Message from the President

These days, there is significant confusion and an increasing reliance on humanistic solutions to address the challenges of our day. We are bombarded with false and misleading narratives, yet the enduring Truth of God's Word continues to provide a solid foundation for all aspects of life. The submission of our opinions and behaviors to the authority of the Scriptures is a counter-cultural idea, but it is precisely this commitment that sets Grace Christian University apart from other religious schools.

At Grace Christian University....

- The **Word of God** is celebrated, highly valued, and taught with careful scholarship
- **Objective Truth** is upheld for personal and corporate belief, and it sets the standard for the behavior of all students and employees
- Every person is regarded as a precious **image bearer of God**, regardless of age, gender, ethnicity, or background
- All people are understood as flawed from birth and in need of Christ's redemptive death on the cross to enable **godly living**
- Personal relationships flourish within a **redemptive learning community**
- **Serving others**, both inside and outside the family of God, is the norm and is done with joy and purpose.

Our vision is this: **"Every student will be coached to design an affordable path toward an excellent education."**

This strategic, bold, and counter-cultural model of Grace Christian University is more essential today than ever before. Imagine the impact of these principles in contrast to the chaos and pluralism of today. We invite you to courageously learn, grow, and serve in this way for a world that is watching and in need of people who give glory to God and transform lives. The academics at Grace Christian University are designed to be challenging and push you to excel, with credentialed and competent professors serving as loving guides to help you succeed.

For His Glory,

Dr. Ken B. Kemper, President

Mission Statement: "Graduating courageous ambassadors for Christ who make an eternal impact wherever they go."

History

Beginnings

Grace Christian University began in 1939 as Milwaukee Bible Institute. Evening classes were held to train laymen and Sunday school teachers to serve God. In these early years, a dedicated group of evangelical pastors saw the need to prepare full-time Christian workers with particular concern for a dispensational theological understanding of the Bible and the distinct revelation given to the Apostle Paul. While the Institution has grown in many ways through the decades, its core values are rooted in the efforts of these early years.

Leadership

Humanly speaking, Grace Christian University would not have come into existence without the visionary leadership of its first president, Reverend Charles F. Baker. The Institution was founded under his leadership, grew to a College and navigated the challenges of moving the campus from Milwaukee to Grand Rapids, MI. The Institution continued to grow as Dr. Jack T. Dean became president in 1967. Facilities and degree programs were expanded and the Institution was granted accreditation with the Association of American Bible Colleges. Dr. Samuel Vinton Jr. led the Institution from 1985 to 1989. During these years, the Institution began facilitating opportunities for international students to earn their degrees at Grace. Bruce Kemper became the fourth president in 1990. Coming from Pastoral Ministry, Bruce Kemper brought a strong emphasis of ministry to the Institution. Grace's current president, Dr. Kenneth B. Kemper, was called to lead the Institution in 2003. President Kemper has brought renewed vision and energy to the Institution. From the beginning and continuing into this present year, God has called leaders who love His Word, love His people, and joyfully use the gifts God has given them at Grace Christian University.

Academics

From an evening school Bible Institute to the current University, academics at Grace is a story of growth and excellence. The early evening classes grew to a day school with a broader curriculum. Grace achieved accreditation with the Association of American Bible Colleges (now the Association for Biblical Higher Education) in 1967. Regional accreditation was granted by the Higher Learning Commission in 1990. During the 1990s, Grace also established consortium agreements with Cornerstone University and Davenport University further opening degree options for students. In 2010, Grace began offering 100% online degrees expanding the reach of its educational opportunities far beyond the Grand Rapids campus. Graduate studies began in 2016 offering a Master of Arts in Ministry. Additional graduate degrees soon followed.

The growth and excellence of academics at Grace is also seen in the example of its faculty in lifelong learning for whom the majority, rather than the exception, have earned terminal degrees. As of 2024, Grace employs 15 full-time faculty, seven of whom hold doctorates or other terminal degrees.

Facilities

Four buildings original to the 1961 campus continue to serve the University today. Additional buildings to the campus include: Bultema Memorial Library (1971, expanded in 2004), Enslow and Klein Apartments, Baker Chapel (1980), the Aldrich Athletic Center (1977), the Jack T. Dean Academic Center (2006), the Student Commons (2010) as well as the Dining Room and Kitchen renovation and expansion (2019). The most recent addition to the campus is the Grace Townhomes. This three story building with 29 apartments opened in Fall 2022, providing safe and comfortable housing for students.

Co-Curricular

What happens outside the classroom shapes students alongside their academic pursuits. Chapel continues with its strong history of corporate worship and instruction from God's Word. Students put learning into action through Christian Ministry. Ministry trips, domestic and abroad, give students opportunities to experience other cultures and ministry contexts. Intercollegiate Athletics builds life learning through competition which has seen tremendous success with regional and national championships.

History in a Name

We can see a snapshot of the Institutional growth through the history of its name: Milwaukee Bible Institute, Milwaukee Bible College, Grace Bible College, Grace Christian University. Each year as new students come and graduates move on, we are reminded, with deep gratitude, of those who have come before us to humbly learn and serve God at Grace.

Mission

The mission of the University serves as our guiding statement. All activity of the Institution moves us toward accomplishing this overarching purpose:

Graduating Courageous Ambassadors for Christ Who Make an Eternal Impact Wherever They Go

Vision

Through intentional efforts across the campus to reduce the cost of education and to seek partners providing student scholarships, we believe that by 2025,

Every student will be coached to design an affordable path toward an excellent education.

Core Values

The Core Values of the University are consistent with the historical founding of the Institution and consist of the values to which we hold. In our work, planning, and interactions with stakeholders we desire that all we do fall within these four Core Values:

- Bible Centered
- Grace Theology
- Ministry Focused
- Transformational Relationships

Statement of Faith

The following statement of faith is the theological position of Grace Christian University.

The Bible. We believe that the Bible, both Old and New Testaments, is verbally inspired by God, without error in the original writings, and is the supreme and final authority for every aspect of faith and life (Rom.15:4; 2 Tim. 3:16-17; 2 Pet. 1:21).

The Godhead. We believe there is one God, Creator of all things and eternally existing in three Persons: Father, Son, and Holy Spirit. Each is a Person distinct from the others, but inseparable, coequal, coeternal, unlimited and unchanging in power, presence and knowledge. All are worthy of the same worship and obedience (Gen. 1:26; Deut. 6:4; Matt. 28:19; Acts 5:3-4; Rom. 11:33-36; 1 Cor. 8:6; 2 Cor. 13:14; Eph. 4:4-6; Col. 1:16-17; 1 Tim. 2:5; Heb. 1:8-10).

The Person of Christ. We believe in the full humanity and full deity of our Lord Jesus Christ; His virgin birth, His sinless life, His miracles, His substitutionary death, His bodily resurrection, His ascension to the right hand of the Father, and His personal return in power and glory (Luke 1: 35; Rom. 1: 3-4; 1 Cor. 15:1-8; Phil. 2:6-11).

The Person of the Holy Spirit. We believe that the Holy Spirit is a divine Person, coequal with the Father and the Son. It is the Holy Spirit who convicts unbelievers of their sin and condemnation before God, and regenerates the hearts of believing sinners. He baptizes the believer into the Body of Christ. He also seals, indwells, enlightens, equips for service, and empowers the believer to live a godly life (John 16:7-8; Acts 5:3-4; 1 Cor. 2:10-12; 6:19; 12:13; 2 Cor. 3:18; Gal. 5:16-26; Eph. 1:13-14; 4:4-6; Tit. 3:5).

Humanity and sin. We believe that God created the first man and woman in His own spiritual image and likeness. They disobeyed God, died spiritually and became subject to physical death. As their descendants, we are all sinners both by nature and by choice, and are totally unable of ourselves to do anything pleasing to God (Gen. 1:26-27; Isa. 64:6-7; John 15:5; Rom. 3:9-23; 5:12; 8:5-8; Eph. 2:1-3; Tit. 3:5).

Salvation. We believe that God justifies ungodly sinners solely by His grace upon the grounds of the sacrificial blood of Jesus Christ and His Resurrection. This complete salvation is given as the free gift of God through faith, apart from our works. Only those who trust in Jesus Christ are born of the Spirit and become children of God (John 1:11-13; 3:16; Rom. 3:24-28; 10:9-13; 1 Cor. 15:1-4; 2 Cor. 5:21; Eph. 1:7; 2:8-9).

Eternal Security. We believe that all believers are eternally saved through Christ and are sealed by the Holy Spirit until the day of redemption (John 10:28-29; Rom. 8:1; 8:28-39; Eph. 1:13-14; 4:30; Col. 3:1-4; 2 Thess. 2:13-14; 1 John 5:11-13).

Sanctity of Life. We recognize all human beings are made in the image of God and created as male and female; thus every human being has been granted by God the right to life from conception, or the functional equivalent thereof until his or her natural death. Therefore, the intentional killing of an innocent human being violates God's lasting commandment, "You shall not murder" (Gen. 1:26, 9:6; Ex. 20:13; Psa. 139:13-14).

Sanctity of Marriage. We recognize that marriage is between one man and one woman for life and that God has designed sexual relations to be enjoyed only within the God-ordained marriage relationship (Gen. 2:24; Matt. 19:4-6; Eph. 5:22-23; Heb. 13:4).

Dispensations. We believe that the Holy Scriptures are best understood through the framework of Dispensational Theology. The Bible is clear that God deals in different ways, at different times with different people. These changes in the outworking of God's plan are referred to as "dispensations." We recognize several distinct dispensations, or administrations, in Scripture. Each is marked by revelation from God specific only to that dispensation. The current dispensation, God's plan for the Church, the Body of Christ, "the mystery" revealed to the Apostle Paul, is distinct from God's plan for the nation of Israel. We find in Paul's writings alone the revelation, position and destiny of the Church (Rom. 16:25-27; 1 Cor. 15:51-54; Gal. 1:11-12; Eph. 3:1-12; Col. 1:24-29; 2 Tim. 2:15).

The Church. We believe that all in this dispensation who are saved by faith in Jesus Christ are united together in the one true Church, the Body of Christ, of which He is the Head. God's specific truth of and for this Church was first revealed through the Apostle Paul. This Church began historically with Paul before the writing of his first epistle (1 Cor. 12:13, 27; Eph. 1:22-23; 3:1-11; Col. 1:18, 24-25).

Spiritual Gifts. We believe that God has given believers spiritual gifts with which to serve the Lord for the building up of the Body of Christ (Rom. 12:3-8; 1 Cor. 12:1-31; Eph. 4:7-16). Some of the spiritual gifts that operated in the Church were temporary in nature and were intended for its infancy, including the official offices of apostle and prophet. Other gifts, such as miraculous powers, the gift of healing, tongues and the interpretation of tongues, revelations and visions ceased (Rom. 11:11-36; 1 Cor. 1:22; 13:8-13; 2 Cor. 12:12; Eph. 2:20; Phil. 2:25-26; 1 Tim. 5:23; 2 Tim. 4:20). We do believe that God is sovereign and able to operate in miraculous ways as He desires Eph. 3:20).

The Believer's Walk. We believe that, as a result of Christ's victory over sin and the indwelling Holy Spirit, all of the saved may and should experience deliverance from the power of sin in their daily lives. This comes through constant submission to the Holy Spirit and obedience to God's Word. Since sinless perfection is not a possibility in this life, we must consciously work in harmony with the Holy Spirit (Ps. 119:9-11; Rom. 6:6-14; 1 Cor. 10:12-13; 2 Cor. 2:14; 10:2-5; Gal. 5:16-25; Phil. 2:12-13).

The Lord's Supper. We believe that the Lord's Supper (i.e., Communion or the Lord's Table) is a memorial of the broken body and shed blood of Christ on the Cross. We believe the elements are only symbolic, serving as a sacred reminder and proclamation of Christ's death until He comes again. Participation in the Lord's Supper is open to every believer who is in fellowship with Christ (1 Cor. 10:14-22; 11:17-34).

Baptism. We believe that the Holy Spirit places all believers into the Body of Christ at the moment of salvation by one spiritual baptism. Through this work of the Holy Spirit, we are identified with Christ in His death, burial and resurrection. The Bible also speaks of other baptisms, some are spiritual in nature and others were ritualistic and played a key part in God's program with Israel. While those baptisms all had importance in the past, Scripture speaks of this divine baptism as the one and only baptism that is operative today. Therefore, we practice no other baptism. We emphasize this spiritual baptism as foundational to the unity of all believers (Rom. 6:3-4; 1 Cor. 1:17; 12:12-13; Gal. 3:26-27; Eph. 4:3-6; Col. 2:9-12; Heb. 9:9-10).

Resurrection. We believe in the physical resurrection of the dead. Jesus Christ was resurrected bodily, and therefore everyone will have a bodily resurrection. The saved will be raised to eternal glory and the unsaved to eternal punishment (Luke 24:39-43; John 5:28-29; Acts 24:15; 1 Cor. 15:12-24; Phil. 3:21; 2 Thess. 1:7-9; Rev. 20:4-6, 11-15).

The Return of Christ. We believe the Lord Jesus Christ will personally come to take His Church to heaven, commonly referred to as “the Rapture of the Church.” All members of the Body of Christ, both living and dead, will be caught up together to meet the Lord in the air. This event is imminent and will take place prior to the Tribulation that will come upon the earth (1 Cor. 15:51-53; Phil. 3:20-21; 1 Thess. 4:13-18; Titus 2:13-14). After the seven- year tribulation period, Jesus Christ will return in power to establish His Kingdom upon the earth (Jer. 30:7; Dan. 9:20-27; Zech. 14:4, 9; Matt. 24:15-41; Rev. 19:11-16; 20:1-4).

The State of the Dead. We believe that immediately after death all people exist in a state of consciousness that will last forever. The believer of this dispensation passes directly into the presence of Christ in Heaven. All of the unsaved dead enter a state of conscious eternal suffering without any hope of salvation (Luke 16:23-28; John 3:36; 2 Cor. 5:6-8; Phil. 1:23; 2 Thess. 1:7-9; Heb. 9:27; Rev. 14:11; 20:10-15).

Mission. We believe our mission is to bring glory to God as we proclaim the message of reconciliation to all the unsaved; as we equip and train the saved for the spiritual and physical growth of the Body of Christ; and as we serve all people through acts of grace and compassion. In this way we make plain to everyone the unsearchable riches of Christ according to the dispensation of the mystery (Rom. 12:9-21; 16:25-27; 1 Cor. 10:31-11:1; 2 Cor. 5:14-21; Gal. 2:10; 6:10; Eph. 3:8-9; 4:11-16; Phil. 2:1-8; Col. 4:3-6; 1 Tim. 2:3-7).

Within the Blackboard learning environment, navigation buttons provide ease of maneuvering through the course sections. Email allows students to communicate with the instructor, while the electronic discussion board allows students and instructor to post, share, and read threaded discussions, questions, and comments. Students must use Microsoft Word documents when submitting assignments. Microsoft Excel, PowerPoint, and Publisher will be needed for some courses; an Office 365 subscription is provided at no-additional-cost to the student. Students should expect to spend approximately 20 or more hours per week engaged in coursework.

Educational Philosophy

Grounded in a fundamental belief in the pursuit of truth, a primary concern of Grace Christian University is to cultivate a learning environment that encourages participation, freedom of thought, open questions and the free exchange of ideas for every individual. This openness arises from a threefold conviction:

1. that truth is to be found in the person of Jesus Christ, who is himself the Truth (John 14:6)
2. that the Bible is the Word of God and therefore God's truth revealed (John 17:17, Psalm 119:60)
3. that truth is coherent because God is the author of truth (e.g., "all truth is God's truth")

In this pursuit of truth, the faculty of the University is committed to the holistic personal growth of each student in his or her intellectual, moral, and spiritual capacities, and as an expression of each student's God-given identity, mission, and purpose.

In alignment with the mission, vision, and values of the University, the faculty affirm:

Historic Purpose and Distinctive Theological Perspective

Belief in the inspired and authoritative Word of God has been fundamental to the University since its founding as Milwaukee Bible Institute in 1939. Its distinct theological perspective of Pauline dispensational theology continues to guide biblical and theological instruction as the faculty train 21st-century leaders for Christian service in a range of vocational contexts. In all cases, the faculty seek to model and extend practical dimensions of this Grace theology, including but not limited to: mercy, kindness, forgiveness, inclusion, humility, and service.

Bible-Focused Curriculum and Instruction

The University's unwavering commitment to the authority of the Bible is reflected in and through an integrated biblical perspective in all classes. This includes the integration of biblical knowledge (Old and New Testaments, Christian Worldview) and other academic knowledge (general and discipline-specific education). Students are encouraged to develop a framework for personal and professional decision making that correlates with the truth of God's Word.

Career-Oriented Student Body

Recognizing the diversity of the Body of Christ (1 Cor. 12), the faculty support on-campus, online, and graduate students in the pursuit of their unique career callings and vocations. Whenever possible, students will be given opportunities for practical learning experiences that will equip and enhance them with knowledge and skills that prepare them for viable careers in a competitive job market. Faculty will continually evaluate degree programs and instructional methods to ensure that the education offered by the University is practical and relevant in preparing courageous ambassadors for Christ who are ready to serve in their chosen career fields.

Commitment to Transformational Relationships

As a community of lifelong learners, the Faculty seeks to develop life-changing learning environments and experiences for students, both inside and outside of the classroom. They value students' personal and professional development, and are committed to guiding them through the educational process through life-on-life mentoring relationships, career counseling, and personal and spiritual guidance. The commitment to transformational relationships includes awareness of and commitment to cultural intelligence, diversity, and support of underrepresented and under-served communities of students.

Institutional Learning Outcomes

Grace Christian University's mission is "*Graduating Courageous Ambassadors for Christ Who Make an Eternal Impact Wherever They Go.*" To prepare students to make that impact, each course has learning outcomes that align with program outcomes to achieve the Institutional Learning Outcomes.

Distance Education Reciprocity Agreement

Grace Christian University has been approved by the State of Michigan Department of Licensing and Regulatory Affairs to participate in the National Council for State Authorization Reciprocity Agreement (NC-SARA). NC-SARA is a voluntary, regional approach to state oversight of post-secondary distance education. By participating in NC-SARA, Grace is able to offer online degree programs and courses to residents in NC-SARA participating states as well as states in which prior authorization for the recruitment or enrollment of students is not required.

Currently, Grace is able to enroll students from all states participating in SARA membership. The state of California is not a member of NC-SARA.

More information on NC-SARA can be found at nc-sara.org

Grievance Procedure

ACADEMIC POLICY GRIEVANCE

If a dispute involving an academic issue occurs, the student is encouraged to try to resolve the differences through a private conference. Should such efforts fail, the student may initiate an academic appeal for issues relating to academic policies, grading, graduation requirements or academic suspension by submitting an **Academic Appeal form**. (See the Academic Appeal section of this catalog for more information.) Should a further appeal be desired, the student may submit an appeal to the Faculty Senate.

In cases where the decision of the Faculty Senate is not satisfactory, a **Formal Grievance Form** may be submitted. Once this form is completed, a meeting with the Grievance Committee will be called. The Grievance Committee is a standing committee composed of the Academic Provost and two students appointed by Student Government, to assist the student and faculty member in resolving the matter.

STUDENT LIFE POLICY GRIEVANCE

Most matters of conflict or disagreement can be resolved by meeting individually with the offending party. Grace Christian University asks that any member of the community with a complaint against another member or entity first attempt to seek a resolution by meeting with the individual with whom they are in conflict. Whether or not an individual meeting has taken place, students have the right to submit a formal complaint. This process is initiated by completing a **Formal Grievance Form**. The Academic Provost maintains a record of these complaints as well as the processing of complaints according to University policies.

If the student is not able to satisfactorily resolve the complaint or grievance with the University, the student has the right to submit his or her complaint to the State of Michigan or either of the Institution's accrediting bodies:

- Higher Learning Commission: hlcommission.org
- Commission on Accreditation, Association for Biblical Higher Education: abhe.org
- Michigan Department of Labor and Economic Activity:

Admission Requirements

GRADUATE ONLINE ADMISSION REQUIREMENTS

- **Completed Admissions Application**
- **College/University Transcript(s):** A college transcript showing an awarded bachelor degree. Students who are still in process in their bachelor program at the time of application should provide a college transcript and a letter verifying pending eligibility to graduate from the institution's registrar. An official transcript from the undergraduate institution where the bachelor degree was earned must be submitted by the end of the first course. Failure to provide an official transcript(s) by the end of the first course at Grace may result in withdrawal from the program.

ADMISSION CRITERIA

The following guidelines apply when determining acceptance:

- An earned bachelor degree from a regionally or nationally accredited institution (as recognized by CHEA) is required. A bachelor degree from an unaccredited Christian institution will be reviewed by the Dean or Provost for acceptance on a case-by-case basis.
- Official transcripts from the degree-issuing institution and/or previous graduate studies must be submitted. Additional transcripts may be requested if the decision cannot be made from the degree issuing institution alone.

Full Acceptance in Good Standing

- A student whose official transcripts reflect a cumulative GPA of 2.5 or higher at the undergraduate level earned at an accredited college or university will receive full acceptance into the graduate program.
- A student whose official transcripts reflect at least 12 credits completed in a graduate program with a minimum cumulative GPA of 3.0 will be admitted in good standing to the graduate program. Students who have earned fewer than 12 graduate credits, will be admitted based on their cumulative undergraduate GPA. Graduate credits are reviewed for transferability to the student's Grace program on a course by course basis.

Conditional Acceptance

- A student whose official transcripts reflect a cumulative GPA of 2.00-2.49 at the undergraduate level may receive conditional acceptance into the graduate program, and will be required to complete an academic success plan with the Coach prior to admission.

- A student whose official transcripts reflect the completion of a bachelor degree from an unaccredited college may receive conditional acceptance into the graduate program (see guidelines below).
- A transfer student who has earned a cumulative GPA of 2.00-2.99 GPA at the graduate level may receive conditional acceptance into the graduate program. Conditionally accepted students will be required to complete an academic success plan with the Coach prior to admission.

Students who are conditionally accepted must achieve a cumulative GPA of 3.00 in the first semester of graduate study at Grace Christian University, after which the normal policy for Satisfactory Academic Progress will apply. If the student does not receive a cumulative GPA of 3.00 in the first semester of graduate work, he or she may be academically suspended. After a period of one semester (approximately six months), the suspended student may apply for readmission to the program.

Provisional Acceptance

- A student may be provisionally accepted upon receipt of unofficial transcripts demonstrating the student's eligibility for full or conditional acceptance, or transcripts showing work in progress at the time of submission.
- Official final transcripts must be submitted to the Records/Registration Office by the end of the first class. Students without official transcripts on file by the end of the first course may be withdrawn from the Graduate program.

Non-Degree Seeking (NDS) Acceptance

A student who wishes to take graduate courses without pursuing a Grace master degree may request to do so. The applicant must complete an Application for Admission and submit an official transcript of all college work completed to date, demonstrating the ability to benefit from graduate-level study. The student is responsible for communicating his/her non-degree seeking desires to the Enrollment Specialist/OSS Coach a minimum of three weeks prior to the first date of the session in order to ensure readiness to start the course. NDS students are not eligible for state or federal financial aid (including loans), and must arrange a payment plan with the Business Office prior to enrollment. NDS students must complete courses with a grade of B- or higher to be eligible to continue taking graduate courses.

Should the NDS student wish to apply as a degree-seeking student at a future date, all graduate courses completed with a grade of B- or higher will be considered for application to the student's selected degree.

Acceptance Denied

A student who does not meet conditional or acceptance in good standing requirements will be denied admission to Grace. Students may petition the Admissions Committee for reconsideration. The decision of the Committee is final.

TRANSFER APPLICANTS

A transfer applicant is someone who has attended another college or university at the graduate level. See the [Transfer Credit](#) section of the catalog for policies governing transfer work to Grace Christian University.

Graduate Online will accept a maximum of 25% of the credits required for a graduate degree earned through a combination of advanced standing and/or transfer credit for work completed prior to matriculation in the graduate program.

- Transfer credit may be granted for 500 level (or above) graduate courses equivalent to the courses required in Grace's graduate programs, in which a grade of "B" (3.0) or higher was earned.
- Transfer students will receive an evaluation of transfer credit. This evaluation will detail how course work completed at other colleges or universities will transfer to Grace Christian University. Courses that meet the specific requirements of the Grace degree the student expects to earn will be selected.
- Credits transferred are recorded on the student's academic record and will apply toward graduation requirements. Grades are not transferred.
- Once transfer credits have been granted, a subsequent change of program or major may result in a change in the number of transfer credits accepted.
- Transcripts from foreign institutions must be evaluated by an accredited educational evaluation service. The student will be responsible for following the procedures required by the evaluation service and having the results submitted to Grace.

ADVANCED STANDING

Students who received a Bachelor of Theology (BTh) undergraduate degree from Grace Christian University may qualify to receive advanced standing in the graduate programs. Students enrolled in the M.A. in Ministry program may receive up to 9 credits. Students enrolled in the other graduate programs may receive up to 3 credits.

Grace undergraduate students who enroll in the 4+1 program may earn advanced standing for the courses completed with a grade of a B- or higher. See the 4+1 Plan Option section for more information.

PRIOR LEARNING ASSESSMENT

Prior learning refers to a number of different sources including workshops, seminars, self-study, non-credit classes, training programs, and work experiences. Grace Christian University does not award graduate credit based on Prior Learning Assessment.

Readmission

A student who cancels his or her application for a previous session may apply for readmission by contacting his or her Enrollment Specialist. If the student's application is over one year old, a new application must be completed. Once received, official transcripts received in 2021 or later will remain on file and do not need to be resent unless additional coursework has been completed at the institution; transcripts received prior to 2021 may need to be re-submitted on a case by case basis. A student is required to update any information that has changed since the previous application was submitted with the request for readmission (name, address, phone number, email address, major of interest, or additional transfer institutions). The student will be notified via email from the Enrollment Specialist regarding the readmission decision.

Students readmitted to Grace must fulfill the requirements of the catalog in effect for the semester of readmission.

The Administration reserves the right to deem a student ineligible to return based on academic ineligibility, behavioral concerns, or student account delinquency.

A student who has withdrawn from the University who desires to return to the institution may complete the Readmission Application to apply for readmission into Grace Christian University. The Records/Registration Office will review the application for readmission and determine eligibility based on the information provided, current academic status, and current financial status with the institution. On occasion, the student may be asked to submit additional information or documentation supporting the application. The Enrollment Specialist will be notified via email regarding the decision. An Enrollment Specialist will communicate any conditions for readmission or the readmission decision to the student. The Specialist will assist the student in the process of returning. Upon readmission, the student will be provided access to their student email, student portal, Blackboard, and an updated education plan.

Students who desire to return to earn a second master degree in a different discipline at Grace will complete the Readmission Application. The student's transcript(s) of the first master degree program will be reviewed by the registrar to determine the courses needed to fulfill the second master degree requirements. See the Second Graduate Degree section for more information.

Military service members who cease attendance at Grace Christian University due to service requirements may request to re-enter after they return from service. Grace Christian University will accept the student into the next available classes within the program, with the same academic status that they had when they last attended.

- Students must notify the Graduate Office as soon as possible when they need to stop attending classes due to service requirements.
- Students must notify the Graduate Enrollment Team of their intent to return to school within three years of completion of their period of service.
- The cumulative length of the absence and of all previous absences from the school for military service may not exceed five years.

A student's readmission rights terminate in the case of a dishonorable or bad conduct discharge, general court-martial, federal or state prison sentence, or other reasons as described in 34 CFR 668.18(h).

The Administration reserves the right to deem a student ineligible to return based on academic ineligibility, behavioral concerns, or student account delinquency.

Non-Discrimination & Accessibility

Grace Christian University admits students of any race, color, national and ethnic origin, or handicap to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, sex, or national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

In conformity with the pertinent requirements of Title IX of the Education Amendment of 1972 enacted by the Congress of the United States, Grace Christian University does not within the context of its religious principles, heritage, mission, or goals discriminate on the basis of sex in the area of employment, admission, educational programs, or other activities.

Americans with Disabilities Act Accessibility Policy

Grace Christian University is committed to ensuring that all people with disabilities have access to the same services and content that are available to people without disabilities, including services and content made available through the use of information technology. Americans with Disabilities Act (ADA) compliance covers access to the Physical Plant, Accommodations, and Accessibility. Grace's goal for this Accessibility Policy is that a person with a disability will be able to engage in the same interactions, experience the same services, and acquire the same information as a person without a disability, be able to do so in an equally effective manner and with substantially equivalent ease of use. Services and information must be made available at the same time to a person with a disability as to a person without a disability.

ADA Accessibility Policy

1. As part of ADA Accessibility, all information communication technology must be accessible so that all students, prospective students, employees, guests, and visitors have equivalent access to information. Examples of information communication technology covered by this policy include university websites, learning management systems, software systems, electronic documents, videos, and other electronic communication.
2. Accessibility coaching will be provided on an on-going basis to help train faculty and staff, increase awareness and sensitivity, and produce and manage accessible content.
3. All Grace Christian University's websites are required to meet the accessibility standards set forth by Web Content Accessibility Guidelines (WCAG) 2.0 AA.

Rationale and Definitions

This policy aligns with Grace Christian University's goal of cultivating a caring learning community where Jesus Christ is exalted and students are equipped for serving the needs of church and society.

It is important to differentiate between ADA accommodations (Section 504) and accessibility (Section 508):

An accommodation is...

- Provided based on the specific needs of a student with a documented disability
- Determined by an accommodations officer on a case-by-case basis
- Provided for students whose needs require great intervention, such as live American Sign Language (ASL) interpreters or lecture transcripts for live courses
- For circumstances that are difficult to anticipate and foresee

Accessibility is...

- The responsibility of all who create or publish digital content
- Provided for all students, prospective students, employees, guests and visitors with no expectation of an explanation of need
- Expected for disabilities that are easily anticipated

Americans with Disabilities Act Accessibility Procedure

Grace Christian University is dedicated to ensuring that the institution complies with Americans with Disabilities Act (ADA) requirements and that faculty and staff are trained to comply with ADA requirements.

1. Grace Christian University will publish an approved ADA Policy which includes overall ADA compliance, physical plant compliance, accommodation, and accessibility.
2. Faculty and staff will receive on-going training regarding ADA guidelines and compliance with expectations for accessibility, including but not limited to: documents, video, audio, Learning Management System (LMS), and other forms of electronic communication.
 - Faculty and staff will utilize the Checklist for ADA Accessibility for Web Content.

International Student Admission

International students are welcome at Grace Christian University. Due to strict government regulations, the University has detailed requirements pertaining to international students. The University does not have available special funding to assist international students in financing their education. It is the responsibility of the student to obtain the proper documents and to furnish the University with these documents. International students who are seeking to enroll in an online degree program do not need USCIS or a student visa as long as the student is not physically present in the United States. Online programs are not able to enroll non-US citizens residing in the United States on a student (F-1) Visa. Refugees or undocumented individuals are permitted to attend following the standard admission criteria.

For admission, all international students (those on an F-1 Student Visa attending On-Campus and those attending Online but residing in a foreign country) must meet the stated admission criteria for domestic students for their program of interest and:

1. Must pass an English proficiency test unless the student permanently resides in a country where English is the primary language. Grace Christian University accepts the following tests of English as a second language:
 - ACT minimum cumulative score of 18+
 - SAT minimum 510+ and Verbal 480+
 - TOEFL minimum score of 550 is required on the paper-based test, 213 on the computerized test, or 80 on the internet-based test
 - DuoLingo English Test minimum score of 105
 - IELTS minimum score of 6.5
2. Pay for the entire semester before courses begin at Grace. The amount due before the student's start date is determined by estimating class load, room, board, books, fees, and any other known expenses. Any exceptions to this policy must be approved by the Business Office.

Online Orientation

The purpose of the Graduate Steps for Success online orientation is to allow the student to become familiar with the expectations of the Graduate Online program and Grace Christian University, to provide an opportunity for students to ask questions, and to allow the student to become familiar with the online environment, writing expectations, and resources.

Topics Covered:

- Curriculum Design and the Blackboard Learning Management System
- Communicating with peers, faculty, and staff
- Posting in Discussion Forums
- Resources (Library, Microsoft Office, Writing Resources)
- Improving Writing Skills and APA Formatting
- General program expectations

All new graduate students are required to successfully complete the Graduate Steps to Success prior to their first course. Failure to complete all the exercises may delay the start of the student's course of study. 4+1 students and alumni of the Grace undergraduate Online program are required to complete an abbreviated form of the Graduate Steps to Success prior to their first course.

Transfer Credit

Grace Christian University welcomes students to apply for transfer credits from other institutions. Once an official transcript is received, credits transferred are recorded on the admitted student's academic record and will apply toward graduation requirements, as applicable to the declared academic program. Grades are not transferred. Once transfer credits have been granted, a subsequent change of program or major may result in a change in the number of transfer credits applied toward the degree requirements.

TRANSFER CREDIT POLICY

The following provisions govern transferring credits to Grace Christian University:

- The student seeking enrollment by transfer from another institution will complete the regular admission process.
- Official transcripts from all colleges previously attended should be submitted. Unapproved document formats or documents lacking the necessary information may not be evaluated.
- The applicant will be notified of the credits approved for transfer by the Enrollment Specialist upon acceptance by the Records/Registration Office.
- A pre-evaluation may be conducted by the Records/Registration Office prior to the completion of the application process as requested by an Enrollment Specialist.
- An evaluation is not considered official until official transcripts have been received and processed by the Records/Registration Office.
 - An official transcript is defined as one that has been received by Grace directly from a secure, authenticated party or the issuing institution. Grace does not accept any electronic documentation directly from the student as official. Transcripts that do not meet these requirements will be considered unofficial. Official electronic transcripts should be sent to onlineregistrar@gracechristian.edu. Hard-copy transcripts can be sent to the Records/Registration Office at Grace Christian University, 1011 Aldon St SW, Grand Rapids, MI 49509.
- The student may be required to provide a course description or course syllabus for transfer credit determination if the information is not available through the institution website.
- Transfer credits must be from a regionally accredited college or university, or an institution that is accredited by a national accrediting agency that is recognized by the Department of Education. Students seeking a graduate degree from Grace who graduated from a nationally accredited institution will be considered on a case-by-case basis.
- Graduate students must complete 75% of the program requirements in residence at Grace.

Reassessment of Transfer Credits

- Credits may be reassessed at any point at the request of the student by emailing the Records/Registration Office at onlineregistrar@gracechristian.edu. The student may be required to provide the course syllabus from the college or university where the course was taken.
- Duplicate credit will not be granted for two courses with significantly similar content.

International Transfer Credit

All international transcripts must be evaluated course-by-course by one of the National Association of Credential Evaluation Services (NACES) member organizations (naces.org/members.html), with the results sent directly to Grace Christian University along with an official transcript. Any fee(s) associated with the evaluation and transcription must be paid by the student. Upon receipt of the evaluation, the Registrar will review the transcript for transfer course equivalency.

Types of Financial Aid

The Financial Aid Office is available to advise and assist students with obtaining funds to attend Grace Christian University. The Financial Aid Office seeks to meet the financial needs of students through grants, scholarships, and loans. Students who believe their resources are inadequate to meet their expenses at Grace Christian University should contact a Financial Aid Specialist. More information can be found at gracechristian.edu/financial-aid.

FINANCIAL AID DEFINED

Financial Aid is financial assistance that helps students and their families pay for college. This financial assistance covers educational expenses including tuition and fees, room and board, books and supplies, and transportation. There are several types of financial aid available, including grants, scholarships, and loans.

Once eligibility for financial assistance has been determined, students may be offered a Financial Aid Award Package which includes one or more types of aid.

The Financial Aid Award Package may include the following:

- Scholarship Aid: Awards usually based on academic merit and not necessarily on financial need.
- Grant Aid: Awards based solely on financial need.
- Loan Aid: Federal loans offered at a low interest rate, which must be repaid to the assigned lender after the student leaves college or drops below half-time enrollment.
- Federal Work Study: Undergraduate and graduate students can earn money from a part-time job to help pay for college expenses.

GRANTS

Federal Pell Grants

A Federal Pell Grant is awarded to eligible students based on their FAFSA results. It does not have to be repaid. This grant is awarded to undergraduate students who have not earned a bachelor degree. The amount of Federal Pell Grant funds a student may receive over their lifetime is limited by federal law to be the equivalent of six years of Pell Grant funding. Graduate level students are not eligible for the Pell Grant.

Federal Supplemental Educational Opportunity Grant (SEOG)

SEOG funds will be awarded to students with the lowest expected family contributions (EFC) who will also receive Pell Grants in that award year. SEOG funds do not have to be repaid. The Department of Education only provides schools with a limited amount of SEOG funds, so once the funds are depleted, awarding will stop. Valid FAFSA results must be received in the Financial Aid Office to receive consideration.

MILITARY BENEFITS

Grace Christian University accepts educational benefits through the military. These benefits may include GI Bill® and Federal Tuition Assistance. GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at benefits.va.gov/gibill. To begin the process of determining any applicable benefits, the student should contact his or her respective educational liaison within the appropriate military organization. Once that action has been taken, the student may contact the Academic Coach to proceed with any other applicable processes. For more information, visit gracechristian.edu/military-assistance.

LOANS

Federal Direct Loans

Federal Direct Loans are low-interest federal loans available to students who are attending college at least half-time. The funds are borrowed from the Department of Education through the Direct Loan Program. The amount a student may borrow is based on year in school, dependency status, and enrollment status. The FAFSA is the application for Federal Direct Loans, but first time borrowers are also required to complete Loan Entrance Counseling and a Master Promissory Note at studentaid.gov.

Federal Graduate PLUS Loan

A graduate student may borrow a Direct Graduate PLUS Loan to help pay for their expenses if they are enrolled at least half time. The student must pass a credit check to be eligible to receive a PLUS Loan. Graduate students who wish to apply for a Direct Graduate PLUS Loan may visit studentaid.gov.

Private Loans

A student may also obtain private loans from a Private Lender to cover education-related expenses. Students may need a creditworthy cosigner if they have not established credit yet. Usually loans are borrowed to cover the full year and divided between two semesters, but a student could get a loan for just one semester, if needed. Private loans have NO origination fee. For more details, go to: elmselect.com, choose Grace Christian University, then select Undergraduate Loans.

How to Apply for Financial Aid

All students who wish to apply for financial aid (grants, scholarships, or loans) should complete the Free Application for Federal Student Aid (FAFSA). Students can apply online at fafsa.gov. For assistance with this application process, students may contact the Federal Student Aid Information Center at 1-800-433-3243. The FAFSA must have Grace Christian University's school code (002265) entered for the results to be received by the Grace Financial Aid Office. The FAFSA must be renewed prior to each academic year. Students with additional financial aid questions may contact the Grace Christian University Financial Aid Office at financialaid@gracechristian.edu, or by calling (616) 538-2330.

Typically, Grace will receive the FAFSA within three business days of its completion. As soon as the FAFSA is received by the Financial Aid Office, the results will be reviewed. The Department of Education will select some FAFSA applications for a process called "verification," which requires the school to request additional documentation from the student before the financial aid process can be completed.

Once all necessary documentation is received, the student will be sent a Financial Aid Award Letter from the Financial Aid Office at Grace. The student is responsible to log into their Financial Aid Student Portal to accept, decline or reduce their awards. Students who accept a Direct Loan must also go to studentaid.gov to complete the required Loan Entrance Counseling and Loan Master Promissory Note.

STUDENT AID INDEX

The information on the FAFSA is used to calculate the student's Student Aid Index (SAI). The SAI is generated by the FAFSA to determine how much financial aid the student can receive. The SAI is calculated according to a formula established by the Department of Education. The family's taxed and untaxed income, assets, and benefits (such as unemployment or Social Security) can all be considered in the formula. For more detailed information about how the Student Aid Index (SAI) is calculated, visit studentaid.gov/complete-aid-process/how-calculated.

Financial Aid Rights & Responsibilities

Students have the right to accept or refuse any part of their financial aid package. If the student rejects any part of his/her financial aid package, it may affect other aid offered. Students may not receive financial aid from more than one school while enrolled at two or more schools for the same time period. Classes the student takes outside of his/her declared program do not qualify for most forms of financial aid.

The student must attend college at least half-time (six credit hours) in order to be considered for most financial aid. Withdrawal from classes or failure to attend all classes may result in a loss or reduction of financial aid and a balance due to the University.

It is the student's responsibility to inform the Financial Aid Office of any changes to information provided on the FAFSA application. Financial aid offered to the student is dependent upon the availability of funds. Any change in the availability of funds or a student's academic performance may change the award package.

If a student's FAFSA is incomplete, or if their FAFSA verification paperwork is not turned in, no award letter will be provided and the student is responsible for paying out of pocket for all tuition costs and fees.

Students and their families who are experiencing a financial hardship which significantly changed their financial situation compared to the data listed on the FAFSA, are highly encouraged to reach out to the Financial Aid Office to request a Special Circumstance review.

REQUIREMENTS TO RECEIVE FINANCIAL AID

- A student must be enrolled as a degree-seeking student.
- A student must not be in default on any federal loan or must have made satisfactory arrangements to repay any defaulted federal loan.
- A student must not have borrowed in excess of the federal loan limit at any institution and must not owe money on a federal student grant.

Selective service registration

While federal law requires nearly all male citizens and male immigrants, 18 through 25 years old, to register for Selective Service, a student's failure to register will no longer impact their Title IV eligibility. On December 27, 2020, the FAFSA Simplification Act was enacted into law as part of the Consolidated Appropriations Act, 2021. Among other things, that law eliminated the requirement for male students to register with the Selective Service before the age of 26 to be eligible for Title IV aid. For more information about Selective Service, visit [sss.gov](https://www.sss.gov).

High School diploma/GED

Students are required to have a High School Diploma or GED equivalent to be eligible for Federal Financial Aid.

CAUSE FOR LOSS OF FINANCIAL AID ELIGIBILITY

Lack of Satisfactory Academic Progress (see [SAP Policy](#)). For more information, contact the Financial Aid Office at (616) 538-2330 or financialaid@gracechristian.edu.

Satisfactory Academic Progress (SAP)

In order to receive federal or state financial aid, regulations require that the student maintain satisfactory academic progress toward completion of the student's current academic program. Academic progress will be reviewed for each student, regardless of whether or not the student is receiving financial aid since these rules determine eligibility for future enrollments.

FINANCIAL AID POLICY

Satisfactory Academic Progress (SAP) at Grace Christian University governs the student's eligibility to receive financial aid based on academic performance. The guidelines outlined below relate to a student's eligibility to receive federal financial aid. Contact the Financial Aid Office (financialaid@gracechristian.edu) for information about maintaining eligibility for federal and state aid. The determination as to whether or not a student is meeting the SAP requirements is made at the end of each academic year based on three factors mandated by federal policy. These factors include cumulative grade point average (GPA), completion ratio, and maximum time frame as described below.

GPA Requirement

Grace will evaluate the GPA requirement after the spring semester. A student will be considered in violation if the student does not maintain the minimum GPA requirement.

The student must have earned the required cumulative GPA based on the semester hours attempted to maintain financial aid eligibility. The Director of Financial Aid has the authority to grant limited exceptions to first-semester graduate students whose cumulative GPA is at or above 2.50.

Graduate Semester Credit Hours Attempted	Cumulative GPA Required	Completion Ratio
6-12	2.50	The required completion ratio for all graduate levels is 75%
13+	3.00	

Maximum Time Frame Requirement

The maximum time frame limits the number of credits a student may attempt when pursuing a degree. Grace will monitor the Maximum Time Frame Requirement at the end of each academic year by comparing the required hours for program completion to the cumulative hours attempted. A student will be considered in violation when it becomes mathematically impossible for them to graduate within the 150% time frame. For example, in an undergraduate program of study that requires 124 credits, you may not exceed 186 credits and remain eligible for financial aid.

Graduate students must complete all degree requirements within five years from admission to their program. An approved leave of absence of up to two semesters is not counted in the five years.

Completion Ratio Requirement

The completion ratio is determined by dividing cumulative semester hours earned by cumulative semester hours attempted. The minimum required completion ratio for Graduate students is 75%.

Determining Satisfactory Academic Progress

When determining SAP, grades and credits are tallied according to the following guidelines:

- Earned semester hours include all grades (A, B, C, D, S, and P) including all +/- variations and applied transfer work.
- Attempted semester hours include the grades listed above, as well as F, U, W, and XF.
- For repeated courses, credits from each time a student is enrolled are applied to the attempted and earned credits. However, only the most recent grade earned is used when calculating the cumulative GPA.
- Transfer credit accepted at the time of admission, if applicable, is not included when calculating cumulative GPA. Such credits are, however, included in the determination of a student's cumulative GPA required.
- Transfer credits are also included when calculating the completion ratio and maximum time frame.

If it is determined that a student failed to meet the SAP standards outlined above, the student will be disqualified from receiving federal financial aid until the student has met the SAP standards. Students who no longer qualify for financial aid may secure alternate funding for their education and remain enrolled unless a determination has been made that the student is academically suspended.

SAP Appeal Process (for possible reinstatement of financial aid eligibility)

If a student loses eligibility to receive federal financial aid because of failure to meet the SAP standards, two options are available:

1. The student may attempt to regain financial aid eligibility by successfully appealing the loss of eligibility. To appeal, the student must submit a Satisfactory Academic Progress Appeal Form, available from the Financial Aid Office. The extenuating circumstances that may justify reinstating one's eligibility for financial aid on a temporary basis are outlined on this form. If this appeal is successful, the student's eligibility for financial aid will be reinstated with specified conditions.
 - When considering any extenuating circumstances, financial aid probation can only be granted if it is also determined that the student should be able to meet SAP standards by the end of the next semester. Failure to meet SAP standards at that time would make the student ineligible for federal aid without the right to further appeal.
 - Under certain circumstances, the Financial Aid Appeal Committee has limited authority to approve an academic plan that would reinstate the student's eligibility to receive federal aid provided the student is able to meet SAP standards by the end of the next academic year. This academic plan also includes a minimum threshold that must be achieved at the end of the first semester in order to maintain eligibility to receive federal aid. Failure to meet this threshold would make the student ineligible for federal aid without the right to further appeal.
2. The student may attempt to regain financial aid eligibility by using personal financial resources to complete one or more semesters at Grace with at least half-time enrollment. Reinstate ment of the student's eligibility for financial aid will be determined at the end of each semester, dependent on whether or not the student meets the SAP standards at that time. Courses taken must be approved by the Registrar and must advance the student toward earning the declared degree.

Visit gracechristian.edu/financial-aid for information on the available scholarships, grants and loans for Grace Christian University Online students.

Tuition Payment Options, Payment Deadlines & Past Due Balances

For students who elect not to utilize federal financial aid, there are several options for payment.

Option 1: Payment in Full by Start of First Course

Tuition payment should be completed two days prior to the first class to avoid delays or being withdrawn from class. First-course payment must be made in full before the first week starts in online courses. Payment must be made by check (made out to Grace Christian University), or by paying online by logging into the Student Portal and paying via credit card (fees apply) or E-Check.

Option 2: Online Payment Plan

Student must have an established payment plan before the start of the semester. Students may establish a payment plan in combination with another payment option if preferred. Payment plans may be set up directly with the Business Office by calling (616) 261-8560.

Option 3: Private Student Loans

A student may also obtain a private loan from a Private Lender to cover education-related expenses. A lender may require a credit-worthy cosigner if the student has not yet established credit. Typically, loans are borrowed to cover the full academic year's educational costs, divided between two semesters. Private loans do not have an origination fee. For more details, go to elmselect.com and choose "Graduate Loans" at Grace Christian University.

Option 4: Employer Reimbursement or Military Tuition Assistance

In order for Employer Reimbursement or Military Tuition Assistance to be considered an approved payment plan, a student must send a copy of the employer's reimbursement policy or the military tuition assistance voucher to the Grace Christian University Business Office prior to the start of the first course.

PAYMENT DEADLINES

Online and Graduate Online Students USING CASH/CREDIT

A payment plan must be set up for full payment of semester related/outstanding charges no later than **two business days** before the start of the student's first course of each semester. If an approved payment plan has not been set up, the student will be dropped from all future courses and will only be rescheduled for courses after an approved payment plan is established with the Business Office.

New Online and Graduate Online Students USING FEDERAL FINANCIAL AID

Prior to acceptance, a student must have their FAFSA (Free Application for Federal Student Aid) completed and approved by the Financial Aid Office. Students in the financial aid verification process have until the **end of the first course** in the academic year to turn in required information and documents, or they will be dropped from all future courses and treated as a cash/credit paying student.

New students who have not submitted the required information and/or documents to the Financial Aid Office, or whose financial aid does not fully cover costs, will be treated as cash/credit paying students. Registration beyond the first course is considered incomplete until arrangements have been made with the Business Office for full payment of semester related/outstanding charges.

Continuing Online and Graduate Online Students USING FEDERAL FINANCIAL AID

Continuing online students who are using federal financial aid must have an outstanding balance of \$200 or less and have completed the relevant academic year's FAFSA at least **two weeks** prior to the start of their next academic year. Continuing students whose FAFSA has been selected for verification, or has FAFSA errors, have until the **end of the first course** in the academic year to turn in required information and documents, or they will be dropped from all future courses and will be treated as a cash/credit paying student.

Continuing students who have not completed a FAFSA, or whose financial aid does not fully cover the costs, will be treated as cash/credit paying students. Registration is considered incomplete until arrangements have been made for full payment of semester related/outstanding charges. The student will only be rescheduled for courses after an approved payment arrangement has been established with the Business Office.

Students who do not return to a course within 45 days of their last date of attendance will be withdrawn from Grace Christian University unless they have been put on an approved leave of absence by the Academic Advising Department (see [Leave of Absence Policy](#)).

PAST DUE BALANCE

A student's balance must meet the following criteria for re-enrollment:

- The balance must be less than or equal to \$200, regardless of the age of the unpaid balance.
- Any balance must be paid in full OR have been awarded financial aid for the current academic year.
 - A financial aid status of any of the following will disqualify the student from attending class with an unpaid balance greater than \$0: Financial Aid Verification, Unusual Enrollment History, Outstanding Master Promissory Note, Incomplete Entrance Counseling
- If the student's account balance was written off by the University for any reason, the student must pay the original balance before being re-admitted.

The Business Office reserves the right to deny a prospective student's attendance regardless of the account balance if documented evidence shows a history of uncooperative behavior.

Students with an outstanding balance may not be allowed to re-enroll for another session or class, or receive a diploma.

MILITARY FUNDING

In compliance with the Veterans Benefits and Transition Act of 2018, Grace Christian University will allow any individual entitled to receive Chapter 31 (VR&E) or Chapter 33 (Post 9/11 GI Bill®) benefits to attend registered courses while the institution awaits payment from the VA.

Grace will not assess late fees due to delayed VA payments. We will not deny access to classes, libraries, or other institutional facilities. Nor will Grace require that a covered individual borrow additional funds. Grace will not impose any penalty on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

The waiting period will expire upon receipt of the payment from the VA or after 90 days from the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

It is recommended that Military students submit their Certificate of Eligibility or Statement of Benefits to the school before classes begin. If the student's eligible VA benefits do not fully cover the financial obligations at the University, the student will be responsible to make other payment arrangements to cover the remaining balance before classes begin.

Student Account Balance & Refund Options

The tuition refund policy is based upon the Last Day of Attendance (see official [Attendance and Participation Policy](#)). Absenteeism or failure to begin a class does not reduce a student's financial obligation.

TITLE IV FUNDS

Credit Balance

Federal regulations prohibit the use of Title IV funds to be applied toward a prior year's past due balance greater than \$200.

Withdrawal Impact/Return of Funds

Students are encouraged to contact the Financial Aid Office before withdrawing from classes to understand the complete financial impact of withdrawal. Many times a withdrawal from school can result in a student owing the University and/or federal government for financial aid that has already been applied to a student's account balance. Withdrawing from classes may also impact the Satisfactory Academic Progress completion ratio.

Federal laws set forth regulations that govern the treatment and calculation of Federal Financial Aid (Title IV aid) when a student withdraws from a class.

The Financial Aid Office is required by the Department of Education to recalculate federal financial aid eligibility for students who withdraw, drop out, or are dismissed prior to completing at least 60% of a semester. Recalculation is based on the percent of earned aid. The Financial Aid Office must return Title IV funds to the programs from which the student received aid during the payment period or period of enrollment as applicable, in the following order, up to the net amount disbursed from each source:

- Unsubsidized Federal Direct Loan
- Subsidized Federal Direct Loan
- Federal PLUS Loan
- Federal Pell Grant
- Federal SEOG Program
- Other Title IV grant programs

The University reserves the right to amend this procedure to comply with federal regulations.

FINANCIAL AID HANDLING OF EXCESS FUNDS

A student who receives financial aid will be asked to complete an Authorization to Retain Funds form. This form must be returned to the Financial Aid Office. The form will ask the student to choose one of the following options:

1. Keep the credit balance at the school
2. Keep \$200 at the school to cover additional of future fees, and mail the remaining excess funds to the student
3. Mail the entire credit balance to the student

Student's federal aid will arrive at the school according to the following table:

Campus	Requirements	Funds' Arrival	Disbursement Date
Online Graduate	Students must participate in class before funds arrive at the school. Participation is verified by the FA Office. A schedule change may impact the disbursement date.	2nd week of the 2nd course of the semester	3rd week of the 2nd course of the semester

After the student's financial aid has arrived at the school, the Financial Aid Office will send a "Loan Notification" email to loan recipients. If the student has a credit balance remaining after the Financial Aid is posted for the semester, and if the student chose to have their credit balance mailed to them, then the Financial Aid Office will enter a request to the Business Office to mail a check to the student. It is Grace's policy to mail the excess funds check one week after the financial aid has arrived at the school.

TUITION REFUND AND CHARGES

TUITION AND FEES APPEAL

Click here for a link to the **Application for Tuition and Fees Refund** or contact the Records/Registration Office (onlineregistrar@gracechristian.edu).

Guidelines

Grace recognizes that on rare occasions students may need to request a refund of tuition or fees based on the occurrence of a special circumstance.

The following verifiable reasons are acceptable for the refund request process:

- military deployment
- death of an immediate family member
- medical emergency
- university error
- other (by approval)

The following reasons are NOT acceptable reasons to request a refund:

- incarceration or parole violation
- job change
- acceptance into another institution
- relocation
- unaware of policy
- issues between the student and instructor
- personal/family concerns
- unaware of Education Plan

Student Responsibility

The Application for Tuition and Fees Refund Form must be completed electronically within three months of the last day of the course being appealed.

If the student receives financial aid (grants, loans, scholarships) to cover the cost of tuition, the student should discuss the implications of a tuition refund with a financial aid advisor.

The student is responsible for any current financial obligation to Grace Christian University while the Application for Tuition and Fees Refund is being reviewed.

Process

- After the form is completed and signed, the student must attach any appropriate supporting documentation.
- The completed application may be submitted via mail, email, fax, or in person.
- The appropriate administrator(s) will review the application and either approve, deny, or request additional information within 10 business days.
- The Registrar will notify the student and appropriate Grace staff of the final decision via the student's Grace email address.
- If approved, a refund will be made to the student's account within 10 business days.

Academic Accommodations

Grace Christian University will make reasonable accommodations for students with disabilities or who may need accommodations in compliance with section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990. The purpose of academic accommodation is to provide equal access to educational opportunities to students with disabilities. Grace does not intend for academic standards to be altered, nor that the essential elements of programs or courses are changed. Grace will adhere to the New 508 Compliance Rule, ensuring all content is accessible.

A student who has a documented disability may apply for accommodations by completing the **Accommodation Request Form**.

Accommodations are granted on the basis of determined need and appropriate documentation of disabilities. A student must complete the **Accommodation Request Form** and must provide documentation supporting the current need for the requested accommodation. This must include the most recent school record such as an individualized educational plan (IEP), and/or medical records detailing a diagnosed disability. If an IEP or 504 plan is more than three years old, the student should request a letter from his/her doctor detailing the current need for the accommodation being requested. To be deemed appropriate documentation, testing and assessment of a disability must have been completed no more than five years prior to the application for accommodations. Additional documentation may be requested.

The **Accommodation Request Form** and supporting documentation will be reviewed by the Accommodations Review Committee (ARC). The process of determining eligibility for accommodations may take several weeks, so a student desiring accommodations should complete an **Accommodation Request Form** and submit appropriate documentation well in advance of admission or the next term/semester in which accommodations are desired.

If the requested academic accommodation is approved, the student will be notified via an official verification letter sent to his or her student email account. The decision to use the available academic accommodation lies solely with the student for each course. Should the student desire to use the accommodation, it is his or her responsibility to inform each professor at the start of the course that he or she will be taking advantage of the accommodations available. Any questions about these accommodations should be directed to the Accommodation Review Committee via registrar@gracechristian.edu.

If a student's request for academic accommodations is denied by the Accommodation Review Committee, the committee will notify the student via an official letter in an email sent to the student email account.

In the event that a student has questions regarding eligibility for accommodations, providing appropriate documentation of disabilities, or handling a disagreement with a professor over questions of accommodation, the student should contact the Director of Academic Support. If a disagreement arises surrounding eligibility for services or the manner in which a specific accommodation is being implemented, the student has a right to informal and formal grievance procedures.

Academic Information

Academic Calendar

Grace Christian University operates on a semester basis. The academic year is comprised of two semesters, which for Graduate Programs consist of up to four courses, also known as “sessions”, each of which are six weeks long. Graduate students must carry nine credits per semester (three courses) to be considered fulltime. Consult the [Academic Calendar](#) for specific dates.

Unit of Credit

The unit of credit is the semester hour. A semester credit represents 3,000 minutes of coursework or its equivalent. Due to the program’s online format, courses have been designed to total the requisite hours of study for each three-credit class.

The following table represents the minimum workload for each type of course. Workload includes student engagement in reading, research, online discussions, assignment preparation, and writing.

Type of Course	Minimum Work Load
All graduate three-credit courses (online only)	150 hours

Course Numbers

Courses numbered 100-299 are lower division courses and are generally for freshman and sophomore students. Courses numbered 300-499 are upper division courses and are generally for junior and senior students. Courses numbered 500+ are graduate level courses.

Course Overload

Graduate students are not permitted to take more than one six-week graduate level course at a time.

ACADEMIC ADVISING

Graduate students are advised by the Graduate OSS Coach. The Graduate Coach is available to offer counsel to students regarding academic policies and procedures, registering for courses each semester, checking progress toward obtaining their degree and matters relating to personal and spiritual growth.

While the Graduate Coach shares in the advising process, each student is responsible for meeting his/her educational goals and satisfying graduation requirements.

The Graduate Coach also serves as an advisor by maintaining ongoing communication with students through text, talk, email and advising appointments to provide the assistance needed to be successful. Assistance may include prayer, building rapport, encouragement, and help with overcoming challenges, all with the goal of creating an excellent experience for each student.

ATTENDANCE AND PARTICIPATION

For online programs, learner attendance is defined by posting once per Tuesday through Monday calendar week (not weekly content) in response to discussion questions or assignments (academic work). Emailing other course participants (including the faculty) does not count toward attendance.

When a student drops or withdraws from a class, the last date of attendance (LDA) is to be reported as the Monday of the last week during which the student submitted academic work. Academic work is any graded discussion board post or assignment. If no graded academic work is submitted, the student's LDA is considered prior to the start of the class. The LDA determines the refund of tuition, as well as any required return of financial aid funds.

Participation differs from attendance. While a learner may be in attendance (having submitted academic work), the participation may not be exemplary. Participation in a class involves being interactive with fellow learners and faculty, whether in discussions, activities, or projects. Participation in each course will vary depending on the circumstances.

Inactivity

- A student who is inactive in Week 1 and Week 2 may be administratively dropped from the course.
- A student who attends a course during Week 1 and/or Week 2 of the course and is then inactive in the course for two consecutive weeks may be administratively withdrawn from the course and issued a W grade. Whether the student's last date of attendance in the course is during Week 1 or Week 2 of the course will determine the refund and fees implications.
- A student who is withdrawn or dropped from a course due to two consecutive weeks of inactivity and is inactive in his or her next course may be administratively withdrawn from the institution according to the Graduate Online Refund Guidelines.

In the event of a personal emergency, the student should contact their instructor and academic advisor as soon as safely possible. Accommodations for such emergency situations will be dealt with on a case by case basis at the approval of the faculty and/or administration.

DUE DATES AND LATE PENALTIES

Because of the accelerated nature of graduate courses, it is important that coursework is submitted on time. The following policies outline due dates and penalties related to late submissions.

Discussion forums are designed to encourage active learning and communication on topics relevant to the module. It is important then that this discussion be timely.

- The initial post for each discussion forum must be posted by 3:00 am EST/EDT on Saturday. No late initial posts will be accepted.
- All response posts must be posted by 3:00 am EST/EDT on Tuesday. No late response posts will be accepted.

Other assignments (including essays, journals, and projects) must be submitted by 3:00 am EST/EDT on Tuesday to avoid any penalty. Exceptions to this policy may be granted in the case of extenuating circumstances and with prior approval from the instructor.

- 24 Hours Late – Assignments submitted within 24 hours past the due date will have a 10% late penalty of the final assignment grade.
- 48 Hours Late – Will receive a 20% late penalty of the final assignment grade.
- 3-7 Days Late – Will receive a 50% late penalty of the final assignment grade.
- Beyond 7 Days Late – Assignments submitted beyond 7 days past the due date are not accepted and will receive a zero.

Academic Integrity & Plagiarism

All members of the Grace Christian University learning community are expected to honor the principles of truth, honesty, and maintaining academic integrity at Grace. In order for real learning to occur, one must put in the time and effort to create original thoughts. Plagiarism, including the unsanctioned use of generative Artificial Intelligence (AI) or AI tools, impedes the student's learning. When a student identifies a credible source of information, then creates a good paraphrase and exercises the discipline to keep track of and cite where the paraphrase comes from, the student both learns the material cited and learns about the source. Good, appropriate use of sources promotes learning.

Plagiarism includes any misrepresentation of work, unsanctioned collaboration, use of prohibited materials, and participation in any form of dishonesty all constitute a violation of the academic integrity policy. The use of generative AI tools such as Chat-GPT or AI-powered tools such as Grammarly in any way that violates a faculty member's stated policy constitutes a violation of Grace's Academic Integrity and Plagiarism policy. The use of technology assistance/ AI must be approved by the instructor prior to submission of the assignment, unless expressly allowed by the faculty member's policy. Utilizing AI includes, but is not limited to, the use of any type of device, software (online or device/network), automated effort to assist or direct the research, writing, and/or provision of answers to any type of course assignment, communication, and/or expectation, online and/or in person. A violation of this policy will result in the actions and consequences specified within this policy.

Faculty will determine violations of integrity for academic coursework and report the instance to the Director of Academic Operations using the [Reporting Academic Dishonesty Form](#). Staff or administrators who determine a violation of integrity has occurred, are required to report the violation. Administration can overturn the decision by faculty based on the outlined appeal process below, or through an investigation and accumulation of evidence.

Examples of academic dishonesty that constitute a violation of this policy include, but are not limited to, the following:

- Plagiarism (see definition below)
- Utilizing artificial intelligence (AI) in a way that has not been approved by the instructor
- Cheating on tests, quizzes, or any assignments
 - Including purchasing or obtaining and submitting pre-written assignments, homework, or examinations of any sort as your own work (or selling or providing such items to others)
 - Use of any paper generator tool
 - Copying another student's homework, written assignments, examination answers, electronic media, or other data or items
 - Submitting work created for another course without the instructor's approval

- Aiding and abetting dishonesty
- Falsification of records and official documents
- Misrepresenting oneself or one's circumstances to gain an unfair advantage

Students are responsible for understanding and following:

- All provisions of this policy including, but not limited to, the examples above
- Specific course policies for academic work
- Other University policies as specified in the current catalog
- Academic principles of honesty and integrity
- The Academic Appeal process which gives students the right to appeal any grade affected by a charge of academic dishonesty

PLAGIARISM DEFINITION

It is expected that all work submitted by the student will be that student's own, original work. If a source is used in writing a paper, and neither cited in the text nor listed on the References page, this is **outright** plagiarism. Outright plagiarism can range in size from a few words to paragraphs. Attempting to use a paper or assignment written by another individual or online tool is an extreme example of outright plagiarism.

- Failure to *either* cite in the text or list on the References page is a **component** of plagiarism.
 - If a source is used in writing a paper and quoted verbatim, the source material must be in quotes, cited in the text, and listed on the References page.
 - If a source is used in writing a paper and paraphrased or summarized, the paraphrased or summarized source material must be cited in the text, and listed on the References page.
 - Whatever is cited in the paper, must be listed on the References page.
 - Whatever is listed on the References page, must be cited in the paper.
 - If a faculty member permits the use of AI tools, the student should cite the tool in the paper and in the reference page, in accordance with the course policy.
- Resubmitting an assignment that was submitted in a previous course that was not successfully completed is allowed; in that case, the student should inform the instructor to avoid assumption that the assignment is **self-plagiarism**. However, submitting an assignment for a different class than the one for which credit was originally granted is self-plagiarism. Although rare, limited quotation of personal work submitted for another course may be appropriate in some cases (requires proper citation).

Plagiarism can be intentional or unintentional. A finding of a plagiarism issue does not necessarily indicate intentionality.

ACADEMIC DISHONESTY AND PLAGIARISM REVIEW PROCEDURE

1. The faculty member will determine if the academic dishonesty is a violation of **Grace's AI policy**, a **component** of plagiarism, **outright** plagiarism, or **self-plagiarism** based on the section above.
2. The faculty member will explain the consequence of the violation to the student in the assignment feedback and via email. This notification must take place within the 7-day faculty grading period as much as possible and before final course grades are submitted. In some instances, the student may not be granted an option to resubmit based upon the proximity to the end of the course. **Faculty should clarify the following**, where applicable and when appropriate with the student:
 - The nature of academic dishonesty that occurred;
 - Expectations for homework, assignments, collaborative student efforts, research papers, exams, etc.;
 - Any specific style/format requirements for assignments.
3. Follow the appropriate steps below, depending on the type of academic dishonesty:
 - a. For a violation of **Grace's AI Policy** the faculty member should work directly with the student within the course. When there is a suspicion of a violation, the instructor should make every effort to communicate with the student in person (if possible), via video chat, or, as a last resort, via email to have a conversation with the student about their suspected use of AI. Once it has been determined that a violation occurred (or if the student does not respond within three days), a 50% to 100% deduction shall be assessed from the assignment grade based on the **severity of the violation**. Abuse of the use of **Grace's AI policy** should be documented by the faculty within the Feedback section of the assignment. Ongoing abuse of the AI policy within the same course (repeated instances over several weeks) should be reported to Academic Operations on the **Reporting Academic Dishonesty Form**.
 - b. For a **component** of plagiarism the faculty member should work directly with the student within the course. When a **component** of plagiarism is discovered, the assignment shall be assessed a 10% to 30% deduction from the assignment grade based on the number of **components** in the assignment. Abuse of the use of **components** of plagiarism should be documented by the faculty within the Feedback section of the assignment. Ongoing abuse of **component** plagiarism within the same course (repeated instances over several weeks) should be reported to Academic Operations on the **Reporting Academic Dishonesty Form**.
 - c. For **outright** plagiarism, the faculty member will complete the **Reporting Academic Dishonesty Form**. The following are representative of possible levels of consequences for **outright** plagiarism and/or academic dishonesty. The University reserves the right to assess the appropriate level of consequence based on the severity of the violation. The following will be imposed in order unless otherwise directed by the Director of Academic Operations based on the severity of the offense. At any level, the student will be directed to contact the **Grace Writing Center Online** to schedule an appointment OR other remediation as advised by Academic Operations.

- The student will receive a zero on the plagiarized assignment. The student has the ability to revise and resubmit the assignment based on feedback from the faculty within five (5) calendar days of the notification, provided the timing is before the end of the course. The revised assignment will be applied a 10-25% penalty off of the final grade as determined by the faculty.
- The student will fail the assignment and is not allowed resubmission.
- The student will fail the class. A grade of XF will be given to indicate failure due to academic dishonesty. A student may appeal the grade of XF to be replaced with an F after one year.
- The student may be suspended or dismissed from Grace Christian University by the Director of Academic Operations, in consultation with the Associate Provost.

d. For **self-plagiarism** the faculty member will first confirm if the student is reusing work from the same course taken previously, or using work from a different course with similar requirements. In the case of using work from a different course with similar assignment expectations, the work must be substantially revised and improved for the current course. Ongoing abuse of **self-plagiarism** within the same course (repeated instances over several weeks) should be reported to the Director of Academic Operations on the **Reporting Academic Dishonesty Form**.

4. The Director of Academic Operations will receive notification of the plagiarism report, review the presented information, and access the assignment in Blackboard, as applicable.
5. Academic Operations will respond to the reported violation within three business days with the plagiarism offense number and consequence. The Director will email the student (and CC: the faculty member and the Coach) of the formal documentation of the offense (including the violation number), appropriate policy information, emphasize the ethical and professional standards of higher education, and explain any disciplinary action beyond the grading of the assignment (if applicable).
6. Permanent records of academic dishonesty violations will be maintained by the Academic Office in the student files.
7. The Coach will contact the student for guidance, support, coaching, and resources for future improvement.

An Academic Dishonesty citation may be appealed by the student to the Associate Provost. A second appeal based upon procedural error or new evidence may be made to the Provost, whose ruling is final.

Academic Standing

STUDENT STATUS

Student Enrollment Status by Registered Credit Hours per Semester

Weeks Enrolled	Credit Hours per Semester
Full-time	9
3/4 time*	N/A
1/2 time*	6
Less than 1/2 time*	3
Non-Degree Seeking	Taking courses without the intention of pursuing a degree

* Any enrollment less than full time is considered part time.

ACADEMIC STANDING

Graduate students are expected to maintain a cumulative GPA of 3.00 to be considered in good standing. A student will be considered in violation if he or she does not maintain the required GPA or fails to successfully complete graduate courses as described below. Students who receive financial aid must also meet the Satisfactory Academic Progress (SAP) requirements as described in the Financial Aid section of the catalog.

Conditional Acceptance

Students who are conditionally accepted must achieve a cumulative GPA of 3.00 in the first semester of graduate study at Grace Christian University, after which the normal policy for Satisfactory Academic Progress will apply. If the student does not receive a cumulative GPA of 3.00 in the first semester of graduate work, he or she may be suspended for a period of one semester.

Semester Progress

A student who ends a semester with a semester or cumulative GPA below 3.00 will be placed on academic probation. Any student who fails to reach the required semester or cumulative GPA of 3.00 for the second semester in a row may be academically suspended for a period of one semester (approximately six months).

ACADEMIC PROBATION

The purpose of Academic Probation is to demonstrate to the student that he/she is not progressing at a satisfactory rate toward graduation. When a student is placed on Academic Probation, a Coach may contact the student to discuss opportunities for improvement and develop or revise an Academic Success Plan. A student will be released from academic probation upon achieving a semester GPA of 3.0 or higher.

ACADEMIC SUSPENSION

The following guidelines govern academic suspension:

1. A student who is academically suspended will not be allowed to enroll in any courses offered by Grace Christian University during the next semester.
2. A student on academic suspension for the first time may be re-entered into the desired program after sitting out one semester and by completing an Application for Re-Entry. If this application is approved by the Provost or designee or Admissions Committee, the student may be return on Academic Probation.
3. Any student academically suspended for a second time must petition the Educational Policies Committee for re-entry after one semester of absence. This petition must include evidence that the difficulties previously encountered have been overcome and that completion of degree requirements can reasonably be expected. The decision of the Educational Policies Committee is final, with no right to appeal.
4. A student who becomes academically suspended because of extenuating circumstances may appeal this decision to the Academic Appeal Committee. A student's participation in completing and following the Academic Success Plan will be considered when making this determination. The appeal must be submitted within four weeks of receiving notification of the suspension.

Academic Appeal Process

Academic appeals fall into four main categories: Academic Policy, Grading, Graduation/Commencement, and Academic Suspension. The specific parameters of each type of appeal are described below:

ACADEMIC POLICY APPEAL

Academic policies are designed to ensure that Grace Christian University meets the expectations established by its Board of Directors and accreditors. While the intentional, consistent and equitable application of those policies in all situations is the norm, there are times when a student requires special consideration due to unforeseen or unavoidable circumstances.

Students who wish to appeal an academic policy submit the online [Academic Appeal Form](#), including a narrative that describes the extenuating circumstances, includes supporting documentation, and requests a specific resolution to the situation. Academic policy appeals are typically reviewed on a weekly basis by the Academic Appeals Committee. If additional information is needed, it will be requested prior to the rendering of a decision. Students are informed of the response to their appeal within two weeks of filing the appeal.

Students who wish to appeal further, may submit a written appeal to the Faculty Senate. The Faculty Senate members will review all documentation pertaining to the situation (including the previously-rendered decision), and will make a determination if/how the decision should be changed. In cases where the Faculty Senate decision is not satisfactory, the student may file a [Formal Grievance Form](#). See the [Grievance Procedure](#) section of this catalog for more information.

GRADING APPEAL

Students who believe that a grade is not consistent with the grading rubric for the course or is otherwise not reflective of the assignment or established assessment, may seek clarification on the grade. Grade appeals should be initiated no more than four weeks after the original final grade is posted. The Grade Appeal process is:

- The student speaks with the instructor to see if the situation can be resolved. Online students may request the assistance of their Coach or Enrollment Specialist (as appropriate) to contact the professor. If a grade change is deemed appropriate, a Change of Grade request is submitted by the instructor and the student's record is updated accordingly.
- If the student and instructor are not able to resolve the situation, the student will complete the [Academic Appeal Form](#). The Academic Appeals Committee will review the appeal and all available documentation and decide if/how the grade should be changed.

- Students who wish to appeal further, may submit a written appeal to the Faculty Senate. The Faculty Senate members will review all documentation pertaining to the situation (including the previously-rendered decision), and will make a determination if/how the decision should be changed.
- In cases where the Faculty Senate decision is not satisfactory, the student may file a [Formal Grievance Form](#). See the [Grievance Procedure](#) section of this catalog for more information.

GRADUATION / COMMENCEMENT APPEAL

Students who wish to appeal graduation policies, including (but not limited to) course requirements, grade or GPA minimums, and participation in commencement, may submit an [Academic Appeal form](#). Appeals for graduation/commencement policies should be submitted as early as possible to ensure ample time for full notification of the decision rendered to all affected parties. Graduation/commencement policy appeals are typically reviewed on a weekly basis by the Academic Appeals Committee. If additional information is needed, it will be requested prior to the rendering of a decision. Students are informed of the response to their appeal within two weeks of filing the appeal.

Students who wish to appeal further, may submit a written appeal to the Faculty Senate. The Faculty Senate members will review all documentation pertaining to the situation (including the previously-rendered decision), and will make a determination if/how the decision should be changed. In cases where the Faculty Senate decision is not satisfactory, the student may file a [Formal Grievance Form](#). See the [Grievance Procedure](#) section of this catalog for more information.

ACADEMIC SUSPENSION APPEAL

Students who have been notified that they have been academically suspended from Grace have the option of appealing that suspension. Academic Suspension decisions are based on an established pattern of academic challenges resulting in a lack of satisfactory academic progress. An exception to the suspension decision will be based on the student's demonstration of two things: 1) Extenuating circumstances that impacted his/her ability to be successful and 2) How those circumstances have changed. [Appeal of Academic Suspension Guidelines](#) are available to assist the student in writing the appeal.

Students who wish to appeal further, may submit a written appeal to the Faculty Senate. The Faculty Senate members will review all documentation pertaining to the situation (including the previously-rendered decision), and will make a determination if/how the decision should be changed. In cases where the Faculty Senate decision is not satisfactory, the student may file a [Formal Grievance Form](#). See the [Grievance Procedure](#) section of this catalog for more information.

Availability of Classes & Programs

The course offering schedule for each Grace Christian University program is created based on course capacity with specific student needs. As a result, every course is not offered every term. Students are encouraged to work with an Coach when planning class schedules to assure that all degree requirements are completed in an efficient and timely manner.

Catalog Year Policy

The academic catalog is not a contract between Grace Christian University and the student. Grace makes every effort to include applicable academic and non-academic information available at the time of publishing the annual catalog.

While all students must follow academic programs as listed in the catalog in effect at the time of entrance or re-entry to the university, any policy changes instituted by the faculty or administration become effective when official notification is published unless otherwise stated and may differ from the entering catalog.

Graduate Students are expected to satisfy the degree requirements of the respective entry year catalog within five years. After a period of five years or upon re-entry to the institution, a student will be expected to satisfy the degree requirements in effect at the time of re-entry.

Students may request a different catalog under which to graduate. The new catalog must be dated later than the entry year catalog, and must be in effect while the student is enrolled at Grace. Students must complete all of the degree requirements as they appear in the catalog of record.

Change of Program Request

In order to request a program change, the student must fill out the **Degree Change Form**.

- The student's completion date may be delayed when a new degree program is selected.
- The student may lose applicable transfer credits when a new degree program is selected.
- The student may be required to take additional credits at Grace when a new degree is selected; also, some previously taken credits may not be applicable to the new degree.
- When a new education plan is created, the student must approve the plan before the Records/Registration Office will officially change the degree.

Course Repeat Policy

Students are permitted to take a course in which an unsatisfactory grade was achieved during a previous period of enrollment for the purpose of earning a higher grade point average and improved learning. In such situations, registration for the course and payment of the related tuition and fees at the current tuition rates are required. The higher of the two grades earned in the course will be included in the cumulative GPA calculation, though the lower grade will remain on the permanent transcript record. Financial aid may be available to help pay for a repeated course if the student's existing grade in the course is an F or W.

In certain instances, a student may wish to repeat a passed course to raise his/her grade point average (GPA) or to refresh knowledge of specific content. For graduate students, a course must be repeated if the final grade is below a B-. If the student received a passing grade but that grade was below a B-, financial aid may be used to repeat the course only one time. Financial aid is not available for coursework completed in a previously earned certificate or degree program.

Grading Scale

It is the responsibility of each student to meet the specific outcomes of each course as defined by the curriculum and upheld by the faculty, as well as to meet the general overall requirements for graduation which include a minimum cumulative GPA and total credit hours. If the student feels at any time that his/her performance is not on track to meet the specified requirements, the student should make an appointment with his/her instructor regarding an individual course, or the Coach if regarding the overall program. Grades are computed at the end of each course and are posted upon official grade submission by the instructor.

The minimum grade to apply toward the graduate degree is B-. Courses with a final grade below B- must be retaken until successfully completed (B- or higher). Students must successfully complete GEN 501 before enrolling in other graduate courses.

Students may view their official grades after the end of each session or semester by accessing the Student Portal. The “My Grades” link in Blackboard is unofficial.

Academic Integrity Violation	XF	0	The grade of XF is given for plagiarizing, cheating on a test or assignment, or otherwise violating the academic integrity policy.
Repeat	R		The course has been repeated. Only the highest earned grade counts toward GPA calculation.

Grade Point Average (GPA)

The GPA is computed by dividing the total number of quality points earned by the number of credits attempted for a letter grade as outlined in the table above.

Incomplete Grade (I)

All coursework is intended to be completed within the official date parameters set for the registered course. An Incomplete grade may be granted when a student is prevented from finishing coursework on time by extenuating circumstances brought about by a specific event. The student must have been earning a minimum grade of B- in the class prior to the event precipitating the request; students who are inactive and uncommunicative in the class are not eligible to request an Incomplete grade.

- It is the student's responsibility to request an "I" grade on or before the last scheduled date of the class and the professor's to determine whether the circumstances merit an Incomplete grade.
- The faculty member will instruct the student to submit a [Request for Incomplete Grade request form](#), which will be forwarded to the instructor for approval before the Incomplete grade is processed.
- A student who receives an Incomplete grade for any course will be dropped from their next scheduled course in order to focus on the successful completion of the Incomplete course.
- The student is required to turn in the completed work to the professor who taught the course unless other arrangements have been approved by the Provost or designee.
- The student may earn Discussion Post points by writing a reflection paper of at least 750 words that addresses the weekly topic. The student may read and include comments about other students' posts in the reflection, if desired.
- Incomplete coursework for Graduate courses must be submitted within six weeks from the last day of the original term. Students will receive the grade they earned based on work submitted by the end of the Incomplete extension.

AUDITING A COURSE

Auditing a course means taking a course for no credit or grade. Students are permitted to attend an audited course but may not submit assignments or take examinations. Audited courses do not earn quality points (GPA) or credits toward graduation. Audit status does not count toward full-time enrollment. Audit status must be declared at the time of registration and confirmed with the instructor on the first day of class. Audit enrollments are based on class size availability. If at any point prior to the beginning of the course, the class size maximum is reached, any audit registrations will be canceled. Financial Aid is not available for audited courses. Changes from credit to audit and vice versa will not be permitted after the first week of the class. All tuition and schedule change fees apply accordingly (see applicable [Fee Schedule](#)).

Graduation & Commencement

APPLICATION FOR GRADUATION

In order to receive a diploma and be invited to participate in the commencement ceremony, the student must apply to graduate by filling out the **Graduation Application Form**. Students are expected to submit their **Graduation Application Form** at least six months prior to the anticipated completion date.

The Registrar will audit the candidate's record for degree completion. The student's Degree Audit will ensure that the student and the Coach/Academic Advisor have current documentation of the student's progress toward degree completion. As long as there are no holds on the student's account, the diploma will be mailed to the address on the application for graduation unless requested otherwise by the graduate. If a student has not met the degree requirements at the final degree audit, the Registrar will notify the student and the advisor. Diplomas are distributed three times a year: late February, late June, and late October.

PARTICIPATION IN COMMENCEMENT

Candidates for degrees may participate in one of two commencement services in the spring of each academic year. In order to be included in an annual commencement ceremony, the candidate should apply to graduate by February 15. If the application is not received by that date, the candidate may not be able to participate in the commencement.

Grace offers an In-Person Commencement ceremony held in Grand Rapids, Michigan in the spring, and a Virtual Commencement video approximately two weeks later that is available to view through a link on the Grace website. Both ceremonies honor the graduates with speakers from the graduating class, and the distribution of special awards, and culminate in the reading of participating graduates' names.

It is expected that candidates will have successfully fulfilled all degree requirements prior to the In-Person commencement ceremony date. In addition, candidates who are in their last semester of study to complete their degree may participate in the Annual Commencement ceremony if they meet the following requirements:

1. They have no more than two outstanding courses to complete their Grace degree requirements (including courses currently in process).
2. They are registered for the remaining courses at Grace in the current semester.
3. They are in good academic standing.
4. There is a reasonable expectation that they will successfully complete their final degree requirements as scheduled (to be determined by the University Registrar).

Students who do not meet these requirements may submit an academic appeal to be allowed to participate in Commencement. The appeal should include specific rationale for the request to walk early, and a detailed description of the remaining degree requirements and how/when they will be completed.

Candidates who wish to participate in a commencement ceremony will order their cap and gown regalia from the university's third-party vendor, paying the vendor directly for the cost. Honor cords will be provided to candidates participating in one of the Commencement ceremonies who have met the requirements for the honors or high honors designation.

GRADUATION AWARDS

Students may be selected for various graduation awards upon meeting the specific academic and/ or character requirements.

DIPLOMA RE-ORDER

A diploma may be reordered at the request of the student. The cost for a replacement diploma is \$25, which must be paid when the order is submitted. Contact the Records/Registration Office to request a replacement diploma: onlineregistrar@gracechristian.edu.

Graduation Requirements

In order to graduate with a Master Degree from Grace Christian University, a student must accomplish the following:

- Complete all degree requirements within five years of the first class
- Earn a minimum cumulative grade point average of 3.00
- Complete 75% of the credit hours toward the graduate degree program at Grace Christian University
- Complete the specified number of credits for the degree
- Complete all courses required for the specified degree with a grade of B- or higher

SECOND GRADUATE DEGREE

Students who have earned a master degree at Grace Christian University or another accredited institution may wish to earn a second master degree in a different discipline at Grace. The student's transcript(s) of the first master degree program will be reviewed by the registrar to determine the courses needed to fulfill the second master degree requirements. Based on that evaluation, a second master degree may be awarded to a student under the following conditions:

- The first degree must have been completed with a minimum cumulative GPA of 3.0.
- Students must earn a minimum of 12 graduate credits after the completion of their first graduate degree.
- Students must complete a minimum of 50% of the required credits for the second degree in residence at Grace.
- Students earning a second Grace graduate degree must take a different capstone course than was completed in their first graduate degree (i.e. if CAP 595 was completed as part of the first degree, the student must select CAP 596, Capstone Experience or CAP 597, Capstone Thesis for the second graduate degree).
- Complete all other degree requirements as published in the Grace Christian University Graduate catalog in effect when starting the second graduate degree.

POSTHUMOUS DEGREE

A posthumous degree may be awarded upon request of the student's family if the deceased student had met the requirements as set forth below. Posthumous degrees will be awarded in the name of a deceased or critically ill student, who according to the best available medical advice, has no significant probability of being able to resume studies toward an earned degree in their lifetime.

The deceased student is required to have been registered in the current or preceding semester, be in good academic standing with the university, and have completed at least 85% of the requirements for the specified degree. The Registrar will complete a degree audit as a verification of the requirements, and submit the request to the Dean. If the Dean approves, the Dean will submit the request to the Provost for final approval.

The final approval will be returned to the University Registrar for processing. The Registrar will note the academic transcript with: "Degree Granted Posthumously." A copy of the academic record will be released, if requested, to an attorney representing the estate of the deceased student. There will not be a graduation or transcript fee assessed.

Deceased students not meeting the above criteria may receive a "Certificate of Achievement," if requested by the family.

Generally, posthumous degrees are conferred on institutional conferral dates, not at the annual commencement ceremony. The intent is to honor the student and to celebrate his or her accomplishments in a meaningful way for the family. If a student was in his or her last semester, the family may submit, in writing, a request to have one family member accept the posthumous degree during commencement as part of the normal proceedings. The reading of the name will include "awarded posthumously" in the announcement and in the printed program.

Privacy Policy

DIRECTORY INFORMATION

The *Family Educational Rights and Privacy Act* (FERPA), a federal law, requires that Grace Christian University, with certain exceptions, obtain the student's written consent prior to the disclosure of personally identifiable information from the education records. However, Grace Christian University may disclose appropriately designated "directory information" without written consent, unless the student has advised Grace Christian University to the contrary in accordance with Grace Christian University procedures. The primary purpose of directory information is to allow Grace Christian University to include information from student education records in certain school publications.

Examples include:

- Dean's, President's and other recognition lists, including Merit Pages
- Graduation programs
- Sports activity sheets, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a student's prior written consent. Outside organizations include, but are not limited to, companies that manufacture graduation garb or publish diplomas.

Students who do not want Grace Christian University to disclose any or all of the types of information designated below as directory information from the education records without prior written consent, must notify the Records/Registration Office via the FERPA Consent form.

Grace Christian University has designated the following information as directory information:

- Student's name
- Hometown
- Grace Email address
- Dates of attendance
- Photograph
- Participation in officially recognized activities and sports
- Weight and height of athletic team members (as appropriate)
- Earned degrees and dates
- Honors and awards received
- The most recent educational agency or institution attended

ANNUAL FERPA NOTIFICATION

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a post-secondary institution at any age). These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day Grace Christian University receives a request for access. A student should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

A student who wishes to ask Grace Christian University to amend a record should write the Registrar, clearly identifying the part of the record the student wants to be changed, and specify why it should be changed.

If Grace Christian University decides not to amend the record as requested, the Registrar will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before Grace Christian University discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

Grace Christian University discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by Grace Christian University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of Grace Christian University who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records such as an attorney, auditor, or collection agent, or a student volunteering to assist another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Grace Christian University.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Grace Christian University to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See the list below of the disclosures that post-secondary institutions may make without consent.

FERPA permits the disclosure of PII from students' education records, without the consent of the student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, § 99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures.

- To other school officials, including teachers, within Grace Christian University whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) – (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State post-secondary authority that is responsible for supervising the university's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))

(§ 99.31(a)(14))

To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. Student Technology Policy

E-MAIL CORRESPONDENCE

E-mail correspondence is increasingly used for distribution of information to members of the Grace community. Electronic forms of correspondence are timelier and more efficient than traditional paper correspondence and provide better service to the recipient and potential cost savings to the University.

Since all staff, faculty and registered students have email accounts created by virtue of their association with the University, electronic correspondence is one of the authorized means of communication from the University to its constituents. Notification by email is equivalent to a notification by letter or by phone. All email correspondence will be sent to the email address issued by the University (email address ending in @gracechristian.edu). Students have the option of forwarding their Grace email to a preferred personal email, however, the University cannot guarantee delivery of these messages to non-Grace addresses.

As a small step to enhance building the Grace learning community, users are encouraged to personalize their profile on Blackboard and E-mail.

Here are some guidelines:

Anti-virus and anti-malware software must be installed on your computer, kept up to date, and currently enabled. If your software is not up to date or disabled, it may lead to an infection which may result in your network access being disabled.

Although Grace's Information Technology (IT) Department deploys Windows patches for university issued devices, employees are responsible for keeping their computer updated with all other security patches/fixes from the appropriate software update services. This includes updating applications, such as MS Office, Adobe, iTunes, Firefox, Chrome, etc. This also includes operating system patches for non-university devices. If your computer is not up to date, it could lead to malware infection which may result in your network access being disabled.

Grace faculty and staff are responsible for their computer, including its hardware, software, and any network traffic transmitted by it. Software licensed by the University or merely used on University equipment must be used in accordance with that license agreement. Violations of the terms of software license agreements are not within the scope of University employment; the University may seek repayment of fines or damages from employees who violate licensing terms and may take disciplinary action up to and including dismissal. Please contact the IT Helpdesk if you have any questions about whether or not certain software/hardware might conflict with this acceptable use policy.

Copying or sharing copyrighted material, including through peer to peer file sharing, is illegal and immoral. We expect members of this Christian community will seek to uphold both the letter and spirit of the law regarding copyrighted material. Students found to have illegally downloaded files will have network privileges revoked.

The use of personal routers (wireless or wired) and/or DHCP servers is strictly prohibited. The IT Department will assist you if you require additional connectivity or have specific departmental needs.

4+1 Program

DESCRIPTION

The 4+1 Program allows students in a Grace bachelor degree program to streamline the path directly into a Grace master program. By beginning graduate coursework during their bachelor program, students may apply up to four graduate-level courses (maximum of 12 credits) to both the bachelor and master degrees*. Students should contact Coach to discuss any questions about the program.

Other Benefits Include:

- Cost savings toward graduate degree
- Strategic planning for the bachelor program
- Opportunity to experience graduate-level coursework without committing to a graduate program

Graduate Degrees Available:

- M.A. in Higher Education Leadership (MAHEL)
- M.A. in Ministry (MAMin)
- M.A. in Organizational Leadership (MAOL)
- Master of Business Administration (MBA)

Students who complete 4+1 courses with at least a B- will receive advanced standing in the selected graduate program, depending on the courses taken. These courses may be transferable to other institutions at the discretion of the receiving institution. 4+1 students wishing to complete a Grace graduate degree must formally apply to the graduate program after earning the bachelor degree.

* Students may elect to enroll in one to four six-week graduate-level courses to count toward both the undergraduate and graduate degrees. The courses available are dependent upon the student's selected graduate degree program. The number of graduate courses taken and the course availability may impact the length of time to degree completion for both the undergraduate and graduate degrees.

ELIGIBILITY

An On-Campus undergraduate student is eligible to take up to four 4+1 courses if the student:
