The academic catalog is not a contract between Grace Christian University and the student. Grace makes every effort to include applicable academic and non-academic information available at the time of publishing the annual catalog.

While all students must follow academic program requirements as listed in the catalog in effect at the time of entrance or readmission to the university, any changes instituted by the faculty or administration become effective when official notification is published unless otherwise stated and may differ from the entering catalog.

Students pursuing an A.A. degree are expected to satisfy the degree requirements of the respective entry year catalog within four years; students pursuing a B.S. degree are expected to satisfy the degree requirements of the appropriate catalog within six years. After the designated period or upon readmission to the institution, a student will be expected to satisfy the degree requirements in effect at the time of readmission.

Acknowledgment of Receipt

All students are provided with notification of and access to the current academic catalog. Enrollment in any Grace Christian University course indicates the student's acknowledgment of the policies and procedures outlined in the respective division's academic catalog. The student acknowledges that he/she has read and understood the Grace Christian University Academic Catalog pertaining to his/her academic division, which is located on the University website (gracechristian.edu). The student understands that it reflects the current policies, regulations, guidelines, and services of Grace Christian University and accepts responsibility for compliance. The student understands that these policies, regulations, guidelines, and services are subject to change at the discretion of the University at any time with or without prior communication. The student understands it is his/her responsibility to remain current with this information. The student acknowledges that, if he/she does not understand any statements of this catalog, it is his/her responsibility to seek out clarification from either a dean or an administrator.

Message from the President

These days, there is significant confusion and an increasing reliance on humanistic solutions to address the challenges of our day. We are bombarded with false and misleading narratives, yet the enduring Truth of God’s Word continues to provide a solid foundation for all aspects of life. The submission of our opinions and behaviors to the authority of the Scriptures is a counter-cultural idea, but it is precisely this commitment that sets Grace Christian University apart from other religious schools.

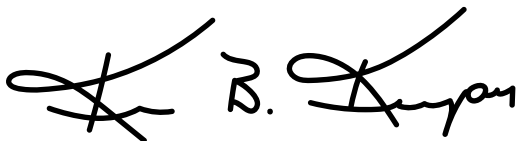

At Grace Christian University...

- The **Word of God** is celebrated, highly valued, and taught with careful scholarship
- **Objective Truth** is upheld for personal and corporate belief, and it sets the standard for the behavior of all students and employees
- Every person is regarded as a precious **image bearer of God**, regardless of age, gender, ethnicity, or background
- All people are understood as flawed from birth and in need of Christ’s redemptive death on the cross to enable **godly living**
- Personal relationships flourish within a **redemptive learning community**
- **Serving others**, both inside and outside the family of God, is the norm and is done with joy and purpose.

Our vision is this: **“Every student will be provided an opportunity to design a path towards affordable education.”**

This strategic, bold, and counter-cultural model of Grace Christian University is more essential today than ever before. Imagine the impact of these principles in contrast to the chaos and pluralism of today. We invite you to courageously learn, grow, and serve in this way for a world that is watching and in need of people who give glory to God and transform lives. The academics at Grace Christian University are designed to be challenging and push you to excel, with credentialed and competent professors serving as loving guides to help you succeed.

For His Glory,

A handwritten signature in black ink, appearing to read "K. B. Kemper". The signature is stylized and cursive.

Dr. Ken B. Kemper, President

Mission Statement: Graduating courageous ambassadors for Christ who make an eternal impact wherever they go.

Grace Christian University is authorized by the Department of Labor and Economic Opportunity for the State of Michigan to award Bachelor of Science, Bachelor of Religious Education, Bachelor of Music, and Associate of Arts, and Master degrees. The Michigan Department of Labor and Economic Opportunity has statutory powers, duties, functions, and responsibilities regarding the establishment and approval of non-public institutions incorporating private colleges and universities.

Documents from all of these agencies are available for review upon request in the Administration Office.

Grace Christian University is authorized under Federal law to enroll non-immigrant students and cooperates with the U.S. Department of Veterans Affairs in processing benefits for the training of honorably discharged service members.

Location

Grace Christian University is located at 1011 Aldon Street SW, Wyoming, Michigan. The beautiful City of Wyoming is southwest of Grand Rapids and enjoys all of the cultural and recreational benefits of the greater West Michigan area. Grace Christian University is easily accessible by major air, rail, and bus lines.

History

Beginnings

Grace Christian University began in 1939 as Milwaukee Bible Institute. Evening classes were held to train laymen and Sunday school teachers to serve God. In these early years, a dedicated group of evangelical pastors saw the need to prepare full-time Christian workers with particular concern for a dispensational theological understanding of the Bible and the distinct revelation given to the Apostle Paul. While the Institution has grown in many ways through the decades, its core values are rooted in the efforts of these early years.

Leadership

Humanly speaking, Grace Christian University would not have come into existence without the visionary leadership of its first president, Reverend Charles F. Baker. The Institution was founded under his leadership, grew to a College and navigated the challenges of moving the campus from Milwaukee to Grand Rapids, MI. The Institution continued to grow as Dr. Jack T. Dean became president in 1967. Facilities and degree programs were expanded and the Institution was granted accreditation with the Association of American Bible Colleges. Dr. Samuel Vinton Jr. led the Institution from 1985 to 1989. During these years, the Institution began facilitating opportunities for international students to earn their degrees at Grace. Bruce Kemper became the fourth president in 1990. Coming from Pastoral Ministry, Bruce Kemper brought a strong emphasis of ministry to the Institution. Grace's current president, Dr. Kenneth B. Kemper, was called to lead the Institution in 2003. President Kemper has brought renewed vision and energy to the Institution. From the beginning and continuing into this present year, God has called leaders who love His Word, love His people, and joyfully use the gifts God has given them at Grace Christian University.

Academics

From an evening school Bible Institute to the current University, academics at Grace is a story of growth and excellence. The early evening classes grew to a day school with a broader curriculum. Grace achieved accreditation with the Association of American Bible Colleges (now the Association for Biblical Higher Education) in 1967. Regional accreditation was granted by the Higher Learning Commission in 1990. During the 1990s, Grace also established consortium agreements with Cornerstone University and Davenport University further opening degree options for students. In 2010, Grace began offering 100% online degrees expanding the reach of its educational opportunities far beyond the Grand Rapids campus. Graduate studies began in 2016 offering a Master of Arts in Ministry. Additional graduate degrees soon followed.

The growth and excellence of academics at Grace is also seen in the example of its faculty in lifelong learning for whom the majority, rather than the exception, have earned terminal degrees. As of 2024, Grace employs 15 full-time faculty, seven of whom hold doctorates or other terminal degrees.

Facilities

While our most distinguished alumni of the Institution speak of the Milwaukee campus with fond memories, the majority of the alumni have only known the campus at 1011 Aldon Street SW. Although modified with additions, the original four 1961 buildings continue to serve the campus today. Additional buildings to the campus include: Bultema Memorial Library (1971, expanded in 2004), Enslow and Klein Apartments, Baker Chapel (1980), the Aldrich Athletic Center (1977), the Jack T. Dean Academic Center (2006), the Student Commons (2010) as well as the Dining Room and Kitchen renovation and expansion (2019). The most recent addition to the campus is the Grace Townhomes. This three story building with 29 apartments opened in Fall 2022, providing safe and comfortable housing for students.

Co-Curricular

What happens outside the classroom shapes students alongside their academic pursuits. Chapel continues with its strong history of corporate worship and instruction from God's Word. Students put learning into action through Christian Ministry. Ministry trips, domestic and abroad, give students opportunities to experience other cultures and ministry contexts. Intercollegiate Athletics builds life learning through competition which has seen tremendous success with regional and national championships.

History in a Name

We can see a snapshot of the Institutional growth through the history of its name: Milwaukee Bible Institute, Milwaukee Bible College, Grace Bible College, Grace Christian University. Each year as new students come and graduates move on, we are reminded, with deep gratitude, of those who have come before us to humbly learn and serve God at Grace.

Mission

The mission of the University serves as our guiding statement. All activity of the Institution moves us toward accomplishing this overarching purpose:

Graduating Courageous Ambassadors for Christ Who Make an Eternal Impact Wherever They Go

Vision

Through intentional efforts across the campus to reduce the cost of education and to seek partners providing student scholarships, we believe that by 2025,

Every student will be provided the opportunity to design a path toward affordable education.

Core Values

The Core Values of the University are consistent with the historical founding of the Institution and consist of the values to which we hold. In our work, planning, and interactions with stakeholders we desire that all we do fall within these four Core Values:

- Bible Centered
- Grace Theology
- Ministry Focused
- Transformational Relationships

Statement of Faith

The following statement of faith is the theological position of Grace Christian University.

The Bible. We believe that the Bible, both Old and New Testaments, is verbally inspired by God, without error in the original writings, and is the supreme and final authority for every aspect of faith and life (Rom.15:4; 2 Tim. 3:16-17; 2 Pet. 1:21).

The Godhead. We believe there is one God, Creator of all things and eternally existing in three Persons: Father, Son, and Holy Spirit. Each is a Person distinct from the others, but inseparable, coequal, coeternal, unlimited and unchanging in power, presence and knowledge. All are worthy of the same worship and obedience (Gen. 1:26; Deut. 6:4; Matt. 28:19; Acts 5:3-4; Rom. 11:33-36; 1 Cor. 8:6; 2 Cor. 13:14; Eph. 4:4-6; Col. 1:16-17; 1 Tim. 2:5; Heb. 1:8-10).

The Person of Christ. We believe in the full humanity and full deity of our Lord Jesus Christ; His virgin birth, His sinless life, His miracles, His substitutionary death, His bodily resurrection, His ascension to the right hand of the Father, and His personal return in power and glory (Luke 1: 35; Rom. 1: 3-4; 1 Cor. 15:1-8; Phil. 2:6-11).

The Person of the Holy Spirit. We believe that the Holy Spirit is a divine Person, coequal with the Father and the Son. It is the Holy Spirit who convicts unbelievers of their sin and condemnation before God, and regenerates the hearts of believing sinners. He baptizes the believer into the Body of Christ. He also seals, indwells, enlightens, equips for service, and empowers the believer to live a godly life (John 16:7-8; Acts 5:3-4; 1 Cor. 2:10-12; 6:19; 12:13; 2 Cor. 3:18; Gal. 5:16-26; Eph. 1:13-14; 4:4-6; Tit. 3:5).

Humanity and sin. We believe that God created the first man and woman in His own spiritual image and likeness. They disobeyed God, died spiritually and became subject to physical death. As their descendants, we are all sinners both by nature and by choice, and are totally unable of ourselves to do anything pleasing to God (Gen. 1:26-27; Isa. 64:6-7; John 15:5; Rom. 3:9-23; 5:12; 8:5-8; Eph. 2:1-3; Tit. 3:5).

Salvation. We believe that God justifies ungodly sinners solely by His grace upon the grounds of the sacrificial blood of Jesus Christ and His Resurrection. This complete salvation is given as the free gift of God through faith, apart from our works. Only those who trust in Jesus Christ are born of the Spirit and become children of God (John 1:11-13; 3:16; Rom. 3:24-28; 10:9-13; 1 Cor. 15:1-4; 2 Cor. 5:21; Eph. 1:7; 2:8-9).

Eternal Security. We believe that all believers are eternally saved through Christ and are sealed by the Holy Spirit until the day of redemption (John 10:28-29; Rom. 8:1; 8:28-39; Eph. 1:13-14; 4:30; Col. 3:1-4; 2 Thess. 2:13-14; 1 John 5:11-13).

Sanctity of Life. We recognize all human beings are made in the image of God and created as male and female; thus every human being has been granted by God the right to life from conception, or the functional equivalent thereof until his or her natural death. Therefore, the intentional killing of an innocent human being violates God's lasting commandment, "You shall not murder" (Gen. 1:26, 9:6; Ex. 20:13; Psa. 139:13-14).

Sanctity of Marriage. We recognize that marriage is between one man and one woman for life and that God has designed sexual relations to be enjoyed only within the God-ordained marriage relationship (Gen. 2:24; Matt. 19:4-6; Eph. 5:22-23; Heb. 13:4).

Dispensations. We believe that the Holy Scriptures are best understood through the framework of Dispensational Theology. The Bible is clear that God deals in different ways, at different times with different people. These changes in the outworking of God's plan are referred to as "dispensations." We recognize several distinct dispensations, or administrations, in Scripture. Each is marked by revelation from God specific only to that dispensation. The current dispensation, God's plan for the Church, the Body of Christ, "the mystery" revealed to the Apostle Paul, is distinct from God's plan for the nation of Israel. We find in Paul's writings alone the revelation, position and destiny of the Church (Rom. 16:25-27; 1 Cor. 15:51-54; Gal. 1:11-12; Eph. 3:1-12; Col. 1:24-29; 2 Tim. 2:15).

The Church. We believe that all in this dispensation who are saved by faith in Jesus Christ are united together in the one true Church, the Body of Christ, of which He is the Head. God's specific truth of and for this Church was first revealed through the Apostle Paul. This Church began historically with Paul before the writing of his first epistle (1 Cor. 12:13, 27; Eph. 1:22-23; 3:1-11; Col. 1:18, 24-25).

Spiritual Gifts. We believe that God has given believers spiritual gifts with which to serve the Lord for the building up of the Body of Christ (Rom. 12:3-8; 1 Cor. 12:1-31; Eph. 4:7-16). Some of the spiritual gifts that operated in the Church were temporary in nature and were intended for its infancy, including the official offices of apostle and prophet. Other gifts, such as miraculous powers, the gift of healing, tongues and the interpretation of tongues, revelations and visions ceased (Rom. 11:11-36; 1 Cor. 1:22; 13:8-13; 2 Cor. 12:12; Eph. 2:20; Phil. 2:25-26; 1 Tim. 5:23; 2 Tim. 4:20). We do believe that God is sovereign and able to operate in miraculous ways as He desires Eph. 3:20).

The Believer's Walk. We believe that, as a result of Christ's victory over sin and the indwelling Holy Spirit, all of the saved may and should experience deliverance from the power of sin in their daily lives. This comes through constant submission to the Holy Spirit and obedience to God's Word. Since sinless perfection is not a possibility in this life, we must consciously work in harmony with the Holy Spirit (Ps. 119:9-11; Rom. 6:6-14; 1 Cor. 10:12-13; 2 Cor. 2:14; 10:2-5; Gal. 5:16-25; Phil. 2:12-13).

The Lord's Supper. We believe that the Lord's Supper (i.e., Communion or the Lord's Table) is a memorial of the broken body and shed blood of Christ on the Cross. We believe the elements are only symbolic, serving as a sacred reminder and proclamation of Christ's death until He comes again. Participation in the Lord's Supper is open to every believer who is in fellowship with Christ (1 Cor. 10:14-22; 11:17-34).

Baptism. We believe that the Holy Spirit places all believers into the Body of Christ at the moment of salvation by one spiritual baptism. Through this work of the Holy Spirit, we are identified with Christ in His death, burial and resurrection. The Bible also speaks of other baptisms, some are spiritual in nature and others were ritualistic and played a key part in God's program with Israel. While those baptisms all had importance in the past, Scripture speaks of this divine baptism as the one and only baptism that is operative today. Therefore, we practice no other baptism. We emphasize this spiritual baptism as foundational to the unity of all believers (Rom. 6:3-4; 1 Cor. 1:17; 12:12-13; Gal. 3:26-27; Eph. 4:3-6; Col. 2:9-12; Heb. 9:9-10).

Resurrection. We believe in the physical resurrection of the dead. Jesus Christ was resurrected bodily, and therefore everyone will have a bodily resurrection. The saved will be raised to eternal glory and the unsaved to eternal punishment (Luke 24:39-43; John 5:28-29; Acts 24:15; 1 Cor. 15:12-24; Phil. 3:21; 2 Thess. 1:7-9; Rev. 20:4-6, 11-15).

The Return of Christ. We believe the Lord Jesus Christ will personally come to take His Church to heaven, commonly referred to as “the Rapture of the Church.” All members of the Body of Christ, both living and dead, will be caught up together to meet the Lord in the air. This event is imminent and will take place prior to the Tribulation that will come upon the earth (1 Cor. 15:51-53; Phil. 3:20-21; 1 Thess. 4:13-18; Titus 2:13-14). After the seven- year tribulation period, Jesus Christ will return in power to establish His Kingdom upon the earth (Jer. 30:7; Dan. 9:20-27; Zech. 14:4, 9; Matt. 24:15-41; Rev. 19:11-16; 20:1-4).

The State of the Dead. We believe that immediately after death all people exist in a state of consciousness that will last forever. The believer of this dispensation passes directly into the presence of Christ in Heaven. All of the unsaved dead enter a state of conscious eternal suffering without any hope of salvation (Luke 16:23-28; John 3:36; 2 Cor. 5:6-8; Phil. 1:23; 2 Thess. 1:7-9; Heb. 9:27; Rev. 14:11; 20:10-15).

Mission. We believe our mission is to bring glory to God as we proclaim the message of reconciliation to all the unsaved; as we equip and train the saved for the spiritual and physical growth of the Body of Christ; and as we serve all people through acts of grace and compassion. In this way we make plain to everyone the unsearchable riches of Christ according to the dispensation of the mystery (Rom. 12:9-21; 16:25-27; 1 Cor. 10:31-11:1; 2 Cor. 5:14-21; Gal. 2:10; 6:10; Eph. 3:8-9; 4:11-16; Phil. 2:1-8; Col. 4:3-6; 1 Tim. 2:3-7).

Buildings & Facilities

Bultema Memorial Library

Named for the late Pastor Harry Bultema of Muskegon, MI, the library was expanded and renovated in 2003. The Library houses over 40,000 print items, and provides remote access to an extensive digital collection of eBooks, journal articles, and media. There is also a technologically equipped classroom/multipurpose room, as well as comfortable study areas for individuals and groups.

O'Hair Memorial Building

Named after the late Pastor J.C. O'Hair, this building houses the president's, business and administrative offices as well as three affiliated organizations – Grace Gospel Fellowship, Grace Ministries International, and Grace Publications.

Huston Hall

The late T.R. Huston was one of the founders of the University. The building contains the Student Commons, Kahawa Café, and dining hall. The dining hall and kitchen underwent major renovations in 2019, including the addition of the President's Dining Room. The Student Commons is a hub for the campus and serves as a comfortable gathering place for students to meet, study, and socialize.

Jack T. Dean Academic Center

This academic hub was named after the University's second president. It includes classrooms, information technology, faculty and administrative offices, student lounge, computer lab, and recording studio.

Baker Chapel

Charles F. Baker was the founder and first president of the University. The chapel, named in his honor, was constructed in 1980 to accommodate chapel services, music recitals and concerts, as well as dramatic productions. In 2019, the chapel was upgraded with new technology equipment to live stream and video record events in the chapel.

Aldrich Athletic Center

Named for the Aldrich sisters from Chicago, Illinois, this building, erected in 1977, includes a gymnasium with bleacher seating for 500. The upstairs houses the fitness center and the Student Affairs offices.

Grace Townhomes

The Grace Townhomes are the most recent addition to the campus. The Townhomes consist of 29 apartments for student housing. Each apartment includes two bedrooms, two bathrooms, a full kitchen, as well as washer and dryer. The Townhomes can accommodate a total of 116 students.

Aletheia Hall and Preston Hall

Separate residence halls for women and men students. Both residences have laundry facilities. Student lounges are adjacent to each hall.

Campus Houses

Five houses adjacent to University property are available for married student and staff housing.

Enslow and Klein Memorial Apartments

Twelve one-bedroom and two-bedroom apartments provide additional housing for both single and married students. The buildings honor Fred and Julia Enslow and Karl Klein who bequeathed generous gifts to Grace.

Educational Philosophy

Grounded in a fundamental belief in the pursuit of truth, a primary concern of Grace Christian University is to cultivate a learning environment that encourages participation, freedom of thought, open questions and the free exchange of ideas for every individual. This openness arises from a threefold conviction:

1. that truth is to be found in the person of Jesus Christ, who is himself the Truth (John 14:6)
2. that the Bible is the Word of God and therefore God's truth revealed (John 17:17, Psalm 119:60)
3. that truth is coherent because God is the author of truth (e.g., "all truth is God's truth")

In this pursuit of truth, the faculty of the University is committed to the holistic personal growth of each student in his or her intellectual, moral, and spiritual capacities, and as an expression of each student's God-given identity, mission, and purpose.

In alignment with the mission, vision, and values of the University, the faculty affirm:

Historic Purpose and Distinctive Theological Perspective

Belief in the inspired and authoritative Word of God has been fundamental to the University since its founding as Milwaukee Bible Institute in 1939. Its distinct theological perspective of Pauline dispensational theology continues to guide biblical and theological instruction as the faculty train 21st-century leaders for Christian service in a range of vocational contexts. In all cases, the faculty seek to model and extend practical dimensions of this Grace theology, including but not limited to: mercy, kindness, forgiveness, inclusion, humility, and service.

Bible-Focused Curriculum and Instruction

The University's unwavering commitment to the authority of the Bible is reflected in and through an integrated biblical perspective in all classes. This includes the integration of biblical knowledge (Old and New Testaments, Christian Worldview) and other academic knowledge (general and discipline-specific education). Students are encouraged to develop a framework for personal and professional decision making that correlates with the truth of God's Word.

Career-Oriented Student Body

Recognizing the diversity of the Body of Christ (1 Cor. 12), the faculty support on campus, online, and graduate students in the pursuit of their unique career callings and vocations. Whenever possible, students will be given opportunities for practical learning experiences that will equip and enhance them with knowledge and skills that prepare them for viable careers in a competitive job market. Faculty will continually evaluate degree programs and instructional methods to ensure that the education offered by the University is practical and relevant in preparing students to serve Christ in Church and society.

Commitment to Transformational Relationships

As a community of lifelong learners, the Faculty seeks to develop life-changing learning environments and experiences for students, both inside and outside of the classroom. They value students' personal and professional development, and are committed to guiding them through the educational process through life-on-life mentoring relationships, career counseling, and personal and spiritual guidance. The commitment to transformational relationship includes awareness of and commitment to cultural intelligence, diversity, inclusion of underrepresented and under-served communities of students.

Institutional Learning Outcomes

The mission of Grace Christian University is *Graduating courageous ambassadors for Christ who make an eternal impact wherever they go*. In order for students to graduate ready to make that impact, the following Institutional Learning Outcomes are expected of all Grace Christian University students. In addition to these institutional outcomes, each degree program has specific outcomes which build upon and enhance these outcomes.

KNOWING

Graduates will integrate knowledge of God's word and God's general revelation in creation resulting in a broad understanding of human life.

BEING

Graduates will demonstrate character formed by the Bible and the Spirit of God.

DOING

Graduates will implement the skills needed for living and working in the world.

SERVING

Graduates will serve others in their churches, careers, and communities.

Grievance Procedure

Most matters of conflict or disagreement can be resolved by meeting individually with the offending party. Grace Christian University asks that any member of the community with a complaint against another member or entity first attempt to seek a resolution by meeting with the individual with whom they are in conflict. Whether or not an individual meeting has taken place, students have the right to submit a formal complaint. This process is initiated by completing a **Formal Grievance Form**. The Academic Provost maintains a record of these complaints as well as the processing of complaints according to University policies.

If the student is not able to satisfactorily resolve the complaint or grievance with the University, the student has the right to submit his or her complaint to the State of Michigan or either of the Institution's accrediting bodies:

- Higher Learning Commission: hlcommission.org
- Commission on Accreditation, Association for Biblical Higher Education: abhe.org
- Michigan Department of Labor and Economic Activity:

Admission Requirements

Admissions requirements are designed to ensure that students admitted to Grace Christian University have the ability and desire to successfully complete academic work, make full use of the educational opportunities available and show evidence of Christian commitment. Factors considered in the admission process are outlined below, separated by first-time freshman and transfer student requirements.

FIRST TIME FRESHMAN

If the only college coursework a student has taken was prior to graduating from high school (e.g. dual-enrollment), the student is considered a first-time freshman.

1. A completed application form
2. Official high school transcript or equivalent. It is the responsibility of the applicants to have their transcripts sent directly to the University.
 - Students applying with a 2.70 grade point average (GPA) or higher are accepted without reservation.
 - Students applying with a GPA between 2.0 and 2.69 will be accepted but may be placed in the Academic Success Program.
 - Students applying with a GPA lower than a 2.0 will be required to submit an essay and an educator reference which will be reviewed by a committee. Those admitted by the committee will be placed in the Academic Success Program.
 - Provisional admission status is granted to students who are missing their final (diploma conferred) official transcript. The provisional status will be removed once the final official transcript is received. Grace Christian will re-evaluate student academic status upon the reception of the final transcript.
 - There are higher admission standards for the pre-professional and teacher education programs offered as part of the consortium with Cornerstone University.
3. ACT or SAT Scores are not required for admission to Grace Christian University; however, scores received may be used for advising and placement. Scores may also be requirement due to consortium admission requirements for selected programs.
 - At the time of taking the test, students should request that a record of their scores be sent to Grace Christian University.
 - The ACT college code number is 2001.
 - The SAT college code is 0809.
4. Students will be required to take a Christian Life Assessment, view a video explaining the Christian nature of the institution, and affirm to live within the guidelines of the student handbook while at Grace Christian University.

Admission Requirements

Admission Level	HS GPA	Additional Requirements
Good Standing	2.7 or higher	None
Conditionally Accepted	2.00 - 2.69	None
Committee Review	below 2.00	Essay and Educator Reference

TRANSFER APPLICANTS

If the student has taken college coursework after graduating from high school, the student is considered a transfer student.

1. A completed application form
2. Official high school transcript or equivalent is required for students with fewer than 15 semester hours of transferable credit (college-level courses passed with a C- or better). It is the responsibility of the applicants to have their transcripts sent directly to the University.
3. Official transcripts from all colleges previously attended must be submitted. Unofficial transcripts must include the university name, student's full name, course title, course number, grade and credits earned. Official transcripts must be submitted before the end of the students first semester with Grace Christian. A minimum cumulative GPA of 2.0 in all previous college coursework is required for admission in Good Standing.
4. Students applying with a cumulative GPA lower than a 2.0 will be required to submit an essay and an educator reference which will be reviewed by committee. Those admitted by the committee may be conditionally accepted. Students may be admitted based on unofficial transcripts; final official transcripts must be submitted before the student registers for the second semester of classes.
5. Provisional admission status is granted to students who are missing their final official transcript. The provisional status will be removed once the final official transcript is received. Grace Christian will re-evaluate student academic status upon receipt of the final transcript.
6. Applicants are required to take a Christian Life Assessment, view a video explaining the Christian nature of the institution, and affirm to live within the guidelines of the student handbook while at Grace Christian University.
7. Veteran students who have military coursework evaluated by the American Council on Education must submit an official ACE Transcript to be evaluated for transfer credit.

Note: Grace Christian University is recognized for training veterans under VA Education Programs and complies in full with all reporting requirements of the U.S. Department of Veterans Affairs. Veterans entering as transfer students will be given a written statement of the credit granted in transfer and the number of credits that are required to complete the program in which they are enrolling. This information will also be provided to the Department of Veterans Affairs.

HIGH SCHOOL DUAL-ENROLLMENT

Grace Christian University provides three different options for students who wish to earn Grace college credit as part of their high school diploma program.

1. Grace partners with several Michigan Christian schools through which students can take Grace college courses that can double count for their high school diploma and their college transcript. How the credits are applied toward the student's high school diploma is at the discretion of the high school. The **State of Michigan Department of Education (MDE)** pays partial tuition for these credits and the remainder is covered by Grace scholarships. The tuition for students who do not earn credit for a Dual Enrollment class paid by MDE must be repaid to MDE by the student's family.
2. High school students from schools that do not partner with Grace, as well as homeschooled students who are working with a local high school for diploma completion, may take classes on campus at Grace. With the approval of the sponsoring high school, partial tuition for these credits is paid by the school district and the remainder is covered by Grace scholarships. The tuition for students who do not earn credit for a Dual Enrollment class paid by MDE must be repaid to MDE by the student's family.
3. Students who are homeschooled or those who wish to take courses that are not approved by the MDE (e.g. Bible, Theology, etc.) may take classes on campus with Grace students. The student's family pays the current Dual Enrollment tuition rate per credit plus any applicable course fees.

After determining which enrollment option is best for them, high school students are invited to start their college program at Grace Christian University following these steps:

- Complete the **Dual Enrollment Application for Admission**.
- Demonstrate a readiness to take college-level coursework
 - If the MDE or the student's public or charter school is paying for the class, all MDE eligibility requirements must be met, including minimum test scores and/or consent of the appropriate high school official. See Dual Enrollment FAQs at the **MDE site**.
 - If tuition for the course is being paid by the applicant's family, the applicant must submit a high school transcript for review which demonstrates that the student has at least sophomore class standing and a minimum 3.0 cumulative GPA.

- Work with the high school counselor or parent (for homeschooled students) to determine how many Grace courses are appropriate for the student to take in a single semester. As a rule, students should take no more than two Grace courses in their first semester, but may take more (as appropriate and available) in successive semesters. Dual Enrollment students may take only lower division (i.e. 100- and 200-level) courses, unless prior consent is granted to take upper division classes by the Dean of the appropriate school.
- If taking a course on campus, the student is expected to sign and abide by the Christian Life Assessment, which is required of all On-Campus students.

EARLY HIGH SCHOOL GRADUATE DEGREE-SEEKING ENROLLMENT

All standard admission criteria must be met. In addition, the following policy applies:

Students who earn their high school diploma earlier than the traditional age may enroll in Grace's undergraduate programs subject to the admissions standards in force at the time of their enrollment. If a student will not turn 18 by the end of his or her first semester at Grace, the student's parent or guardian will sign a SPECIAL ADMISSIONS AGREEMENT FOR DEGREE-SEEKING UNDERAGE STUDENTS. The form can be provided by the Records/Registration Office or Enrollment staff.

NON-DEGREE SEEKING STUDENT

Individuals seeking to attend selected Grace On-Campus Undergraduate courses without enrollment into a particular degree program are welcome to enroll at Grace Christian University with the following provisions:

1. Applicant must complete an Application for Admission as a Non-Degree Student.
2. The applicant must submit a final high school transcript, all college transcripts.
3. The applicant must enroll in one freshmen level course and successfully complete it before a second course may be selected. Sophomore-level courses may also be considered after the successful completion of the freshman-level course.
4. After earning nine credit hours, the applicant is expected to complete Grace's full admission process.
5. Non-degree students are not eligible for federal, state, or institutional financial assistance.

INTERNATIONAL STUDENTS

International students are welcome at Grace Christian University. See the **International Student Admission** section for more information.

APPLICANTS WITH PRIOR CRIMINAL HISTORY

Grace Christian University asks applicants for its On-Campus program to reveal felony convictions. This information allows the University to advise the student in choosing an appropriate field of study if admitted. Information provided may be verified by a criminal background check.

Those who answer “yes” will be asked to provide specific or general information about the conviction(s) or pending charges and provide a signed waiver allowing Grace to conduct a criminal history background check. Applicants will be given an opportunity to explain their records during the application process. A committee consisting of the Director of Enrollment, the Dean of Students, and the Associate Provost or designee will review the background check and the applicant’s additional statements in determining whether the student will be admitted to the University and if so, under what conditions if any.

The committee will consider the specifics of the conviction in determining admittance. The specifics of the conviction to be considered include the following:

- The facts surrounding the original arrest and charges (this may include reviewing applicable police reports)
- The crime for which the applicant was convicted
- The length of time since the date of conviction
- If the applicant was incarcerated, the length of time from the date of release
- Any other relevant information requested by the University.

The committee may decide to conduct a personal interview with the applicant about the incident. If an applicant is currently on parole, the applicant will provide an official letter or document outlining the terms and conditions of the parole or provide the contact information of his or her parole officer. Convictions of crimes that may indicate threats to the well-being of other students and employees, such as violence, sexual offenses, and other assaultive behavior are especially important for the University to make judgments regarding campus safety. The University will also consider any documented success of rehabilitation. At the conclusion of its fact-finding on the felony convictions, the committee may admit the applicant, deny admission, or admit with conditions based on the applicant’s record and responses.

Grace Christian University does not ask applicants for the Online and Graduate Online programs to disclose felony convictions. If admitted Online students choose to participate in athletics or decide to change to the On-Campus program, the University will implement the same background check process as for On-Campus students. The University reserves the right to conduct the felony background check process for Online students whose activities create regular physical interaction with other students or Grace employees.

If a student with a prior felony conviction applies for readmission or reentry to the University, the student is required to complete the felony conviction disclosure process for the program to which the student seeks readmission. If the felony has not been previously reviewed, the student must complete the conviction review process in its entirety.

Grace Christian University considers it the applicant's responsibility to understand how criminal convictions or other matters of personal history may hinder or prevent employment in their degree field.

CONDITIONAL ADMISSION

Students admitted to Grace Christian University are expected to have made satisfactory progress toward achieving his or her academic goal(s). Individuals whose previous preparation and experience prior to coming to Grace give an indication they may experience some difficulty with the academic program will be admitted conditionally for the first semester. The requirements for conditional admission include limiting total credits for the first semester to no more than 14, working with an academic mentor to create and follow an Academic Plan for Success throughout the semester.

Readmission

A student who cancels his or her application for a previous term may apply for readmission by contacting his or her Enrollment Advisor. If the student's application is over one year old, a new application must be completed. Once received, official transcripts will remain on file and do not need to be resent unless additional coursework has been completed at the institution. A student is required to update any information that has changed since the previous application was submitted with the request for readmission (Name, address, phone number, email address, or additional transfer institutions). The student will be notified via email from the Enrollment Advisor regarding the readmission decision.

Students readmitted to Grace must fulfill the requirements of the catalog in effect for the semester of readmission.

The Administration reserves the right to deem a student ineligible to return based on academic ineligibility, behavioral concerns, or student account delinquency.

A student who has withdrawn from the University who desires to return to the institution may contact the Enrollment Office to apply for re-entry to Grace Christian University. The Records/Registration Office will review the application for re-entry and determine eligibility based on the information provided, current academic status, and current financial status with the institution. The advisor will be notified via email regarding the decision. An Advisor will communicate any conditions for re-entry or the re-entry decision to the student. The Advisor will assist the student in the process of returning. Upon re-entry, the student will be provided access to their student email, student portal, Blackboard, and an updated education plan.

Military service members who cease attendance at Grace Christian University due to service requirements may request to be readmitted after they return from service. Grace Christian University will readmit the student into the next available classes within the program, with the same academic status that they had when they last attended.

- Students must notify the Grace Academic Advising Office as soon as possible when they need to stop attending classes due to service requirements.
- Students must notify the Grace Academic Advising Office of their intent to return to school within three years of completion of their period of service.
- The cumulative length of the absence and of all previous absences from the school for military service may not exceed five years.

A student's readmission rights terminate in the case of a dishonorable or bad conduct discharge, general court-martial, federal or state prison sentence, or other reasons as described in 34 CFR 668.18(h).

The Administration reserves the right to deem a student ineligible to return based on academic ineligibility, behavioral concerns, or student account delinquency.

Non-Discrimination & Accessibility

Grace Christian University admits students of any race, color, national and ethnic origin, or handicap to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, sex, or national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

In conformity with the pertinent requirements of Title IX of the Education Amendment of 1972 enacted by the Congress of the United States, Grace Christian University does not within the context of its religious principles, heritage, mission, or goals discriminate on the basis of sex in the area of employment, admission, educational programs, or other activities.

Grace Christian University complies with all federal and state nondiscrimination laws and is an equal opportunity institution. Grace Christian University reserves the right to maintain student educational and behavioral standards and standards based upon religious considerations consistent with its role and mission.

Americans with Disabilities Act Accessibility Policy

Grace Christian University is committed to ensuring that all people with disabilities have access to the same services and content available to people without disabilities, including services and content made available through the use of information technology. Americans with Disabilities Act (ADA) compliance covers access to the Physical Plant, Accommodations, and Accessibility. Our goal for this Accessibility Policy is that a person with a disability will be able to engage in the same interactions, experience the same services, and acquire the same information as a person without a disability, be able to do so in an equally effective manner and with substantially equivalent ease of use. Services and information must be made available at the same time to a person with a disability as to a person without a disability.

ADA Accessibility Policy

1. As part of ADA Accessibility, all information communication technology must be accessible so that all students, prospective students, employees, guests, and visitors have equivalent access to information. Examples of information communication technology covered by this policy include university websites, learning management systems, software systems, electronic documents, videos, and other electronic communication.
2. Accessibility coaching will be provided on an on-going basis to help train faculty and staff, increase awareness and sensitivity, and produce and manage accessible content.
3. All Grace Christian University's websites are required to meet the accessibility standards set forth by Web Content Accessibility Guidelines (WCAG) 2.0 AA.

Rationale and Definitions

This policy aligns with Grace Christian University's goal of cultivating a caring learning community where Jesus Christ is exalted and students are equipped for serving the needs of church and society.

It is important to differentiate between ADA accommodations (Section 504) and accessibility (Section 508):

An accommodation is...

- Provided based on the specific needs of a student with a documented disability
- Determined by an accommodations officer on a case-by-case basis
- Provided for students whose needs require great intervention, such as live American Sign Language (ASL) interpreters or lecture transcripts for live courses
- For circumstances that are difficult to anticipate and foresee

Accessibility is...

- The responsibility of all who create or publish digital content
- Provided for all students, prospective students, employees, guests and visitors with no expectation of an explanation of need
- Expected for disabilities that are easily anticipated

Americans with Disabilities Act Accessibility Procedure

Grace Christian University is dedicated to ensuring that the institution complies with Americans with Disabilities Act (ADA) requirements and that faculty and staff are trained to comply with ADA requirements.

1. Grace Christian University will publish an approved ADA Policy which includes overall ADA compliance, physical plant compliance, accommodation, and accessibility.
2. Faculty and staff will receive on-going training regarding ADA guidelines and compliance with expectations for accessibility, including but not limited to: Documents, video, audio, Learning Management System (LMS), and other forms of electronic communication.
 - Faculty and staff will utilize the Checklist for ADA Accessibility for Web Content.
 - Faculty and staff will be provided properly formatted examples of accessibility.
 - Faculty will receive training on the use of Screencast-O-Matic technology to create and publish content that is accessible to people with disabilities.
 - On-going training modules will be developed for faculty and staff as needed.

3. Faculty and staff will have access to Screencast-O-Matic for development of ADA compliant video content.

Academic Accommodations

Admitted students may request a reasonable accommodation as a result of a qualifying disability as defined by the Americans with Disabilities Act (2008) or Section 504 of the Vocational Rehabilitation Act of 1973. Information on the Academic Accommodation policy and procedure can be found in the [Academic Accommodations](#) section of the catalog.

International Student Admission

International students are welcome at Grace Christian University. Due to strict government regulations, the University has detailed requirements pertaining to international students. The University does not have available special funding to assist international students in financing their education. It is the responsibility of the student to obtain the proper documents and to furnish the University with these documents. International students who are seeking to enroll in an online degree program do not need USCIS or a student visa as long as the student is not physically present in the United States. Online programs are not able to enroll non-US citizens residing in the United States on a student (F-1) Visa. Refugees or undocumented individuals are permitted to attend following the standard admission criteria. International students are therefore defined as those on an F-1 Student Visa attending On-Campus and those attending Online but residing in a foreign country.

International students must meet the stated admission criteria for domestic students for their program of interest and must:

1. Pass an English proficiency test. Grace Christian University accepts the following tests of English as a second language:
 - ACT minimum cumulative score of 18+
 - SAT minimum 510+ and Verbal 480+
 - TOEFL minimum score of 550 is required on the paper-based test, 213 on the computerized test, or 80 on the internet-based test
 - IELTS minimum score of 6.5
2. Provide proof of the ability to pay for the entire first year, and pay for the first semester before courses begin at Grace. The amount due before the student's start date is determined by estimating class load, room, board, books, fees, and any other known expenses. Any exceptions to this policy must be approved by the Business Office.

On-Campus International Admission Additional Requirements:

1. Provide evidence that the student is a graduate of an accredited secondary school and the ability to satisfactorily complete college-level work in the United States of America.
2. Proof of country of citizenship required for the issuance of the I-20.
3. Official Transcripts must be evaluated by a profession international credit evaluation service that is accredited by the National Association of Credential Evaluation Services (NACES). An official report must then be mailed directly from the evaluator to Grace Christian University.
4. Provide recommendation letters from an Educator and Pastor.

Transfer Credit

Grace Christian University offers traditional and non-traditional credit options for Undergraduate and Graduate students with varied academic and professional backgrounds. It is Grace's policy to award credit based on evidence of learning and not experience alone. Grace Christian University welcomes students to apply for transfer credits from other institutions. Once an official transcript is received, credits transferred are recorded on the admitted student's academic record and will apply toward graduation requirements, as applicable to the declared academic program. Grades are not transferred. Once transfer credits have been granted, a subsequent change of program or major may result in a change in the number of transfer credits applied toward the degree requirements. Types of traditional and non-traditional credit options currently offered by the University are described below.

There is an important distinction between transferable and applicable in terms of transfer work. While a course may meet all of the requirements to be transferable, the course may not be applicable to the degree program selected at Grace Christian University, but will be accepted as elective credit.

TRANSFER CREDIT POLICY

The following provisions govern transferring credits to Grace Christian University:

- The student seeking enrollment by transfer from another institution will complete the regular admission process.
- For an evaluation of transfer work to occur, a transcript (unofficial or official) is required. Unapproved document formats or documents lacking the necessary information may not be evaluated.
- The applicant will be notified of the credits approved for transfer by the Enrollment Advisor upon acceptance by the Records/Registration Office.
- A pre-evaluation may be conducted by the Records/Registration Office prior to the completion of the application process as requested by an Enrollment Advisor.
- An evaluation is not considered official until official transcripts have been received and processed by the Records/Registration Office.
 - An official transcript is defined as one that has been received by Grace directly from a secure, authenticated party or the issuing institution. Students should request official electronic transcripts to be sent to onlineregistrar@gracechristian.edu. Grace does not accept any electronic documentation directly from the student as official. Printed transcripts can be sent to the Records/Registration Office at Grace Christian University, 1011 Aldon St SW, Grand Rapids, MI 49509.
- **On-Campus Students:** All official transcripts must be received by the start of the semester. Failure to furnish a complete and valid record of all previous college experience may mean cancellation of the student's privilege of admission.

- The student may be required to provide a course description or course syllabus for transfer credit determination if the information is not available through the institution website.
- Transfer credits must be from a regionally accredited college or university, or an institution that is accredited by a national accrediting agency that is recognized by the Department of Education. Students seeking a graduate degree from Grace who graduated from a nationally accredited institution will be considered on a case-by-case basis.
- Credits earned at a non-accredited college will be considered only after the student has provided documentation of a minimum of three regionally accredited institutions that accept similar courses in transfer from the non-accredited institution. Once verified, coursework from the unaccredited school must be evaluated by the Registrar in the same manner as accredited coursework. The maximum number of credits transferable from an unaccredited school is 30 semester credit hours for bachelor degree seeking students unless otherwise approved by the Dean or Provost.
- Courses must be college-level courses; typically labeled as 100 level or higher. Remedial or vocational credits will not be accepted in transfer.
- All academic, college-level courses in which at least a C- grade or its equivalent has been earned are eligible for transfer to undergraduate programs. A grade of B or higher is required for the transfer of graduate-level coursework.
- Undergraduate students will receive a minimum of 60 credit hours for an earned Associate of Arts or Associate of Science degree from a regionally or ABHE accredited institution. The credits will be evaluated for Grace degree requirements by the Records/Registration Office.
- The transfer credits earned as part of an Associate of Applied Science degree program will be evaluated for Grace degree applicability by the Records/Registration Office on a course by course basis.
- Students completing the requirements of the Michigan Transfer Agreement (MTA) will receive a minimum of 30 semester credits in transfer. All Arts and Sciences Core requirements will be satisfied by the completed MTA.
- At least 25% of the required credit hours for a Grace associate or bachelor degree program must be taken at Grace Christian University. Graduate students must complete 50% of the program requirements at Grace.
 - **Associate Degree Program:** Students may transfer in a maximum of 45 credits, including credit by exam or prior learning assessment, toward an associate degree.
 - **Bachelor Degree Program:** Students may transfer in a maximum of 90 credits, including credit by exam or prior learning assessment, toward a bachelor degree.
- Transfer credit (including non-traditional transfer credit) must be completed prior to the student's last semester at Grace Christian University unless pre-approved by the Dean or Provost.

Reassessment of Transfer Credits

- Credits may be reassessed at any point at the request of the student by emailing the Records/Registration Office at onlineregistrar@gracechristian.edu. The student may be required to provide the course syllabus from the college or university where the course was taken.
- Duplicate credit will not be granted for two courses with substantively similar content.

Military Joint Services Transcript (JST) (Undergraduate Students Only)

The American Council on Education (ACE) provides quality assurance and policy guidance for the Joint Services Transcript (JST) used by the Army, Marine Corps, Navy, and Coast Guard. The

Records/Registration Office may approve credit to be granted for courses or experience as recommended by ACE with a level of Lower (L) or Upper (U) course level designation, but will not grant credit for Vocational (V) work. Credit will be granted based on the general transfer credit policy regarding maximum transfer credits. In order to receive credit, the Records/Registration Office must receive an official copy of the military transcript.

International Transfer Credit

All international transcripts must be evaluated course-by-course by one of the National Association of Credential Evaluation Services (NACES) member organizations (naces.org/members.html), with the results sent directly to Grace Christian University along with an official transcript. Any fee(s) associated with the evaluation and transcription must be paid by the student. Upon receipt of the evaluation, the Registrar will review the transcript for transfer course equivalency.

University Partnerships

Grace Christian University has developed partnerships with several organizations to allow college credit to be awarded or granted based on the completion of a specific program that has been evaluated by Grace. Grace reserves the right to review or change these partnerships at any time. Contact the specific organization or Grace directly (info@gracechristian.edu) for more specific information.

CONTRACTUAL ARRANGEMENTS

A contractual arrangement to grant college credit for completing an approved program of study has been reached with the following organizations:

- **Bridge Street House of Prayer** (Grand Rapids, MI)
- **Grace Adventures** (ASCENT and PACE programs) – Silver Lake, MI
- **Leaders for Christ Bible School** (through Resurrection Life Church in Grandville, MI)
- **Michigan State Police Training Academy (MSPTA)** – Lansing, MI

ARTICULATION AGREEMENTS

Grace Christian University has entered into agreements with the following institutions to accept and apply credit from their programs toward Grace degree programs as specified below.

Michigan Transfer Agreement (MTA)

Students who have completed the requirements of the **Michigan Transfer Agreement (MTA)** at a Michigan community college will be admitted to the university as having satisfied Grace Christian's **Arts and Sciences Core requirement** (30 credits) for the bachelor degree. This agreement requires that the MTA is posted to the student's official transcript submitted as part of the application process.

Community college students wishing to transfer to Grace Christian are encouraged to contact the Records/Registration Office at Grace Christian to discuss specific coursework that might be completed as part of the MTA degree program that will grant the student the most benefit toward the completion of the Grace degree.

School of Missionary Aviation Technology (SMAT) – Ionia, MI

The agreement with the **School of Missionary Aviation Technology (SMAT)** offers degree opportunities for students interested in pursuing a career in missionary aviation. Students may combine SMAT training and Grace Christian University coursework in multiple ways to meet their goals.

- Student earns 48 prescribed credits at GCU and a SMAT diploma for which GCU grants 12 credits. These credits would apply toward an Associate degree in General Studies for a total of 60 GCU credits.
- Student earns Associate degree (60 credits) from GCU and transfers to SMAT for diploma.
- Student earns one of the following SMAT diplomas which transfer as a block toward the On-Campus B.S. in Interdisciplinary Studies or Online Undergraduate Bachelor programs:
 - SMAT Aviation Maintenance Technology diploma – 36 credit hours*
 - SMAT Aviation Flight Training diploma – 36 credit hours*
 - Both Maintenance and Flight Training – 48 credit hours*

All students must complete the Arts and Sciences and Bible and Theology Core requirements appropriate for the declared degree program.

- * For SMAT students who complete both the SMAT Aviation Maintenance Technology diploma and the SMAT Aviation Flight Training diploma (48 total GCU credits awarded) and are seeking to complete a bachelor degree at GCU, the student needs to complete at least 12 credits of upper division (UD: 300 or 400-level) credits through GCU during the last year of study.

Students may also pursue non-degree options to obtain needed credits for their missionary aviation goals.

Credit by Examination

The maximum number of combined credits a student may receive for proficiency exams, certificate training or prior learning assessment confirmed through portfolio essays is 30 credit hours.

ADVANCED PLACEMENT (AP)

Grace Online will grant credit to students with scores of 3 or higher on an Advanced Placement (AP) examination conducted by the College Board. Students are required to have their official AP scores sent to the Records/Registration Office. The AP college code number for Grace Christian University is 0809.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

Credit is granted for subject examinations offered by the College Level Examination Program (CLEP) as recommended by the College Board. No college credit is granted for the CLEP general examinations.

- Credit may not be granted for a CLEP test that is the duplication of coursework for which a student has already received credit.
- The CLEP examination must be completed prior to the student's last semester at Grace.
- An official transcript must be requested by the student to be sent from the College Board to Grace. The CLEP college code number for Grace Christian University is 1265.
- The CLEP credit will be considered official when the official transcript has been received by the Records/Registration Office and the credit has been posted to the student's Grace transcript.

DEFENSE ACTIVITY FOR NON-TRADITIONAL EDUCATION SUPPORT (DANTES) AND DSST

Veterans can also earn credit through Defense Activity for Non-Traditional Education Support (DANTES) Subject Standardized Tests (DSST) with scores meeting or exceeding the score requirements provided by the American Council on Education. Students will be notified of specific credit awarded upon evaluation of the official exam transcript.

Prior Learning Assessment

Grace Christian University recognizes that many students come to an institution of higher education with experience and training that has resulted in college-level knowledge. Students who enroll may earn credit for prior learning. A maximum of 30 semester credit hours may be earned through any form of prior learning assessment, including proficiency exam (e.g. CLEP, DSST and AP). Prior learning can be gained from a number of different sources including workshops, seminars, self-study, non-credit classes, training programs, and work experiences. Portfolios are to be assessed by a qualified, credentialed content area expert. Grace may award college credit for a license, certificate, or job-specific training as approved by the American Council on Education (ACE) or through the PLA evaluation process.

Grace adheres to the **Ten Standards for Assessing Learning** as documented by the Council for Adult and Experiential Learning (CAEL) at cael.org.

More detail is available on the **Prior Learning Assessment Advising Form** or from the Registrar: onlineregistrar@gracechristian.edu.

PRIOR LEARNING ASSESSMENT FEE STRUCTURE

Item	Cost
Proficiency Exam	\$100 per exam, regardless of the result
Portfolio Assessment	\$500 for the first portfolio submission, and \$300 for each subsequent portfolio submission, regardless of the number of credits awarded

Fees may not be covered by financial aid. Contact the Financial Aid Office to determine whether or not PLA-related fees can be covered by the financial aid package.

PROFICIENCY EXAM

A proficiency exam is an examination administered by Grace to assess prior knowledge on a subject. Grace Online currently offers no proficiency exams.

PORTFOLIO DESCRIPTION

A portfolio is a compilation of documentation that significant, college-level learning has been achieved by the learner. The portfolio must be written according to the expectations for college-level writing. Creating a portfolio is the learner's way to translate and validate one's prior knowledge into a format that is assessable by another individual.

The content area of the portfolio assesses the student's mastery of the subject in three ways:

1. Academic research of the subject, including historical development, applicable theories, philosophies, and (as appropriate) current applications of the subject in real world settings.
2. A detailed narrative description of how the student gained understanding and demonstrated experience that satisfies the course outcomes as included on the course syllabus.
3. Supporting documentation of that understanding and experience.

A successful portfolio essay is typically 12-20 pages long.

PORTFOLIO RUBRIC

A rubric will be used to assess evidence of prior learning. The content area expert will assess the portfolio and decide whether there is significant evidence that the student has mastered the course content (i.e. course outcomes) at a minimum 75%, and that the student has satisfactorily demonstrated that learning. The content expert will coach the student through the protocols of writing a portfolio as well as providing feedback on the content. Credit can be awarded as an elective (lower or upper division) or a specific course equivalency.

Types of Financial Aid

The Financial Aid Office is available to advise and assist students with obtaining funds to attend Grace Christian University. The Financial Aid Office seeks to meet the financial needs of our students through grants, scholarships, and loans. Students who believe their resources are inadequate to meet their expenses at Grace Christian University should contact a Financial Aid Specialist. More information can be found at gracechristian.edu/financial-aid.

FINANCIAL AID DEFINED

Financial Aid is financial assistance that helps students and their families pay for college. This financial assistance covers educational expenses including tuition and fees, room and board, books and supplies, and transportation. There are several types of financial aid available, including grants, scholarships, and loans.

Once eligibility for financial assistance has been determined, students may be offered a Financial Aid Award Package which includes one or more types of aid.

The Financial Aid Award Package may include the following:

- Scholarship Aid: Awards usually based on academic merit and not necessarily on financial need.
- Grant Aid: Awards based solely on financial need.
- Loan Aid: Federal loans offered at a low interest rate, which must be repaid to the assigned lender after the student leaves college or drops below half-time enrollment.
- Federal Work Study: Undergraduate and graduate students can earn money from a part-time job to help pay for college expenses.

GRANTS

Federal Pell Grants

A Federal Pell Grant is awarded to eligible students based on their FAFSA results. It does not have to be repaid. This grant is awarded to undergraduate students who have not earned a bachelor degree. The amount of Federal Pell Grant funds a student may receive over their lifetime is limited by federal law to be the equivalent of six years of Pell Grant funding.

Federal Supplemental Educational Opportunity Grant (SEOG)

SEOG funds will be awarded to students with the lowest expected family contributions (EFC) who will also receive Pell Grants in that award year. SEOG funds do not have to be repaid. The Department of Education only provides schools with a limited amount of SEOG funds, so once the funds are depleted, awarding will stop. Valid FAFSA results must be received in the Financial Aid Office to receive consideration.

MILITARY BENEFITS

Grace Christian University accepts educational benefits through the military. These benefits may include GI Bill® and Federal Tuition Assistance. GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at benefits.va.gov/gibill. To begin the process of determining any applicable benefits, the student should contact his or her respective educational liaison within the appropriate military organization. Once that action has been taken, the student may contact the Academic Advising Office to proceed with any other applicable processes. For more information, visit gracechristian.edu/military-assistance.

LOANS

Federal Direct Loans

Federal Direct Loans are low-interest federal loans available to students who are attending college at least half-time. The funds are borrowed from the Department of Education through the Direct Loan Program. The amount a student may borrow is based on year in school, dependency status, and enrollment status. The FAFSA is the application for Federal Direct Loans, but first time borrowers are also required to complete Loan Entrance Counseling and a Master Promissory Note at studentaid.gov.

Federal Parent PLUS Loan

A parent may borrow a Direct Parent PLUS Loan to help pay the expenses of a child who is a dependent undergraduate student enrolled at least half time. The parent must pass a credit check to be eligible to receive a PLUS Loan. In the event the parent is denied the PLUS Loan due to adverse credit, the student generally becomes eligible to borrow an additional amount in an Unsubsidized Federal Direct Loan. Parents who wish to apply for a Direct Parent PLUS Loan may visit studentaid.gov.

Private Loans

A student may also obtain private loans from a Private Lender to cover education-related expenses. Students may need a creditworthy cosigner if they have not established credit yet. Usually loans are borrowed to cover the full year and divided between two semesters, but a student could get a loan for just one semester, if needed. Private loans have NO origination fee. For more details, go to: elmselect.com, choose Grace Christian University, then select Undergraduate Loans.

How to Apply for Financial Aid

All students who wish to apply for financial aid (grants, scholarships, or loans) should complete the Free Application for Federal Student Aid (FAFSA). Students can apply online at fafsa.gov. For assistance with this application process, students may contact the Federal Student Aid Information Center at 1-800-433-3243. The FAFSA must have Grace Christian University's school code (002265) entered for the results to be received by the Grace Financial Aid Office. The FAFSA must be renewed prior to each academic year. Students with additional financial aid questions may contact the Grace Christian University Financial Aid Office at financialaid@gracechristian.edu, or by calling (616) 538-2330.

Typically, Grace will receive the FAFSA within three business days of its completion. As soon as the FAFSA is received by the Financial Aid Office, the results will be reviewed. The Department of Education will select some FAFSA applications for a process called "verification," which requires the school to request additional documentation from the student before the financial aid process can be completed.

Once all necessary documentation is received, the student will be sent a Financial Aid Award Letter from the Financial Aid Office at Grace. The student is responsible to log into their Financial Aid Student Portal to accept, decline or reduce their awards. Students who accept a Direct Loan must also go to studentaid.gov to complete the required Loan Entrance Counseling and Loan Master Promissory Note.

STUDENT AID INDEX

The information on the FAFSA is used to calculate the student's Student Aid Index (SAI). The SAI is generated by the FAFSA to determine how much financial aid the student can receive. The SAI is calculated according to a formula established by the Department of Education. The family's taxed and untaxed income, assets, and benefits (such as unemployment or Social Security) can all be considered in the formula. For more detailed information about how the Student Aid Index (SAI) is calculated, visit studentaid.gov/complete-aid-process/how-calculated.

Financial Aid Rights & Responsibilities

Students have the right to accept or refuse any part of their financial aid package. If the student rejects any part of his/her financial aid package, it may affect other aid offered. Students may not receive financial aid from more than one school while enrolled at two or more schools for the same time period. Classes the student takes outside of his/her declared program do not qualify for most forms of financial aid.

The student must attend college at least half-time (six credit hours) in order to be considered for most financial aid. Withdrawal from classes or failure to attend all classes may result in a loss or reduction of financial aid and a balance due to the University.

It is the student's responsibility to inform the Financial Aid Office of any changes to information provided on the FAFSA application. Financial aid offered to the student is dependent upon the availability of funds. Any change in the availability of funds or a student's academic performance may change the award package.

If a student's FAFSA is incomplete, or if their FAFSA verification paperwork is not turned in, no award letter will be provided and the student is responsible for paying out of pocket for all tuition costs and fees.

Students and their families who are experiencing a financial hardship which significantly changed their financial situation compared to the data listed on the FAFSA, are highly encouraged to reach out to the Financial Aid Office to request a Special Circumstance review.

REQUIREMENTS TO RECEIVE FINANCIAL AID

- A student must be enrolled as a degree-seeking student.
- A student must not be in default on any federal loan or must have made satisfactory arrangements to repay any defaulted federal loan.
- A student must not have borrowed in excess of the federal loan limit at any institution and must not owe money on a federal student grant.

Selective service registration

While federal law requires nearly all male citizens and male immigrants, 18 through 25 years old, to register for Selective Service, a student's failure to register will no longer impact their Title IV eligibility. On December 27, 2020, the FAFSA Simplification Act was enacted into law as part of the Consolidated Appropriations Act, 2021. Among other things, that law eliminated the requirement for male students to register with the Selective Service before the age of 26 to be eligible for Title IV aid. For more information about Selective Service, visit sss.gov.

High School diploma/GED

Students are required to have a High School Diploma or GED equivalent to be eligible for Federal Financial Aid.

CAUSE FOR LOSS OF FINANCIAL AID ELIGIBILITY

Lack of Satisfactory Academic Progress (see [SAP Policy](#)). For more information, contact the Financial Aid Office at (616) 538-2330 or financialaid@gracechristian.edu.

Satisfactory Academic Progress (SAP)

In order to receive federal or state financial aid, regulations require that the student maintain satisfactory academic progress toward completion of the student’s current academic program. Academic progress will be reviewed for each student, regardless of whether or not the student is receiving financial aid since these rules determine eligibility for future enrollments.

FINANCIAL AID POLICY

Satisfactory Academic Progress (SAP) at Grace Christian University governs the student’s eligibility to receive financial aid based on academic performance. Contact the Financial Aid Office (financialaid@gracechristian.edu) for information about maintaining eligibility for federal and state aid. The determination as to whether or not a student is meeting the SAP requirements is made at the end of each academic year based on three factors mandated by federal policy. (Graduate students are evaluated at the end of each semester). These factors include cumulative grade point average (GPA), completion ratio, and maximum time frame as described below.

GPA Requirement

Grace will evaluate the GPA Requirement after the Spring semester. A student will be considered in violation if the student does not maintain the minimum GPA requirement.

The student must have earned the required cumulative GPA based on the semester hours attempted to maintain financial aid eligibility. The Director of Financial Aid has the authority to grant limited exceptions to first-time freshmen who fail to meet this requirement but whose cumulative GPA is at or above 1.50.

Undergraduate Semester Credit Hours Attempted	Cumulative GPA Required	Completion Ratio
3-27	1.50	The required completion ratio for all undergraduate levels is 67%
28-55	1.75	
56+	2.00	

Maximum Time Frame Requirement

The maximum time frame limits the number of credits a student may attempt when pursuing a degree. Grace will monitor the Maximum Time Frame Requirement at the end of each academic year by comparing the required hours for program completion to the cumulative hours attempted. A student will be considered in violation when it becomes mathematically impossible for them to graduate within the 150% time frame. For example, in an undergraduate program of study that requires 124 credits, you may not exceed 186 credits and remain eligible for financial aid.

Graduate students must complete all degree requirements within five years from admission to their program. An approved leave of absence of up to two semesters is not counted in the five years.

Completion Ratio Requirement

The completion ratio is determined by dividing cumulative semester hours earned by cumulative semester hours attempted. The minimum required completion ratio for undergraduate students is 67%, while the minimum required completion ratio for Graduate students is 75%.

Determining Satisfactory Academic Progress

When determining SAP, grades and credits are tallied according to the following guidelines:

- Earned semester credits include all grades (A, B, C, D, S, and P) including all +/- variations and applied transfer work.
- Attempted semester credits include the grades listed above, as well as F, U, W, and XF.
- For repeated courses, credits from each time a student is enrolled are included in the attempted and earned credits. However, only the highest grade earned is used when calculating the cumulative GPA.
- Transfer credit accepted at the time of admission, if applicable, is not included when calculating cumulative GPA. Such credits are, however, included in the determination of a student's cumulative GPA required.
- Transfer credits are also included when calculating the completion ratio and maximum time frame.

If it is determined that a student failed to meet the SAP standards outlined above, the student will be disqualified from receiving federal financial aid until the student has met the SAP standards. Students who no longer qualify for financial aid may secure alternate funding for their education and remain enrolled unless a determination has been made that the student is academically suspended.

SAP Appeal Process (for possible reinstatement of financial aid eligibility)

If a student loses eligibility to receive federal financial aid because of failure to meet the SAP standards, the student may attempt to regain financial aid eligibility in one of the following ways:

1. By successfully appealing the loss of eligibility. To appeal, the student must submit a Satisfactory Academic Progress Appeal Form, available from the Financial Aid Office. The extenuating circumstances that may justify reinstating one's eligibility for financial aid on a temporary basis are outlined on this form. If this appeal is successful, the student's eligibility for financial aid will be reinstated with specified conditions.
 - When considering any extenuating circumstances, financial aid probation can only be granted if it is also determined that the student should be able to meet SAP standards by the end of the next semester. Failure to meet SAP standards at that time would make the student ineligible for federal aid without the right to further appeal.
 - Under certain circumstances, the Financial Aid Appeal Committee has limited authority to approve an academic plan that would reinstate the student's eligibility to receive federal aid provided the student is able to meet SAP standards by the end of the next academic year. This academic plan also includes a minimum threshold that must be achieved at the end of the first semester in order to maintain eligibility to receive federal aid. Failure to meet this threshold would make the student ineligible for federal aid without the right to further appeal.
2. By using personal financial resources to complete one or more semesters at Grace with at least half-time enrollment. Reinstatement of the student's eligibility for financial aid will be determined at the end of each semester, dependent on whether or not the student meets the SAP standards at that time. Courses taken must be approved by the Registrar and must advance the student toward earning the declared degree.

Tuition & Fees Schedule

ON-CAMPUS UNDERGRADUATE TUITION

The cost breakdown listed is applied to classes that take place in the 2024-2025 financial aid year (Fall 2024 and Spring 2025 semesters). All costs are subject to change.

Tuition cost per credit hour (\$730 Tuition + \$20 Fees*) = \$750

* Fees: Library, Activity, and Technology Fees

Residential Students - Discounted Housing Meal Plan Options

NUMBER OF MEALS (per semester)	HOUSING & MEALS (per semester)	WHO'S ELIGIBLE?
Full	\$5,150	All Residential Students
225	\$4,900	
150	\$4,650	
90	\$4,400	
60	\$4,150	Returning Students
30	\$3,800	

Residential Students - Standard Housing Meal Plan Options

\$11,250	\$4,900	\$16,150

TEXTBOOKS

Students may purchase books through any vendor. Library resources include access to Perlego, which provides many textbooks in a digital format.

SCHOLARSHIPS AND GRANTS

Visit gracechristian.edu/oncampusscholarships for a list of scholarships available to Grace Christian University students.

MILITARY FUNDING

In compliance with the Veterans Benefits and Transition Act of 2018, Grace Christian University will allow any individual entitled to receive Chapter 31 (VRandE) or Chapter 33 (Post 9/11 GI Bill®) benefits to attend registered courses while the institution awaits payment from the VA.

Grace Christian will not assess late fees due to delayed VA payments, nor will access to classes, libraries, or other institutional facilities be denied. Covered individuals will not be required to borrow additional funds. There will be no penalties on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

The waiting period will expire upon receipt of the payment from the VA or after 90 days from the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

It is recommended that Military students submit their Certificate of Eligibility or Statement of Benefits to the school before classes begin. If the student's eligible VA benefits do not fully cover the financial obligations at the University, the student will be responsible to make other payment arrangements to cover the remaining balance before classes begin.

Student Account Balance & Refund Options

The tuition refund policy is based upon the Last Day of Attendance (see official **Attendance and Participation Policy**). Absenteeism or failure to begin a class does not reduce a student's financial obligation.

TITLE IV FUNDS

Credit Balance

Federal regulations prohibit the use of Title IV funds to be applied toward a prior year's past due balance greater than \$200.

Withdrawal Impact/Return of Funds

Students are encouraged to contact the Financial Aid Office before withdrawing from classes to understand the complete financial impact of withdrawal. A withdrawal from school could result in a student owing the University and/or federal government for financial aid that has already been applied to a student's account balance. Withdrawing from classes may also impact the Satisfactory Academic Progress completion ratio.

Federal laws set forth regulations that govern the treatment and calculation of Federal Financial Aid (Title IV aid) when a student withdraws from a class.

The Financial Aid Office is required by the Department of Education to recalculate federal financial aid eligibility for students who withdraw, drop out, or are dismissed prior to completing at least 60% of a semester. Recalculation is based on the percent of earned aid. The Financial Aid Office must return Title IV funds to the programs from which the student received aid during the payment period or period of enrollment as applicable, in the following order, up to the net amount disbursed from each source:

- Unsubsidized Federal Direct Loan
- Subsidized Federal Direct Loan
- Federal PLUS Loan
- Federal Pell Grant
- Federal SEOG Program
- Other Title IV grant programs

The University reserves the right to amend this procedure to comply with federal regulations.

FINANCIAL AID HANDLING OF EXCESS FUNDS

A student who receives financial aid will be asked to complete an Authorization to Retain Funds form. This form must be returned to the Financial Aid Office. The form will ask the student to choose one of the following options:

1. Keep the credit balance at the school;
2. Keep \$200 at the school to cover additional of future fees, and mail the remaining excess funds to the student;
3. Mail the entire credit balance to the student.

Student’s federal aid will arrive at the school according to the following table:

Campus	Requirements	Funds’ Arrival	Disbursement Date
On-Campus Undergraduate	Students must be in attendance beyond the add/drop refund period.	30 days after the semester begins	within 14 days of the funds’ arrival
Online Undergraduate	Students must participate in class before funds arrive at the school. Participation is verified by the FA Office. A schedule change may impact the disbursement date.	3rd week of the 2nd course of the semester	4th week of the 2nd course of the semester
Online Graduate	Students must participate in class before funds arrive at the school. Participation is verified by the FA Office. A schedule change may impact the disbursement date.	2nd week of the 2nd course of the semester	3rd week of the 2nd course of the semester

After the student’s financial aid has arrived at the school, the Financial Aid Office will send a “Loan Notification” email to loan recipients. If the student has a credit balance remaining after the Financial Aid is posted for the semester, and if the student chose to have their credit balance mailed to them, then Financial Aid Office will enter a request to the Business Office to mail a check to the student. It is Grace’s policy to mail the excess funds check one week after the financial aid has arrived at the school.

TUITION REFUND AND CHARGES

Undergraduate On-Campus Refund Guidelines

Tuition and Private Music Lessons

If courses are dropped, the following schedule of tuition refunds applies:

- During the first two weeks of semester – 100% refund on basis of preregistered hours.
- During the third week of the semester – 75% refund.
- During the fourth week of the semester – 50% refund.
- After the fourth week of the semester – no refund.
- If for disciplinary reasons – no refund.

Housing and Meals

If a student leaves college housing and/or drops the meal plan, the following schedule of refunds apply:

- During the first week of the semester – 100 % refund less \$100
- During the second week of the semester – 75% refund.
- During the third week of the semester – 50% refund.
- During the fourth week of the semester – 25% refund.
- During the fifth week of the semester – 15% refund.
- During the sixth week of the semester – 10% refund.
- After the sixth week of the semester – no refund.
- If for disciplinary reasons – no refund.

Fees: No other fees are refundable.

* Tuition and fees are subject to change.

Academic Accommodations

Grace Christian University will make reasonable accommodations for students with disabilities or who may need accommodations in compliance with section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990. The purpose of academic accommodation is to provide equal access to educational opportunities to students with disabilities. Grace does not intend for academic standards to be altered, nor that the essential elements of programs or courses are changed. Grace will adhere to the New 508 Compliance Rule, ensuring all content is accessible.

A student who has a documented disability may apply for accommodations by completing the **Accommodation Request Form**.

Accommodations are granted on the basis of determined need and appropriate documentation of disabilities. A student must complete the **Accommodation Request Form** and must provide documentation supporting the current need for the requested accommodation. This must include the most recent school record such as an individualized educational plan (IEP), and/or medical records detailing a diagnosed disability. If an IEP or 504 plan is more than three years old, the student should request a letter from his/her doctor detailing the current need for the accommodation being requested. To be deemed appropriate documentation, testing and assessment of a disability must have been completed no more than five years prior to the application for accommodations. Additional documentation may be requested.

The **Accommodation Request Form** and supporting documentation will be reviewed by the Accommodations Review Committee (ARC). The process of determining eligibility for accommodations may take several weeks, so a student desiring accommodations should complete an **Accommodation Request Form** and submit appropriate documentation well in advance of admission or the next term/semester in which accommodations are desired.

If the requested academic accommodation is approved, the student will be notified via an official verification letter sent to his or her student email account. The decision to use the available academic accommodation lies solely with the student for each course. Should the student desire to use the accommodation, it is his or her responsibility to inform each professor at the start of the course that he or she will be taking advantage of the accommodations available. Any questions about these accommodations should be directed to the Accommodation Review Committee via **academicadvising@gracechristian.edu** or (616) 261-8585.

If a student's request for academic accommodations is denied by the Accommodation Review Committee, the committee will notify the student via an official letter in an email sent to the student email account.

In the event that a student has questions regarding eligibility for accommodations, providing appropriate documentation of disabilities, or handling a disagreement with a professor over questions of accommodation, the student should contact the academic advisor or the Records/Registration Office immediately. If a disagreement arises surrounding eligibility for services or the manner in which a specific accommodation is being implemented, the student has a right to informal and formal grievance procedures.

Academic Information

Academic Calendar

Grace Christian University operates on a semester basis. The On-Campus Undergraduate school year consists of two semesters of approximately fourteen weeks each. Summer semester offerings may be available on occasion as well.

Unit of Credit

The unit of credit is the semester hour. A semester credit represents 750 minutes of classroom instruction and 1500 minutes of student work outside of class per semester or its equivalent.

The following table represents the minimum workload for each type of course. Workload includes student engagement in seat time, reading, research, online discussions, assignment preparation, and writing.

Type of Course	Minimum Work Load
All undergraduate three-credit courses (On-Campus/hybrid/Online)	112.5 hours
All undergraduate two credit courses (On-Campus only)	75 hours
All undergraduate one-credit courses (On-Campus only)	37.5 hours

Time Commitment

Most On-Campus three-credit-hour courses meet twice per week for 90 minutes each meeting. One three-credit course totals three hours of in-class meeting during the week and the student is expected to invest six hours in work outside class during the week for a total of nine hours of time dedicated to that course each week. A student taking 12 semester credits should expect to invest 36 hours in academics each week, and a student taking 15 semester credits should expect to invest 45 hours in academics each week.

Full-time Studies and Academic Overload

A full-time course load is 12 to 18 credit hours per semester (36 to 54 hours of academic work per week). Students may request consent to register for more than 18 credits hours by completing the **Credit Hour Overload Form** and submitting it to the Records/Registration Office.

In order to align with Grace's Core Value of being Bible-Centered and to provide students with opportunities for spiritual growth, ministry, and biblical literacy, all full-time students at Grace Christian University are required to take at least one class from the Bible and Theology Core each semester until the student's Core requirement for the intended degree program is completed.

Course Formats

In addition to the traditional On-Campus 14-week semester, courses are offered using a variety of time frames, settings, and technologies. Each format must meet the time demands for semester hours of credit defined above, but the balance of time between in-class and out-of-class learning activities differs from format to format. Formats offered at Grace Christian University include:

- **On-Campus Semester Courses** – 14 weeks of class with one hour of in-class and two hours of out of class work each week for each credit hour earned.
- **Dual-Enrollment Courses** – Traditional courses, often taught on a high school campus. These courses meet the same semester hour time requirement as traditional on campus courses, but class meeting times are determined by the high school's schedule.
- **Early Fall and Summer Condensed Courses** – Class times are extended and the academic term is shortened. For example, some courses meet for three weeks with class sessions that are four or more hours long. Others meet for six weeks with class sessions that are 2-1/2 hours long. As with On-Campus courses, students should expect to invest twice as much time out of class as in class. A single condensed class will demand as much time per week as two to four traditional classes for the same credit.
- **Independent Study, Readings, and Capstone Thesis Courses** – Students work with a professor to design a set of learning activities for independent study courses. The learning activities necessary to achieve the course outcomes will require approximately the same time commitment from the student as a traditional lecture class's inside and outside class activities for the same number of credits.
- **Online Courses** – Faculty select online learning activities to achieve a course's learning outcomes. The learning activities necessary to achieve the course outcomes will require approximately the same time commitment from the student as an On-Campus lecture class's inside and outside class activities for the same number of credits.
- **Hybrid Courses** – Courses offered using a hybrid combination of classroom and online learning spend about half as much time in the classroom as On-Campus courses. The time commitment for these classes shifts to out-of-class activities facilitated by online technology. Students should expect to invest more time in outside-class activities for hybrid classes than they would for traditional classes, but about the same total time inside and outside the classroom for the same credit.

- **Internships** – Grace On-Campus Undergraduate programs supplement classroom instruction with experiential learning. Therefore, credit is granted for supervised experiences in businesses, churches, schools, and service agencies in most majors. See course descriptions for the semester hours of credit and time commitments for each internship.

Course Numbers

Courses numbered 100-299 are lower division courses and are generally for freshman and sophomore students. Courses numbered 300-499 are upper division courses and are generally for junior and senior students.

Final Examinations

Students with two examinations scheduled for the same hour or with three or more exams scheduled for the same day are permitted to reschedule one of them by arrangement with the instructor for the course. Arrangements for any other change in the schedule must be made in writing with an academic dean no later than the Friday before final examinations begin.

Assessment Activities

Because of its desire to improve the quality of education and services offered and a commitment to continuous improvement, the University regularly schedules assessment activities. These activities may include standardized tests, surveys, focus groups, interviews, etc. Students will receive prior notification of these activities so that they can plan accordingly.

Academic Integrity & Plagiarism

All members of the Grace Christian University learning community are expected to honor the principles of truth, honesty, and maintaining academic integrity at Grace. In order for real learning to occur, one must put in the time and effort to create original thoughts. Plagiarism, including the unsanctioned use of generative Artificial Intelligence (AI) or AI tools, impedes the student's learning. When a student identifies a credible source of information, then creates a good paraphrase and exercises the discipline to keep track of and cite where the paraphrase comes from, the student both learns the material cited and learns about the source. Good, appropriate use of sources promotes learning.

Plagiarism includes any misrepresentation of work, unsanctioned collaboration, use of prohibited materials, and participation in any form of dishonesty all constitute a violation of the academic integrity policy. The use of generative AI tools such as Chat-GPT or AI-powered tools such as Grammarly in any way that violates a faculty member's stated policy constitutes a violation of Grace's Academic Integrity and Plagiarism policy. The use of technology assistance/ AI must be approved by the instructor prior to submission of the assignment, unless expressly allowed by the faculty member's policy. Utilizing AI includes, but is not limited to, the use of any type of device, software (online or device/network), automated effort to assist or direct the research, writing, and/or provision of answers to any type of course assignment, communication, and/or expectation, online and/or in person. A violation of this policy will result in the actions and consequences specified within this policy.

Faculty will determine violations of integrity for academic coursework and report the instance to the appropriate Dean using the **Academic Dishonesty Report Form**. Staff or administrators who determine a violation of integrity has occurred, are required to report the violation. Administration can overturn the decision by faculty based on the outlined appeal process below, or through an investigation and accumulation of evidence.

Examples of academic dishonesty that constitute a violation of this policy include, but are not limited to, the following:

- Plagiarism (see definition below)
- Utilizing artificial intelligence (AI) in a way that has not been approved by the instructor
- Cheating on tests, quizzes, or any assignments
 - Including purchasing or obtaining and submitting pre-written assignments, homework, or examinations of any sort as your own work (or selling or providing such items to others)
 - Use of any paper generator tool
 - Copying another student's homework, written assignments, examination answers, electronic media, or other data or items
 - Submitting work created for another course without the instructor's approval

- Aiding and abetting dishonesty
- Falsification of records and official documents
- Misrepresenting oneself or one's circumstances to gain an unfair advantage

Students are responsible for understanding and following:

- All provisions of this policy including, but not limited to, the examples above
- Specific course policies for academic work
- Other University policies as specified in the current catalog
- Academic principles of honesty and integrity
- The Academic Appeal process which gives students the right to appeal any grade affected by a charge of academic dishonesty

PLAGIARISM DEFINITION

It is expected that all work submitted by the student will be that student's own, original work. If a source is used in writing a paper, and neither cited in the text nor listed on the References page, this is **outright** plagiarism. Outright plagiarism can range in size from a few words to paragraphs. Attempting to use a paper or assignment written by another individual or online tool is an extreme example of outright plagiarism.

- Failure to *either* cite in the text or list on the References page is a **component** of plagiarism.
 - If a source is used in writing a paper and quoted verbatim, the source material must be in quotes, cited in the text, and listed on the References page.
 - If a source is used in writing a paper and paraphrased or summarized, the paraphrased or summarized source material must be cited in the text, and listed on the References page.
 - Whatever is cited in the paper, must be listed on the References page.
 - Whatever is listed on the References page, must be cited in the paper.
 - If a faculty member permits the use of AI tools, the student should cite the tool in the paper and in the reference page, in accordance with the course policy.
- Resubmitting a previously submitted assignment in a course for which credit was granted is **self-plagiarism**. This typically entails the student submitting an assignment for a different class than the one for which credit was originally granted. Self-plagiarism is considered outright plagiarism. If the student withdrew from or failed the same class previously, but wishes to re-submit assignment(s), the student should inform the instructor to avoid assumption that the assignment is self-plagiarism. Although rare, limited quotation of personal work submitted for another course may be appropriate in some cases (requires proper citation).

Plagiarism can be intentional or unintentional. A finding of a plagiarism issue does not necessarily indicate intentionality.

ACADEMIC DISHONESTY AND PLAGIARISM REVIEW PROCEDURE

1. The faculty member will determine if the academic dishonesty is a violation of **Grace's AI policy**, a **component** of plagiarism, **outright** plagiarism, or **self-plagiarism** based on the section above.
2. The faculty member will explain the consequence of the violation to the student in the assignment feedback and via email. This notification must take place within the 7-day faculty grading period as much as possible and before final course grades are submitted. In some instances, the student may not be granted an option to resubmit based upon the proximity to the end of the course. **Faculty should clarify the following**, where applicable and when appropriate with the student:
 - The nature of academic dishonesty that occurred;
 - Expectations for homework, assignments, collaborative student efforts, research papers, exams, etc.;
 - Any specific style/format requirements for assignments.
3. Follow the appropriate steps below, depending on the type of academic dishonesty:
 - a. For a violation of **Grace's AI Policy** the faculty member should work directly with the student within the course. When there is a suspicion of a violation, the instructor should make every effort to communicate with the student in person (if possible), via video chat, or, as a last resort, via email to have a conversation with the student about their suspected use of AI. Once it has been determined that a violation occurred (or if the student does not respond within three days), a 50% to 100% deduction shall be assessed from the assignment grade based on the **severity of the violation**. Abuse of the use of **Grace's AI policy** should be documented by the faculty within the Feedback section of the assignment. Ongoing abuse of the AI policy within the same course (repeated instances over several weeks) should be reported to the Dean on the **Academic Dishonesty Report Form**.
 - b. For a **component** of plagiarism the faculty member should work directly with the student within the course. When a **component** of plagiarism is discovered, the assignment shall be assessed a 10% to 30% deduction from the assignment grade based on the number of **components** in the assignment. Abuse of the use of **components** of plagiarism should be documented by the faculty within the Feedback section of the assignment. Ongoing abuse of **component** plagiarism within the same course (repeated instances over several weeks) should be reported to the Dean on the **Academic Dishonesty Report Form**.
 - c. For **outright** plagiarism, the faculty member will complete the **Academic Dishonesty Report Form**. The following are representative of possible levels of consequences for **outright** plagiarism and/or academic dishonesty. The University reserves the right to assess the appropriate level of consequence based on the severity of the violation. The following will be imposed in order unless otherwise directed by the Dean based on the severity of the offense. At any level, the student will be directed to contact the **Grace Writing Center Online** to schedule an appointment OR other remediation as advised by the Dean or Academic Advisor.

- The student will receive a zero on the plagiarized assignment. The student has the ability to revise and resubmit the assignment based on feedback from the faculty within five (5) calendar days of the notification, provided the timing is before the end of the course. The revised assignment will be applied a 10-25% penalty off of the final grade as determined by the faculty.
 - The student will fail the assignment and is not allowed resubmission.
 - The student will fail the class. A grade of XF will be given to indicate failure due to academic dishonesty. A student may appeal the grade of XF to be replaced with an F after one year.
 - The student will be suspended or dismissed from Grace Christian University as directed by the Associate Provost, or Provost.
- d. For **self-plagiarism** the faculty member will work directly with the student within the course. The faculty member will confirm if the student is reusing work from the same course taken previously, or using work from a different course with similar requirements. Ongoing abuse of **self-plagiarism** within the same course (repeated instances over several weeks) should be reported to the Dean on the **Academic Dishonesty Report Form**.
- In the case of using work from the same course taken previously, **it is recommended** that the assignment be substantially revised and improved. However, if the faculty determines that the assignment would be appropriate to be resubmitted, they may make that exception for a specific assignment.
 - In the case of using work from a different course with similar assignment expectations, the work must be substantially revised and improved for the current course.
 - Failure to resubmit an assignment will result in a zero (0) for that assignment. Penalties from 10% to 30% may be assessed for resubmissions that do not demonstrate adequate revision (at the discretion of the faculty member).
4. The appropriate Dean (based on the student's program) will receive notification of the plagiarism report (from Academic Advising), review the presented information, and access the assignment in Blackboard, as applicable.
 5. The Dean will respond to the reported violation within three business days with the plagiarism offense number and consequence. The Dean will email the student (and CC the faculty member and Academic Advising) of the formal documentation of the offense (including the violation number), appropriate policy information, emphasize the ethical and professional standards of higher education, and explain any disciplinary action beyond the grading of the assignment (if applicable).
 6. Permanent records will be kept off academic dishonesty violations by Academic Advising in the student files.
 7. Academic Advising will contact the student for guidance, support, coaching, and resources for future improvement.

An Academic Dishonesty citation may be appealed by the student to the Director of Academic Operations. A second appeal based upon procedural error or new evidence may be made to the Provost, whose ruling is final.

Academic Standing

CLASSIFICATION OF STUDENTS

Official classifications are made by the Records/Registration Office at the beginning of each academic semester (fall and spring). Transfer credit hours are included in the credits counted toward class standing once an official transcript has been received by the Records/Registration Office and the credits have been applied to the student's transcript.

Student class standing and enrollment status are classified as indicated in the following tables:

Class Standing by Earned Credit Hours

Class Standing	Cumulative Earned Credit Hours
Freshman	0-27.99
Sophomore	28-55.99
Junior	56-84.99
Senior	85+

Student Status by Enrolled Credit Hours per Semester

Status	Credit Hours per Semester
Full-time	12-18
Part-time	1-11.5
3/4 time	9-11.5
1/2 time	6-8.5
Less than half time	.5-5.5
Non-Degree Seeking	Fewer than 9; taking courses without the intention of pursuing a degree
Dual-Enrolled	Courses taken double count for high school and college credit

ACADEMIC STANDING

Academic standing is based on the student's completed semester grade point average (GPA). The Records/Registration Office team will verify academic standing at the end of the semester according to the table below. The Registrar will notify students on their academic standing upon the completion of each semester. It should be noted that Academic Standing is not the same as Financial Aid Satisfactory Academic Progress (SAP).

Undergraduate students who are part-time (less than 12 credits attempted in a given semester) will be reviewed for suspension or probation on a case-by-case basis and offered support services accordingly. Part-time students will not be evaluated for Dean's List, or President's List.

Academic Standing by Cumulative Credits and GPA

Total Cumulative Credit Hours Attempted*	Semester GPA for Academic Probation
12-18	< 1.50
19-37	< 1.75
38+	< 2.00

* Applied transfer coursework will be counted toward total semester credits attempted.

DEAN'S AND PRESIDENT'S LISTS

At the conclusion of each student's semester, the University will recognize those students who have successfully completed a minimum of 12 graded credits within a single semester (full time). Students who earn a semester grade point average of 3.50-3.99 will be named to the Dean's List, while those achieving a semester grade point average of 4.0 will be named to the President's List. The students who achieve the Dean's List or President's List criteria will receive a notification at the time of qualification.

ACADEMIC PROBATION

The purpose of Academic Probation is to provide resources that will empower the student to become academically successful and to make positive progress toward graduation. Students are expected to earn a minimum GPA of 2.0 during their probationary semester, which will result in a return to Good Standing.

On-Campus students who are placed on Academic Probation will be required to limit the credits in the probationary semester to no more than 14, work with an academic mentor to create and follow an Academic Plan for Success, and meet with an academic advisor to enroll in courses best suited for academic support. Requests for exceptions may be appealed to the Academic Appeals committee. The student's eligibility for extracurricular activities may be restricted as determined by the Associate Provost.

ACADEMIC SUSPENSION

Probationary students who fail to earn at least a 2.0 GPA during the probationary semester will be academically suspended. Students who are academically suspended will not be allowed to enroll in any courses for the equivalent of one semester.

A student who is academically suspended may apply for Re-Admission to Grace after one semester of absence. The application must include an appeal which includes:

- a personal statement explaining what extenuating circumstances prohibited the student from meeting the Satisfactory Academic Progress
- evidence that the difficulties previously encountered have been overcome
- established accountability to assure that completion of the degree requirements can reasonably be expected.

Should the student wish to appeal further after the Academic Appeal Committee decision has been received, a second appeal may be submitted to the Provost. The decision of the Provost is final, with no further option to appeal.

A student whose academic challenges were substantively impacted by extenuating circumstances may appeal the decision by completing an Academic Appeal form, following the directions in the "Academic Suspension Appeal" section. The student's participation in academic support efforts (e.g. accessing the Grace Academic Support Center, academic coaching, and/or following an Academic Success Plan) will be considered when making this determination. The appeal must be submitted within four weeks of receiving notification of the suspension.

Academic Appeal Process

Academic appeals fall into four main categories: Academic Policy, Grading, Graduation/Commencement, and Academic Suspension. The specific parameters of each type of appeal are described below:

ACADEMIC POLICY APPEAL

Academic policies are designed to ensure that Grace Christian University meets the expectations established by its Board of Directors and accreditors. While the intentional, consistent and equitable application of those policies in all situations is the norm, there are times when a student requires special consideration due to unforeseen or unavoidable circumstances.

Students who wish to appeal an academic policy submit the online Academic Appeal Form, including a narrative that describes the extenuating circumstances, includes supporting documentation, and requests a specific resolution to the situation. Academic policy appeals are typically reviewed on a weekly basis by the Academic Appeals Committee. If additional information is needed, it will be requested prior to the rendering of a decision. Students are informed of the response to their appeal within two weeks of filing the appeal.

Students who wish to appeal further, may submit a written appeal to the Provost. The Provost will review all documentation pertaining to the situation (including the previously-rendered decision), and will make a determination if/how the decision should be changed. The decision of the Provost is final; no further appeal is available.

GRADING APPEAL

Students who believe that a grade is not consistent with the grading rubric for the course or is otherwise not reflective of the assignment or established assessment, may seek clarification on the grade. Grade appeals should be initiated no more than four weeks after the original final grade is posted. The grade appeal process is:

- The student speaks with the instructor to see if the situation can be resolved. Online students may request the assistance of their Academic or Enrollment Advisor to contact the professor. If a grade change is deemed appropriate, a Change of Grade request is submitted by the instructor and the student's record is updated accordingly.
- If the student and instructor are not able to resolve the situation, the student will complete the Academic Appeal Form. The Academic Appeals Committee will review the appeal and all available documentation and decide if/how the grade should be changed.

- If either the student or instructor disagree with the decision of the Academic Appeals Committee, they may appeal to the Provost. The Provost will review all documentation pertaining to the situation (including all decisions previously rendered), and will make a determination if/how the grade should be changed. The decision of the Provost is final; no further appeal is available.

GRADUATION / COMMENCEMENT APPEAL

Students who wish to appeal graduation policies, including (but not limited to) course requirements, grade or GPA minimums, and participation in commencement, may submit an Academic Appeal form. Appeals for graduation/commencement policies should be submitted as early as possible to ensure ample time for full notification of the decision rendered to all affected parties. Graduation/commencement policy appeals are typically reviewed on a weekly basis by the Academic Appeals Committee. If additional information is needed, it will be requested prior to the rendering of a decision. Students are informed of the response to their appeal within two weeks of filing the appeal.

Students who wish to appeal further, may submit a written appeal to the Provost. The Provost will review all documentation pertaining to the situation (including the previously-rendered decision), and will make a determination if/how the decision should be changed. The decision of the Provost is final; no further appeal is available.

ACADEMIC SUSPENSION APPEAL

Students who have been notified that they have been academically suspended from Grace have the option of appealing that suspension. Academic Suspension decisions are based on an established pattern of academic challenges resulting in a lack of satisfactory academic progress. An exception to the suspension decision will be based on the student's demonstration of two things: 1) Extenuating circumstances that impacted his/her ability to be successful and 2) How those circumstances have changed. **Appeal of Academic Suspension Guidelines** are available to assist the student in writing the appeal.

Students who wish to appeal further, may submit a written appeal to the Provost. The Provost will review all documentation pertaining to the situation (including the previously-rendered decision), and will make a determination if/how the decision should be changed. The decision of the Provost is final; no further appeal is available.

Athletic Eligibility

Grace Christian University offers intercollegiate athletic teams in men’s soccer and basketball, and women’s volleyball, soccer, and basketball. Grace also offers co-ed cross country, bowling, tennis, and track and field. Grace Christian University, although not presently a member of an athletic conference, is a member of the National Christian College Athletic Association (NCCAA), a 110-plus member organization which sponsors national tournaments in soccer, basketball, and volleyball.

To be eligible for competition in intercollegiate athletics, a player must be regularly enrolled for 12 credit hours and have achieved a total of 24 credits for the previous two semesters. Athletes are expected to make consistent progress toward the completion of their Grace degrees. Bachelor degree-seeking athletes need to achieve the following credit requirements prior to each season of athletic eligibility:

Season	Min. Prior Credits Earned Toward Grace Degree
1	0
2	24
3	48
4	72

Athletes must maintain a 2.0 cumulative GPA. Other NCCAA eligibility requirements may affect how the GPA is calculated and which courses count toward credit hours needed. The Athletic Director and the University Registrar determine eligibility according to both the NCCAA and Grace Christian University rules. Grace Christian University may also restrict participation in intercollegiate athletics for students on academic or social probation.

Availability of Classes & Programs

The course offering schedule for each Grace Christian University program is created based on course capacity with specific student needs. As a result, every course is not offered every semester. Students are encouraged to work with an Academic or Faculty Advisor when planning class schedules to assure that all degree requirements are completed in an efficient and timely manner.

It is also the student's responsibility to demonstrate achievement of special qualifications such as prerequisite courses, work experience, knowledge, or a particular grade point average as specified by the course requirements.

Catalog Year Policy

The academic catalog is not a contract between Grace Christian University and the student. Grace makes every effort to include applicable academic and non-academic information available at the time of publishing the annual catalog.

While all students must follow academic program requirements as listed in the catalog in effect at the time of entrance or readmission to the university, any policy changes instituted by the faculty or administration become effective when official notification is published unless otherwise stated and may differ from the entering catalog.

Students pursuing an A.A. degree are expected to satisfy the degree requirements of the respective entry year catalog within four years; students pursuing a B.S. degree are expected to satisfy the degree requirements of the appropriate catalog within six years. After the designated period or upon readmission to the institution, a student will be expected to satisfy the degree requirements in effect at the time of readmission.

Students may request a different catalog under which to graduate. The new catalog must be dated later than the entry year catalog, and must be in effect while the student is enrolled at Grace. Students must complete all of the degree requirements as they appear in the catalog of record, including Arts and Sciences Core, Bible and Theology Core, Major, Minor and Concentration.

Students who elect to complete an A.A. and continue into a B.S. degree program will remain under the requirements of the catalog in effect when they entered Grace, so long as their A.A. degree was completed within three years. Students whose Grace A.A. degree was completed in more than three years will be required to complete the B.S. degree requirements in place when their B.S. degree program begins (post A.A. completion).

Change of Program Request

In order to request a program change, the student must fill out the **Degree Change Form**.

- The student's graduation date may be delayed when a new degree program is selected.
- The student may lose applicable transfer credits when a new degree program is selected.
- The student may be required to take additional credits at Grace when a new degree is selected; also, some previously taken credits may not be applicable to the new degree.
- When a new education plan is created, the student must approve the plan before the Records/Registration Office will officially change the degree.

Classroom Policies

ON-CAMPUS ATTENDANCE POLICY

Grace Christian University believes that regular attendance and participation in classes are essential for learning. Class attendance is directly related to a student's performance which is enhanced by class attendance. Therefore, students are expected to attend all classes.

Students who anticipate an absence due to an official school-sponsored event should consult with the professor in advance. Faculty or others in charge of an event will provide the faculty with a list of students participating prior to any activity that would remove students from class. All faculty are required to include an attendance policy in each course syllabus. In addition, faculty will record the absences of students in all classes. Whenever a student does not attend class in accordance with the attendance policy in the syllabus, the professor will take appropriate action. The nature of the action should be related to the excessiveness of the absenteeism. Any student who misses one-third or more of the scheduled meetings of a class may fail the course.

As much as possible, official school functions that require student participation should not be scheduled so as to require absence from classes. No official school-sponsored event may be scheduled during the final exam period.

Students should keep in mind that absences affect their final grade in a course. The impact of absence on one's grade can be found in the course syllabus provided by the instructor of each course.

INCLEMENT WEATHER POLICY

Information regarding campus-wide class cancellations will be posted on local television and University alert systems. For a variety of reasons, however, Grace Christian University rarely cancels classes due to inclement weather. Commuter students who believe conditions are unsafe to drive to campus due to inclement weather are expected to communicate this to professors by the end of the scheduled class session in order to be granted an exception to the attendance policy. Any assignments are still due unless otherwise approved by the professor. Students who live on campus are expected to attend classes.

LATE PAPERS AND PROJECTS POLICY

The following policy regarding late papers, projects, and assignments will be followed unless otherwise assigned by the instructor.

- Assignments, including papers and projects, are due on the date and time specified. This applies to any student who may be absent from, as well as to athletes or other students officially sanctioned by the University to be gone from class on that day. All faculty are required to include a late submission policy in the syllabus.
- Instructors may extend or change a due-date for assignments at their discretion. However, such changes or modifications should be made prior to the original due date.
- In-class assignments, including tests, quizzes, and presentations, missed due to absence will result in a grade of zero unless prior arrangements are made with the instructor.
- Exceptions to these policies may be made by the instructors at their discretion or as directed by the Associate Provost or Provost.

Course Repeat Policy

Students are permitted to take a course in which an unsatisfactory grade was achieved during a previous period of enrollment for the purpose of earning a higher grade point average and improved learning. In such situations, registration for the course and payment of the related tuition and fees at the current tuition rates are required. The higher grade achieved in the course will be included in the cumulative GPA calculation, though the lower grade will remain on the permanent transcript record and marked as repeated. Financial aid may be available to help pay for a repeated course if the student's existing grade in the course is an F or W.

In certain instances, a student may wish to repeat a passed course to raise his/her grade point average (GPA) or to refresh knowledge of specific content. If the student received a passing grade (D- or better), financial aid may be used to repeat the course only one time. Financial aid is not available for coursework completed in a previously earned certificate or degree program.

Directed & Independent Study Policy

INDEPENDENT STUDY

An independent study is a way for a student to learn independently with the direction of a faculty who is a content expert in the student's approved area of exploration. Students work with an instructor to design a set of learning activities necessary to achieve the course outcomes. The time commitment will be approximately the same as a standard course and follow the same course format as the program the student is enrolled in. An independent study is offered at the discretion of the instructor and must be approved by the Dean or Chair of the student's program. Independent or directed study courses are taken for credit and all regular tuition and fees will apply to courses taken in this format. A student who fails an independent study course may be required to repeat the course. An Independent Study Approval Form may be obtained from the Records/Registration Office.

Guidelines for Independent Study:

1. The student and assigned faculty must meet prior to the first week of class (Online Students) or during the first week of class (On-Campus Students) to narrow the subject and establish a format for study.
2. A minimum of four meetings must occur with the instructor during the term, regardless of the number of credits assigned to the course.
3. The faculty member and student should decide on a suitable form of assessment for the articulation of the results of the studies.
4. The faculty member must document the independent study's Course Learning Outcomes (CLOs) which must align with the Program Learning Outcomes (PLOs).
5. The above agreements should be put in written form using the Independent Study Contract.
6. A completed copy of the Independent Study Contract must be given to the Registrar.
7. The Independent Study must be approved by the Dean of the school in which the independent study course is offered.
8. The general expectations for the student and faculty are the same as for all other courses.

DIRECTED STUDY

Grace will allow the use of a directed study when an unforeseen circumstance prevents a student from being able to take a required course as it is offered in the academic calendar. A directed study is a way for a student to learn independently through the use of current course curriculum directed by a faculty who is a content expert and who has previously taught the course material. A directed study is offered at the discretion of the instructor and must be approved by the Dean or Chair of the student's program in consultation with the Registrar. The time commitment will be approximately the same as a standard course and follow the same course format as the program the student is enrolled in. The course is required to have the same Course Learning Outcomes (CLOs) as the course has when offered as a standard course. If the course content and the assessments must be altered for single student use, the altered assessments must align with the CLOs.

Independent and directed study courses are taken for credit and all regular tuition and fees will apply to courses taken in this format. A student who fails a directed study course will be required to repeat the course and may do so in a standard section or as a subsequent directed study, as approved.

Dual Degree Programs

Grace Christian University partners with Cornerstone University and Davenport University to make it possible for Grace students to complete degrees in areas of study not available at Grace Christian. This unique arrangement makes it possible for students to earn two baccalaureate degrees concurrently. Utilizing the coursework taken at both Grace and the partner institution, students earn a BS in Interdisciplinary Studies at Grace and a selected degree from the partner institution. Students can select from any bachelor degree program offered at Cornerstone, with the exception of Engineering, Nursing and K-12 Music or P.E. Education; or a bachelor degree program in most programs offered at Davenport.

Students typically declare their desire to pursue the dual degree program as part of the application for admission process. Grace's Academic Advisor for Dual Degree students works closely with the students to ensure that their application documents with the partner institution are submitted at the appropriate point in the student's program, coordinates the transfer of pertinent data at the end of each semester and confirms that the student registers for the appropriate Grace courses each semester in cooperation with the student's advisor at the partner school. This is intended to maximize the efficiency of the program and to assure that the degree requirements at both institutions are successfully completed.

Dual Degree students' Grace degrees require the completion of degree requirements at both the partner institution and Grace.

Grading Scale

It is the responsibility of each student to meet the specific outcomes of each course as defined by the curriculum and upheld by the faculty, as well as to meet the general overall requirements for graduation which include a minimum cumulative GPA and total credit hours. If the student feels at any time that his/her performance is not on track to meet the specified requirements, the student should make an appointment with his/her instructor regarding an individual course, or an Academic Advisor if regarding the overall program. Grades are computed at the end of each course and are posted upon official grade submission by the instructor.

Students may view their official grades after the end of each term or semester by accessing the Student Portal. The “My Grades” link in Blackboard is unofficial.

GRADES

Grading Scale and Grade Explanation

Percentage or Description	Letter Grade	Grade Points (multiply by course credit hours)	Explanation A plus (+) or minus (-) grade indicates performance is at the upper or lower range defined by the letter grade.
95-100	A	4.0	Superior Work
90-94	A-	3.7	
87-89	B+	3.3	
83-86	B	3.0	Above Average
80-82	B-	2.7	
77-79	C+	2.3	
73-76	C	2.0	Average
70-72	C-	1.7	
67-69	D+	1.3	

Percentage or Description	Letter Grade	Grade Points (multiply by course credit hours)	Explanation A plus (+) or minus (-) grade indicates performance is at the upper or lower range defined by the letter grade.
63-66	D	1.0	Inferior but Passing
60-62	D-	.7	
0-59	F	0	Failing
Incomplete	I	0	Incomplete. See the Incomplete Grade Policy below.
Withdrawal	W	Does not impact GPA	A W grade indicates the student has withdrawn (or been administratively withdrawn) from the course. A W grade does not impact the grade point average, but is considered an attempted course.
Audit	AU	Does not impact GPA	Audit. No credit is earned. This grade is not used in computing the student's GPA.
Satisfactory	S	Does not impact GPA	Credit granted based on a satisfactory/unsatisfactory basis. Credit earned is equivalent to a C or better.
Unsatisfactory	U	Does not impact GPA	Credit granted based on a satisfactory/unsatisfactory basis. No credit earned.
Academic Integrity Violation	XF	0	The grade of XF is given for plagiarizing, cheating on a test or assignment, or otherwise violating the academic integrity policy.
Repeat	R		The course has been repeated. Only the highest earned grade counts toward GPA calculation.

Grade Point Average (GPA)

The GPA is computed by dividing the total number of credits attempted for a letter grade into the total number of honor or quality points as outlined in the table above.

INCOMPLETE / IN PROGRESS GRADES

Incomplete Grade (I)

All coursework is intended to be completed within the official date parameters set for the registered course. An Incomplete grade may be granted when a student is prevented from finishing coursework on time by extenuating circumstances brought about by a specific event.

The following policy is to be applied to all On-Campus students who wish to receive a grade of “I” in a course:

- The student must have been earning a course grade of at least “C-“ as of the date of the event necessitating the request.
- It is the student’s responsibility to request an “I” grade on or before the last scheduled date of the class and the professor’s to determine whether the circumstances merit an Incomplete grade. The faculty member will instruct the student to submit a **Request for Incomplete Grade request form**, which will be forwarded to the instructor for approval before the Incomplete grade is processed.
- A student who receives an Incomplete grade for any course will be required to turn in the completed work to the professor who taught the course unless other arrangements have been approved by the Dean or Provost.
- Incomplete coursework for On-Campus Undergraduate courses must be completed within four weeks from the last day of the original semester. Failure to submit the incomplete work by the established deadline will result in earning zero points for incomplete work, and the final grade will be awarded accordingly

In Progress Grade (IP)

Certain courses that are student-driven may require longer than one semester to complete. These courses include Internships, Practicums, Independent Studies, Study Abroad, etc. Students enrolled in these classes who need additional time to complete may request an In Progress grade.

The following policy is to be applied to all On-Campus students who wish to receive a grade of “IP” in a course:

- It is the student’s responsibility to request an “IP” grade prior to the end of the semester and the professor’s to determine whether the circumstances merit an In Progress grade. The faculty member will instruct the student to submit a Request for In Progress Grade request form, which will be forwarded to the instructor for approval before the In Progress grade is processed.
- A student who receives an In Progress grade for any course (additional time required to complete the course requirements) will be required to turn in the completed work to the professor who taught the course unless other arrangements have been approved by the Dean or Provost.

- Remaining In Progress requirements for On-Campus Undergraduate courses must be completed by the last day of classes in the full semester (i.e. fall or spring semester) following the original semester.
- Failure to submit the In Progress work by the established deadline will result in earning zero points for incomplete work, and the final grade will be awarded accordingly.

AUDITING A COURSE

Auditing a course means taking a course for no credit or grade. Students are permitted to attend an audited course but may not submit assignments or take examinations. Audited courses do not earn honor points (GPA) or credits toward graduation. Audit status does not count toward full-time enrollment. Audit status must be declared at the time of registration and confirmed with the instructor on the first day of class. Audit enrollments are based on class size availability. If at any point prior to the beginning of the course, the class size maximum is reached, any audit registrations will be canceled. Financial Aid is not available for audited courses. Changes from credit to audit and vice versa will not be permitted after the first week of the class. All tuition and schedule change fees apply accordingly (see applicable **Fee Schedule**).

Graduation & Commencement

APPLICATION FOR GRADUATION

In order to receive a diploma and be invited to participate in the commencement ceremony, the student must apply to graduate by filling out the **Graduation Application Form**. Students are expected to submit their **Graduation Application Form** at least six months prior to the anticipated completion date.

Candidates for graduation are charged a non-refundable graduation fee for each degree earned: \$100 for associate and bachelor degrees, and \$150 for master degrees. The Registrar will audit the student's record for degree completion. The student's Degree Audit will ensure that the student and the Academic/Faculty Advisor have current documentation of the student's progress toward degree completion. As long as there are no holds on the student's account, the diploma will be mailed to the address on the application for graduation or on file at Grace, whichever is more recent. If a student has not met the degree requirements at the final degree audit, the Registrar will notify the student and the advisor. Diplomas are distributed three times a year: late February, late June, and late October.

PARTICIPATION IN COMMENCEMENT

Candidates for degrees may participate in one of two commencement services in the spring of each academic year. In order to be included in an annual commencement ceremony, the candidate should apply to graduate by February 15. If the application is not received by that date, the candidate may not be able to participate in the commencement.

Grace offers an In-Person Commencement ceremony held in Grand Rapids, Michigan in the spring, and a Virtual Commencement approximately two weeks later that is available to view through a link on the Grace website. Both ceremonies honor the graduates with speakers from the graduating class, and the distribution of special awards, and culminate in the reading of participating graduates' names.

It is expected that candidates will have successfully fulfilled all degree requirements prior to the In-Person commencement ceremony date. If the candidate desires to participate in the commencement before completing all degree requirements, s/he may petition to be allowed to do so. The petition should include specific rationale for the request to walk early, and a detailed description of the remaining degree requirements and how/when they will be completed.

Candidates who wish to participate in a commencement ceremony will order their cap and gown regalia from the university's third-party vendor, paying the vendor directly for the cost. Candidates who have met the requirements for the honors or high honors designation will be provided the honor cords at no cost.

GRADUATION HONORS

Undergraduate students will be honored for their achievement with the privilege of wearing a single cord representing Honors (3.30 – 3.69) or two cords for High Honors (3.70 – 4.00). The graduation honors grade point average is based on the cumulative GPA for all completed coursework as of the commencement ceremony date. Only Grace Christian University credits will be used to determine academic honors.

A final audit will determine the graduation honors to be awarded at the time of degree conferral. Undergraduate students with a final cumulative grade point average of Honors or High Honors will receive the corresponding acknowledgement on their diploma and a notation on the official transcript.

GRADUATION AWARDS

Students may be selected for various graduation awards upon meeting the specific academic and/ or character requirements.

DIPLOMA RE-ORDER

A diploma may be reordered at the request of the student. The cost for a replacement diploma is \$25, which must be paid when the order is submitted. Contact the Records/Registration Office to request a replacement diploma: onlineregistrar@gracechristian.edu.

Graduation Requirements

DEGREE REQUIREMENTS

In order to graduate from an On-Campus undergraduate program at Grace Christian University, the student must complete the following general education requirements:

- Earn a minimum of 60 credits for an Associate Degree and 120 credits for a Bachelor Degree (overall credit requirements may vary)
- Earn a minimum of 25% of the required program from Grace Christian University (15 credits for AA, 30 credits for BS)
- Earn a minimum cumulative grade point average of 2.0
- Complete the required Bible and Theology Core (BTC):
 - AA Degree: 18 credit hours
 - BS Degree Completion: 18 credit hours
 - BS Degree: 30 credit hours
- All transfer work (including non-traditional and credit by exam) must have been earned prior to the start of the student's last semester at Grace unless part of a dual-degree program or pre-approved by the Associate Provost or designee
- Dual-degree students must fulfill the degree requirements of both institutions
- Official college transcripts must be received in order for transfer work to be posted on the student's academic record
- All required coursework for the selected degree program must be completed satisfactorily:
 - Complete each BS Major, Minor and Concentration requirement with a grade of C- or higher
 - Earn a minimum of 36 upper division credits for BS degrees
 - Complete the specified number of credits for each BS major in residence at Grace Christian University

MULTIPLE MAJOR POLICY

Students wishing to earn more than one major as part of a bachelor degree program must:

- Complete the course requirements for each major
- Duplicate no more than six credits between the two bachelor degree majors
- Complete all other bachelor degree requirements as described in the catalog

Students wishing to complete an associate degree with more than one emphasis must:

- Fulfill all course requirements for each emphasis
- Duplicate no more than six credits between the two emphases
- Complete all other associate degree requirements as described in the catalog

SECOND BACHELOR DEGREE POLICY

Students who have earned a bachelor degree at Grace Christian University or at a regionally or ABHE-accredited institution may wish to earn a second bachelor degree in a different discipline at Grace. The student's transcript(s) of the first bachelor degree program will be reviewed by the registrar to determine what courses are needed for the second bachelor degree program.

Based on that evaluation, a second bachelor degree may be awarded to a student under the following conditions:

- Complete the course requirements for the first degree.
- Complete the second degree with a minimum of 18 unduplicated credit hours from the first degree.
- Complete all other degree requirements as stated, including the appropriate Bible and Theology Core requirements.
- Complete a minimum of 144 credits for a second bachelor degree (at least 24 credits must be earned after the completion of the first degree).

POSTHUMOUS DEGREE

A posthumous degree may be awarded upon request of the student's family if the deceased student had met the requirements as set forth below. Posthumous degrees will be awarded in the name of a deceased or critically ill student, who according to the best available medical advice, has no significant probability of being able to resume studies toward an earned degree in their lifetime.

The deceased student is required to have been registered in the current or preceding semester, be in good academic standing with the university, and have completed at least 85% of the requirements for the specified degree. The Registrar will complete a degree audit as a verification of the requirements, and submit the request to the Dean. If the Dean approves, the Dean will submit the request to the Provost for final approval.

The final approval will be returned to the appropriate Registrar for processing. The Registrar will notate the academic transcript with: "Degree Granted Posthumously." A copy of the academic record will be released, if requested, to an attorney representing the estate of the deceased student. There will not be a graduation or transcript fee assessed.

Deceased students not meeting the above criteria may receive a "Certificate of Achievement," if requested by the family.

Generally, posthumous degrees are conferred on institutional conferral dates; not at the annual graduation ceremony. If a student was in his or her last semester, the family may submit, in writing, a request to have one family member accept the posthumous degree during commencement as part of the normal proceedings. The reading of the name will include “awarded posthumously” in the announcement and in the printed program.

Personal & Professional Conduct

THE GRACE EXPERIENCE

Grace Christian University is committed to biblical higher education. First and foremost, this involves seeking to engage the entire campus intentionally and pervasively in the study and application of the text of God's eternal Word, the Bible. As an institution of higher learning, Grace is also committed to the pursuit of knowledge, understanding, wisdom, and skills, not as an end entirely unto themselves, but as the means by which community members can become better equipped to more effectively meet the needs of the church and society, both now and in the future.

The mission of Grace Christian University is Graduating courageous ambassadors for Christ who make an eternal impact wherever they go. As students work toward this end, it is expected that they will be people with character in who they are, **competence** in what they do, **compassion** as they relate to others and **commitment** to the gaining of knowledge and wisdom.

RESPONSIBILITIES OF THE UNIVERSITY COMMUNITY

Grace Christian University is a community with a purpose. Members of the community include faculty, staff, and students. The broader Grace community includes alumni, constituents, churches, and the University Board. In order to fulfill the mission of the University, members of the community need to understand their responsibilities. If responsibilities are not met, the University will preserve the harmony of the community through redemptive discipline, in order to create an environment of warmth in which confrontation and discipline, done with empathy and forgiveness, can be an effective part of the growth process. In order to achieve institutional aims and objectives, Grace believes it necessary to ask faculty, staff, and student body members to observe limitations on conduct and to commit themselves firmly to these principles.

With the guidance and enabling of the Holy Spirit, the Administration and Faculty are responsible to:

1. Work toward the maximum attainment of institutional objectives, so as to make them steadily relevant to the lives of individual students.
2. Demonstrate in administration, instruction, and other activities Christian standards of competence, leadership, and encouragement for Christian maturity.
3. Demonstrate in their own personal lives a commitment to the Lord Jesus Christ.
4. Provide maximum educational opportunities for the student in keeping with the aims and objectives of the university.

With the guidance of the Holy Spirit, each student is responsible to:

1. Cooperate actively and constructively in the achievement of the aims and objectives of the university.
2. Practice Christian conduct based on biblical principles, extending the Lordship of Christ to every aspect of life.
3. Make full use of their God-given abilities so as to achieve maximum personal development by active participation in as many activities and learning experiences as is reasonable.
4. Respect with consideration the personal freedom, standards, and decisions of others.

The University recognizes that certain aspects of culture are offensive to the Christian conscience and has therefore developed the following standard of conduct for the University family: Practices known to be morally wrong by biblical teaching (i.e., drunkenness, stealing, occult practices, adultery, gossip, pride, lust, bitterness, etc.) are not acceptable for members of the Grace Christian University community.

By virtue of enrollment, the student agrees to accept the responsibilities outlined above. The student who is found to be out of harmony with the aims and objectives of the University may be asked to withdraw from the Community whenever the general welfare to the University demands it even though there may be no serious special breach of conduct.

ON-CAMPUS STUDENT HANDBOOK

Grace Christian University is a private institution. Attendance at Grace Christian University is a privilege. Grace Christian University reserves the right to revoke the attendance privilege of any student if at any time the student is believed to not be fulfilling the purpose and objectives of the institution as set forth by the Board of Directors and/or the Administration of Grace Christian University. The Undergraduate On-Campus **Student Handbook** clarifies the expectations and general sequence of response but does not supersede the overall right of the institution to revoke attendance privilege.

Privacy Policy

DIRECTORY INFORMATION

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Grace Christian University, with certain exceptions, obtain the student's written consent prior to the disclosure of personally identifiable information from the education records. However, Grace Christian University may disclose appropriately designated "directory information" without written consent, unless the student has advised Grace Christian University to the contrary in accordance with Grace Christian University procedures. The primary purpose of directory information is to allow Grace Christian University to include information from student education records in certain school publications.

Examples include:

- Dean's, President's and other recognition lists, including Merit Pages
- Graduation programs
- Sports activity sheets, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a student's prior written consent. Outside organizations include, but are not limited to, companies that manufacture graduation garb or publish diplomas.

Students who do not want Grace Christian University to disclose any or all of the types of information designated below as directory information from the education records without prior written consent, must notify the Records/Registration Office via the FERPA Consent form.

Grace Christian University has designated the following information as directory information:

- Student's name
- Hometown
- Grace Email address
- Dates of attendance
- Photograph
- Participation in officially recognized activities and sports
- Weight and height of athletic team members (as appropriate)
- Degree(s) earned and date(s) awarded
- Honors and awards received
- The most recent educational agency or institution attended

ANNUAL FERPA NOTIFICATION

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a post-secondary institution at any age). These rights include:

1. The right to inspect and review the student's education records within 45 days after the day Grace Christian University receives a request for access. A student should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask Grace Christian University to amend a record should write the Registrar, clearly identify the part of the record the student wants to be changed, and specify why it should be changed.

If Grace Christian University decides not to amend the record as requested, Grace Christian University will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before Grace Christian University discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Grace Christian University discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by Grace Christian University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of Grace Christian University who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records such as an attorney, auditor, or collection agent, or a student volunteering to assist another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Grace Christian University.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Grace Christian University to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See the list below of the disclosures that post-secondary institutions may make without consent.

FERPA permits the disclosure of PII from students' education records, without the consent of the student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, § 99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures.

A post-secondary institution may disclose PII from the education records without obtaining the prior written consent of the student:

- To other school officials, including teachers, within Grace Christian University whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))

- To authorized representatives of the U. S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State post-secondary authority that is responsible for supervising the university’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§ 99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§ 99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§ 99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10))
- Information the school has designated as “directory information” under § 99.37. (§ 99.31(a)(11))
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of § 99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§ 99.31(a)(13))
- To the general public, the final results of a disciplinary proceeding, subject to the requirements of § 99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school’s rules or policies with respect to the allegation made against him or her. (§ 99.31(a)(14))

To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15)).

Registration & Course Attendance

Registration for students currently enrolled is usually held in October for the next spring semester and in March for the fall of the next academic year. New students will be contacted regarding their course selections.

REGISTRATION CHANGE

A student desiring to make a change in his/her schedule after the first day of the semester must obtain a Drop/Add form from the Registrar. Changes are not official until the form is completed, signed by the academic advisor and filed with the Registrar. A student desiring to add a course after a semester begins must obtain consent from the course instructor before filing a Drop/Add form with the Registrar. No course may be added after the first week of the semester without the approval of the Associate Provost.

- Any course dropped during the first two weeks of the semester will not be entered on a student's academic record.
- Any course dropped after the second week of the semester will be recorded on the student's academic record as withdrawn (W).
- Any student who discontinues attending a course and completing assigned work without officially withdrawing with the Records/Registration Office will receive a failing grade (F).

ACADEMIC ADVISING

Academic advising is provided by an assigned faculty or staff member to allow an ongoing series of consultations between students and an advisor. Therefore, every student admitted to the University is assigned to a faculty advisor. Advisors are available to offer counsel to students regarding academic policies and procedures, in registering for courses each semester, in checking progress toward obtaining their degree and in matters relating to personal, spiritual and career development.

While advisors and advisees share in the advising process, each student is responsible for meeting his/her educational goals and satisfying graduation requirements. Students whose career goals will require them to transfer to another four-year college or university following work at Grace should be sure to inform their advisor of their intentions as early as possible so that consideration can be given to transfer requirements.

ATTENDANCE

Grace Christian University believes that regular attendance and participation in classes are essential for learning. Therefore, excessive absenteeism is viewed as a very serious matter that may result in a failing grade. However, Grace also recognizes that circumstances sometimes prevent students from attending classes. Students are expected to monitor their class attendance.

Specific details on the attendance policy are found in the **Classroom Policies** section of the catalog.

Stop Out Policy

Should a student decide to take a semester off before completing degree requirements, the student may request a Stop Out. With an approved Stop Out, the On-Campus student takes a break for one full (Fall or Spring) semester. This allows the student to continue pursuing the degree requirements in the catalog under which they entered Grace without applying for re-entry to the University, and to maintain the same institutional aid eligibility when they return. However, due to the length of the On-Campus semesters, the Stop Out will be considered a withdrawal for loan deferment calculations.

If the student elects to not return as scheduled in the full semester following the Stop Out semester, the student will be officially withdrawn from Grace and will be required to apply to return to Grace and to complete the degree requirements described in the catalog in place at the time of re-entry.

Student Records

Student records are protected by the Family Education Rights and Privacy Act (FERPA). See the **FERPA** section for more information.

TRANSCRIPT REQUEST

Students are encouraged to resolve all obligations to Grace prior to requesting an official Grace transcript. To request an official transcript, students should visit the **Transcript Request page** on the Grace website. Transcripts will be sent electronically, by mail, or will be available for pickup (as requested by the student) within three business days. A \$10 payment is required before an official transcript will be released.

An unofficial transcript can be accessed by current students in the Student Portal. Alumni of the university may request an unofficial transcript by completing the **Unofficial Transcript Request Form**.

TRANSFERABILITY OF CREDITS

Grace Christian University does not guarantee that credits earned from Grace will transfer to another school. Typically, an institution will evaluate coursework from a regionally accredited institution in terms of transferability and applicability to the degree program. Grace is regionally (HLC) and nationally (ABHE) accredited.

Student Services

Academic Support

Entering students who are academically at risk, as well as students who fail to demonstrate satisfactory academic progress, are required to participate in the Academic Success Program. The Academic Center for Excellence (ACE), located in the Bultema Library, is available for any student who desires academic assistance and support.

Career Services

Each semester, Grace hosts an Internship/Career Fair for students looking for part-time or full-time work. Job Board on the Alumni page of Grace's website..

Ministry students desiring to serve in the churches of the Grace Gospel Fellowship (GGF) should contact the GGF offices in the O'Hair Memorial Building.

Computer Access

Computers with internet access and Microsoft Office are available for students to use in the Bultema Library and Academic Center. Students may also access the internet through the campus wireless network. Information regarding hardware requirements is available from the Director of Information Technology.

Counseling and Guidance

Counseling for vocational, social, and personal needs is available through the Campus Counselor. We encourage students to examine their motives, talents, and gifts as part of developing a meaningful relationship with Jesus Christ and to determine the capacities in which students might serve Him. The University counselor is available to students who wish to discuss personal needs or problems. Offsite counseling is also available by referral at reasonable costs. Guidance in selecting courses each semester is offered through the student's academic advisor.

Food Service

Well-balanced meals are served daily in the dining hall. A meal plan is included for all students living in campus housing. Students living off-campus may purchase individual meals or a commuter meal punch card at published prices, or sign up for a commuter meal plan through the Student Affairs Office.

Library

The Library of Grace Christian University exists to augment, enhance, and facilitate the academic pursuits of students, staff, faculty, and alumni. The Library is continually evaluating and expanding its resources to support the curriculum and promote student academic success. Library hours, access to its e-Resources, including journal articles, eBooks and media, and resources like Academic Success Coaching and The Writing Center are available through its website: gracechristian.edu/library.

The Library also holds approximately 40,000 physical volumes which may be searched through the online Catalog, also available through the website. Comfortable reading spaces, group work areas, and individual study spaces are scattered throughout both levels of the Library building. The Library holds several events during the academic year to promote community and academic and spiritual wellness in the student body.

Students may supplement their Library needs by using their own local libraries, or through agreements with 82 other academic libraries in the U.S. and Canada.

Medical Services

Student Affairs staff may assist students with medical needs. Immediate, emergency medical service is also available through local hospitals and clinics. For the protection of everyone in the Grace community, students are required to submit their immunization records and health history. Students participating in intercollegiate sports are required to carry medical insurance.

Postal Service

Incoming mail is distributed daily in student mailboxes.

Student Activities

Life at Grace Christian University is more than books and class work. Activities invite the participation of nearly every student. The program is designed to enrich and broaden the educational experience. Social contacts at Grace will establish lifetime friendships. Additional information can be found in the **Student Handbook** or by contacting Student Affairs.

Activities Program

Regular activities include concerts, outings, special dinners, parties, lectures, spiritual emphasis events, and art. Baker Chapel, the library, student lounges, dining rooms within Huston Hall, and the facilities in the Aldrich Athletic Center offer a wide variety of activities.

Grace Ministries International (GMI)

GMI, a sister organization on campus encourages worldwide vision and seeks to inspire an interest in missions in the student body. The missionary conference, held annually in the spring, is directed by Student Affairs and GMI.

Athletics

Grace Christian University provides intercollegiate competition in baseball, basketball, cross-country, soccer, and track and field for men. Women's sports include basketball, cross-country, soccer, softball, tennis, track and field, and volleyball. Intramural sports are also available.

The University is affiliated with the National Christian College Athletic Association (NCCAA), which sponsors regional and national tournaments in various sports.

Christian Ministry Program

In keeping with the mission of the institution, students in the On-Campus program participate in the Christian Ministry Program.

The Christian Ministry program has four goals, each of which seeks to support the mission of the institution:

- Practical ministry experience
- Learning to follow the example of Christ
- Developing habits of service
- Investigation and exercise of personal gifts and talents

To this end, specific courses in the Bible/Theology core include Christian Ministry as a required portion of the course grade (typically 10%):

- Year 1 (Freshman) - THE 162
- Year 2 (Sophomore) - THE 213, BIB 205/215
- Year 3 (Junior) - THE 363
- Year 4 (Senior) - Ministry Internship (Leadership and Ministry, Biblical Studies majors)

Students complete these requirements by serving in churches and various community non-profit organizations as well as on campus. Specific requirements are stated in the syllabus for each respective course. Ministry supervising mentors work with students, helping them to develop their skills within the chosen ministry, and providing feedback on student progress at the end of the semester. Most courses also include a written reflection by the student on ministry experiences throughout the semester.

Student Government

Each class of the student body may elect representatives to the Student Government. These representatives work to enhance campus life as well as voice concerns of the students to faculty and administration. A member of the Student Government is welcome to attend faculty meetings.

Students with Spouses

Married students meet to encourage and support each other through fellowship and activities designed to build and strengthen their relationship with their spouses and with other couples.

Chapel and Ministry Teams

Students are invited to audition for the chapel and ministry teams. These groups lead worship at campus chapels, at university functions, and in churches and schools across the country.

Worship Services

Services are conducted in Baker Chapel three days each week. The entire student body and faculty are expected to regularly participate in these activities. Other "spiritual emphasis events" including small group Bible studies, worship nights, and ministry in our community, take place throughout each semester.

Student Technology Policy

E-MAIL CORRESPONDENCE

E-mail correspondence is increasingly used for distribution of information to members of the Grace community. Electronic forms of correspondence are timelier and more efficient than traditional paper correspondence and provide better service to the recipient and potential cost savings to the University.

Since all staff, faculty and registered students have email accounts created by virtue of their association with the University, electronic correspondence is one of the authorized means of communication from the University to its constituents. Notification by email is equivalent to a notification by letter or by phone. All email correspondence will be sent to the email address issued by the University (email address ending in @gracechristian.edu). Students have the option of forwarding their Grace email to a preferred personal email, however, the University cannot guarantee delivery of these messages to non-Grace addresses.

STUDENT TECHNOLOGY SPECIFICATIONS

In order to provide a quality experience for all users accessing Grace Christian University resources; the suggested, not required, minimum and recommended computer specifications are listed below. Students and Faculty are encouraged to use computers meeting the recommended specifications for the best user experience. Grace Christian University is unable to provide troubleshooting support for systems which do not meet the minimum specifications.

Note: Wireless specification is required to access the On-Campus wireless network.

Minimum and Recommended Computer Specifications

Component	Minimum Specifications	Recommended Specifications
Processor	Intel Core i3	Intel Core i5 or i7
Operating System	Windows 10 or Mac OS 10.12	Windows 10 or Mac OS 10.12
Memory	4GB	8GB - 16GB
Network and Wireless	Wireless 802.11g/n	Wireless 802.11a/c/n, Integrated Gigabit Ethernet
Display/Graphics	Largely personal preference depending upon your needs, but for those who use Apple computers, Retina displays are highly recommended	

ACCEPTABLE USE POLICY

Purpose

Grace Christian University provides computing resources to support its mission of Christian higher education-particularly in the areas of instruction, research and independent study, and to encourage a responsible community of shared inquiry. Student use of these resources must be consistent with these intentions. As a responsible member of the Grace community, you are expected to act in accordance with the following guidelines which are based on common sense, common decency, civility, and Christian values as applied to the networked computing environment.

All students, faculty, staff, and guests of Grace Christian University using university network and computer resources must comply with the guidelines set forth in this policy and with federal, state and local laws. Improper use of university technology resources may result in disciplinary action.

Scope

This policy applies to all guests, faculty, staff, registered students in good standing, and vendors of Grace Christian University, identified as the Grace community.

Policy Statement

Sharing of passwords, PINs, tokens, or other authentication information is strictly prohibited. Each individual is responsible for his/her account(s), including the safeguarding of access to the account(s). Information residing on institutionally maintained systems, including, but not limited to, student, financial, and personnel records, is made available to users on an individual basis only, and only to such extent, as explicitly authorized by the department which has custodial responsibility for that data.

The use of Grace resources to access, further or otherwise participate in an activity which is inconsistent with the mission and Christian principles of the university is prohibited. This includes, but is not limited to the following: illegal activity, sexually explicit material, hate speech, violent behavior and bullying, spam, hacking, etc. Individuals engaged in necessary educational related activities or research consistent with Grace's mission may be allowed to access sites.

Online learning tools are increasingly a part of higher education. In fact, the majority of Grace students are online students. In class students also utilize online learning tools. As a small step to enhance building the Grace learning community, users are encouraged to personalize their profile on Blackboard and E-mail.

Here are some guidelines:

- Avatars should be personal images. We want to see you, not a superhero.
- Avatars must be your own image which you have the rights to use (don't violate copyright law). Selfies or photos, showing shoulders and above are encouraged.
- Images must be a valid GIF/PNG/JPG formation, less than two megabytes, and small pixel size in dimension; 150 pixels by 150 pixels.
- The University reserves the right to remove avatars which may be deemed inappropriate.

If any inappropriate images or other media are discovered, the following procedure will take place:

1. Faculty/staff who identifies inappropriate images will share these guidelines with the student and ask him/her to choose an alternate photo via email (cc: onlineregistrar@gracechristian.edu). Particularly egregious images or other media may be removed immediately.
2. A member of the Records/Registration Office will check that an appropriate image has been selected within two business days of the initial notification.
3. If the image has not been changed, the staff member will submit a helpdesk ticket to have the image removed.

In addition to standard electronic resources, members of the Grace community are expected to make appropriate use of the Grace Telephone/Voicemail system. Examples of inappropriate actions:

1. Unauthorized entry into a voice mailbox
2. Unauthorized use of another individual's identification and authorization code
3. Use of the University telephone system to send abusive, harassing, or obscene messages
4. The use of Grace resources to conduct business for personal financial gain is prohibited.

Anti-virus and anti-malware software must be installed on your computer, kept up to date, and currently enabled. If your software is not up to date or disabled, it may lead to an infection which may result in your network access being disabled.

Although Grace's Information Technology (IT) Department deploys Windows patches for university issued devices, employees are responsible for keeping their computer updated with all other security patches/fixes from the appropriate software update services. This includes updating applications, such as MS Office, Adobe, iTunes, Firefox, Chrome, etc. This also includes operating system patches for non-university devices. If your computer is not up to date, it could lead to malware infection which may result in your network access being disabled.

Grace faculty and staff are responsible for their computer, including its hardware, software, and any network traffic transmitted by it. Software licensed by the University or merely used on University equipment must be used in accordance with that license agreement. Violations of the terms of software license agreements are not within the scope of University employment; the University may seek repayment of fines or damages from employees who violate licensing terms and may take disciplinary action up to and including dismissal. Please contact the IT Helpdesk if you have any questions about whether or not certain software/hardware might conflict with this acceptable use policy.

Copying or sharing copyrighted material, including through peer to peer file sharing, is illegal and immoral. We expect members of this Christian community will seek to uphold both the letter and spirit of the law regarding copyrighted material. Students found to have illegally downloaded files will have network privileges revoked.

The use of personal routers (wireless or wired) and/or DHCP servers is strictly prohibited. The IT Department will assist you if you require additional connectivity or have specific departmental needs.

Using the Grace network to provide any service that is visible off campus without prior IT approval, is prohibited. This applies to services such as, but not limited to, HTTP (Web), SSH, FTP, IRC, email, private VPN, etc.

Configuring your computer to provide Internet or Grace network system access to anyone who is not a Grace faculty, staff member, student, or vendor is prohibited.

Visitors may make use of the Internet and other resources with consent from the Director of Information Technologies or a University administrator.

Grace Christian University technology personnel may routinely monitor individual computer and network use. The University reserves the right to inspect personal computers and data files to investigate evidence of misuse.

The university email system is to be used for communication purposes.

The following are unacceptable uses of email:

1. Mass mailings or forwards to more than 15 recipients for anything other than approved university administrative purposes (spam).
2. Sending an email with falsified addresses (spoofing).
3. Using someone else's email account without their consent.
4. Sending harassing or abusive e-mail.
5. Unsolicited advertising is not acceptable.

Study Abroad

Grace Christian University seeks to graduate culturally intelligent individuals who are prepared to serve in an increasingly complex global marketplace. The opportunity to pursue an education in a cross-cultural context presents students with a unique learning experience that ties curriculum content to practical life experiences and fosters a sense of cultural awareness and partnership in God's work around the world. Grace has a Study Abroad Scholarship to support students desiring to participate in cross-cultural experiences. Scholarship information can be found at gracechristian.edu/study-abroad. Students interested in study abroad opportunities may contact an academic advisor for more information.

Even though participating in study abroad is not required, it is strongly encouraged in order that students can gain a greater understanding of the world around them and can be better prepared for the field they are entering. Students who do not wish to earn credit for the experience may join the trip as a guest and enjoy all the benefits without the coursework.

Study abroad options available at Grace vary from year to year, but may include:

- Faculty-led Programs
- Semester Abroad
- International Internships
- Experiential and Mission Trips
- GAP Year
- Partnership Programs

Detailed information can be found at gracechristian.edu/study-abroad.

4+1 Program

DESCRIPTION

The 4+1 Program allows students in a Grace bachelor degree program to streamline the path directly into a Grace master program. By beginning graduate coursework during their bachelor program, students may apply up to four graduate-level courses (maximum of 12 credits) to both the bachelor and master degrees*. Students should contact an academic advisor to discuss any questions about the program.

Other Benefits Include:

- Cost savings toward graduate degree
- Strategic planning for electives in bachelor program
- Opportunity to experience graduate-level coursework without committing to a graduate program

Graduate Degrees Available:

- M.A. in Higher Education Leadership (MAHEL)
- M.A. in Ministry (MAMin)
- M.A. in Organizational Leadership (MAOL)
- Master of Business Administration (MBA)

Students who complete 4+1 courses with at least a B- will receive advanced standing in the selected graduate program, depending on the courses taken. These courses may be transferable to other institutions at the discretion of the receiving institution. 4+1 students wishing to complete a Grace graduate degree must formally apply to the graduate program after earning the bachelor degree.

* Students may elect to enroll in one to four six-week graduate-level courses to count toward both the undergraduate and graduate degrees. The courses available are dependent upon the student's selected graduate degree program. The number of graduate courses taken and the course availability may impact the length of time to degree completion for both the undergraduate and graduate degrees.

ELIGIBILITY

An On-Campus undergraduate student is eligible to take up to four 4+1 courses if the student:

- Is in good academic standing
- Has earned at least a 3.0 GPA in undergraduate coursework at Grace
- Has accumulated at least 60 credits
- Needs the additional elective credits to reach 120 credits

Academic Schools

THE SCHOOL OF ARTS AND SCIENCES

By stimulating a rich appreciation of and a thirst for knowledge, the School of Arts and Sciences prepares students to be difference-makers in today’s world. A biblically informed education takes students’; natural talents, gifts, and passions and prepares them to serve effectively and immediately.

Academic programs and degrees in communication, education, history, intercultural communication, professional communication, sports communication and management, and writing and literature give students skills for life, allowing them to focus on possibilities - not obstacles.

Overseen by the School of Arts and Sciences, the Arts and Sciences Core provides students with a breadth of knowledge in communication, humanities, behavior sciences, and natural sciences. Effective communication, critical thinking, and historical perspectives are taught from a biblical perspective preparing students for academic success.

The faculty within the School of Arts and Sciences provide personal attention to help students meet the challenges of today and thrive in a culturally diverse world tomorrow.

THE SCHOOL OF BIBLE AND MINISTRY

The mission of the School of Bible and Ministry is to prepare students for vocational Christian ministry by developing a foundational knowledge of the Bible and theology, ministry principles and practices, and by nurturing the personal character necessary to be courageous ambassadors for Jesus Christ.

The Bachelor of Science in Biblical Studies is designed for students who specifically desire advanced study of the biblical text and languages in order to prepare for seminary or graduate school. Within this degree program, students have the option of adding an academic concentration in Biblical Languages.

The Bachelor of Science in Leadership and Ministry degree is designed for students involved in or preparing for ministry or nonprofit leadership as a vocation. Students are challenged to think biblically about all aspects of life, develop spirituality in themselves and others, enhance their ministry skills and engage with the world. The curriculum mixes practical and theoretical knowledge through classroom work, research, and real-world experience. The program includes elective space which students can use to pursue a Minor in a ministry-related field, or in another discipline to enhance their ministry or vocational preparation. In addition to these courses, every student completes a ministry internship designed to put theory into practice.

Bachelor of Science in Criminal Justice

OVERVIEW

Grace Christian University's Criminal Justice degree gives a broad overview of the field and the unique challenges of law enforcement and the criminal justice system. The mission of the Criminal Justice degree is to provide a biblically-informed, interdisciplinary education in the human services field, having theoretical knowledge and application for real-world Christian service.

The Bachelor of Science in Criminal Justice has been constructed considering the need for a Christian bachelor degree program that dually meets the needs of preparing individuals to serve Christ and society within the context of the criminal justice system. The strategic vision of the degree provides multidisciplinary coursework (Bible, theology, psychology, sociology, criminal justice) as well as training in the Christian worldview and ethical decision-making. The criminal justice degree has been built upon this foundation based on core values and ideas shared through the advisory committee consisting of federal and local law enforcement, community leaders/ministers and academics from three institutions of higher learning.

A strength of Grace Christian University's criminal justice degree is that it prepares students for a variety of job opportunities following graduation, as well as preparing professionals who understand and can respond to people from diverse walks of life. The Criminal Justice degree will prepare law enforcement students for the postgraduate police academy and police career. Those seeking graduate school or other (non-sworn) criminal justice work such as probation will be prepared for graduate work in the areas of criminal justice, counseling or social work.

PROGRAM OUTCOMES

Students who graduate with a BS in Criminal Justice degree from Grace Christian University will be able to:

1. Develop a deep understanding of ethical considerations, social and economic inequalities, cultural intelligence, and issues of diversity and human rights in relation to the criminal justice system.
2. Apply theoretical frameworks and problem-solving methods to analyze and address criminal justice issues while considering multiple perspectives and the consequences of crime to society.

Bachelor of Science in Human Services

OVERVIEW

One of the fastest growing professions relates to the service industry, especially in response to the human condition. No one is more prepared to meet this need than the Christian who is able to apply the principles of the Word of God and the knowledge and skills gained in a Human Services program. The mission of the Human Services program at Grace Christian University is to provide a comprehensive understanding of helping and healing relationships that enable graduates to serve individuals, families, and society. Its purpose is to develop practitioners who are biblically-informed, ethical thinkers who can practically apply their knowledge to serve others. The program seeks to prepare professionals who can meet the needs of diverse communities with integrity and sensitivity, and be prepared for advanced training, graduate school, and life-long learning.

PROGRAM OUTCOMES

Students who graduate with a Human Services degree from Grace Christian University will be able to:

Bachelor of Science in Psychology

OVERVIEW

The science of psychology goes beyond diagnosing and treating mental illness. Students majoring in the science of psychology learn how to ethically use research to improve people's lives with respect to the family, employment, and recreation. Psychology students embrace individuals holistically, taking a bio-psycho-social-spiritual perspective. Further, approaching psychology from a biblical worldview empowers students to support psychological findings in God's general revelation with His special revelation, the Bible. Psychology majors at Grace Christian University will be equipped to meet the challenges of serving people living together in a diverse and ever-changing world. Experiential learning prepares psychology majors to enter a variety of vocations or continue on to graduate degree programs.

PROGRAM OUTCOMES

Students who graduate with a BS in Psychology degree from Grace Christian University will be able to:

1. Develop effective communication skills, including culturally intelligent (CQ) and ethical behavior, to effectively convey ideas in writing and oral, and interpersonal interactions to promote human growth and development.
2. Apply psychological concepts, theories, and research to analyze and solve various behavior problems while demonstrating scientific inquiry and critical thinking skills.
