The academic catalog is not a contract between Grace Christian University and the student. Grace makes every effort to include applicable academic and non-academic information available at the time of publishing the annual catalog. Web-based catalog content will continue to be updated as new information becomes available and represents the most accurate version of the catalog.

While all students must follow academic programs as listed in the catalog in effect at the time of entrance or re-entry to the university, any changes instituted by the faculty or administration become effective when official notification is published unless otherwise stated and may differ from the entering catalog.

Students are expected to satisfy the degree requirements of the respective entry year catalog within eight years. After a period of eight years or upon re-entry to the institution, a student will be expected to satisfy the degree requirements of an active catalog year, eight years old or less.

Acknowledgment of Receipt

All students are provided with notification of and access to the current academic catalog. Enrollment in any Grace Christian University course indicates the student's acknowledgment of the policies and procedures outlined in the respective division's academic catalog. The student acknowledges that he/she has read and understood the Grace Christian University Academic Catalog pertaining to his/her academic division, which is located on the University website (gracechristian.edu). The student understands that it reflects the current policies, regulations, guidelines, and services of Grace Christian University and accepts responsibility for compliance. The student understands that these policies, regulations, guidelines, and services are subject to change at the discretion of the University at any time with or without prior communication. The student understands it is his/her responsibility to remain current with this information. The student acknowledges that, if he/she does not understand any statements of this catalog, it is his/her responsibility to seek out clarification from either a dean or an administrator.

Message from the President

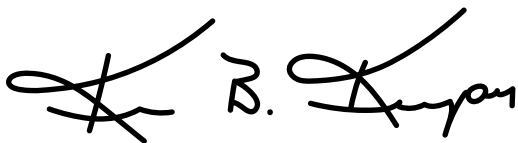

Grace Christian University (formerly Grace Bible College) is an incredible place. As president of Grace, I am excited to welcome you to experience a life-transforming education. The Grace Christian University faculty, staff, and students are committed to being a growing community. By that, we mean that each of us, starting with the president, realizes that we are still in process. We are not all that God designed and purposed us to be, nor are we content with our current condition. Through competent instructors committed to academic excellence, and staff and administration committed to serving and growing, we believe Grace Christian University can be used by God to change your life!

The prevalent mentality of the day is intent on tolerance and policing certain words and activities deemed inappropriate or incorrect according to their own vacillating set of values. Grace Christian University believes that the eternal truths and values of the Word of God, rightly divided, are principles that pervade all areas of life and education.

The Apostle Paul states, *“For in Him all things were created both in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things have been created through Him and for Him. And He is before all things, and in Him all things hold together... so that He Himself might come to have first place in everything”* (Colossians 1:16-18).

I would conclude from the above Scripture that Jesus Christ is to be the center of life, speech, values, service, education, and social relationships. The world we live in and its present crises are evidence of what happens when education and life are no longer Christ-centered. There is no values-free education, it is all taught from a particular world-view. I believe it is vital for our students to be educated from a biblical world-view that prepares them for their careers, vocations, or further education with God’s values and purposes in view.

Grace Christian University is committed to preparing leaders to be all that God wants them to be, educationally, socially, physically, and spiritually. If that’s your heart’s desire, then Grace is the place for you!

Grace Christian University is authorized by the Department of Licensing and Regulatory Affairs for the State of Michigan to award Bachelor of Science, Bachelor of Religious Education, Bachelor of Music, and Associate of Arts, and Master degrees. The Michigan Department of Licensing and Regulatory Affairs has statutory powers, duties, functions, and responsibilities regarding the establishment and approval of non-public institutions incorporating private colleges and universities.

Documents from all of these agencies are available for review upon request in the Administration Office.

Grace Christian University is authorized under Federal law to enroll non-immigrant students and cooperates with the U.S. Department of Veterans Affairs in processing benefits for the training of honorably discharged service members.

Location

Grace Christian University is located just west of US 131, near the intersection of 28th Street and Clyde Park Avenue. Grace's campus can be found in Wyoming, Michigan, a suburb of the greater Grand Rapids metropolitan area. The area is serviced by major air, rail, and bus lines.

History

Grace began in 1939. It was founded as Milwaukee Bible Institute, a training center for laymen and Sunday school teachers of Milwaukee. The Institute was organized by Reverend Charles F. Baker, then pastor of Fundamental Bible Church. The regular day school program began in 1945. This move was stimulated by a group of evangelical pastors especially concerned about advancing a dispensational theology approach to the Bible, the distinctive character of the revelation given to the apostle Paul, and the preparation of full-time Christian workers to fulfill this goal. In 1953, the curriculum was broadened and Milwaukee Bible Institute became Milwaukee Bible College.

In 1961, the College relocated to suburban Grand Rapids, Michigan, and was renamed Grace Bible College. The State of Michigan granted the University the authority to grant Associate and Bachelor of Religious Education degrees, as well as a five-year degree for vocational ministers. In 1967, Dr. Jack T. Dean became President and led the College through a period of growth and expansion. Early on, the College (1967) received accreditation from the Association of American Biblical Colleges (now Association of Biblical Higher Education). In order to serve the growing needs of students and those of the broader Christian community and society, Grace has expanded its degree programs over the years. These include Associate of Arts degrees in General Studies and Business as well as Bachelor degrees in Business, Early Childhood Education, Human Services, Interdisciplinary Studies, and Worship Arts. The Bachelor of Science in Biblical Studies degree is granted with Concentrations in General Ministry, Intercultural Studies, Pastoral Ministry, Youth Ministry, and Women's Ministry.

Over the years, Grace has formed partnerships with two local colleges: Davenport and Cornerstone Universities, which allow students to graduate with dual degrees in Business and Education, as well as a few other degrees offered by Cornerstone. Dr. Samuel R. Vinton was Grace's third President from 1985-1989. Under President Vinton, initial regional accreditation was granted to the University by the North Central Association (now the Higher Learning Commission) with the hard work of Dr. Marlin Olson and others.

Along with the academic expansion, the University has been blessed with numerous progressive steps in student development. Bruce Kemper came to Grace in 1990 from pastoral ministry and brought a strong ministry emphasis. Throughout the years, Grace has continued to emphasize ministry off-campus, in the neighborhood, around the country, and with cross-cultural ministry teams locally and overseas. This ministry is often with faculty and staff or student leadership.

Gospel teams which minister to students in churches, along with evangelism and preaching teams, have been a constant part of Grace's commitment to ministry for every student as a normal way of life.

Grace has a proud history of intercollegiate athletics (soccer, volleyball, basketball, and cross-country). Since moving to the Grand Rapids campus, the teams have earned many regional and national championship titles against much larger opponents.

Ken Bruce Kemper was called on to lead the College in early 2003 when his father retired. By God's strength, he brought vision and energy to the College. Several significant updates and additions have since occurred on the campus. The Jack T. Dean Academic Center was purchased and remodeled in 2005. This purchase more than tripled classroom space, provided additional faculty offices, and added over five acres to the Grace Campus. The O'Hair Administrative Building was also remodeled to house Grace Administrative offices, Grace Ministries International, Grace Gospel Fellowship, and Grace Publications.

In 2010, Grace began a non-traditional education program offering working adults an opportunity to study one night a week or exclusively online and earn an Associate or Bachelor Degree. The Beyond the Bricks Capital Campaign was a revitalization of the campus which added a new student commons and upgraded exterior parking, walkways, and landscaping. God blessed the College's efforts in student enrollment as it doubled the traditional student count by 2015 and even more non-traditional students enrolled. This growth helped Grace grow its program in both size and quality of academic and student services. Most faculty hold doctoral degrees.

In January 2016, after accreditation approval by the HLC, the College began its graduate program with the first degree – a Masters in Ministry, recently adding another graduate degree in organizational leadership. These classes are formatted for graduates already serving, and are therefore completely online.

In 2017, the Board of Directors of the College unanimously voted to change the name of the College to Grace Christian University. This change officially took place on July 1, 2018. Grace Christian University reflects the expansion and excellence of the institution's programs of study, while also showing the commitment to our valuable past. Bible remains a core value and a significant portion of all degree programs. Vocational ministry also continues to be an institutional priority as well.

Praise God that there are hundreds/thousands of Grace alumni serving the Lord with great impact in various vocational settings around the world today!

Buildings & Facilities

Bultema Memorial Library

Named for the late Pastor Harry Bultema of Muskegon, MI, the library was expanded and renovated in 2003. The Library houses over 40,000 items, a curriculum room, CDs, DVDs, and videos, internet access and an online catalog, as well as comfortable reading and study areas for individuals and groups.

O'Hair Memorial Building

Named after the late Pastor J.C. O'Hair, this building houses the president's, business and administrative offices as well as three affiliated organizations - Grace Gospel Fellowship, Grace Ministries International, and Grace Publications.

Huston Hall

The late T.R. Huston was one of the founders of the College. The building contains the Kahawa Café, recreation room, and dining hall. The dining hall, kitchen, and recreation room portion of Huston Hall have undergone major renovations during 2019.

Jack T. Dean Academic Center

This academic hub was named after the College's second president. It includes classrooms, faculty and administrative offices, student lounge, facilities for the expanded Worship Arts program, and the Grace Online program staff.

Baker Chapel

Charles F. Baker was the founder and first president of the College. The chapel, named in his honor, was constructed in 1980 to accommodate the regular college chapel services, musical recitals and concerts, as well as dramatic productions. In 2019, the chapel was upgraded with new technology equipment to live stream and video record events in the chapel.

Aldrich Athletic Center

Named for the Aldrich sisters from Chicago, Illinois, this building, erected in 1977, includes a gymnasium with bleacher seating for 500. The upstairs houses the fitness center and the Community Life offices, which include the campus counselor, campus pastor, and career services.

Aletheia Hall and Preston Hall

Separate residence halls for women and men students. Both residences have laundry facilities. Student lounges are adjacent to each hall.

Campus Houses

Ten (10) houses adjacent to College property are available for upperclassmen housing.

Enslow and Klein Memorial Apartments

Twelve one-bedroom and two-bedroom apartments provide additional housing for students. The buildings honor Fred and Julia Enslow and Karl Klein who bequeathed generous gifts to Grace.

26th Street Apartments

The 2-6 houses 14 students in living units comprised of a kitchen, bathroom, and living areas with either one or two bedrooms. The apartments have a free laundry facility and wifi.

Houses

Grace owns a number of houses which provide living quarters for dozens of students. The houses include a kitchen, bathroom, a living area, and three bedrooms. All houses have free laundry and wifi.

Student Commons

The Student Commons renovation and addition was completed in 2011. The Commons provides students with a comfortable central gathering place.

Commitment to Cultural Intelligence

“There is neither Jew nor Greek, slave nor free, male nor female, for you are all ONE in Christ Jesus.”
-Galatians 3:28

Grace Christian University is committed to educating students from diverse backgrounds and preparing them to serve Christ in a diverse society.

Grace defines diversity as differences in culture, experience, and background among individuals and groups. This includes but is not limited to race, ethnicity, nationalities, generations, abilities, and denominations consistent with our Christian world-view and appropriate to our theological context.

In order to build the capacity to both create a more diverse campus and better prepare students for a diverse world, the University has partnered with the **Cultural Intelligence Center (CQC)** to provide training and assessment in **Cultural Intelligence (CQ)** for every employee and student at Grace. CQ consists of four capabilities: CQ Drive, CQ Knowledge, CQ Strategy and CQ Action.

Every employee and every student takes a CQ assessment to understand their own levels of cultural intelligence compared to worldwide norms. Every employee receives CQ training.

The four CQ capabilities have been integrated into the curriculum of every student using the following educational outcomes:

- CQ Drive: Is the student able to interact with a high level of interest, persistence, and confidence in multicultural situations?
- CQ Knowledge: Is the student able to analyze how cultures are similar and different?
- CQ Strategy: Is the student able to plan with awareness for multicultural interactions?
- CQ Action: Is the student able to adapt when relating and working in multicultural contexts?

Grace Christian University believes that by building capacity for diversity through CQ, the University is creating the ability it needs to create a more diverse campus that prepares students to serve Christ in a diverse society.

Educational Philosophy

Grounded in a fundamental belief in the pursuit of truth, a primary concern of Grace Christian University is to cultivate a learning environment that encourages participation, freedom of thought, open questions and the free exchange of ideas for every individual. This openness arises from a threefold conviction: 1) that truth is to be found in the person of Jesus Christ, who is himself the Truth (John 14:6); 2) that the Bible is the Word of God and therefore God's truth revealed (John 17:17, Psalm 119:60); and 3) that truth is coherent because God is the author of truth (e.g., "all truth is God's truth"). In this pursuit of truth, the faculty of the University is committed to the holistic personal growth of each student in his or her intellectual, moral, and spiritual capacities, and as an expression of each student's God-given identity, mission, and purpose.

In alignment with the mission, vision, and values of the University, the faculty affirm:

Our Historic Purpose and Distinctive Theological Perspective

Belief in the inspired and authoritative Word of God has been fundamental to the University since its founding as Milwaukee Bible Institute in 1939. Its distinct theological perspective of Pauline dispensational theology continues to guide biblical and theological instruction as the faculty train 21st-century leaders for Christian service in a range of vocational contexts. In all cases, the faculty seek to model and extend practical dimensions of this Grace theology, including but not limited to: mercy, kindness, forgiveness, inclusion, humility, and service.

Our Bible-Focused Curriculum and Instruction

The University's unwavering commitment to the authority of the Bible is reflected in and through an integrated biblical perspective in all classes. This includes the integration of biblical knowledge (Old and New Testaments, Christian World-view) and other academic knowledge (general and discipline-specific education). Students are encouraged to develop a framework for personal and professional decision making that correlates with the truth of God's Word.

Our Career-Oriented Student Body

Recognizing the diversity of the Body of Christ (1 Cor. 12), the faculty support on campus, online, and graduate students in the pursuit of their unique career callings and vocations. Whenever possible, students will be given opportunities for practical learning experiences that will equip and enhance them with knowledge and skills that prepare them for viable careers in a competitive job market. Faculty will continually evaluate degree programs and instructional methods to ensure that the education offered by the University is practical and relevant in preparing students to serve Christ in Church and society.

Our Commitment to Transformational Relationships

As a community of lifelong learners, the Faculty seeks to develop life-changing learning environments and experiences for students, both inside and outside of the classroom. They value students' personal and professional development, and are committed to guiding them through the educational process through life-on-life mentoring relationships, career counseling, and personal and spiritual guidance. The commitment to transformational relationship includes awareness of and commitment to cultural intelligence, diversity, inclusion of underrepresented and under-served communities of students.

Institutional Learning Outcomes

The mission of Grace Christian University is *Graduating Godly Individuals Prepared to Serve Christ in Church and Society*. In order for students to graduate ready to serve, they need a *commitment* to KNOW truth and wisdom, they need to BE people with *character*, they need *competence* in what they DO, and they need to SERVE others with *compassion*. Therefore, the following Institutional Learning Outcomes are expected of all Grace Christian University students. In addition to these institutional outcomes, each degree program has specific outcomes which build upon and enhance these outcomes.

KNOWING

Students will increase their knowledge of God's word since this is foundational for all contained in Christian character. While God's word is given as special revelation, we also understand the need to grasp God's general revelation through creation which leads students to pursue a broad understanding of humanity. In a world of competing truth claims, students must be able to think critically and creatively as they acquire the knowledge needed for life and work.

K.1 - Increasing Knowledge of God's Word

Ability to increasingly understand the Bible as God's Word revealed to man throughout history

K.2 - Understanding of Humanity

An expanding awareness and appreciation of humanity's social, emotional, historical, ethical, and physical development

K.3 - Critical and Creative Thinking

The ability to understand, apply, analyze, and evaluate concepts and beliefs as well as formulate clear expressions of one's own concepts and beliefs

K.4 - Knowledge Acquisition

The ability to locate, evaluate and benefit from information needed to navigate life and work

BEING

Students will be people of strong character who are able to apply God's Word to their lives from the foundation of a Christian world-view resulting in behavior which is ethically sound and relationships which honor God.

B.1 - Applying the Word of God to life

The ability to correctly understand God's Word and the principles from which we draw guidance and wisdom for the questions of life

B.2 - Christian World-view

An understanding of God's creation, the sinfulness of mankind, and the outworking of God's redemptive plan through human history

B.3 - Ethical Sound Behavior

The ability to recognize difficult life situations and make right and just choices based on ethical standards and the Word of God

B.4 - God Honoring Relationships

Ability to engage people in relationships which admonish and edify all parties for the glory of God

DOING

In their course of study, students will develop the skills needed for living and working in the world. This will necessitate strong communication skills and an ability to work with others in a variety of situations. Students will also develop their own life skills.

D.1 - Communication Skills

The ability to communicate effectively in oral, written, and culturally relevant forms

D.2 - Work with Others

The ability to accomplish tasks and assignments as part of a larger effort than one's self

D.3 - Life Skills

The ability to manage one's personal life as a steward of God's gift

SERVING

Students will develop a heart of compassion and concern for others demonstrated through service to church and society.

S.1 - Concern for Others

Understanding that God has created all people in his image and values them

S.2 - Service of Others

Giving of one's time, talents and energy for the betterment of others in the church and in society

S.3 - Cultural Intelligence

Students will compare and contrast cultures, articulate strategies for cross-cultural interactions, and demonstrate effective cross-cultural motivation and behaviors

S.4 - Leadership

Students will articulate a biblical perspective of leadership principles and demonstrate leadership skills in work and ministry

Student Performance Statistics

The Student Right-to-Know regulations require all colleges and universities participating in federally funded financial aid programs to document information on the cohort of first-time, full-time freshmen entering the institution on or after July 1, 1996. Disclosure is not required until 150% of the estimated program length has elapsed. All colleges and universities entering into Program Participation Agreements with the Department of Education are required to complete the IPEDS Graduation Rate Survey of 1997 (Section 490 of the Higher Education Amendments of 1992, P.L. 102-325.106. Stat. 448).

Graduation/Completion Rates

- Transfer, part-time, and non-degree students are not included in the graduation/completion rate.
- The graduation rate is based on 6 years of attendance that equates to 150% of the longest program.
- The graduation/completion rate does not include students who left the institution to serve in the armed forces, with an official church mission organization, or in the foreign service of the federal government. Students who died or were totally and permanently disabled are also excluded.
- The institution is not required to report the transfer-out rate since the mission of the institution does not include providing substantial preparation for students to enroll in other institutions.

Year of Entry	Undergraduate, First-Time, Full-Time, Bachelor-Degree Seeking Students Enrolled	6 Year (150%) Graduation Rate
2008	52	52%
2009	48	61%
2010	53	32%
2011	68	49%
2012	86	51%
2013	90	47%

First-Time Full-Time Freshman, Bachelor Degree Seeking Student Retention Rates

Year of Entry	Undergraduate, First-Time, Full-Time, Bachelor-Degree Seeking Students Enrolled	1 Year Retention Rate (Students who returned for the following fall semester)
Fall 2010	53	61%
Fall 2011	68	62%
Fall 2012	86	66%
Fall 2013	90	68%
Fall 2014	72	56%

Fall 2016	70	62%
Fall 2017	66	61%
Fall 2018	85	72%

EMPLOYMENT/GRADUATE STUDIES RATES

While Grace Christian University does not formally place students in jobs or guarantee employment, the University is concerned that graduating students are fulfilling the mission of the University through employment in their degree fields or are pursuing further graduate studies. Rate is based on status one year after graduation.

What Questions do We Ask Our Graduates?

- What is your employment standing? (working, volunteering, continuing education, military, still seeking)
- Who is your employer? What is your job title?
- If working, what type of work applies to you? (Full-time, part-time, temporary contract, graduate assistantship/fellowship)
- What is your salary? (hourly or salary)
- If you are continuing education, what institution are you attending? What degree are you pursuing?

How is “First Destination” defined?

Destination is defined as full-time employment (30 hours or more) or continuing education within 6 months of graduation. The position does not need to be degree related.

When does the Survey Launch and Close?

The survey launches roughly a month before graduation and closes 6 months after graduation. The survey is sent out 6 times during this time period.

Final Destination Survey Results - All Graduates

Year	Type of Degree	Response Rate	Destination Rate	Full-Time Employment Rate
2017	Online Bachelor Degree	49%	76%	59%
2017	On-Campus Bachelor Degree	97%	89%	84%
2018	Online Bachelor Degree	96%	65%	46%
2018	On-Campus Bachelor Degree	97%	87%	77%

Grievance Procedure

Most matters of conflict or disagreement can be resolved by meeting individually with the offending party. Grace Christian University asks that any member of the community with a complaint against another member or entity first attempt to seek a resolution by meeting with the individual with whom they are in conflict. Whether or not an individual meeting has taken place, students have the right to submit a formal complaint. This process is initiated by completing a **Formal Grievance Form**. The Academic Provost maintains a record of these complaints as well as the processing of complaints according to University policies.

If the student is not able to satisfactorily resolve the complaint or grievance with the University, the student has the right to submit his or her complaint to the State of Michigan or either of the Institution's accrediting bodies:

- Higher Learning Commission: hlcommission.org
- Commission on Accreditation, Association for Biblical Higher Education: abhe.org
- Michigan Department of Licensing and Regulatory Affairs: michigan.gov/lara

Cooperation & Support

ALUMNI ASSOCIATION

The primary purpose of the association is to foster fellowship among graduates and former students. Homecoming at the University as well as regional banquets, breakfasts, and other meetings are exciting times. Members of the association encourage students to attend Grace and provide regular and special fund support of the University.

GRACE GOSPEL FELLOWSHIP

Grace Christian University is an affiliated organization of Grace Gospel Fellowship and is therefore recognized as the only college and theological training school of the Fellowship.

CHURCHES

The University may receive financial support from caring churches.

PUBLICATIONS

The University publishes The Journey magazine, which contains articles of educational thought, University news, and alumni activities. TRUTH is a subscription magazine, published quarterly by the Grace Gospel Fellowship. It contains Bible study articles and news sections from the University, GGF, and other affiliated organizations.

Admission Requirements

Admissions requirements are designed to ensure that students admitted to Grace Christian University have the ability and desire to successfully complete academic work, make full use of the educational opportunities available and show evidence of Christian commitment. Factors which are considered in the admission process are outlined below, separated by first-time freshman and transfer student requirements.

FIRST TIME FRESHMAN

If a student has taken college coursework prior to graduating from high school (dual-enrollment), the student is considered a first-time freshman.

1. A completed application form
2. Official high school transcript or equivalent. It is the responsibility of the applicants to have their transcripts sent directly to the University.
 - Students applying with a 2.70 grade point average (GPA) or higher are accepted without reservation.
 - Students applying with a GPA between 2.0 and 2.69 will be accepted but may be placed in the Academic Success Program.
 - Students applying with a GPA lower than a 2.0 will be required to submit an essay and an educator reference which will be reviewed by a committee. Those admitted by the committee will be placed in the Academic Success Program.
 - There are higher admission standards for the pre-professional and teacher education programs offered as part of the consortium with Cornerstone University.
3. ACT or SAT Scores are not required; however, scores received may be used for advising and placement.
 - At the time of taking the test, students should request that a record of their scores be sent to Grace Christian University.
 - The ACT college code number is 2001.
 - The SAT college code is 0809.
4. Students will be required to take a Christian Life Assessment, view a video explaining the Christian nature of the institution, and affirm the desire to attend Grace Christian University.

Admission Requirements

Admission Level	HS GPA	Additional Requirements
Acceptance	2.7 or higher	None
Acceptance with Academic Support	2.00 – 2.69	None
Committee Review	below 2.00	Essay and Educator Reference

TRANSFER APPLICANTS

If the student has taken college coursework after graduating from high school, the student is considered a transfer student.

1. A completed application form
2. Official high school transcript or equivalent is required for students with less than 15 semester hours of transferable credit (courses passed with a C- or better). It is the responsibility of the applicants to have their transcripts sent directly to the University.
3. Official transcripts from all colleges previously attended must be submitted. The applicant will be evaluated on previous course work at the university level.
 1. Evidence of honorable withdrawal from other colleges is required.
 2. Academic disqualification at another college will necessitate special consideration.
 3. Failure to furnish a complete and valid record of all previous college experience may mean cancellation of the student's privilege of admission.
4. Veteran students who have military coursework evaluated by the American Council on Education must submit an official ACE Transcript to be evaluated for transfer credit.
 - Grace Christian University is recognized for training veterans under VA Education Programs and complies in full with all reporting requirements of the U.S. Department of Veterans Affairs. Veterans entering as transfer students will be given a written statement of the credit granted in transfer and the number of credits that are required to complete the program in which they are enrolling. This information will also be provided to the Department of Veterans Affairs.

HIGH SCHOOL DUAL-ENROLLMENT

High school students are welcome to enroll at Grace Christian University with the following provisions:

1. Applicant must complete an Application for Admission as a Dual Enrollment Student.
2. Submit an official high school transcript.
 - The applicant must have a GPA of at least 3.00 or test scores as prescribed by the State of Michigan. See Minimum Dual Enrollment Qualifying Scores at [Michigan.gov](https://www.michigan.gov).
3. If the student's public or charter school or the State of Michigan is paying for the class, all State requirements must be met. See Dual Enrollment FAQs at [Michigan.gov](https://www.michigan.gov).
4. The applicant must submit written permission from a high school counselor or principal (waived if home-schooled).
5. Enrollment in more than one course or upper-level courses is subject to the approval of the Registrar or Associate Provost.

EARLY HIGH SCHOOL GRADUATE DEGREE-SEEKING ENROLLMENT

All standard admission criteria must be met. In addition, the following policy applies:

Students who earn their high school diploma earlier than the traditional age may enroll in Grace's undergraduate programs subject to the admissions standards in force at the time of their enrollment. If a student will not turn 18 by the end of his or her first semester at Grace, the student's parent or guardian will sign a SPECIAL ADMISSIONS AGREEMENT FOR DEGREE-SEEKING UNDERAGE STUDENTS. The form can be obtained by the Registrar's Office or Enrollment staff.

NON-DEGREE SEEKING STUDENT

Individuals seeking to attend selected Grace On-Campus Undergraduate courses without enrollment into a particular degree-program are welcome to enroll at Grace Christian University with the following provisions:

1. Applicant must complete an Application for Admission as a Non-Degree Student.
2. The applicant must submit a final high school transcript and a letter of recommendation.
3. The applicant must enroll in one freshmen level course and successfully complete it before a second course may be selected. Sophomore-level courses may also be considered after the successful completion of the freshman-level course.
4. After earning 9 credit hours, the applicant is expected to complete Grace's admissions process.
5. Non-degree students are not eligible for federal, state, or institutional financial assistance.

INTERNATIONAL STUDENTS

International students are welcome at Grace Christian University. See the **International Student Admission** section for more information.

APPLICANTS WITH PRIOR CRIMINAL HISTORY

Grace Christian University will ask applicants for its On-Campus program to reveal felony convictions. This information allows the University to advise the student in choosing an appropriate field of study if admitted. Information provided may be verified by a criminal background check.

Those who answer “yes” will be asked to provide specific or general information about the conviction(s) or pending charges and provide a signed waiver allowing Grace to conduct a criminal history background check. Applicants will be given an opportunity to explain their records during the application process. A committee consisting of the Director of Enrollment, the Dean of Students, and the Associate Provost will review the background check and the applicant’s additional statements in determining whether the student will be admitted to the University and if so, under what conditions if any.

The committee will consider the specifics of the conviction in determining admittance. The specifics of the conviction to be considered include the following:

- The facts surrounding the original arrest and charges (this may include reviewing applicable police reports)
- The crime for which the applicant was convicted
- The length of time since the date of conviction
- If the applicant was incarcerated, the length of time from the date of release
- Any other relevant information requested by the University.

The committee may decide to conduct a personal interview with the applicant about the incident. If an applicant is currently on parole, the applicant will provide an official letter or document outlining the terms and conditions of the parole or provide the contact information

of his or her parole officer. Convictions of crimes that may indicate threats to the well-being of other students and employees, such as violence, sexual offenses, and other assaultive behavior are especially important for the University to make judgments regarding campus safety. The University will also consider any documented success of rehabilitation. At the conclusion of its fact-finding on the felony convictions, the committee may admit the applicant, deny admission, or admit with conditions based on the applicant’s record and responses.

Grace Christian University does not ask applicants for the Online and Graduate Online programs to disclose felony convictions. If admitted online students choose to participate in athletics or decide to change to the On-Campus program, the University will implement the same background check process as for On-Campus students. The University reserves the right to conduct the felony background check process for Online students whose activities create regular physical interaction with other students or Grace employees.

If a student with a prior felony conviction applies for readmission or reentry to the University, the student is required to complete the felony conviction disclosure process for the program to which the student seeks readmission. If the felony has not been previously reviewed, the student must complete the conviction review process in its entirety.

Grace Christian University considers it the applicant's responsibility to understand how criminal convictions or other matters of personal history may hinder or prevent employment in their degree field.

Readmission & Reentry

READMISSION

A student who cancels his or her application for a previous term may apply for readmission by contacting his or her Enrollment Advisor. If the student's application is over one year old, a new application must be completed. Once received, official transcripts will remain on file and do not need to be resent unless additional coursework has been completed at the institution. A student is required to update any information that has changed since the previous application was submitted with the request for readmission (Name, address, phone number, email address, or additional transfer institutions). The student will be notified via email from the Enrollment Advisor regarding the readmission decision.

Students readmitted to Grace must fulfill the requirements of the catalog in effect for the semester of readmission.

The Administration reserves the right to deem a student ineligible to return based on academic ineligibility, behavioral concerns, or student account delinquency.

REENTRY

A student who has withdrawn from the University who desires to return to the institution may contact an Enrollment Advisor, Academic Advisor, or complete the Re-Entry Application to apply for re-entry into Grace Christian University. The Registrar's Office will review the application for re-entry and determine eligibility based on the information provided, current academic status, and current financial status with the institution. The advisor will be notified via email regarding the decision. An Advisor will communicate any conditions for re-entry or the re-entry decision to the student. The Advisor will assist the student in the process of returning. Upon re-entry, the student will be provided access to their student email, student portal, Blackboard, and an updated education plan.

The Administration reserves the right to deem a student ineligible to return based on academic ineligibility, behavioral concerns, or student account delinquency.

Non-Discrimination & Accessibility

Grace Christian University admits students of any race, color, national and ethnic origin, or handicap to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, sex, or national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

In conformity with the pertinent requirements of Title IX of the Education Amendment of 1972 enacted by the Congress of the United States, Grace Christian University does not within the context of its religious principles, heritage, mission, or goals discriminate on the basis of sex in the area of employment, admission, educational programs, or other activities.

Grace Christian University complies with all federal and state nondiscrimination laws and is an equal opportunity institution. Grace Christian University reserves the right to maintain student educational and behavioral standards and standards based upon religious considerations consistent with its role and mission.

Americans with Disabilities Act Accessibility Policy

Grace Christian University is committed to ensuring that all people with disabilities have access to the same services and content that are available to people without disabilities, including services and content made available through the use of information technology. Americans with Disabilities Act (ADA) compliance covers access to the Physical Plant, Accommodations, and Accessibility. Our goal for this Accessibility Policy is that a person with a disability will be able to engage in the same interactions, experience the same services, and acquire the same information as a person without a disability, be able to do so in an equally effective manner and with substantially equivalent ease of use. Services and information must be made available at the same time to a person with a disability as to a person without a disability.

ADA Accessibility Policy

1. As part of ADA Accessibility, all information communication technology must be accessible so that all students, prospective students, employees, guests, and visitors have equivalent access to information. Examples of information communication technology covered by this policy include university websites, learning management systems, software systems, electronic documents, videos, and other electronic communication.
2. Accessibility coaching will be provided on an on-going basis to help train faculty and staff, increase awareness and sensitivity, and produce and manage accessible content.
3. All Grace Christian University's websites are required to meet the accessibility standards set forth by Web Content Accessibility Guidelines (WCAG) 2.0 AA.

Rationale and Definitions

This policy aligns with Grace Christian University's goal of cultivating a caring learning community where Jesus Christ is exalted and students are equipped for serving the needs of church and society.

It is important to differentiate between ADA accommodations (Section 504) and accessibility (Section 508):

An accommodation is...

- Provided based on the specific needs of a student with a documented disability
- Determined by an accommodations officer on a case-by-case basis
- Provided for students whose needs require great intervention, such as live American Sign Language (ASL) interpreters or lecture transcripts for live courses
- For circumstances that are difficult to anticipate and foresee

Accessibility is...

- The responsibility of all who create or publish digital content
- Provided for all students, prospective students, employees, guests and visitors with no expectation of an explanation of need
- Expected for disabilities that are easily anticipated

Americans with Disabilities Act Accessibility Procedure

Grace Christian University is dedicated to ensuring that the institution complies with Americans with Disabilities Act (ADA) requirements and that faculty and staff are trained to comply with ADA requirements.

1. Grace Christian University will publish an approved ADA Policy which includes overall ADA compliance, physical plant compliance, accommodation, and accessibility.
2. Faculty and staff will receive on-going training regarding ADA guidelines and compliance with expectations for accessibility, including but not limited to: Documents, video, audio, Learning Management System (LMS), and other forms of electronic communication.
 - Faculty and staff will utilize the Checklist for ADA Accessibility for Web Content.
 - Faculty and staff will be provided properly formatted examples of accessibility.
 - Faculty will receive training on the use of Screencast-O-Matic technology to create and publish content that is accessible to people with disabilities.
 - On-going training modules will be developed for faculty and staff as needed.

3. Faculty and staff will have access to Screencast-O-Matic for development of ADA compliant video content.

Academic Accommodations

Admitted students may request a reasonable accommodation as a result of a qualifying disability as defined by the Americans with Disabilities Act (2008) or Section 504 of the Vocational Rehabilitation Act of 1973. Information on the Academic Accommodation policy and procedure can be found in the [Academic Accommodations](#) section of the catalog.

International Student Admission

International students are welcome at Grace Christian University. Due to strict government regulations, the University has detailed requirements pertaining to international students. The University does not have available special funding to assist international students in financing their education. It is the responsibility of the student to obtain the proper documents and to furnish the University with these documents. International students who are seeking to enroll in an online degree program do not need USCIS or a student visa as long as the student is not physically present in the United States. Online programs are not able to enroll non-US citizens residing in the United States on a student (F-1) Visa. Refugees or undocumented individuals are permitted to attend following the standard admission criteria.

For admission, all international students (those on an F-1 Student Visa attending On-Campus and those attending Online but residing in a foreign country) must meet the stated admission criteria for domestic students for their program of interest and:

1. Must pass an English proficiency test unless the student permanently resides in a country where English is the primary language. Grace Christian University accepts the following tests of English as a second language:
 - ACT minimum cumulative score of 18+
 - SAT minimum 510+ and Verbal 480+
 - TOEFL minimum score of 550 is required on the paper-based test, 213 on the computerized test, or 80 on the internet-based test
 - IELTS minimum score of 6.5
2. Pay for the entire semester before courses begin at Grace. The amount due before the student's start date is determined by estimating class load, room, board, books, fees, and any other known expenses. Any exceptions to this policy must be approved by the Business Office.

On-Campus International Admission Additional Requirements:

1. Provide evidence that the student is a graduate of an accredited secondary school and the ability to satisfactorily complete college-level work in the United States of America.
2. Proof of country of citizenship required for the issuance of the I-20.

Transfer Credit

Grace Christian University offers traditional and non-traditional credit options for Undergraduate and Graduate students with varied academic and professional backgrounds. It is our policy to award credit based on evidence of learning and not experience alone. Grace Christian University welcomes students to apply for transfer credits from other institutions. Once an official transcript is received, credits transferred are recorded on the admitted student's academic record and will apply toward graduation requirements, as applicable to the declared academic program. Grades are not transferred. Once transfer credits have been granted, a subsequent change of program or major may result in a change in the number of transfer credits applied toward the degree requirements. Types of traditional and non-traditional credit options currently offered by the University are described as follows.

There is an important distinction between transferable and applicable in terms of transfer work. While a course may meet all of the requirements to be transferable, the course may not be applicable to the degree program selected at Grace Christian University.

TRANSFER CREDIT INVENTORY

Courses listed in the online **transfer credit inventory** (TES) have been evaluated by Grace. Evaluated courses may have an equivalent online or on-campus course listed, or multiple. Courses not listed may still be transferable. A formal evaluation will be conducted and the student will be notified of the applied transfer work at the time of acceptance.

TRANSFER CREDIT POLICY

The following provisions govern transferring credits to Grace Christian University:

- The student seeking enrollment by transfer from another institution will complete the regular admission process.
- For an evaluation of transfer work to occur, a transcript (unofficial or official) is required. Unapproved document formats or documents lacking the necessary information may not be evaluated.
- The applicant will be notified of the credits approved for transfer by the Enrollment Advisor upon acceptance by the Registrar's Office.
- A pre-evaluation may be conducted by the Registrar's Office prior to the completion of the application process as requested by an Enrollment Advisor.

- An evaluation is not considered official until official transcripts have been received and processed by the Registrar's Office.
 - An official transcript is defined as one that has been received by Grace directly from a secure, authenticated party or the issuing institution. Grace does not accept any electronic documentation directly from the student as official. The transcript must bear an institutional validation (such as a seal, logo, or watermark), date, and appropriate signature. Transcripts that do not meet these requirements will be considered unofficial. Transcripts can be sent to the Registrar's Office at Grace Christian University, 1011 Aldon St SW, Grand Rapids, MI 49509. Request electronic transcripts to be sent to onlineregistrar@gracechristian.edu.
 - **On-Campus Students:** All official transcripts must be received by the start of the semester. Failure to furnish a complete and valid record of all previous college experience may mean cancellation of the student's privilege of admission.
 - **Online Students:** If an official transcript is not received by the end of the student's first course, the pending transfer work may be removed from the student's education plan or a registration hold for the subsequent semester may be placed on the student's account. An effort will be made to communicate with the student and establish a firm deadline to minimize the impact on the student's registration and program length.
- The student may be required to provide a course description or course syllabus for transfer credit determination if the information is not available through TES or the institution website.
- Transfer credits must be from a Department of Education recognized, nationally or regionally accredited college or university. Students seeking a graduate degree from Grace who graduated from a nationally accredited institution will be reviewed on a case-by-case basis.
- Credits earned at a non-accredited college will be considered only after the student has provided documentation of a minimum of three regionally accredited institutions that accept the non-accredited institution's courses in transfer. Once verified, coursework from an unaccredited school must be evaluated by the Registrar in the same manner as accredited coursework. The maximum number of credits transferable from an unaccredited school is 30 semester credit hours for undergraduate students unless otherwise approved by the Dean or Provost.
- Courses must be college-level courses; typically labeled as 100 level or higher. Remedial or vocational credits will not be accepted for transfer into college-level courses.
- All academic, college-level courses in which at least a C- grade or its equivalent has been earned are eligible for transfer to undergraduate programs. A grade of B or higher is required for the transfer of graduate-level coursework.
- Undergraduate students may be awarded a block transfer of 60 credit hours for an earned Associate of Arts or Associate of Science degree. The Associate of Applied Science degree is excluded from this policy unless the Registrar's Office is able to verify the existence of a general education component.
- Students completing the requirements of the Michigan Transfer Agreement (MTA) should contact the Registrar's Office for more information about block transfer credit.

- At least 25% of the program required credit hours must be taken at Grace Christian University in order to complete an associate or bachelor degree. Graduate students must complete 50% of the program requirements at Grace.
 - **Associate Degree Program:** The maximum number of transfer credits, including credit by exam or prior learning assessment, is 45. 25% of the program requirements must be completed at Grace Christian University.
 - **Bachelor Degree Program:** The maximum number of transfer credits, including credit by exam or prior learning assessment, is 90. 25% of the program requirements must be completed at Grace Christian University.
- Transfer credit (including non-traditional transfer credit) must be completed prior to the student's last semester at Grace Christian University unless pre-approved by the Dean or Provost.

Reassessment of Transfer Credits

- Credits may be reassessed at any point at the request of the student by emailing the Registrar's Office at onlineregistrar@gracechristian.edu. The student may be required to provide the course syllabus from the college or university where the course was taken.
- Duplicate credit will not be granted. Credit will not be granted for two courses with significantly similar content.

Military Joint Services Transcript (JST) (Undergraduate Students Only)

The American Council on Education (ACE) provides quality assurance and policy guidance for the Joint Services Transcript (JST) used by the Army, Marine Corps, Navy, and Coast Guard. The Registrar's Office may approve credit to be granted for courses or experience as recommended by ACE with a level of Lower (L) or Upper (U) course level designation, but will not grant credit for Vocational (V) work. Credit will be granted based on the general transfer credit policy regarding maximum transfer credits.

In order to receive credit, the Registrar's Office must receive an official copy of the military transcript.

International Transfer Credit

All international transcripts must be evaluated course-by-course by one of the National Association of Credential Evaluation Services (NACES) member organizations (naces.org/members.html), with the results sent directly to Grace Christian University along with an official transcript. Any fee(s) associated with the evaluation and transcription must be paid by the student. Upon receipt of the evaluation, the Registrar will process the transcript to review for potential course equivalency.

University Partnerships

Grace Christian University has developed partnerships with several organizations to allow college credit to be awarded or granted based on the completion of a specific program that has been evaluated by Grace. Grace reserves the right to review or change these partnerships at any time. Contact the specific organization or Grace directly (info@gracechristian.edu) for more specific information.

CONTRACTUAL ARRANGEMENTS

A contractual arrangement to grant college credit for completing an approved program of study has been reached with the following organizations:

- **Bridge Street House of Prayer** (Grand Rapids, MI)
- **Grace Adventures** (ASCENT and PACE program) – Silver Lake, MI
- **Leaders for Christ Bible School** (through Resurrection Life Church in Grandville, MI)
- Leadership Essentials Training (Kentwood Community Church) – Kentwood, MI

ARTICULATION AGREEMENTS

An articulation agreement to accept credit for completing an approved program of study has been reached with the following organizations:

- **School of Missionary Aviation Technology (SMAT)** – Ionia, MI
- **ROTC at Western Michigan University** – Grand Rapids, MI Campus
- Michigan Transfer Agreement (receiving institution)
 - Students who have completed the requirements of the Michigan Transfer Agreement will be considered as having satisfied Grace Christian University’s general education core requirements in total. Grace Christian University will accept the maximum number of usable transfer credits earned at a Michigan community college toward any of its baccalaureate degrees. The only exception to this policy is for those students wishing to pursue dual degrees offered in cooperation with our educational partners.
 - While this agreement can be beneficial to transfer students in all degree programs, it is possible for a student to complete a number of baccalaureate degrees in 2-2.5 years dependent on meeting certain course requirements. These include the following degree programs: Human Services, Worship Arts, and Early Childhood Education.
 - In order to facilitate this process and to ensure students receive the greatest benefit, it is important for transfer students to consider carefully what courses are needed while enrolled at a community college. Failure to do so may prolong the time required to complete these degrees. Contact the Registrar’s Office at Grace Christian University for further information about these requirements.

Credit by Examination

The maximum number of credits a student may receive for prior learning assessment and proficiency exams (PLA, Advanced Placement (AP), College Level Examination Program (CLEP), and Grace administered Proficiency Examinations) is 30 credit hours.

Credit equivalency for exams can be found by accessing Grace's Transfer Evaluation System (TES) database.

- Access the database directly: **Transfer Evaluation System (TES) database**
- Navigate to the database:
 1. Go to the **Transfer Credit** section of the catalog
 2. Click on Transfer Credit Inventory
 3. Type in the exam name (AP, CLEP, etc.) into the Institution Search box.
 4. Click on the institution link (example: The College Board AP/CLEP)

ADVANCED PLACEMENT (AP)

Grace Online will grant credit to students with scores of 3 or higher on an Advanced Placement (AP) examination conducted by the College Board. Students are required to have their official AP scores sent to the Registrar's Office. The AP college code number for Grace Christian University is 0809.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

Credit is granted for subject examinations offered by the College Level Examination Program (CLEP); however, no college credit is granted for the CLEP general examinations.

- Credit may not be granted for a CLEP test that is the duplication of coursework a student has already taken at Grace or received transfer credit for.
- The CLEP examination must be completed prior to the student's last semester at Grace.
- An official transcript must be requested by the student to be sent from the College Board to Grace. The CLEP college code number for Grace Christian University is 1265.
- The CLEP credit will not be considered official until the official transcript has been received by the Registrar's Office and the credit has been posted to the student's Grace transcript.

DEFENSE ACTIVITY FOR NON-TRADITIONAL EDUCATION SUPPORT (DANTES) & DSST

Veterans can also earn credit through Defense Activity for Non-Traditional Education Support (DANTES) Subject Standardized Tests (DSST) with scores meeting or exceeding the score requirements provided by the American Council on Education. Students will be notified of specific credit awarded upon evaluation of the official exam transcript.

Prior Learning Assessment

Grace Christian University recognizes that many students come to an institution of higher education with experience and training that has resulted in college-level knowledge. Students who enroll may earn credit for prior learning. A maximum of 30 semester credit hours may be earned through a form of prior learning assessment or proficiency exam (including CLEP and AP). Prior learning can come from a number of different sources including workshops, seminars, self-study, non-credit classes, training programs, and work experiences. Portfolios are to be assessed by a qualified, credentialed content area expert. Grace may award college credit for a license, certificate, or job-specific training as evaluated by the American Council on Education (ACE) or through the PLA evaluation process.

Grace adheres to the **Ten Standards for Assessing Learning** as documented by the Council for Adult and Experiential Learning (CAEL) at cael.org.

Grace Online offers a college-level exploratory course, PLA 200 Prior Learning Theory and Practicum (3 Credits), designed to assist the learner in understanding learning theory and apply theory to their own prior learning. One's assessment of personal prior learning encourages new learning. Satisfactory completion of PLA 200 allows the student to have one portfolio assessed at no additional charge. PLA 200 may satisfy a lower-level elective course requirement within any undergraduate program, as applicable.

Fill out the **Prior Learning Assessment Advising Form** or contact the Registrar to learn more: onlineregistrar@gracechristian.edu.

PRIOR LEARNING ASSESSMENT FEE STRUCTURE

Item	Cost
Proficiency Exam	\$100 per exam, regardless of the result
Portfolio Assessment	\$300 per portfolio submission, regardless of the number of credits awarded
PLA 200 – 3 credits	See tuition cost table

*Fees may not be covered by financial aid. Contact the Financial Aid Office to determine whether or not your PLA related fees can be covered by your financial aid package.

PROFICIENCY EXAM

A proficiency exam is an examination administered by Grace to assess prior knowledge on a subject. Grace Online currently offers a proficiency exam for New Testament and Old Testament Bible knowledge.

- The challenge exams are \$100 per exam, regardless of whether you pass or not.
- Each challenge exam consists of approximately 100 fill in the blank questions and an essay component.
- You will have 90 minutes to complete the questions portion of the exam.
- The Bible may be used during the exam.
- You will have 1 week to complete the paper portion of the exam.
- You must earn a 70% proficiency on both the questions and paper portions of the exam in order to pass.
- A study guide is available by request.
- In order to take the exam, you will need to either arrange for a time to come on campus or provide information for an individual to proctor the exam for you. [Proctor Agreement Form](#)

PORTFOLIO DEFINITION

A portfolio is a compilation of documentation that significant, college-level learning has been achieved by the learner. The portfolio must be written according to the expectations for college-level writing. Creating a portfolio is the learner's way to translate and validate one's prior knowledge into a format that is able to be assessed by another individual.

PORTFOLIO REQUIREMENTS

- Cover Page
- Table of Contents
- Chronological Learning Resume
- Career and Educational Goals Statement
- College-Level Comparable Course Learning Outcomes
- Artifacts, Evidence, Essay, or Third-Party Statement(s)
- Sources/References, as applicable

PORTFOLIO RUBRIC

A rubric will be used to assess evidence of prior learning. The content area expert will assess the portfolio and decide whether there is significant evidence that the student has satisfied at least 70% of content mastery in a specific subject area and that the student has satisfactorily demonstrated that learning. The content expert will also provide helpful feedback to the student. Credit can be awarded as an elective (lower or upper level) or a specific course equivalency.

Prior Learning Assessment Rubric

Area of Evaluation	Explanation of Expectation	Exceeds	Meets	Requires Revision	Does not Meet
Critical Reflection	The essay includes college-level critical reflection. The student includes reflection on the experience leading to college-level learning and content mastery, evaluation of the learning that occurred, and explores ways in which the learning has impacted behavior or future action. The student relates learning to future goals. The reflection further supports the evidence of college-level learning and understanding.				
Content Mastery	The student has presented his/her content knowledge in a way that clearly displays an understanding of the theoretical concepts of learning. The student provides significant detail that articulates core competencies learned. The student demonstrates at least at 70% mastery of college-level content to which the student's learning is being compared.				
Documentation of Competency	The student provided adequate documentation (verification of accomplishments, testimony, learning products, certifications, descriptions, and other direct evidence) to support and validate college-level learning in a specific area of expertise or academic discipline. The documentation includes the college-level learning outcomes to which the student has compared his or her learning. The documentation includes a chronological learning assessment or resume. The comparable learning outcomes are identified and referred to throughout the narrative.				
College-Level Writing	The portfolio is presented in a cohesive, logical manner. Any reference is properly cited. Learning outcomes are included and addressed. Writing is generally at the level of accepted college-level coursework.				

Types of Financial Aid

The Financial Aid Office is available to advise and assist students with obtaining funds to attend Grace Christian University. The Financial Aid Office seeks to meet the financial needs of our students through grants, scholarships, and loans. Students who believe their resources are inadequate to meet their expenses at Grace Christian University should contact a Financial Aid Specialist. More information can be found at gracechristian.edu/online/tuition-and-financial-aid/financial-aid.

FINANCIAL AID DEFINED

Financial Aid is financial assistance that helps students and their families pay for college. This financial assistance covers educational expenses including tuition and fees, room and board, books and supplies, and transportation. There are several types of financial aid available, including grants, scholarships, and loans.

Once eligibility for financial assistance has been determined, students may be offered a Financial Aid Award Package which includes one or more types of aid.

The Financial Aid Award Package may include the following:

- Scholarship Aid: Awards usually based on academic excellence and not necessarily on financial need.
- Grant Aid: Awards based solely on financial need.
- Loan Aid: Federal loans offered at a low interest rate, which must be repaid to the assigned lender after the student leaves college or drops below half-time enrollment.
- Federal Work Study: Undergraduate and graduate students can earn money from a part-time job to help pay for college expenses.

GRANTS

Federal Pell Grants

A Federal Pell Grant is awarded to eligible students based on their FAFSA results. It does not have to be repaid. This grant is awarded to undergraduate students who have not earned a bachelor's degree. The amount of Federal Pell Grant funds a student may receive over their lifetime is limited by federal law to be the equivalent of six years of Pell Grant funding.

Federal Supplemental Educational Opportunity Grant (SEOG)

SEOG funds will be awarded to students with the lowest expected family contributions (EFC) who will also receive Pell Grants in that award year. SEOG funds do not have to be repaid. The Department of Education only provides schools with a limited amount of SEOG funds, so once the funds are depleted, awarding will stop. Valid FAFSA results must be received in the Financial Aid Office to receive consideration.

MILITARY BENEFITS

Grace Christian University accepts educational benefits through the military. These benefits may include GI Bill® and Federal Tuition Assistance. To begin the process of determining any applicable benefits, the student should contact his or her respective educational liaison within the appropriate military organization. Once that action has been taken, the student may contact the Academic Advising Office to proceed with any other applicable processes.

LOANS

Federal Stafford Loans

Direct Stafford Loans are low-interest federal loans available to students who are attending college at least half-time. The funds are borrowed from the Department of Education through the Direct Loan Program. The amount a student may borrow is based on year in school, dependency status, and enrollment status. The FAFSA is the application for Direct Stafford Loans, but first time borrowers are also required to complete Loan Entrance Counseling and a Master Promissory Note at studentloans.gov.

Federal Parent Plus Loan

A parent may borrow a Direct Parent PLUS Loan to help pay the expenses of a child who is a dependent undergraduate student enrolled at least half time. The parent must pass a credit check to be eligible to receive a PLUS Loan. In the event the parent is denied the PLUS Loan due to adverse credit, the student generally becomes eligible to borrow an additional amount in an Unsubsidized Federal Stafford Loan. Parents who wish to apply for a Direct Parent PLUS Loan may visit studentloans.gov.

Private Loans

A student may also obtain private loans from a Private Lender to cover education-related expenses. Students may need a creditworthy cosigner if they have not established credit yet. Usually loans are borrowed to cover the full year, divided between two semesters, but a student could get a loan for just one semester, if needed. Private loans have NO origination fee. For more details, go to: elmselect.com, choose Grace Christian University, then select Undergraduate Loans.

How to Apply for Financial Aid

All students who wish to apply for financial aid (grants, scholarships, or loans) should complete the Free Application for Federal Student Aid (FAFSA). Students can apply online at fafsa.ed.gov. For assistance with this application process, students may contact the Federal Student Aid Information Center at 1-800-433-3243. The FAFSA must have Grace Christian University's school code (002265) entered in order for the results to be received by the Grace Financial Aid Office. The FAFSA must be renewed prior to each academic year. Students with additional financial aid questions may contact the Grace Christian University Financial Aid Office at financialaid@gracechristian.edu, or by calling 616-538-2330.

Typically, Grace will receive the FAFSA within 2-3 business days of its completion. As soon as the FAFSA is received by the Financial Aid Office, the results will be reviewed. The Department of Education will select some FAFSA applications for a process called "verification," which requires the school to request additional documentation from the student before the financial aid process can be completed.

Once all necessary documentation is received, the student will be sent a Financial Aid Award Package from the Financial Aid Office at Grace. The student is responsible for returning a signed copy of the award letter to the Financial Aid Office, indicating which awards they accept or deny. Students who accept a Stafford Loan must go to studentloans.gov to complete the required Loan Entrance Counseling and Loan Master Promissory Note.

EXPECTED FAMILY CONTRIBUTION

The information on your FAFSA is used to calculate your Expected Family Contribution (EFC). Your EFC is an index number that our financial aid staff uses to determine how much financial aid you can receive. The EFC is calculated according to a formula established by law. Your family's taxed and untaxed income, assets, and benefits (such as unemployment or Social Security) can all be considered in the formula. Your family size and the number of family members who will attend college during the academic year is also considered. For more detailed information about how the Expected Family Contribution (EFC) is calculated, visit studentaid.ed.gov/sa/fafsa/next-steps/how-calculated.

Financial Aid Rights & Responsibilities

Students have the right to accept or refuse any part of their financial aid package. If the student rejects any part of his/her financial aid package, it may effect other aid offered. Students may not receive financial aid from more than one school while enrolled at two or more schools for the same time period. Classes the student takes outside of his/her declared program do not qualify for most forms of financial aid.

The student must attend college at least half-time (6 credit hours) in order to be considered for most financial aid. Withdrawal from classes or failure to attend all classes may result in a loss or reduction of financial aid and a balance due to the University.

It is the student's responsibility to inform the Financial Aid Office of any changes to information provided on the FAFSA application. Financial aid offered to the student is dependent upon the availability of funds. Any change in the availability of funds or a student's academic performance may change the award package.

If a student's FAFSA is incomplete, or if their FAFSA verification paperwork is not turned in, no award letter will be provided and the student is responsible for paying out of pocket for all tuition costs and fees.

REQUIREMENTS TO RECEIVE FINANCIAL AID

Statement of educational purpose:

- A student must be enrolled as a degree-seeking student and must sign a statement indicating that all federal financial aid will be used for expenses related to study at Grace Christian University. This requirement will be fulfilled when the student signs and returns their Financial Aid Award Letter.
- A student must not be in default on any federal loan or must have made satisfactory arrangements to repay any defaulted federal loan.
- A student must not have borrowed in excess of the federal loan limit at any institution, and must not owe money on a federal student grant.

Selective service registration

Male students born after Dec. 31, 1959, are required to comply with Selective Service registration regulations. For more information, visit sss.gov.

High School diploma/GED

Students are required to have a High School Diploma or GED equivalent to be eligible for Federal Financial Aid.

CAUSE FOR LOSS OF FINANCIAL AID ELIGIBILITY

- Lack of Satisfactory Academic Progress (see [SAP Policy](#))
- Conviction of Possession or Sale of Drugs

A student who has been convicted of any offense under federal or state law involving the possession or sale of a controlled substance, while receiving Title IV funds, is no longer eligible to receive any federal grant, loan, or work assistance according to the following table from the federal financial aid handbook:

Financial Aid Ineligibility Period for Drug Conviction

Offenses	Possession of Illegal Drugs	Sale of Illegal Drugs
1st Offense	1 year from the date of conviction	2 years from the date of conviction
2nd Offense	2 years from the date of conviction	Indefinite period
3rd Offense	Indefinite period	Indefinite period

For more information, contact the Financial Aid Office at 616-538-2330 or financialaid@gracechristian.edu.

Satisfactory Academic Progress (SAP)

In order to receive federal or state financial aid, regulations require that the student maintain satisfactory academic progress toward completion of the student's current academic program. Academic progress will be reviewed for each student, regardless of whether or not the student is receiving financial aid since these rules determine eligibility for future enrollments.

FINANCIAL AID POLICY

Satisfactory Academic Progress (SAP) at Grace Christian University governs the student's eligibility to receive financial aid based on academic performance. The guidelines outlined below relate to a student's eligibility to receive federal financial aid. Contact the Financial Aid Office (financialaid@gracechristian.edu) for information about maintaining eligibility for federal and state aid. The determination as to whether or not the student is meeting the SAP requirements is made at the end of each academic year based on three factors mandated by federal policy. These factors include cumulative grade point average (GPA), completion ratio, and maximum time frame as described below.

GPA Requirement

Grace will evaluate the GPA Requirement after each semester. A student will be considered in violation if the student does not maintain the minimum GPA requirement.

The student must have earned the required cumulative GPA based on the semester hours attempted to maintain financial aid eligibility. The Director of Financial Aid has the authority to grant limited exceptions to first-time freshmen who fail to meet this requirement but whose cumulative GPA is at or above 1.50 or for first-semester graduate students whose cumulative GPA is at or above 2.50.

Undergraduate Semester Credit Hours Attempted	Cumulative GPA Required	Completion Ratio
3-27	1.50	The required completion ratio for all undergraduate levels is 67%
28-55	1.75	
56+	2.00	

Graduate Semester Credit Hours Attempted	Cumulative GPA Required	Completion Ratio
6-12	2.50	The required completion ratio for all graduate levels is 75%
13+	3.00	

Maximum Time Frame Requirement

The maximum time frame limits the number of credits a student may attempt when pursuing a degree. Grace will monitor the Maximum Time Frame Requirement at the end of each academic year by comparing the required hours for program completion to the cumulative hours attempted. A student will be considered in violation when it becomes mathematically impossible for them to graduate within the 150% time frame. For example, in an undergraduate program of study that requires 124 credits, you may not exceed 186 credits and remain eligible for financial aid.

Graduate students must complete all degree requirements within five years from admission to their program. An approved leave of absence of up to two semesters is not counted in the five years.

Completion Ratio Requirement

The completion ratio is determined by dividing cumulative semester hours earned by cumulative semester hours attempted. The required completion ratio for all credit levels is 67%.

Determining Satisfactory Academic Progress

When determining SAP, grades and credits are tallied according to the following guidelines:

- Earned semester hours include all grades (A, B, C, D, S, and P) including all +/- variations and applied transfer work.
- Attempted semester hours include the grades listed above, as well as E, F, U, W, WF, and XF.
- For repeated courses, credits from each time a student is enrolled are applied to the attempted and earned credits. However, only the most recent grade earned is used when calculating the cumulative GPA.
- Transfer credit accepted at the time of admission, if applicable, is not included when calculating cumulative GPA. Such credits are, however, included in the determination of a student's cumulative GPA required.
- Transfer credits are also included when calculating the completion ratio and maximum time frame.

The Financial Aid Office evaluates whether or not a student is meeting the SAP requirements at the end of each academic year. If it is determined that a student failed to meet the SAP standards outlined above, the student will be disqualified from receiving federal financial aid until the student has met the SAP standards. Students who no longer qualify for financial aid may secure alternate funding for their education and remain enrolled unless a determination has been made that the student is academically suspended.

SAP Appeal Process (for possible reinstatement of financial aid eligibility)

If a student loses eligibility to receive federal financial aid because of failure to meet the SAP standards, the student may attempt to regain financial aid eligibility in one of the following ways:

1. By successfully appealing the loss of eligibility. To appeal, the student must submit a Satisfactory Academic Progress Appeal Form, available from the Financial Aid Office. The extenuating circumstances that may justify reinstating one's eligibility for financial aid on a temporary basis are outlined on this form. If this appeal is successful, the student's eligibility for financial aid will be reinstated with specified conditions.
 - When considering any extenuating circumstances, financial aid probation can only be granted if it is also determined that the student should be able to meet SAP standards by the end of the next semester. Failure to meet SAP standards at that time would make the student ineligible for federal aid without the right to further appeal.
 - Under certain circumstances, the Financial Aid Appeal Committee has limited authority to approve an academic plan that would reinstate the student's eligibility to receive federal aid provided the student is able to meet SAP standards by the end of the next academic year. This academic plan also includes a minimum threshold that must be achieved at the end of the first semester in order to maintain eligibility to receive federal aid. Failure to meet this threshold would make the student ineligible for federal aid without the right to further appeal.
2. By using personal financial resources to complete one or more semesters at Grace with at least half-time enrollment. Reinstatement of the student's eligibility for financial aid will be determined at the end of each semester, dependent on whether or not the student meets the SAP standards at that time. Courses taken must be approved by the Registrar and must advance the student toward earning the declared degree.

Tuition & Fees Schedule

ON-CAMPUS UNDERGRADUATE TUITION

The cost breakdown listed is applied to classes that take place in the 2019-2020 financial aid year (Fall 2019 and Spring 2020 semesters). All costs are subject to change.

Tuition cost per credit hour (\$680 Tuition + \$15 Fees*) = \$695

* Fees: Library, Activity, and Technology Fees

Room & Board with Meal Plan Options

Plan	Cost per Semester
Full plan	\$4050
15 per week	\$3775
10 per week	\$3500
75 per semester	\$3225

Example (One Semester):

TUITION (15 credit hours x \$695)	ROOM BOARD (with a 15 meal plan)	TOTAL (not including textbooks)
\$10,425	\$3775	\$14,200

TEXTBOOKS

Students may purchase books through any vendor. Amazon links are provided through the Student Portal.

The average student typically spends around \$400 per semester on textbooks.

SCHOLARSHIPS & GRANTS

Visit gracechristian.edu/oncampus/tuition-costs/financial-aid/scholarships-grants for a list of scholarships available to Grace Christian University students.

Student Account Balance & Refund Options

The tuition refund policy is based upon the Last Day of Attendance (see official **attendance and participation policy**). Absenteeism or failure to begin a class does not reduce a student's financial obligation.

TITLE IV FUNDS

Credit Balance

Federal regulations prohibit the use of Title IV funds to be applied toward a past due balance greater than \$200.

Withdrawal Impact/Return of Funds

Students are encouraged to contact the Financial Aid Office before withdrawing from classes to understand the complete financial impact of withdrawal. Many times a withdrawal can result in a student owing the University and/or federal government for financial aid that has already been refunded to the student. Withdrawing from classes may also impact the Satisfactory Academic Progress completion ratio.

Federal laws set forth regulations that govern the treatment and calculation of refunds for recipients of Federal Financial Aid (Title IV aid) when a student withdraws from a class.

The Financial Aid Office is required by the Dept of Education to recalculate federal financial aid eligibility for students who withdraw, drop out, or are dismissed prior to completing at least 60% of a semester. Recalculation is based on the percent of earned aid. The Financial Aid Office must return Title IV funds to the programs from which the student received aid during the payment period or period of enrollment as applicable, in the following order, up to the net amount disbursed from each source:

- Unsubsidized Stafford Loan
- Subsidized Stafford Loan
- Federal PLUS Loan
- Federal Pell Grant
- Federal SEOG Program
- Other Title IV grant programs

The University reserves the right to amend this procedure to comply with federal regulations.

FINANCIAL AID HANDLING OF EXCESS FUNDS

A student who receives financial aid will be asked to complete an Authorization to Retain Funds form. This form must be returned to the Financial Aid Office. The form will ask the student to choose one of the following options:

1. Keep the credit balance at the school;
2. Keep \$200 at the school to cover additional of future fees, and mail the remaining excess funds to the student;
3. Mail the entire credit balance to the student.

Student's federal aid will arrive at the school according to the following table:

Campus	Requirements	Funds' Arrival	Disbursement Date
On-Campus Undergraduate	Students must be in attendance beyond the add/drop refund period.	30 days after the semester begins	within 14 days of the funds' arrival
Online Undergraduate	Students must participate in class before funds arrive at the school. Participation is verified by the FA Office. A schedule change may impact the disbursement date.	3rd week of the 2nd course of the semester	4th week of the 2nd course of the semester
Online Graduate	Students must participate in class before funds arrive at the school. Participation is verified by the FA Office. A schedule change may impact the disbursement date.	2nd week of the 2nd course of the semester	3rd week of the 2nd course

After the student's financial aid has arrived at the school, the Financial Aid Office will send a "Loan Notification" email to loan recipients. If the student has a credit balance remaining after the Financial Aid is posted for the semester, and if the student chose to have their credit balance mailed to them, then Financial Aid Office will enter a request to the Business Office to mail a check to the student. It is Grace's policy to mail the excess funds check one week after the financial aid has arrived at the school.

TUITION REFUND + CHARGES

Undergraduate On-Campus Refund Guidelines

Tuition and Private Music Lessons

If courses are dropped, the following schedule of tuition refunds applies:

- During the first week of semester-100% refund on basis of preregistered hours.
- Within 1 week after registration - 75% refund.
- Within 2 weeks after registration - 50% refund.
- After the third week of school - no refund.
- If for disciplinary reasons - no refund.

Room & Food

If a student leaves the dorm and/or drops the meal plan, the following schedule of refunds apply:

- During the first week of the semester - 100 % refund less \$100
- During the second week of the semester - 75% refund.
- During the third week of the semester - 50% refund.
- During the fourth week of the semester - 25% refund.
- During the fifth week of the semester - 15% refund.
- During the sixth week of the semester - 10% refund.
- After the sixth week of the semester - no refund.
- If for disciplinary reasons - no refund.

Fees: No other fees are refundable.

Undergraduate Online Refund Guidelines

Attendance is defined by completing any assignment in Blackboard, such as submitting a paper or answering a discussion question.

A refund for a dropped course will be determined by your Last Date of Attendance (LDA) (See the Last Date of Attendance Policy).

The following schedule applies to dropped or withdrawn courses:

- If the student contacts a member of the Academic Advising Team after the class starts and posts nothing, the student will be charged 50% of the Book and Technology Fee and a processing fee of \$100.
- Attendance prior to the first day of class: 100% refund, no grade issued
- Attendance during the calendar week 1: 80% tuition refund, 50% Resource Fee refund, \$100 processing fee with a withdrawal (W) grade issued
- Attendance during the calendar week 2: 50% tuition refund, 50% Resource Fee refund, \$100 processing fee with a withdrawal (W) grade issued
- Week 3-5: No refund and the grade earned will be issued at the conclusion of the course
- Students withdrawn for disciplinary issues will not receive a refund

Graduate Online Refund Guidelines

Attendance is defined by completing any assignment in Blackboard, such as submitting a paper or answering a discussion question.

A refund for a dropped course will be determined by your Last Date of Attendance (LDA) (See the Last Date of Attendance Policy).

The following schedule applies to dropped or withdrawn courses:

- Week 1 or prior: 100% refund, no grade issued
- Week 2: 75% refund with a withdrawal (W) grade issued
- Week 3: 50% refund with a withdrawal (W) grade issued
- Week 4-6: No refund and the grade earned will be issued at the conclusion of the course
- Students withdrawn for disciplinary issues will not receive a refund

TUITION & FEES APPEAL

Click here for a link to the **Application for Tuition + Fees Refund** or contact the Registrar's Office (onlineregistrar@gracechristian.edu).

Guidelines

Grace recognizes that on rare occasions students may need to request a refund of tuition of fees based on the occurrence of a special circumstance. The following verifiable reasons are acceptable for the refund request process:

- military deployment
- death of an immediate family member
- medical emergency
- university error
- other

The following reasons are NOT acceptable reasons to request a refund:

- incarceration or parole violation
- job change
- acceptance into another institution
- relocation
- unaware of policy
- issues between the student and instructor
- personal/family concerns
- unaware of Education Plan

Student Responsibility

The Application for Tuition and Fees Refund Form must be completed by the student and physically signed.

If the student receives financial aid (grants, loans, scholarships) to cover the cost of tuition, the student should discuss the implications of a tuition refund with a financial aid advisor.

The student is responsible for any current financial obligation to Grace Christian University while the Application for Tuition and Fees Refund is being reviewed.

Process

- After the form is completed and signed, the student must attach any appropriate supporting documentation.
- The completed application may be submitted via mail, email, fax, or in person.
- The appropriate administrator(s) will review the application and either approve, deny, or request additional information within 10 business days.
- The Registrar will notify the student and appropriate Grace staff of the final decision via the student's Grace email address.
- If approved, a refund will be made to the student's account within 10 business days.

Academic Accommodations

Grace Christian University will make reasonable accommodations for students with disabilities or who may need accommodations in compliance with section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990. The purpose of academic accommodation is to provide equal access to educational opportunities to students with disabilities. Grace does not intend that academic standards be altered, nor that the essential elements of programs or courses are changed. Grace will adhere to the New 508 Compliance Rule, ensuring all content is accessible.

A student who has a documented disability may apply for accommodations by completing the **Accommodation Request Form**.

Accommodations are granted on the basis of determined need and appropriate documentation of disabilities. A student must complete the **Accommodation Request Form** and must provide documentation supporting the current need for the requested accommodation. This must include the most recent school record such as an individualized educational plan (IEP), and/or medical records detailing a diagnosed disability. If an IEP or 504 plan is more than 3 years old, the student should request a letter from his/her doctor detailing the current need for the accommodation being requested. To be deemed appropriate documentation, testing and assessment of a disability must have been completed no more than five years prior to the application for accommodations. The **Accommodation Request Form** and supporting documentation will be reviewed by the Accommodations Review Committee (ARC). The process of determining eligibility for accommodations may take several weeks, so a student desiring accommodations should complete an **Accommodation Request Form** and submit appropriate documentation well in advance of admission or the next term/semester in which accommodations are desired.

If the requested academic accommodation is approved, the student will be notified via an official verification letter sent to his or her student email account. The decision to use the available academic accommodation lies solely with the student for each course. Should the student desire to use the accommodation, it is his or her responsibility to inform each professor at the start of the course that he or she will be taking advantage of the accommodations available. Any questions about these accommodations should be directed to the Accommodation Review Committee via onlineregistrar@gracechristian.edu or (616) 261-8586.

If a student's request for academic accommodations is denied by the Accommodation Review Committee, the committee will notify the student via an official letter in an email sent to the student email account.

In the event that a student has questions regarding whether he or she is eligible for accommodations, how he or she might provide appropriate documentation of disabilities, or how he or she might handle a disagreement with a professor over questions of accommodation, the student should contact his or her advisor or the Registrar's Office immediately. If a disagreement arises surrounding eligibility for services or the manner in which a specific accommodation is being implemented, the student has a right to informal and formal grievance procedures.

Academic Dishonesty & Plagiarism

All members of the Grace Christian University learning community are expected to honor the principles of truth, honesty, and maintaining academic integrity at Grace. In order for real learning to occur, one must put in the time and effort to create original thoughts. Dr. Tim Rumley, Associate Provost at Grace Christian, has summarized the impact of plagiarism as a barrier to learning. He writes, “One big reason to avoid plagiarism as a student is that plagiarism keeps you from learning. A student can use a computer to copy text from a source and paste it into a paper without ever learning anything from the material. On the other hand, when a student does the hard mental work to create a good paraphrase and disciplines himself to keep track of and cite where the paraphrase comes from, the student both learns the material cited and learns about the source. Good, appropriate use of sources promotes learning.”

Plagiarism or any misrepresentation of work, unsanctioned collaboration, use of prohibited materials, and participation in any form of dishonesty all constitutes a violation of the academic integrity policy. A violation of this policy will result in the actions and consequences specified within this policy.

Faculty will determine violations of integrity for academic coursework and report the instance to the Provost’s Office. In the instance faculty or administration determines a violation of integrity has occurred, the faculty or administrator will also be required to report. Administration can overturn the decision by faculty based on the outlined appeal process below, or through an investigation and accumulation of evidence.

Examples of academic dishonesty that constitute a violation of this policy include, but are not limited to, the following:

- Plagiarism (see definition below)
- Cheating on tests, quizzes, or any assignments
 - Including purchasing or obtaining and submitting pre-written assignments, homework, or examinations of any sort as your own work (or selling or providing such items to others)
 - Use of any paper generator tool
 - Copying another student’s homework, written assignments, examination answers, electronic media, or other data or items
 - Submitting work created for another course without the instructor’s approval
- Aiding and abetting dishonesty
- Falsification of records and official documents
- Misrepresenting oneself or one’s circumstances to gain an unfair advantage

Students are responsible for understanding and following:

- All provisions of this policy including, but not limited to, the examples above
- Specific course policies for academic work
- Other University policies as specified in the current Catalog
- Academic principles of honesty and integrity
- The Academic Appeal process which gives students the right to appeal any grade affected by a charge of academic dishonesty

PLAGIARISM DEFINITION

It is expected that all work submitted by the student will be that student's original, own work. The student's previous, own work may not be used in the submission of another assignment.

- Resubmitting a previously submitted assignment is **self-plagiarism**. Self-plagiarism is considered outright plagiarism *unless* the faculty has given prior approval for the student to re-submit an assignment or paper with the expectation that the student has improved upon the previously submitted assignment or paper.
- Although rare, limited quotation of personal work may be appropriate in some cases (requires proper citation).
- Re-submission of a chart or diagram that can't be revised for improvement is an exception.

Plagiarism can be intentional or unintentional. A finding of a plagiarism issue does not necessarily indicate intentionality.

Failure to *either* cite in the text or list on the References page is a **component** of plagiarism.

- If a source is used in writing a paper and quoted verbatim, the source material must be in quotes, cited in the text, and listed on the References page.
- If a source is used in writing a paper and paraphrased or summarized, the paraphrased or summarized source material must be cited in the text, and listed on the References page.
- Whatever is cited in the paper, *must* be listed on the References page.
- Whatever is listed on the References page, *must* be cited in the paper.

If a source is used in writing a paper, and neither cited in the text nor listed on the References page, this is **outright plagiarism**. Outright plagiarism can range in size from a few words to paragraphs.

Attempting to use a paper or assignment written by another individual or online tool is a severe act of academic dishonesty.

ACADEMIC DISHONESTY CONSEQUENCES

The following are representative of possible levels of consequences for plagiarism and/or academic dishonesty. The University reserves the right to assess the appropriate level of consequence based on the severity of the violation.

First Offense:

- The student will receive a zero on the plagiarized assignment. The Provost's Office will be notified of the infraction.

Second Offense:

- The student will receive a failing grade in the course where the infraction occurred.

Third Offense:

- A grade of XF will be recorded on the student's transcript indicating "failure for academic dishonesty." The student can petition after one year to have this grade changed to an E.
- A pattern of offenses may result in the student being dismissed from Grace Christian University. However, the student does have the right to apply for re-entry after at least one semester of time-lapse.
- Should the student wish to appeal this dismissal, he/she may do so by giving a written request of appeal to the Provost within 48 hours of the accusation. The Provost will then meet with the Dean or Chair of the school, the appealing student, and a faculty member of the student's choosing to discuss the appeal. At the conclusion of this hearing, the Provost will review the situation and render a final decision. If the decision of dismissal is reversed, the student will be immediately reinstated. However, other appropriate academic sanctions may be imposed. If the Provost upholds the decision for dismissal, no further provision for appeal is available.

Academic Information

Academic Calendar

Grace Christian University operates on a semester basis. An On-Campus Undergraduate school year consists of two semesters of approximately fourteen weeks each.

Unit of Credit

The unit of credit is the semester hour. A semester hour represents 750 minutes of classroom instruction and 1500 minutes of student work outside of class per semester or its equivalent.

The following table represents the minimum workload for each type of course. Workload includes student engagement in seat time, reading, research, online discussions, assignment preparation, and writing.

Type of Course	Minimum Work Load
All undergraduate three-credit courses (on-campus/hybrid/online)	112.5 hours
All undergraduate two credit courses (on-campus only)	75 hours
All undergraduate one-credit courses (on-campus only)	37.5 hours
All graduate three-credit courses (online only)	150 hours

Time Commitment

Most On-Campus 3-credit-hour courses meet twice per week for 90 minutes each meeting. One 3-credit course totals 3 hours of in-class meeting during the week and the student is expected to invest 6 hours in work outside class during the week for a total of 9 hours of time dedicated to that course each week. A student taking 12 semester hours should expect to invest 36 hours in academics each week, and a student taking 15 semester hours should expect to invest 45 hours in academics each week.

Full-time Studies and Academic Overload

A full-time course load is 12 to 18 credit hours per semester (36 to 54 hours of academic work per week). Students may request permission to register for more than 18 credits hours by completing the [Credit Hour Overload Form](#) and submitting it to the Registrar's Office.

Course Formats

In addition to the traditional On-Campus 14-week semester, courses are offered using a variety of time frames, settings, and technologies. Each format must meet the time demands for semester hours of credit defined above, but the balance of time between in-class and out-of-class learning activities differs from format to format. Formats offered at Grace Christian University include:

- **On-Campus Semester Courses** - 14 weeks of class with 1 hour of in-class and 2 hours of out of class work each week for each credit hour earned.
- **Dual-Enrollment Courses** - Traditional courses taught on a high school campus. These courses meet the same semester hour time requirement as traditional on-campus courses, but class meeting times are determined by the high school's schedule.
- **Early Fall and Summer Condensed Courses** - Class times are extended and the academic term is shortened. For example, some courses meet for 3 weeks with class sessions that are 4+ hours long. Others meet for 6 weeks with class sessions that are 2-1/2 hours long. As with On-Campus courses, students should expect to invest twice as much time out of class as in class. A single condensed class will demand as much time per week as two to four traditional classes for the same credit.
- **Independent Study, Readings, and Capstone Thesis Courses** - Students work with a professor to design a set of learning activities for independent study courses. The learning activities necessary to achieve the course outcomes will require approximately the same time commitment from the student as a traditional lecture class's inside and outside class activities for the same number of credits.
- **Online Courses** - Faculty select online learning activities to achieve a course's learning outcomes. The learning activities necessary to achieve the course outcomes will require approximately the same time commitment from the student as an on-campus lecture class's inside and outside class activities for the same number of credits.
- **Hybrid Courses** - Courses offered using a hybrid combination of classroom and online learning spend about half as much time in the classroom as on-campus courses. The time commitment for these classes shifts to out-of-class activities facilitated by online technology. Students should expect to invest more time in outside-class activities for hybrid classes than they would for traditional classes, but about the same total time inside and outside the classroom for the same credit.
- **Internships** - Grace On-Campus Undergraduate programs desire that classroom instruction be supplemented with experiential learning. Therefore, credit is granted for supervised experiences in businesses, churches, schools, and service agencies in most majors. See course descriptions for the semester hours of credit and time commitments for each internship.

Course Numbers

Courses numbered 100-299 are Lower Division courses and are generally for freshman and sophomore students. Courses numbered 300-499 are upper Division courses and are generally for junior and senior students.

Final Examinations

Students with two examinations scheduled for the same hour or with three or more exams scheduled for the same day are permitted to reschedule one of them by arrangement with the instructor for the course. Arrangements for any other change in the schedule must be made in writing with an academic dean no later than the Friday before final examinations begin.

Inclement Weather Policy

Information regarding campus-wide class cancellations will be posted on local television and distributed through the on-campus alert system. For a variety of reasons, Grace Christian University rarely cancels classes due to inclement weather. Commuter students who believe conditions are unsafe to drive to campus due to inclement weather are expected to communicate this to professors by the end of the scheduled class session in order to be granted an exception to the attendance policy. Any assignments are still due unless otherwise approved by the professor. On-campus resident students are expected to attend class unless the campus closes.

Assessment Activities

Because of its desire to improve the quality of education and services offered and a commitment to continuous improvement, the University regularly schedules assessment activities. These activities may include standardized tests, surveys, focus groups, interviews, etc. Students will receive prior notification of these activities so that they can plan accordingly.

Academic Standing

CLASSIFICATION OF STUDENTS

Official classifications are made by the Registrar's Office at the beginning of each academic semester (fall and spring). Transfer credit hours are included in the credits counted toward class standing once an official transcript has been received by the Registrar's Office and the credits have been applied to the student's transcript.

Student class standing and enrollment status are classified as indicated in the following tables:

Class Standing by Earned Credit Hours

Class Standing	Cumulative Earned Credit Hours
Freshman	<28
Sophomore	28-55
Junior	56-84
Senior	85+

Student Status by Enrolled Credit Hours per Semester

Status	Credit Hours per Semester
Full-time	12+
Part-time	<12
3/4 time	9-11
1/2 time	6-8
<1/2 time	3-5
Non-Degree Seeking	<9; not formally seeking a degree program; taking courses without the intention of pursuing a degree
Dual-Enrolled	<6; individuals currently in high school

ACADEMIC STANDING

Academic standing is based on the student's completed semester grade point average (GPA) and cumulative GPA. Academic standing is not the same as Financial Aid Satisfactory Academic Progress (SAP). The Registrar's Office staff will verify academic standing after the completion of each semester according to the table below. The Registrar will notify students on their academic standing upon the completion of each semester.

Due to the difference in the academic calendar/course schedule between Online and On-Campus undergraduate programs, the following distinctions apply to the academic standing policy:

- Online undergraduate students who attempt only 3 credit hours in a semester will continue on their previous academic standing and will be reviewed again after the subsequent semester. Online students who attempt 6 or more credits in a given semester will be evaluated according to the table below.
- On-Campus undergraduate students who are part-time (less than 12 credits attempted in a given semester) will be reviewed for suspension on a case-by-case basis and offered support services accordingly. Part-time on-campus students will not be evaluated for probation, good standing, Dean's List, or President's List.

Academic Standing by Cumulative Credits and GPA

Total Cumulative Credit Hours Attempted*	Semester GPA for Academic Probation	Cumulative GPA for Academic Suspension
12**-18	1.50	1.00
19-37	1.75	1.25
38-56	2.00	1.50
57-86	2.00	1.70
87+	2.00	1.85

* Applied transfer coursework will be counted toward total semester hours attempted.

** Students with less than 12 credits earned will be reviewed for probation and suspension on a case-by-case basis.

DEAN'S & PRESIDENT'S LIST

At the conclusion of each student's semester, the University will recognize those students who have successfully completed a minimum of 12 graded credits within a single semester (full time). Students who earn a cumulative grade point average of 3.50-3.99 will be named to the Dean's List, while those achieving a cumulative grade point average of 4.0 will be named to the President's List. The students who achieve the Dean's List or President's List criteria will receive a notification at the time of qualification. Spring semester recipients will be recognized in the Journey Magazine published by Grace Christian University once per year.

ACADEMIC SUPPORT

Online Undergraduate Students: A student who is not listed on academic probation for his/her semester GPA but was near the threshold for academic probation or suspension may be contacted by Academic Advising to notify the student that his/her academic progress is placing them on a trajectory to be on Academic Probation the following term should his/her grades decline further. Students are encouraged to utilize support resources to remain above academic probation.

On-Campus Undergraduate Students: Each student admitted to Grace Christian University is expected to have made satisfactory progress toward achieving his or her academic goal(s). Individuals whose previous preparation and experience prior to coming to Grace give an indication they may experience some difficulty with the academic program will be placed in the Academic Support Program during the first semester. The requirements for the Academic Support Program include being enrolled in GE 098 or 099, as well as being limited to no more than 14 credit hours (except with the permission of the Associate Provost). *Academic Support is not notated on the student's transcript.*

ACADEMIC PROBATION

The purpose of Academic Probation is not to punish, but rather to serve as an indication to the student that he/she is not progressing at a satisfactory rate toward graduation. A student will be released from Academic Probation upon obtaining the prescribed semester GPA.

Online Undergraduate Students: When a student is placed on Academic Probation, an Academic Advisor may contact the student to complete the Academic Assistance Questionnaire (AAQ) to assist with goal setting and accountability. Following the completion of the AAQ, an Academic Advisor will meet with the student (via phone or in person). Together, the Academic Advisor and the student will discuss opportunities for improvement and develop or revise an Academic Success Plan. A student will be released from academic probation upon achieving the prescribed semester GPA.

On-Campus Undergraduate Students: Any On-Campus student who is placed on Academic Probation will be required to enroll in the GE 098 or 099 Academic Success Program, as well as being limited to no more than 14 credit hours (except with the permission of the Associate Provost). The student's eligibility for extracurricular activities may be restricted as determined by the Associate Provost.

ACADEMIC SUSPENSION

Any student who fails to reach the cumulative GPA required to demonstrate satisfactory academic progress will be academically suspended for the next semester (Online: four five-week terms). A student who is academically suspended will not be allowed to enroll in any courses for the equivalent of one semester.

A student who is academically suspended for the first time may be re-entered into the desired program after one semester of absence by completing the Application for Re-Entry. If the application is approved by the Registrar and Dean or Admissions Committee, the student may be able to return on Academic Probation.

A student who is academically suspended for a second time must petition the Educational Policies Committee for re-entry after one semester of absence. The petition must include evidence that the difficulties previously encountered have been overcome and that completion of the degree requirements can reasonably be expected. The decision of the Educational Policies Committee is final, with no option to appeal.

A student who becomes academically suspended because of extenuating circumstances may appeal the decision to the Educational Policies Committee. A student's participation in academic support efforts (GE 098, GE 099 or an Academic Success Plan) will be considered when making this determination.

Athletic Eligibility

Grace Christian University offers intercollegiate athletic teams in men's soccer and basketball, and women's volleyball, soccer, and basketball. Grace also offers co-ed cross country, bowling, tennis, and track and field. Grace Christian University, although not presently a member of an athletic conference, is a member of the National Christian College Athletic Association, a 110-plus member organization which sponsors national tournaments in soccer, basketball, and volleyball.

To be eligible for competition in intercollegiate athletics, a player must be regularly enrolled for 12 hours of credit and have achieved a total of 24 hours of credit for the previous two semesters. Athletes who have achieved Junior standing must maintain a 2.0 cumulative GPA. Other NCCAA eligibility requirements affect how GPA is calculated and which courses count toward credit hours needed. The Athletic Director determines eligibility according to both the NCCAA and Grace Christian University rules. Grace Christian University may also restrict participation in intercollegiate athletics for students on academic or social probation.

Availability of Classes & Programs

The course offering schedule for each Grace Christian University program is created based on course capacity with specific student needs to be considered. There may be situations where a course is not offered during the specific term or semester a student needs it. An effort will be taken to avoid time off for the student; however, in certain instances, the student may be required to take a break due to course availability. It is the student's responsibility to review her or her schedule or education plan on a regular basis to be aware of any changes to his/her schedule due to the course offering.

In an effort to meet current church and job demands, the programs of Grace Christian University are in a constant process of assessment and revision. High demand for classes and limited resources may require some students to take more than the estimated minimum time to complete a program. A student may also be required to present special qualifications such as prerequisite courses, work experience, knowledge, or a particular grade point average in order to be authorized to take certain courses. For these reasons, students are urged to discuss such matters periodically with an Academic or Faculty Advisor. Programs are subject to change without notice.

Catalog Year Policy

The academic catalog is not a contract between Grace Christian University and the student. Grace makes every effort to include applicable academic and non-academic information available at the time of publishing the annual catalog. Web-based catalog content will continue to be updated as new information becomes available and represents the most accurate version of the catalog.

While all students must follow academic programs as listed in the catalog in effect at the time of entrance or re-entry to the university, any changes instituted by the faculty or administration become effective when official notification is published unless otherwise stated and may differ from the entering catalog.

Undergraduate Students are expected to satisfy the degree requirements of the respective entry year catalog within eight years. After a period of eight years or upon re-entry to the institution, a student will be expected to satisfy the degree requirements of an active catalog year, eight years old or less.

Graduate Students are expected to satisfy the degree requirements of the respective entry year catalog within five years. After a period of five years or upon re-entry to the institution, a student will be expected to satisfy the degree requirements of an active catalog year, five years old or less.

Classroom Policies

ON-CAMPUS ATTENDANCE POLICY

Grace Christian University believes that regular attendance and participation in classes are essential for learning. Class attendance is directly related to a student's performance which is enhanced by class attendance. Therefore, students are expected to attend all classes.

Students who anticipate an absence due to an official school-sponsored event should consult with the professor in advance. Faculty or others in charge of an event will provide the faculty with a list of students participating prior to any activity that would remove students from class. All faculty are required to include an attendance policy in each course syllabus. In addition, faculty will record the absences of students in all classes. Whenever a student does not attend class in accordance with the attendance policy in the syllabus, the professor will take appropriate action. The nature of the action should be related to the excessiveness of the absenteeism. Any student who misses 1/3 or more of the scheduled meetings of a class automatically fails the course.

As much as possible, official school functions that require student participation should not be scheduled so as to require absence from classes. No official school-sponsored event may be scheduled during the final exam period.

Students should keep in mind that any absences might affect their final grade in a course. The impact of absence on one's grade can be found in the course syllabus provided by the instructor of each course.

INCLEMENT WEATHER POLICY

Information regarding campus-wide class cancellations will be posted on local television and University alert systems. For a variety of reasons, however, Grace Christian University rarely cancels classes due to inclement weather. Commuter students who believe conditions are unsafe to drive to campus due to inclement weather are expected to communicate this to professors by the end of the scheduled class session in order to be granted an exception to the attendance policy. Any assignments are still due unless otherwise approved by the professor. Students who live on campus are expected to attend classes.

LATE PAPERS AND PROJECTS POLICY

The following policy regarding late papers, projects, and assignments will be followed unless otherwise assigned by the instructor.

- Assignments, including papers and projects, are due at the beginning of the class period on the date assigned. This applies to any student who may be absent from class that day, as well as to athletes or other students officially sanctioned by the University to be gone from class on that day. The late submission of these assignments is unacceptable and will result in a failing grade.
- Instructors may extend or change a due-date for assignments at their discretion. However, such changes or modifications should be made at least one class period prior to the original due date.
- In-class assignments, including tests, quizzes, and presentations, missed due to absence will result in a grade of zero unless prior arrangements are made with the instructor.
- Exceptions to this policy may be made by the instructors at their discretion or as directed by the Associate Provost or Provost.

Course Repeat Policy

Students are permitted to take a course in which an unsatisfactory grade was achieved during a previous period of enrollment for the purpose of earning a higher grade point average and improved learning. In such situations, registration for the course and payment of the related tuition and fees at the current tuition rates are required. The grade achieved by the repeated course supersedes the initial grade in relation to the cumulative GPA calculation, though the initial grade will remain on the permanent transcript record and marked with an “R” for repeated. Financial aid may be available to help pay for a repeated course if the student’s existing grade in the course is an F/E or W.

In certain instances, a student may wish to repeat a passed course to raise his/her grade point average (GPA) or to refresh knowledge of specific content. If the student received a passing grade (D- or better), financial aid may be used to repeat the course only one time. Financial aid is not available for coursework completed in a previously earned certificate or degree program.

Directed & Independent Study Policy

INDEPENDENT STUDY

Grace will allow the use of an independent study when required to assist a student with the completion of the program degree requirements. An independent study is a way for a student to learn independently with the direction of a faculty who is a content expert in the student's approved area of the desired exploration. Students work with an instructor to design a set of learning activities necessary to achieve the course outcomes. The time commitment will be approximately the same as a standard course and follow the same course format as the program the student is enrolled in. An independent study is offered at the discretion of an advisor and must be approved by the Dean or Chair of the student's program. Independent or directed study courses are taken for credit and all regular tuition and fees will apply to courses taken in this format. A student who fails an independent study course may be required to repeat the course. An Independent Study Approval Form may be obtained from the Registrar's Office.

Guidelines for Independent Study:

1. The student and assigned faculty must meet prior to the first week of class (Online Students) or during the first week of class (On-Campus Students) to narrow the subject and establish a format for study.
2. A minimum of 4 meetings must occur with the instructor during the term, regardless of the amount of credit assigned to the course
3. The faculty member and student should decide on a suitable form of assessment for the articulation of the results of the studies.
4. The faculty member must document the independent study's Course Learning Outcomes (CLOs) which must align with the Program Learning Outcomes (PLOs).
5. The above agreements should be put in written form using the Independent Study Contract.
6. A completed copy of the Independent Study Contract must be given to the Registrar.
7. The Independent Study must be approved by the Dean of the school in which the independent study course is offered.
8. The general expectations for the student and faculty are the same as for all other courses.

DIRECTED STUDY

Grace will allow the use of a directed study when an unforeseen circumstance prevents a student from being able to take a required course as it is offered in the academic calendar. A directed study is a way for a student to learn independently through the use of current course curriculum directed by a faculty who is a content expert and who has previously taught the course material. A directed study is offered at the discretion of an advisor and must be approved by the Dean or Chair of the student's program in consultation with the Registrar. The time commitment will be approximately the same as a standard course and follow the same course format as the program the student is enrolled in. The course is required to have the same Course Learning Outcomes (CLOs) as the course has when offered as a standard course. If the course content and the assessments must be altered for single student use, the altered assessments must align with the CLOs.

Independent and directed study courses are taken for credit and all regular tuition and fees will apply to courses taken in this format. A student who fails a directed study course will be required to repeat the course and may do so in a standard section or as a subsequent directed study, as approved.

Grading Scale

It is the responsibility of each student to meet the specific outcomes of each course as defined by the curriculum and upheld by the faculty, as well as to meet the general overall requirements for graduation which include a minimum cumulative GPA, total credit hours, and/or general education credits. If the student feels at any time that his/her performance is not on track to meet the specified requirements, the student should make an appointment with his/her instructor regarding an individual course, or an Academic Advisor if regarding the overall program. Grades are computed at the end of each course. Final grades are posted upon official grade submission from the instructor.

Students may view their official grades after the end of each term or semester by accessing the Student Portal and selecting “My Grades” and “Letter Grades.” The “My Grades” link in Blackboard is unofficial.

GRADES

Grading Scale + Grade Explanation

Percentage or Description	Letter Grade	Grade Points (multiply by course credit hours)	Explanation *A plus (+) or minus (-) grade indicates performance is at the upper or lower range defined by the letter grade.
95-100	A	4.0	Superior Work. Implies excellence in thinking and performance in a course. High-level work that is clear, precise, well-reasoned, and insightful.
90-94	A-	3.7	
87-89	B+	3.3	
83-86	B	3.0	Above Average. Implies sound thinking and performance in a course. B level work is clear, precise, and well-reasoned but does not have the depth of insight that A level work has.
80-82	B-	2.7	
77-79	C+	2.3	

Percentage or Description	Letter Grade	Grade Points (multiply by course credit hours)	Explanation *A plus (+) or minus (-) grade indicates performance is at the upper or lower range defined by the letter grade.
73-76	C	2.0	Average. Implies mixed thinking and performance in a course. C level work is inconsistently clear, precise, well-reasoned, and inconsistently demonstrates comprehension of basic concepts and principles.
70-72	C-	1.7	
67-69	D+	1.3	
63-66	D	1.0	Inferior but Passing. Implies poor thinking and performance in a course. D level work is inconsistently clear, precise, and well-reasoned. It does not display a depth of insight or consistent competence.
60-62	D-	.7	
0-59	E	0	Failure. Implies an attempt to get through a course by rote recall and reflects a mistaken comprehension of basic concepts and principles.
Incomplete	I	0	Incomplete. See the Incomplete Grade Policy below.
Withdrawal	W	Does not impact GPA	A W grade indicates the student has withdrawn (or been administratively withdrawn) from the course. A W grade does not impact the grade point average, but is considered an attempted course.
Withdrawal Failing	WF	0	On-Campus & Graduate Online students only: A WF grade indicates the student has withdrawn (or been administratively withdrawn) from the course with a failing grade at the time of course withdrawal.
Audit	AU	Does not impact GPA	Audit. No credit is earned. This grade is not used in computing the student's GPA.
Satisfactory	P	Does not impact GPA	Credit granted based on a pass/fail basis. Credit earned is equivalent to a C or better.
Unsatisfactory	U	0	Credit granted based on a pass/fail basis. No credit earned.
Academic Integrity Violation	XF	0	The grade of XF is given for plagiarizing, cheating on a test or assignment, or otherwise violating the academic integrity policy.
Repeat	R		The course has been repeated.

Grade Point Average (GPA)

The GPA is computed by dividing the total number of credits attempted into the total number of honor or quality points as outlined in the table above.

Incomplete Grade (I)

The following policy is to be applied to all Grace University students who receive a grade of an “I” for incomplete work in a course:

- All coursework is designed to be completed within the official date parameters set for the registered course.
- An Incomplete grade may be granted when a student is prevented from finishing coursework on time by extenuating circumstances.
- It is the student’s responsibility to request an “I” grade prior to the end of the class and the professor’s to determine whether the circumstances merit an incomplete grade. Faculty are encouraged to discuss incomplete grade opportunities with the student’s Academic Advisor or Registrar if applicable.
- A student who receives an incomplete grade for any course (some or all assigned work not turned in) will be required to turn in the completed work to the professor who taught the course unless other arrangements have been approved by the Dean or Provost.
- The work must be completed within the extension parameters set by the faculty:
 - On-Campus Courses: not to exceed 4 weeks from the last day of the original semester
 - Online Undergraduate Courses: not to exceed 5 weeks following the last day of the original term
 - Online Graduate Courses: not to exceed 2 weeks following the last day of the original term
- Failure to submit the incomplete work by the established deadline will result in earning zero points for incomplete work, and the final grade will be awarded accordingly.
- For Online Students: The student is advised to contact Tree of Life to arrange for an extension for the rented books and to discuss applicable charges.

AUDITING A COURSE

Auditing a course means taking a course for no credit or grade. Students may audit courses. Students are permitted to attend an audited course but is not required to submit assignments or take examinations. Audited courses do not include honor points (GPA) or credits toward graduation. Audit status does not count towards full-time enrollment. Audit status must be declared at the time of registration and confirmed with the instructor on the first day of class. Audit enrollments are based on class size availability. If at any point prior to the beginning of the course, the class size maximum is reached, any audit registrations will be canceled. Financial Aid is not available for audited courses. Changes from credit to audit and vice versa will not be permitted after the first week of the class. All tuition and schedule change fees apply accordingly (see applicable fee schedule).

Graduation & Commencement

APPLICATION FOR GRADUATION

In order to receive a degree and be invited to participate in the graduation banquet and the commencement ceremony, the student must apply to graduate by filling out the **Graduation Application Form**.

Each division awards degrees according to a prescribed schedule. Diplomas are ordered 6 weeks prior to each confer date. An application for graduation submitted less than 6 weeks before the next confer date will cause a delay in the order of the diploma.

Once the application for graduation is received by the Registrar's Office, the student will be charged a non-refundable graduation fee (this fee will be charged once per program level AA (\$100), BS (\$100), and MS (\$150)). The Registrar will audit the student's records for degree completion. If there are outstanding requirements that have not been addressed, the Registrar will notify the Academic Advisor and the student. If all degree requirements are either met or pending completion, the student will be notified of the pending confer date. Within 4 to 6 weeks after each confer date, the graduation applicants with a pending completion status will be audited a final time, followed by the conferral of the degrees. As long as there is not an outstanding balance on the student account, the diploma will be mailed to the address on the application for graduation or on file at Grace, whichever is more recent. If a student has not met the degree requirements at the final degree audit, the Registrar will notify the student and the advisor. The student will be required to reapply to graduate for the next confer date he/she is eligible for.

PARTICIPATION IN COMMENCEMENT

Candidates for degrees may participate in the commencement service in the spring of each academic year. Graduation is one of the few public celebrations of a student's entire educational process. While graduates occupy center stage, the annual commencement ceremony is about the success of the whole. Education at Grace is not an isolated or individualized experience. In order to be included in the annual commencement ceremony and program, the student must apply to graduate by January 15. If the deadline is not met, there is no guarantee that the student will be able to participate in the commencement ceremony or have his/her name printed in the commencement program.

Students who wish to participate in the commencement ceremony will be required to order their cap and gown regalia from our third-party vendor. The cost of the cap and gown will be added to the student's account at Grace. Students who choose to participate in the commencement ceremony and have met the requirements for the honors or high honors designation will be provided the honors cords at no cost.

GRADUATION HONORS

Undergraduate students participating in the Annual Commencement Ceremony will be honored for their achievement with the privilege of wearing a silver cord representing Honors (3.30 – 3.69) or a gold cord for High Honors (3.70 – 4.00). The graduation honors grade point average is based on the cumulative GPA for all completed coursework as of the final commencement program printing date (February). Only Grace Christian University credits will be used to determine academic honors.

A final audit will determine the graduation honors to be awarded at the time of degree conferral. Undergraduate students with a final cumulative grade point average of Honors (3.30 – 3.69) or High Honors (3.70 – 4.00) will receive the corresponding sticker affixed to their diploma and a notation on the official transcript.

GRADUATION AWARDS

Students may be selected for various graduation awards upon meeting the specific academic and/or character requirements. Graduation awards may be given at commencement or the banquet depending on the type of award.

BANQUET

In addition to the commencement ceremony, Grace hosts an annual graduation banquet for new graduates from all divisions of the university. The banquet is held at a local venue near Grand Rapids, Michigan on the Friday night prior to the commencement ceremony. This is a special time of celebration for students, families, and friends of Grace Christian University. Tickets must be purchased by the student. Each purchased ticket includes a plated dinner and dessert. An official RSVP will be required once the formal banquet invitation has been sent by the banquet committee.

DIPLOMA RE-ORDER

A diploma may be reordered at the request of the student. The cost for a replacement diploma is \$45, which must be paid prior to the order. The request for a reprint of a diploma dated more than one year from the request will have an additional \$45 fee assessed to cover an additional fee from the supplier. Contact the Registrar's Office to request a replacement diploma: onlineregistrar@gracechristian.edu.

Undergraduate Graduation Requirements

DEGREE REQUIREMENTS

In order to graduate from an undergraduate program at Grace Christian University, the student must complete the following general education requirements:

- Earn a minimum of 60 credits for an Associate Degree and 120 credits for a Bachelor's Degree (overall credit requirements may vary);
- Earn a minimum of 25% of the required program from Grace Christian University (15 credits for AA, 30 credits for BS);
- Earn a minimum cumulative grade point average of 2.0;
- Complete the required Bible and Theology Core (BTC);
 - AA Degree: 12 credit hours
 - BS Degree Completion: 18 credit hours
 - BS Degree: 30 credit hours
- All transfer work (including non-traditional and credit by exam) must have been earned prior to the start of the student's last semester at Grace unless part of a dual-degree program or pre-approved by the Online Dean or Associate Provost;
- Dual-degree students must fulfill the degree requirements of both institutions;
- Official college transcripts must be received in order for transfer work to be posted on the student's academic record;
- All required coursework for the selected degree program must be completed satisfactorily.

MULTIPLE MAJOR POLICY

In order to earn multiple majors at Grace, the student must:

1. Complete the course requirements for both majors.
2. Complete a minimum of 18 unduplicated credit hours within each bachelor's degree major and 15 unduplicated credit hours within each associate degree major.
3. Complete all other degree requirements as stated.

MULTIPLE DEGREE POLICY

In order to earn multiple bachelor degrees at Grace, the student must:

1. Complete the course requirements for both majors.
2. Complete a minimum of 18 unduplicated credit hours within each major.
3. Complete all other degree requirements as stated.
4. Complete a minimum of 144 credits for a second bachelor's degree (24 credits beyond the first degree for a minimum total of 144 credits in total for both degrees).

POSTHUMOUS DEGREE

A posthumous degree may be awarded upon request of the student's family if the deceased student had met the requirements as set forth below. Posthumous degrees will be awarded in the name of a deceased or critically ill student, who according to the best available medical advice, has no significant probability of being able to resume studies toward an earned degree in their lifetime.

The deceased student is required to have been registered in the current or preceding semester, be in good academic standing with the university, and have completed at least 85% of the requirements for the specified degree. The Registrar will complete a degree audit as a verification of the requirements, and submit the request to the Dean. If the Dean approves, the Dean will submit the request to the Provost for final approval.

The final approval will be returned to the appropriate Registrar for processing. The Registrar will notate the academic transcript with: "Degree Granted Posthumously." A copy of the academic record will be released, if requested, to an attorney representing the estate of the deceased student. There will not be a graduation or transcript fee assessed.

Deceased students not meeting the above criteria may receive a "Certificate of Achievement," if requested by the family.

Generally, posthumous degrees are conferred on institutional confer dates; not at the annual graduation ceremony. The intent is to honor the student and to celebrate his or her accomplishments in a meaningful way while avoiding an awkward public event. If a student was in his or her last semester, the family may submit, in writing, a request to have one family member accept the posthumous degree during commencement as part of the normal proceedings. The reading of the name will include "awarded posthumously" in the announcement and in the printed program.

Personal & Professional Conduct

THE GRACE EXPERIENCE

Grace Christian University is committed to biblical higher education. First and foremost, this means we seek to engage our entire campus intentionally and pervasively in the study and application of the text of God's eternal Word, the Bible. As an institution of higher learning, we are also committed to the pursuit of knowledge, understanding, wisdom, and skills, not as an end entirely unto themselves, but as the means by which we can become better equipped to more effectively meet the needs of the church and society, both now and in the future.

The mission of Grace Christian University is Graduating Godly Individuals Prepared to Serve Christ in Church and Society. As students work toward this end, it is expected that they will be people with **character** in who they are, **competence** in what they do, **compassion** as they relate to others and **commitment** to the gaining of knowledge and wisdom.

RESPONSIBILITIES OF THE UNIVERSITY COMMUNITY

Grace Christian University is a community with a purpose. The University seeks to glorify God by fulfilling its mission: Graduating Godly Individuals Prepared to Serve Christ in Church and Society. Members of the community include faculty, staff, and students. The broader Grace community includes alumni, constituents, churches, and the University Board. In order to fulfill the mission of the University, members of the community need to understand their responsibilities. If responsibilities are not met, the University will preserve the harmony of the community through redemptive discipline. We seek to create an environment of warmth in which confrontation and discipline, done with empathy and forgiveness, can be an effective part of the growth process. In order to achieve our institutional aims and objectives, we believe it necessary to ask faculty, staff, and student body members to observe limitations on conduct and to commit themselves firmly to these principles.

With the guidance and enabling of the Holy Spirit, the Administration and Faculty are responsible to:

1. Work toward the maximum attainment of institutional objectives, so as to make them steadily relevant to the lives of individual students.
2. Demonstrate in administration, instruction, and other activities Christian standards of competence, leadership, and encouragement for Christian maturity.
3. Demonstrate in their own personal lives a commitment to the Lord Jesus Christ.
4. Provide maximum educational opportunities for the student in keeping with the aims and objectives of the university.

With the guidance of the Holy Spirit, each student is responsible to:

1. Cooperate actively and constructively in the achievement of the aims and objectives of the university.
2. Practice Christian conduct based on biblical principles, extending the Lordship of Christ to every aspect of life.
3. Make full use of their God-given abilities so as to achieve maximum personal development by active participation in as many activities and learning experiences as is reasonable.
4. Respect with consideration the personal freedom, standards, and decisions of others.

The University recognizes that certain aspects of our culture are offensive to the Christian conscience and has therefore developed the following standard of conduct for the University family: Practices known to be morally wrong by biblical teaching (i.e., drunkenness, stealing, occult practices, adultery, gossip, pride, lust, bitterness, etc.) are not acceptable for members of the Grace Christian University community.

By virtue of enrollment, the student agrees to accept the responsibilities outlined above. The student who is found to be out of harmony with the aims and objectives of the University may be asked to withdraw from the Community whenever the general welfare to the University demands it even though there may be no serious special breach of conduct.

ON-CAMPUS STUDENT HANDBOOK

Grace Christian University is a private institution. Attendance at Grace Christian University is a privilege. Grace Christian University reserves the right to revoke the attendance privilege of any student if at any time the student is believed to not be fulfilling the purpose and objectives of the institution as set forth by the Board of Directors and/or the Administration of Grace Christian University. The Undergraduate On-Campus **Student Handbook** clarifies the expectations and general sequence of response but does not supersede the overall right of the institution to revoke attendance privilege.

Privacy Policy

In order to release education records to a third-party, Grace Christian must receive a signed permission to release non-public information form. The form can be requested via email from the Grace Registrar's Office (onlineregistrar@gracechristian.edu).

Link to: **[FERPA Permission to Release Non-Public Information Form](#)**

DIRECTORY INFORMATION

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Grace Christian University, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your education records. However, Grace Christian University may disclose appropriately designated "directory information" without written consent, unless you have advised Grace Christian University to the contrary in accordance with Grace Christian University procedures. The primary purpose of directory information is to allow Grace Christian University to include information from your education records in certain school publications.

Examples include:

- The annual yearbook
- Honor roll and other recognition lists, including Merit Pages
- Graduation programs
- Sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a student's prior written consent. Outside organizations include, but are not limited to, companies that manufacture graduation garb or publish diplomas.

If you do not want Grace Christian University to disclose any or all of the types of information designated below as directory information from your education records without your prior written consent, you must notify the Registrar's Office in writing.

Grace Christian University has designated the following information as directory information:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Dates of attendance
- Date and place of birth

- Participation in officially recognized activities and sports
- Weight and height of athletic team members
- Honors and awards received
- The most recent educational agency or institution attended

ANNUAL FERPA NOTIFICATION

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a post-secondary institution at any age). These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day Grace Christian University receives a request for access. A student should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

A student who wishes to ask Grace Christian University to amend a record should write the Registrar, clearly identify the part of the record the student wants to be changed, and specify why it should be changed.

If Grace Christian University decides not to amend the record as requested, Grace Christian University will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before Grace Christian University discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

Grace Christian University discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by Grace Christian University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of Grace Christian University who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records such as an attorney, auditor, or collection agent, or a student volunteering to assist another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Grace Christian University.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Grace Christian University to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See the list below of the disclosures that post-secondary institutions may make without consent.

FERPA permits the disclosure of PII from students' education records, without the consent of the student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, § 99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures.

A post-secondary institution may disclose PII from the education records without obtaining the prior written consent of the student:

- To other school officials, including teachers, within Grace Christian University whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))

- To authorized representatives of the U. S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State post-secondary authority that is responsible for supervising the university’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))

(§ 99.31(a)(14))

To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15)).

Registration & Course Attendance

Registration for students currently enrolled is usually held in October for the next spring semester and in March for the fall of the next academic year. New students will be contacted regarding their course selections. All students have until the first day of the semester to make changes in their course selections.

REGISTRATION CHANGE

A student desiring to make a change in his/her schedule after the first day of the semester must obtain a Drop/Add form from the Registrar. Changes are not official until the form is completed, signed by the academic advisor and filed with the Registrar. A student desiring to add a course after a semester begins must obtain permission from the course instructor before filing a Drop/Add form with the Registrar. No course may be added after the first week of the semester without the approval of the Associate Provost.

- Any course dropped during the first week of the semester will not be entered on a student's academic record.
- Any course dropped after the first week of the semester will be recorded on the student's academic record as withdrew passing (W) or withdrew failing (WF).
- Any student who discontinues attending a course and completing assigned work without officially withdrawing with the Registrar's office will receive a failing grade (E).

ACADEMIC ADVISING

Academic advising is provided by an assigned faculty or staff member to allow an ongoing series of consultations between students and an advisor. Therefore, every student admitted to the University is assigned to an academic advisor. Advisors are available to offer counsel to students regarding academic policies and procedures, in registering for courses each semester, in checking progress toward obtaining their degree and in matters relating to personal and spiritual growth.

While advisors and advisees share in the advising process, each student is responsible for meeting his/her educational goals and satisfying graduation requirements. Students whose career goals will require them to transfer to another four-year college or university following work at Grace should be sure to inform their academic advisor of their intentions as early as possible so that consideration can be given to transfer requirements. Students may be expected to provide a catalog of the institution to which they expect to transfer.

ATTENDANCE

Grace Christian University believes that regular attendance and participation in classes are essential for learning. Therefore, excessive absenteeism is viewed as a very serious matter that may result in a failing grade. However, Grace also recognizes that circumstances sometimes prevent students from attending classes. Students are expected to monitor their class attendance.

Specific details on the attendance policy are found in the **Classroom Policies** section of the catalog.

Change of Program Request

In order to request a program change, the student must fill out the **Degree Change Form**.

- The student's graduation date may be delayed when a new degree is selected.
- The student may lose applicable transfer credits when a new degree is selected.
- The student may be required to take additional credits at Grace when a new degree is selected; also, some previously taken credits may not be applicable to the new degree.
- When a new education plan is created, the student must approve the plan before the Registrar's Office will officially change the degree.

Online Students: The student is responsible for any rush shipping fees acquired if the form is not received a minimum of 3 weeks prior to the start of the next term impacted by the degree change.

Student Records

Student records are protected by the Family Education Rights and Privacy Act (FERPA). See the **FERPA** section for more information.

TRANSCRIPT REQUEST

To request an official transcript, please download the **Transcript Request Form** and either fax the completed form to (616) 538-0599 or mail to Grace Christian University, 1011 Aldon St. SW, Grand Rapids, MI 49509. Transcripts will be sent within 1 or 2 business days. Satisfactory financial status and a \$5 payment are required before transcripts are sent.

An unofficial transcript can be accessed by current students in the Student Portal. Past students may request an unofficial transcript by completing the **Transcript Request Form** and checking the appropriate box.

If you have additional questions about requesting a transcript, please contact the Registrar's Office at (616) 261-8586 or email onlineregistrar@gracechristian.edu.

TRANSFERABILITY OF CREDITS

Grace Christian University does not guarantee that credits earned from Grace will transfer to another school. Typically, an institution will evaluate coursework from a regionally accredited institution in terms of transferability and applicability to the degree program. Grace is regionally (HLC) and nationally (ABHE) accredited.

Student Services

Academic Support

Entering students who are academically at risk, as well as students who fail to demonstrate satisfactory academic progress, are required to participate in the Academic Success Program. The Academic Center for Excellence (ACE), located in the Bultema Library, is available for any student who desires academic assistance and support.

Bookstore

In order to provide students with the best savings possible, Grace Christian University does not operate its own bookstore. Required textbooks are listed for each course in the student portal. Links to [Amazon.com](https://www.amazon.com) are also provided for convenience and cost savings.

Career Services

Assists students and alumni in exploring, engaging, and experiencing who they are called to be, what gifts and talents God has created them to use, and how that is related to the world of work. Career Services help students identify unique skills, abilities, interests, and values in order to make a more informed career decision. The office staff assists students in developing contacts with local employers and in honing career development skills including cover letters, resumes, interviewing, and accepting offers. Services apply to both in-school employment, including internships, and after-graduation career destinations. Career Services is located in our Student Affairs office. You may contact the Director of Career Services at kbossick@gracechristian.edu or by phone at 616-538-2330.

Ministry students desiring to serve in the churches of the Grace Gospel Fellowship (GGF) should contact the Executive Director of the Fellowship, Matt Amundsen, at the GGF offices in the O'Hair Memorial Building.

Computer Access

Computers with internet access and Microsoft Office are available for students to use in the Bultema Library and Academic Center. Students may also access the internet through the campus wireless network. Information regarding hardware requirements is available from the Director of Information Technology.

Counseling and Guidance

Counseling for vocational, social, and personal needs is available through the Campus Counselor. We encourage students to examine their motives, talents, and gifts as part of developing a meaningful relationship with Jesus Christ and to determine the capacities in which students might serve Him. The University counselor is available to students who wish to discuss personal needs or problems. Offsite counseling is also available by referral at reasonable costs. Guidance in selecting courses each semester is offered through the student's academic advisor.

Food Service

Well-balanced meals are served daily in the dining hall. A meal plan is included for all students living in campus housing. Students living off-campus may purchase individual meals at published prices.

Medical Services

A licensed nurse is available on campus for consultation during specified hours each week. Immediate, emergency medical service is also available through local hospitals and clinics. For the protection of everyone in the Grace community, students are required to submit their immunization records and health history. Students participating in intercollegiate sports are required to carry medical insurance.

Postal Service

Incoming mail is distributed daily in student mailboxes.

Student Activities

Life at Grace Christian University is more than books and class work. Activities invite the participation of nearly every student. The program is designed to enrich and broaden the educational experience. Social contacts at Grace will establish lifetime friendships. Additional information can be found in the **Student Handbook** or by contacting Student Affairs.

Activities Program

Regular activities include concerts and musicals, outings, special dinners, parties, lectures, art, and drama. Baker Chapel, the recreation room in Huston Hall, and the facilities in the Aldrich Athletic Center offer a wide variety of activities.

Ambassador Fellowship

Ambassador Fellowship encourages worldwide vision and seeks to inspire an interest in missions in the student body. The missionary conference, held annually in the spring, is directed by Ambassador Fellowship.

Athletics

Grace Christian University provides intercollegiate competition in basketball, bowling, cross-country, soccer, tennis, and track and field for men. Women's sports include basketball, bowling, cross-country, soccer, tennis, track and field, and volleyball. Intramural sports are also available. The University is affiliated with the National Christian College Athletic Association (NCCAA), which sponsors regional and national tournaments in various sports.

Christian Ministry Program

Grace Christian University believes growth and development should include more than academic preparation. Classroom teaching must be supplemented with on-the-job training and experience. A wide assortment of service activities are available to students including youth clubs, Sunday school teaching, music ministry, evangelism, tutoring, and jail ministry. Specific courses in each degree program contain required Christian Ministry assignments. Successful completion of these courses is required for graduation. Details can be found in the **Student Handbook** or through the Christian Ministry Department.

Student Government

Each class of the student body may elect representatives to the Student Government. These representatives work to enhance campus life as well as voice concerns of the students to faculty and administration. A member of the Student Government is welcome to attend faculty meetings.

Students with Spouses

Married students meet to encourage and support each other through fellowship and activities designed to build and strengthen their relationship with their spouses and with other couples.

Vocal and Instrumental Ensembles

Students are invited to audition for the performance ensembles offered through the Music, Worship, and Technology Department. These groups lead worship at campus chapels, at university functions, and in churches and schools across the country.

Worship Services

Services are conducted in Baker Chapel three days each week. A.C.T. groups also meet during the week affording students, faculty, and staff the opportunity to challenge one another in Applying Christ Together. The entire student body and faculty are expected to regularly participate in these activities. Other student-led worship times are regularly held.

Student Technology Policy

E-MAIL CORRESPONDENCE

E-mail correspondence is increasingly used for distribution of information to members of the Grace community. Electronic forms of correspondence are timelier and more efficient than traditional paper correspondence and provide better service to the recipient and potential cost savings to the University.

Since all staff, faculty and registered students have email accounts created by virtue of their association with the University, electronic correspondence is one of the authorized means of communication from the University to its constituents. Notification by email is equivalent to a notification by letter or by phone. Email correspondence shall be made to the email address issued by the University (email address ending in @gracechristian.edu). Students have the option of forwarding their Grace email to a preferred personal email, however, the University cannot guarantee delivery of these messages to non-Grace addresses.

STUDENT TECHNOLOGY SPECIFICATIONS

In order to provide a quality experience for all users accessing Grace Christian University resources; the suggested, not required, minimum and recommended computer specifications are listed below. Students and Faculty are encouraged to use computers meeting the recommended specifications for the best user experience. Grace Christian University is unable to provide troubleshooting support for systems which do not meet the minimum specifications.

NOTE: Wireless specification is required to access the on-campus wireless network.

Minimum and Recommended Computer Specifications

Component	Minimum Specifications	Recommended Specifications
Processor	Intel Core i3	Intel Core i5 or i7
Operating System	Windows 10 or Mac OS 10.12	Windows 10 or Mac OS 10.12
Memory	4GB	8GB - 16GB
Network and Wireless	Wireless 802.11g/n	Wireless 802.11a/c/n, Integrated Gigabit Ethernet
Display/Graphics	Largely personal preference depending upon your needs, but for those who use Apple computers, Retina displays are highly recommended	

ACCEPTABLE USE POLICY**Purpose**

Grace Christian University provides computing resources to support its mission of Christian higher education-particularly in the areas of instruction, research and independent study, and to encourage a responsible community of shared inquiry. Student use of these resources must be consistent with these intentions. As a responsible member of the Grace community, you are expected to act in accordance with the following guidelines which are based on common sense, common decency, civility, and Christian values as applied to the networked computing environment.

All students, faculty, staff, and guests of Grace Christian University using university network and computer resources must comply with the guidelines set forth in this policy and with federal, state and local laws. Improper use of university technology resources may result in disciplinary action.

Scope

This policy applies to all guests, faculty, staff, registered students in good standing, and vendors of Grace Christian University, identified as the Grace community.

Policy Statement

Sharing of passwords, PINs, tokens, or other authentication information is strictly prohibited. Each individual is responsible for his/her account(s), including the safeguarding of access to the account(s). Information residing on institutionally maintained systems, including, but not limited to, student, financial, and personnel records, is made available to users on an individual basis only, and only to such extent, as explicitly authorized by the department which has custodial responsibility for that data.

The use of Grace resources to access, further or otherwise participate in an activity which is inconsistent with the mission and Christian principles of the university is prohibited. This includes, but is not limited to the following: illegal activity, sexually explicit material, hate speech, violent behavior & bullying, spam, hacking, etc. Individuals engaged in necessary educational related activities or research consistent with Grace's mission may be allowed to access sites.

Online learning tools are increasingly a part of higher education. In fact, the majority of Grace students are online students. In class students also utilize online learning tools. As a small step to enhance building the Grace learning community, we want to encourage Blackboard users to upload a personal image as their avatar.

Here are some guidelines:

- Avatars should be personal images. We want to see you, not a superhero.
- Avatars must be your own image which you have the rights to use (don't violate copyright law). Selfies or photos, showing shoulders and above are encouraged.
- Images must be a valid GIF/PNG/JPG formation, less than two megabytes, and small pixel size in dimension; 150 pixels by 150 pixels.
- The University reserves the right to remove avatars which may be deemed inappropriate.

If an inappropriate avatar is discovered, the following procedure will take place:

1. Faculty/staff who identifies an inappropriate avatar will share the avatar guidelines with the student and ask him/her to choose an alternate photo via email (copy onlineregistrar@gracechristian.edu).
2. A member of the Registrar's Office will check that an appropriate image has been selected within 2 business days of the initial notification.
3. If the image has not been changed, the staff member will submit a helpdesk ticket to have the avatar image removed.

In addition to standard electronic resources, members of the Grace community are expected to make appropriate use of the Grace Telephone/Voicemail system. Examples of inappropriate actions:

1. Unauthorized entry into a voice mailbox
2. Unauthorized use of another individual's identification and authorization code

3. Use of the University telephone system to send abusive, harassing, or obscene messages
4. The use of Grace resources to conduct business for personal financial gain is prohibited.

Anti-virus and anti-malware software must be installed on your computer, kept up to date, and currently enabled. If your software is not up to date or disabled, it may lead to an infection which may result in your network access being disabled.

Although Grace's Information Technology (IT) Department deploys Windows patches for university issued devices, employees are responsible for keeping their computer updated with all other security patches/fixes from the appropriate software update services. This includes updating applications, such as MS Office, Adobe, iTunes, Firefox, Chrome, etc. This also includes operating system patches for non-university devices. If your computer is not up to date, it could lead to malware infection which may result in your network access being disabled.

Grace faculty and staff are responsible for their computer, including its hardware, software, and any network traffic transmitted by it. Software licensed by the University or merely used on University equipment must be used in accordance with that license agreement. Violations of the terms of software license agreements are not within the scope of University employment; the University may seek repayment of fines or damages from employees who violate licensing terms and may take disciplinary action up to and including dismissal. Please contact the IT Helpdesk if you have any questions about whether or not certain software/hardware might conflict with this acceptable use policy.

Copying or sharing copyrighted material, including through peer to peer file sharing, is illegal and immoral. We expect members of this Christian community will seek to uphold both the letter and spirit of the law regarding copyrighted material. Students found to have illegally downloaded files will have network privileges revoked.

The use of personal routers (wireless or wired) and/or DHCP servers is strictly prohibited. The IT Department will assist you if you require additional connectivity or have specific departmental needs.

Using the Grace network to provide any service that is visible off campus without prior IT approval, is prohibited. This applies to services such as, but not limited to, HTTP (Web), SSH, FTP, IRC, email, private VPN, etc.

Configuring your computer to provide Internet or Grace network system access to anyone who is not a Grace faculty, staff member, student, or vendor is prohibited.

Visitors may make use of the Internet and other resources with permission from the Director of Information Technologies or a University administrator.

Grace Christian University technology personnel may routinely monitor individual computer and network use. The University reserves the right to inspect personal computers and data files to investigate evidence of misuse.

The university email system is to be used for communication purposes.

The following are unacceptable uses of email:

1. Mass mailings or forwards to more than 15 recipients for anything other than approved university administrative purposes (spam).
2. Sending an email with falsified addresses (spoofing).
3. Using someone else's email account without their consent.
4. Sending harassing or abusive e-mail.
5. Unsolicited advertising is not acceptable.

Study Abroad

Grace Christian University seeks to graduate culturally intelligent leaders who are prepared to serve Christ in Church and society in an increasingly complex global marketplace. The opportunity to pursue an education in a cross-cultural context presents students with a unique learning experience that ties curriculum content to practical life experiences and fosters a sense of cultural awareness and partnership in God's work around the world. Grace has a Study Abroad Scholarship to support students desiring to participate in cross-cultural experiences. Scholarship information can be found at gracechristian.edu/studyabroad/student-faqs. Contact the Study Abroad Coordinator, Becca Schaffran (bschaffran@gracechristian.edu), to discuss how Study Abroad could work for you!

Even though participating in study abroad is not required, it is greatly encouraged in order that students can gain a greater understanding of the world around them and can be better prepared for the field they are entering. Don't need the credit? No problem! You can still join the trip as a guest and enjoy all the benefits without the course-work. Speak to the course facilitator for availability.

Study abroad options available at Grace include:

- Faculty-led Programs
- Semester Abroad
- International Internships
- Experiential and Mission Trips
- GAP Year
- Partnership Programs

Detailed information can be found at gracechristian.edu/studyabroad.

4+1 Plan Option

PLAN EXPLANATION

The 4+1 plan allow students in select bachelor degree programs to streamline the path directly into a master's program. By beginning graduate coursework during one's senior year, the student can earn both a bachelor and master's degree in just *five academic years! Contact your academic advisor to discuss enrollment in a graduate course as an undergraduate!

Other Possible Benefits Include:

- Greater Employment Opportunities
- Potential to Earn 25% More Income
- Career Advancement

Master of Arts Degrees Available:

- Ministry
- Organizational Leadership

4+1 courses are graduate courses which are cross-listed as 400 level courses for seniors pursuing a bachelor degree. Students who take these courses will receive advanced standing in the MAMin or MAOL program, depending on the courses taken. These courses may be transferable to other institutions at the bachelor level and will not count towards a Master's degree anywhere other than at Grace Christian University.

Students must formally apply to the graduate program prior to enrolling beyond the bachelor's program courses. Students must receive at least a 'B' (3.0) in the graduate course (cross-listed 400 level course) in order for it to count as advanced standing in the Master's programs.

*Students may elect to enroll in 1 to 4 graduate-level, cross-listed courses to count toward both the undergraduate and graduate degree. The number of courses available is dependent upon the student's selected undergraduate and graduate degree program. The number of graduate courses taken and the course availability will impact the length of time to degree completion for both the undergraduate and graduate degrees.

ELIGIBILITY

An undergraduate student is eligible to take a 4+1 course if the student:

- Is in good academic standing
- Has earned at least a 3.0 GPA in their undergraduate coursework at Grace
- Is a senior (85+ credits earned)

Bachelor of Science in Biblical Studies

OVERVIEW

The Bachelor of Science Degree is awarded upon the satisfactory completion of four years of prescribed academic work. There are several Biblical Science program options available: Biblical Studies with concentrations available in Pastoral, Youth, Women's, or General Ministries; Global Communication; Criminal Justice and Ministry; Worship and Ministry; and Old Testament or New Testament Studies.

The Bachelor of Science in Biblical Studies degree at Grace Christian University includes 51 credits in Bible and Theology, as well as 28 credits in Ministry. Ministry concentrations include Pastoral, Youth, Global Communication, or Women's Ministry. Academic concentrations are Old or New Testament Studies. Students who are unsure of their specific calling or who would like to customize this degree can also choose the General Ministry concentration, which allows ministry-minded students to select six courses from any of the ministry concentrations. Whatever the ministry emphasis, this degree prepares students for service in the church, para-church ministries, the mission field, and further graduate studies.

The mission of the Biblical Studies Division is to prepare students for vocational Christian ministry by developing a foundational knowledge of the Bible and theology, ministry principles and practices, and by nurturing the personal character necessary for a life of service to Jesus Christ. This is possible because of the wide range of courses included in this degree: Old and New Testament Literature, Old Testament Electives, Christian Worldview, New Testament Electives, Christian Mission, Systematic Theology, Biblical Christian Thought, Dispensational Theology, and Theology of Spiritual Formation.

In addition to these courses, every student completes a ministry internship designed to put theory into practice. Students interested in licensing and ordination, by the Grace Gospel Fellowship, complete an intensive six-month internship.

Students who graduate with a Biblical Studies degree from Grace Christian University will be able to summarize and explain the content of the Bible, Christian theology, and Christian worldview, expressed in a working knowledge and deepening understanding of the Scriptures and analyze and interpret biblical texts based on established principles of exegesis and hermeneutics, in order to handle the Word of God accurately (2 Timothy 2:15). Since dispensational theology is an important part of Grace Christian University's heritage, the students who study in the Biblical Studies Division will evaluate dispensational ideas and its contribution to an understanding of the Bible, the life and mission of the Church, and the doctrine of the future.

Finally, every class in the Biblical Studies Division seeks to apply the Word of God to critical problems facing the local church, expressed through effective written and oral communication in a variety of ministry contexts.

PROGRAM OUTCOMES

Students who graduate with a biblical studies degree from Grace Christian University will be able to:

1. Explain the content of the Bible, Christian theology, and Christian worldview expressed in a working knowledge and deepening understanding of the Scriptures.
2. Interpret biblical texts based on established principles of exegesis and hermeneutics in order to handle the word of God accurately (2 Timothy 2:15).
3. Evaluate dispensational theology and its contribution to an understanding of the Bible, the life and mission of the Church, and the doctrine of the future.
4. Apply the Word of God to critical problems facing the local church, expressed through effective written and oral communication in a variety of ministry contexts.

In addition to the Biblical Studies outcomes, students completing the indicated concentration will also meet the following program outcomes.

Pastoral Ministry Program Outcomes

1. Discern and evaluate a calling into pastoral ministry.
2. Prioritize a mastery of intimacy with Jesus Christ in prayer and Bible intake reflected in regular intercession for self and others.
3. Analyze a church's structural/organizational needs and develop appropriate ministry strategies within that setting.
4. Demonstrate competence in the ability to visit people in various areas of pastoral care such as home, hospital, retirement facilities, and at funerals.

Youth Ministry Program Outcomes

1. Develop biblical responses and ministry strategies in response to significant issues and trends in contemporary culture (especially youth culture).
2. Articulate a holistic philosophy of youth ministry that includes biblical, theological, and philosophical foundations.
3. Organize the important tools, methods, and resources necessary in the field of youth ministry, and implement them in ways that enable students to fulfill their specific ministry calling.

Global Communication Program Outcomes

1. Articulate a biblical understanding of how God's Word influences cross-cultural communication.
2. Identify and appreciate differences among cultures and how these differences affect interpersonal and group communication.
3. Demonstrate preparedness for working within other cultures through cross-cultural experiences.
4. Apply communication theories in a global context.

Women's Ministry Program Outcomes

1. Analyze the biblical, theological, and cultural dimensions of ministering effectively to women.
2. Evaluate and discern her sense of personal giftedness and calling in ministry to women.
3. Create and apply philosophies, strategies, techniques, and methods characteristic of Christian women's ministry.

Old and New Testament Studies Program Outcomes

1. Demonstrate proficiency in biblical Greek and/or Hebrew
2. Be prepared to engage in graduate-level biblical studies

Criminal Justice and Ministry Program Outcomes

1. Summarize the social, political, legal, and ethical context of crime and justice in the United States of America.
2. Value and respond with compassion to individuals impacted by life circumstances and choices.

Worship & Ministry Program Outcomes

Students who graduate with a concentration in Worship and Ministry will demonstrate expertise in the following areas:

1. Musicianship – Demonstrate competency in essential musicianship skills
2. Technology – Demonstrate competency in essential technology skills
3. Worship – Create and lead a Biblically-grounded, multi-sensory corporate worship experience

Bachelor of Science in Business

OVERVIEW

The mission of the business program at Grace Christian University is to provide a Biblically informed interdisciplinary education designed to take the natural talents, gifts, and abilities from a diverse group of students and prepare them to serve effectively and immediately in the workforce. The program will provide students with an interdisciplinary look at the field of business. Students will learn to utilize a variety of field experiences with businesses, real-world case studies, role-playing, and group projects for developing business opportunities and ventures in society. The program is committed to leveraging the use of current technology in every discipline.

PROGRAM OUTCOMES

Students who complete a Bachelor of Science in Business will achieve the following learning outcomes:

- 1. Business Acumen** - Demonstrate a mastery of the use of business technology and management knowledge to impact firm profitability.
 - Skills include: Apply business principles to work with people and processes within a profit or not-for-profit organization. Perform basic analysis of the financial systems and statements of an organization, clearly writing reports that reflect the performance, financial condition, and management effectiveness of the organization being evaluated. Demonstrate the ability to increase profitability by utilizing and applying business technology. Work efficiently in teams, managing conflict, and communicating effectively in person and through the utilization of technology to meet deadlines. Summarize the various options available to organizations to finance operations and create attainable operating budgets.
- 2. Strategic** - Demonstrate awareness and improvement of thinking and learning strategies. Demonstrate the ability to build business systems that impact productivity.
 - Skills include demonstrated ability to analyze, combine, and synthesize theories from various business disciplines to create a comprehensive business plan. Analyze and evaluate real-world business problems and opportunities from various disciplines to provide solutions that maximize profitability or sustainability. Evaluate operations and provide recommendations to improve performance in creating a competitive market advantage.
- 3. Business as Mission** - Demonstrate a firm understanding of the Christian call to business as a ministry.
 - Skills include: Integrate Christian principles in critical thinking and decision-making. Summarize references to scripture that shape the way Christians are called to operate and engage others in the workplace. Upon completion, students will be equipped to share their faith with various stakeholders in their business.

In addition to the Business Degree Program outcomes, students who graduate with a concentration will be able to demonstrate mastery of the following outcomes:

Management Concentration Outcomes:

1. Understand and demonstrate a firm understanding of the Christian call to business as a ministry.

Bachelor of Science in Criminal Justice

OVERVIEW

Grace Christian University's Criminal Justice degree gives a broad overview of the field and the unique challenges of law enforcement and the criminal justice system. The mission of the Criminal Justice degree is to provide a biblically-informed, interdisciplinary education in the human services field, having theoretical knowledge and application for real-world Christian service.

The Bachelor of Science in Criminal Justice has been constructed considering the need for a Christian bachelor degree program that dually meets the needs of preparing individuals to serve Christ and society within the context of the criminal justice system. The strategic vision of the degree provides multidisciplinary coursework (Bible, theology, psychology, sociology, criminal justice) as well as training in the Christian worldview and ethical decision-making. The criminal justice degree has been built upon this foundation based on core values and ideas shared through the advisory committee consisting of federal and local law enforcement, community leaders/ministers and academics from three institutions of higher learning.

A strength of Grace Christian University's criminal justice degree is that it prepares students for a variety of job opportunities following graduation, as well as preparing professionals who understand and can respond to people from diverse walks of life. The Criminal Justice degree will prepare law enforcement students for the postgraduate police academy and police career. Those seeking graduate school or other (non-sworn) criminal justice work such as probation will be prepared for graduate work in the areas of criminal justice, counseling or social work.

PROGRAM OUTCOMES

Students who graduate with a BS in Criminal Justice degree from Grace Christian University will be able to:

1. Evaluate ethical factors in regard to issues of diversity and human rights in relation to the workings of the criminal justice system and criminology.
2. Interpret ways in which oppression, privilege, discrimination, and social and economic disadvantage contribute to inequalities and injustices within criminal justice systems.
3. Develop an ability to integrate information on society's response to crime, and the consequences of crime to our society, utilizing multiple perspectives.
4. Apply theoretical frameworks to understand the causes and prevention of crime, the processes of criminalization, and criminal enforcement.
5. Develop problem-solving methods to address criminal justice issues currently facing the community and/or society.

Bachelor of Science in Human Services

OVERVIEW

One of the fastest growing professions relates to the service industry, especially in response to the human condition. No one is more prepared to meet this need than the Christian who is able to apply the principles of the Word of God and the knowledge and skills gained in a Human Services program. The mission of the Human Services program at Grace Christian University is to provide a comprehensive understanding of helping and healing relationships that enable graduates to serve individuals, families, and society. Its purpose is to develop practitioners who are biblically-informed, ethical thinkers who can practically apply their knowledge to serve others. The program seeks to prepare professionals who can meet the needs of diverse communities with integrity and sensitivity, and be prepared for advanced training, graduate school, and life-long learning.

PROGRAM OUTCOMES

Students who graduate with a Human Services degree from Grace Christian University will be able to:

1. Develop a personal philosophy of human helping, emphasizing student strengths and potential growth areas.
2. Apply the principles and skills of ethical decision-making and respect for diversity.
3. Demonstrate interpersonal skills in helping relationships and group dynamics.
4. Recognize the social and psychological dimensions of human interactions in a variety of settings.

In addition to the Human Services program outcomes, students who complete a concentration will be able to:

Bachelor of Science in Psychology

OVERVIEW

The science of psychology goes beyond diagnosing and treating mental illness. Students majoring in the science of psychology learn how to ethically use research to improve people's lives with respect to the family, employment, and recreation. Psychology students embrace individuals holistically, taking a bio-psycho-social-spiritual perspective. Further, approaching psychology from a biblical world-view empowers students to support psychological findings in God's general revelation with His special revelation, the Bible. Psychology majors at Grace Christian University will be equipped to meet the challenges of serving people living together in a diverse and ever-changing world. Experiential learning prepares psychology majors to enter a variety of vocations or continue on to graduate degree programs.

PROGRAM OUTCOMES

Students who graduate with a BS in Psychology degree from Grace Christian University will be able to:

1. Identify and apply psychological concepts, theories, and research to various behavior problems.
2. Interpret and illustrate skills in scientific inquiry and critical thinking.
3. Construct culturally appropriate, ethical behavior in response to an increasingly diverse world.
4. Demonstrate proficiency in writing and in oral and interpersonal communication skills.

Bachelor of Religious Education (Dual-Degree Programs)

OVERVIEW

Grace Christian University partners with Cornerstone and Davenport Universities to offer degrees in areas of study not available at the University. This unique arrangement makes it possible for students to earn two baccalaureate degrees upon completion. Because of the Bible and Theology Core requirement for all four-year graduates, students earn a Bachelor of Religious Education from Grace Christian University and a selected degree from the partner institution. There are a number of programs available to our students including Teacher Education, Exercise Science, Pre-Professional Studies, History, Family Studies, and Creative and Professional Writing, all through Cornerstone University. Our partnership with Davenport University allows students to pursue a number of different business degrees.

For detailed information on the dual-degree program options, contact our dual-degree Academic Advisor, Linda Siler (lsiler@gracechristian.edu).

A sample degree plan is shown below:

Teacher Education (Cornerstone University)

Through our arrangement with Cornerstone University, the student will have the opportunity to develop the knowledge, skills, and disciplines necessary for a career in elementary and secondary education. Students satisfying the program requirements will receive a Bachelor of Religious Education degree from Grace Christian University and a Bachelor of Arts with the specified major from Cornerstone University. This degree program affords students the means to achieve:

1. A developed and integrated Christian philosophy which will guide their living, learning, and teaching.
2. Mastery of the essential academic skills of critical thinking and communication.
3. Enrollment in a carefully sequenced program designed to help them master subject-specific teaching methods.
4. Familiarity with technological applications to assist them in preparing and presenting effective classroom teaching and management.
5. Opportunities for practical experience through observing, aiding, and teaching.
6. A firm grasp of foundational biblical knowledge through a strong Bible and theology emphasis.

Upon graduation, you will be entitled to apply for certification from the State of Michigan and/or states which grant reciprocal certificates to Michigan graduates.

Elementary Education Programs

In addition to the Language Arts Group Major detailed below, there are a number of other majors and minors available through our partnership with Cornerstone University. These include Integrated Science Group, Social Studies Group, Integrated Science and Mathematics, Integrated Science and Reading, Integrated Science and Language Arts, Mathematics and Reading, Mathematics and Language Arts, Reading and Language Arts, Spanish, Early Childhood Education and TESOL (Teaching English to Speakers of Other Languages). Contact the Registrar's Office or Dual-Degree Academic Advisor at Grace Christian University for further information about these programs of study.
