planning, rehearsing, leading, and implementing worship. Students must demonstrate the ability to integrate a variety of instrumentation and media (i.e., lighting, sound, video, presentation software, etc). This is a faculty-supervised activity with a balance of both traditional and contemporary music styles appropriate for worship. A final reflective paper of the entire experience and a DVD recording of the event will be submitted to the Worship Arts Program Chair.

WA 450 Senior Worship Program 1

Students will lead a 40-minute worship program that involves all aspects of planning, rehearsing, leading, and implementing worship. Students must demonstrate the ability to integrate a variety of instrumentation and media (i.e., lighting, sound, video, presentation software, etc). This is a faculty-supervised activity with a balance of both traditional and contemporary music styles appropriate for worship. A final reflective paper of the entire experience and a DVD recording of the event will be submitted to the Worship Arts Program Chair.

WA 459 Worship Arts Practicum 3

A faculty-supervised practicum, this is an essential capstone experience required of all Worship Arts students whereby students identify a local church, arrange his or her practicum with a church supervisor, and participate in a worship arts leadership capacity for one semester (8-10 hours/week time commitment/semester). The practicum is designed to aid in developing ministry attitudes, role and responsibilities, and leadership skills vital to worship arts needs within a local church.

Harmonic Practices

The following five Harmonic Practice courses (i.e., WA 112, WA113, WA 215, WA 217, and WA 319) explore the essential music theory elements found in Western Art music and various forms of popular music including contemporary worship music. The course sequence begins with WA 112 Foundations of Music that details pitch notation, time classification, note and rest values, time signatures, intervals, scales, key signatures, and triads. WA 113 revisits topics presented in WA 112 and builds upon this music theory foundation to include triads in root position, doubling and spacing, voice leading considerations, and triad inversions. WA 215 continues with seventh chords, phrase structure and cadences, nonharmonic tones, harmonization of melodies, nondominant seventh chords, and secondary dominant and secondary leading tone chords. WA 217 details modulation to closely related and foreign keys, neapolitan sixths, altered dominants, diminished sevenths, chromatic third relations, and 9th, 11th, and 13th chords. Throughout each of these theory courses, musical score examples and analysis will blend traditional theory concepts with contemporary practices. Furthermore, listening examples will aurally demonstrate the application of traditional music theory elements in Western Art Music and in various popular musical styles. In the final theory course (WA 319), students will explore popular music theory practices including extended intervals, scales and modes, extended harmony, chord-scale relationships, diatonic and chromatic harmony, harmonic substitution, and improvisation skills. These five courses will provide multiple learning opportunities for students to assimilate a working knowledge of the majority of harmonic practices within all tonal music.

WA 112 Foundations of Music **2**

Introduction to a knowledge base and essential elements found within tonal music.

WA 113 Harmonic Practices I **3**

Continuation of knowledge base and application of music theory skills developed in WA 112.
Prerequisite: WA 112 or demonstrated music theory proficiency

WA 215 Harmonic Practices II **3**

Continuation of knowledge base and application of music theory skills developed in WA 113.
Prerequisite: WA 113

WA 217 Harmonic Practices III **3**

Continuation of knowledge base and application of music theory skills developed in WA 215.
Prerequisite: WA 215

WA 319 Harmonic Practices IV **3**

Continuation of knowledge base and application of music theory skills developed in WA 217 with an emphasis on various forms of popular music including jazz, pop, and contemporary worship, etc.
Prerequisite: WA 217

Musicianship

Practical musicianship skills including ear training, critical listening, sight singing using the moveable “do” Solfege system in all major and minor keys, transcriptions, intonation, rhythmic dictation, error detection, identification of song form and instrumentation, and melodic and harmonic dictation. These courses are designed to be taken concurrently with corresponding Harmonic Practices courses (i.e., WA 113 & 114, WA 215 & 216, WA 217 & 218, and WA 319 & 320). WA 114 introduces students to the moveable “do” Solfege system for pitch identification in tonal music. It also explores intonation, rhythmic dictation, melodic and harmonic intervals, scales, critical listening, and error detection. WA 216 builds on this foundation in the areas of sight singing, critical listening, rhythmic dictation, melodic and harmonic dictation, and error detection. WA 218 continues with advanced sight singing, critical listening, rhythmic dictation, melodic and harmonic dictation, identification of song form and instrumentation, and error detection. WA 320, the final course in the musicianship course sequence, includes advanced sight

singing and error detection, but emphasizes full transcriptions (i.e., key, meter, form, instrumentation, measure numbers, and chord symbols) of songs in various popular styles.

WA 114 Musicianship I 2

Introduction to knowledge base and application of musicianship skills. To be taken concurrently with WA 113. *Prerequisite: WA 112 or demonstrated musical proficiency*

WA 216 Musicianship II 2

Continued application and development of musicianship skills established in WA 114. To be taken concurrently with WA 215. *Prerequisite: WA 114*

WA 218 Musicianship III 2

Continued application and development of musicianship skills established in WA 216. To be taken concurrently with WA 217. *Prerequisite: WA 216*

WA 320 Musicianship IV 2

Continued application and development of musicianship skills established in WA 218. To be taken concurrently with WA 319. *Prerequisite: WA 218*

Media and Technology

WA 323 Music Technology 3

Provides students with the technological tools and hands-on experience necessary for producing professional audio files, musical arrangements, and printed sheet music using MIDI computer workstations. The course explores multi-track sequencing, editing, mixing, auto-accompaniment, and music score creation using Reason, Band-in-a-Box, and Finale software programs. *Prerequisite: WA 217 and WA 218*

WA 324 Audio Production 3

Provides students with the technological tools and hands-on experience necessary for producing professional audio recordings. The course explores multi-track audio recording, editing, mixing, and file management skills using Avid's Pro Tools software program.

WA 325 Video Production 3

Provides students with the technological tools and hands-on experience necessary for producing professional videos. The course explores shooting videos, importing media, editing, and finalizing movies using Avid's Pinnacle Studios software program.

Applied Lessons

Applied piano, voice, drums, and guitar lessons are available with qualified instructors who model and teach proper technique and encourage overall competent musicianship. Students taking applied lessons will receive 13 individual half hour lessons each semester. As part of our departmental assessment plan, individual end-of-semester performances before the entire worship arts faculty are required for all students enrolled in applied lessons regardless of their major. There is an additional fee for applied music lessons.

Worship Arts students are required to be enrolled in private lessons every semester during their full-time enrollment in the Worship Arts Program. In addition, all Worship Arts students are required to demonstrate a minimum piano proficiency through **one** of the following ways: (a) complete one year of WA 105 Applied Piano Lessons, (b) complete WA 164 Intermediate Group Piano, or (c) demonstrate proficiency through examination with the Worship Arts piano faculty member.

WA 105 Applied Piano Lessons 1

WA 106 Applied Voice Lessons 1

WA 109 Applied Drum Lessons 1

WA 110 Applied Guitar Lessons 1

Group Piano and Guitar Instruction

WA 161 Beginning Group Guitar 1

Foundational guitar instruction in a classroom setting that introduces students to proper left and right hand positioning, fretboard knowledge, basic chording, strumming, note-reading using the open strings and natural first position notes, picking techniques, tuning methods, and playing simple songs in standard guitar keys. Students with no guitar experience or limited, but developing, guitar experience will be directed to sign up for this course rather than WA 110 Applied Guitar Lessons.

WA 162 Intermediate Group Guitar 1

Intermediate guitar instruction in a classroom setting that builds upon the skills developed in WA 161 Beginning Group Guitar. Emphasis is placed on proper left and right hand positioning, expanded fretboard knowledge, note-reading using the open strings and all first position notes, chording using basic and advanced chords, strumming patterns, picking techniques, tuning methods, and playing simple and moderately difficult songs. *Prerequisite: WA 161 or by permission of the instructor*

WA 163 Beginning Group Piano 1

Foundational piano instruction in a classroom setting that introduces students to proper left and right hand positioning, technique development, basic scales, arpeggios, note-reading, basic chords, and playing

simple songs. Students with no piano experience or limited, but developing, piano experience will be directed to sign up for this course rather than WA 105 Applied Piano Lessons.

WA 164 Intermediate Group Piano **1**

Intermediate piano instruction in a classroom setting that builds upon the skills developed in WA 163 Beginning Group Piano. Emphasis is placed on proper left and right hand positioning, expanded keyboarding technique, scales, arpeggios, note-reading, chording, and playing moderately difficult songs. *Prerequisite: WA 163 or by permission of the instructor*

YM — YOUTH MINISTRY

YM 121 Introduction to Youth Ministry **3**

An examination of the profession of youth ministry, ministry priorities, setting ministry goals, gaining support and seeking professional growth. Emphasis will be placed on the nature of reaching and teaching today's youth through a relational evangelistic ministry. The call and qualifications of an effective youth minister will be presented as well.

YM 223 Philosophy of Youth Ministry **3**

A study of foundational principles in establishing and maintaining a local church ministry to adolescents. Emphasis is placed upon a system of philosophy, theology, and general principles for adolescent ministry programming. Included will be a survey of the history of both intra and parachurch adolescent ministries.

YM 231 Youth Evangelism and Discipleship **3**

This course will focus on how to create a clear evangelistic youth program in a youth-oriented environment. This course will also provide students with an understanding of Christian spiritual development especially as it relates to youth and will instruct students how to design a ministry which enhances that development.

YM 233 Middle School Youth Ministry **3**

A study of early adolescents, without a doubt, one of the most important and strategic ministries within the context of the local church. Topics include characteristics of middle schoolers and ministry programming.

YM 243 Camping and Retreat Ministries **3**

This course provides a study of the philosophy, objectives and foundational principles for youth ministry through camping and retreats as well as short-term missions and service projects. Planning, programs, fund-raising, material acquisition and personnel will be considered.

YM 345 Teaching Youth **3**

Involves constructing study units, writing lesson plans, and evaluating teaching, and speaking experiences. Consideration given to addressing issues of the youth culture, the use of humor, the role of narrative and storytelling, and how to deal with the language of the youth culture. *Prerequisite: CE 252*

YM 347 Issues/Culture of Today's Youth **3**

Examination of youth in today's culture, focusing from a Christian perspective on such major issues as self-identity, suicide, substance abuse, sexual issues, child abuse, peer pressure, and music. Offered alternate years.

YM 353 Youth Ministry Management **3**

This course provides a study in the "nuts and bolts" of Youth Ministry. An examination of youth programming, creating a more parent-friendly ministry, calendar planning, budgets, time management, youth meetings, recruitment and training of volunteer staff. Emphasis on developing a plan for keeping ministry "lawsuit free," being a professional inside the office, dealing with criticism, creating a clear vision for ministry, and balancing family and ministry.

- YM 427 Youth Ministry in Postmodern Culture 3**
 This course is designed to inform youth ministry practice through the study of the emerging postmodern generation and how churches can engage and evangelize emerging generations. Special attention will be given to understanding the origins and history of the emerging church and exploring the theological variations within it. Students will be expected to read extensively and assist with class lectures.
- YM 429 Independent Study in Youth Ministry 1-3**
 Guided study or participation in activities related to youth ministry.
- YM 436 Practicum in Youth Ministry 3**
 A supervised experience in an approved ministry situation which allows the student to develop, plan and implement activities involving youth. *Prerequisite: YM 223 and 347*
- YM 590 Youth Ministry Internship 12**
 June 15 to December 15 on-site experience in a local church or organizational setting under direct supervision. First-hand exposure to, and involvement in, all dimensions of selected ministry. Periodic assignments and reports determined by the Internship Director. *Prerequisite: CE 346, PT 544*
- YM 592 Senior Seminar 2**
 Discussions and additional reading in areas encountered during academic and internship experience. Subjects to include organizational and administrative procedures, staff and board relationships, and ministry practices. *Prerequisite: YM 590*

. . . COOPERATION AND SUPPORT

Alumni Association—The primary purpose of the association is to foster fellowship among graduates and former students. Homecoming at the College as well as regional banquets, breakfasts, and other meetings are exciting times. Members of the association encourage students to attend Grace and provide regular and special fund support of the College.

Grace Gospel Fellowship—Grace Bible College is an affiliated organization of Grace Gospel Fellowship and is therefore recognized as the only college and theological training school of the Fellowship.

Churches—The College enjoys financial support from concerned churches.

Publications—*TRUTH* is a subscription magazine, published quarterly by the Grace Gospel Fellowship. It contains Bible study articles and news sections from the College, GGF, and other affiliated organizations. The College publishes *The Journey*, which contain articles of educational thought, College news, and alumni activities.

GLOSSARY OF TERMS

Academic Advising—The process of faculty helping students with course selection and career advisement. Enrolled students are assigned to an academic advisor upon acceptance into the College.

Admissions—The process of application, acceptance and entry, which begins by submitting to GBC's Admissions Office an application for admission.

Associate Degree—This degree is given upon the completion of a specified two-year program of studies. GBC awards the Associate of Arts and the Associate of Religious Education degrees.

Audit—To register for and attend a class as a listener without being held responsible for the work required for credit. Faculty permission is required. One-half tuition must be paid. The grade "AUD" appears on the student's record.

Bachelor or Baccalaureate Degree—A degree awarded by GBC upon satisfactory completion of a four-year or a five-year program of studies.

Class Period—A class period varies in length with each credit hour typically representing 800 minutes in a given semester.

Course Schedule—A bulletin prepared for each semester listing all courses offered, including class hours, credits and instructors' names.

Credit—Regular academic classes are assigned a value known as a "credit." Earned credits certify that a student has satisfactorily completed a course of study.

Curriculum—The collection of courses offered by the College; a group of courses required for a specific degree program.

Dean's List—A public announcement at the end of each semester listing full-time students who have achieved a minimum grade point average GPA of 3.30.

Degree—An academic title given by a college or university to a student who has satisfactorily completed a specified course of study.

Drop/Add—The official procedure for changing one's schedule by adding or deleting classes is accomplished by filing a "Change of Program" form in the Registrar's Office.

Elective—A course which will count as a general credit toward a degree, but is not a specific program requirement.

Fees—Special costs not covered by tuition.

Financial Aid—A variety of forms of financial assistance to help pay college costs.

Grade Point—The numerical value given to letter grades. An "A" is equivalent to 4 points per semester, a "B" to 3 point, etc.

Grade Point Average GPA—A student's scholastic average computed by dividing the total grade points earned by the credit hours attempted.

Grant—A monetary award based on financial need. Requires no repayment.

Independent Study—A course of study undertaken by a student outside the classroom and under the supervision of one or more faculty members.

Loan—A monetary award from a lender college, bank, savings and loan, or credit union based upon financial need. Repayment required.

Orientation—The process of acquainting new students with the policies, procedures, services, faculty, administrators, and activities of GBC prior to registration.

Permanent Record—A list of each student's academic history maintained by GBC's Registrar in an accurate, secure, and confidential manner.

Prerequisite—A requirement, usually the completion of another course, which must be met before a student may register for the course in question.

Readmission—The process of officially applying and re-entering GBC following an absence of one or more semesters.

Registration—The official procedure of choosing and enrolling for courses.

Scholarship—A monetary award based on academic ability and/or financial need. Requires no repayment.

Student Employment—A part-time job on campus for students who are enrolled and attending classes.

Transcript—An official copy of a student's permanent academic record available upon written request by the student, or released to a third party at the student's direction. Transcripts are obtained from the Registrar's Office.

Tuition—The charge for instruction based on the number of credits for which the student has registered.

Upper Division—Classification of students with 56 or more credit hours earned toward a bachelor degree.

Withdrawal—An official procedure for withdrawing from a course or the College. The grade assigned will depend upon the time in the semester in which the student withdraws.
